(ii) Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 (but excluding prepayments required under Section 2.05(b)(iv)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrowers may, in its sole discretion, irrevocably deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrowers for all purposes under this Agreement at the time of such prepayment.

Section 2.06 Termination or Reduction of Commitments.

(a) *Optional.* The Borrowers may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent at least 11:00 a.m. three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$1,000,000, or any whole multiple of \$500,000 in excess thereof or, if less, the entire amount thereof and (iii) any termination or permanent reduction of any Revolving Credit Commitments pursuant to this Section 2.06(a) shall be applied as directed by the Borrower, including as to any Class of Extended Revolving Credit Commitments or existing Revolving Credit Commitments (including any Incremental Revolving Credit Commitments and Refinancing Revolving Credit Commitments). Notwithstanding the foregoing, the Administrative Borrower may rescind or postpone any notice of termination of any Commitments prior to the effectiveness of such termination if such termination would have resulted from a refinancing of all or a portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.* The Term B Commitment of each Term Lender shall be automatically and permanently reduced to \$0 upon the funding of Term B Loans to be made by it on the Closing Date. The Term Commitment of each Incremental Term Lender, Refinancing Term Lender or Lender under a Term Loan Extension Series shall be automatically and permanently reduced to \$0 upon the funding of Term Loans to be made by it on the date set forth in the corresponding Incremental Amendment, Refinancing Amendment or Extension Amendment. The Revolving Credit Commitment of each Revolving Credit Lender of a Class shall automatically and permanently terminate on the Maturity Date for such applicable Class of Revolving Credit Commitments; *provided* that the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans that were required to be funded by it on or prior to such Maturity Date.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Commitments of any Facility shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) *Term Loans.* The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (A) on the last Business Day of each March, June, September and December, commencing with March 31, 2020, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Term B Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (B) on the Maturity Date for the Term B Loans, the aggregate principal amount of all Term B Loans outstanding on such date; *provided* that the amount of any such payment set forth above shall be adjusted to account for the addition of any Extended Term Loan or Incremental Term Loans to contemplate (A) the reduction in the aggregate principal amount of any Term B Loans that were converted in connection with the incurrence of such Extended Term Loans, and (B) any increase to payments to the extent and as required pursuant to the terms of any applicable Incremental Amendment involving a Term Loan Increase to the Term B Loans, a Refinancing Amendment to the amount of Term B Loans or an Extension Amendment increasing the amount of Term B Loans.

(b) *Revolving Credit Loans.* The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) During the continuance of an Event of Default under Section 8.01(a), the Borrowers shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon written demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(a) *Ticking Fees.* The Borrowers agree to pay on the Closing Date to the Administrative Agent for the benefit of the Lenders a ticking fee (the “**Ticking Fee**”), which Ticking Fee shall accrue at a rate per annum equal to the Ticking Fee Rate (as defined below) on the aggregate amount of outstanding commitments in respect of the Term B Loans, and shall be earned and due and payable on the Closing Date. The “**Ticking Fee Rate**” means a rate per annum equal to, for the period commencing on (a) May 22, 2019 (the “**Allocation Date**”) through (and including) the 45th day following the Allocation Date, 0%, (b) the 46th day after the Allocation Date through (and including) the 90th day after the Allocation Date, 50% of the Applicable Rate for Eurocurrency Rate Loans and (c) the 91st day after the Allocation Date through (but excluding) the Closing Date, 100% of the Applicable Rate for Eurocurrency Rate Loans.

(b) *Agent Fees.* The Borrowers shall pay to the Agents and the Commitment Parties such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrowers and the applicable Agent or Commitment Party).

(c) *Closing Fees.* The Borrowers agree to pay on the Closing Date to each Lender party to this Agreement on the Closing Date, as a fee paid as consideration for undertaking to fund such Lender’s Term Loan, a closing fee (the “**Closing Fee**”) in an amount equal to 1.00% of the stated principal amount of such Lender’s Term B Loan made on the Closing Date. Such Closing Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and shall be netted against Term B Loans made by such Lender on the Closing Date.

Section 2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate) shall be made on the basis of a year of three hundred sixty-five (365) days, or three hundred sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed, or, in the case of interest in respect of Loans denominated in an Available Currency other than Dollars as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included for purposes of calculating interest on a Loan of such different Type and the date such Loan is repaid or converted to a Loan of a different Type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of United States Treasury Regulation Section 5f.103-1(c) and Section 1.163-5(b) of the proposed United States Treasury Regulations, as agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender’s Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) [Reserved].

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its account or accounts pursuant to Sections 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) Unless the Borrowers or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Base Rate Loans, prior to 1:00 p.m. on the date of such payment, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrowers, for the account of any Lender or, in the case of the Lenders, for the account of Borrowers hereunder), that the Borrowers or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrowers or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrowers failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrowers to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrowers, and the Borrowers shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

A written notice (including documentation reasonably supporting such request) of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments.

If, other than as provided elsewhere herein or required by court order, any Lender shall obtain payment of any principal of or interest on account of the Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrowers or application of funds pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder, (C) transactions in connection with an open market purchase or a Dutch auction contemplated hereunder, (D) in connection with a transaction pursuant to an Extension Amendment, Refinancing Amendment or Incremental Amendment or amendment in connection with Replacement Term Loans contemplated hereunder, (E) the application of Cash Collateral as provided herein (including the application of funds arising from the existence of a Defaulting Lender) or (F) non-pro rata payments and repayments permitted pursuant to Section 2.16(b). The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender was the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Notwithstanding anything to the contrary contained in this Section 2.13 or elsewhere in this Agreement, the Borrower may extend the final maturity of Term Loans and/or Revolving Credit Commitments in connection with an Extension that is permitted under Section 2.16 without being obligated to effect such extensions on a pro rata basis among the Lenders (it being understood that no such extension (i) shall constitute a payment or prepayment of any Term Loans or Revolving Credit Loans, as applicable, for purposes of this Section 2.13 or (ii) shall reduce the amount of any scheduled amortization payment due under Section 2.07(a), except that the amount of any scheduled amortization payment due to a Lender of Extended Term Loans may be reduced to the extent provided pursuant to the express terms of the respective Extension Request) without giving rise to any violation of this Section 2.13 or any other provision of this Agreement. Furthermore, the Borrower may take all actions contemplated by Section 2.16 in connection with any Extension (including modifying pricing, amortization and repayments or prepayments), and in each case such actions shall be permitted, and the differing payments contemplated therein shall be permitted without giving rise to any violation of this Section 2.13 or any other provision of this Agreement.

Section 2.14 Incremental Credit Extensions.

(a) *Incremental Commitments.* The Borrowers may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (an “**Incremental Loan Request**”), request (A) one or more new commitments which may be of the same Class as any outstanding Term Loans (a “**Term Loan Increase**”) or a new Class of term loans (collectively with any Term Loan Increase, the “**Incremental Term Commitments**”) and/or (B) the establishment of one or more new revolving credit commitments in Dollars or any Available Currency (any such new commitments, collectively, the “**Incremental Revolving Credit Commitments**”) and the Incremental Revolving Credit Commitments, collectively with any Incremental Term Commitments, the “**Incremental Commitments**”), whereupon the Administrative Agent shall promptly deliver a copy of each such notice to the Lenders.

(b) *Incremental Loans.* On any Incremental Facility Closing Date on which any Incremental Term Commitments of any Class are effected (including through any Term Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Term Lender of such Class shall make a Loan to the Borrowers (an “**Incremental Term Loan**”) in an amount equal to its Incremental Term Commitment of such Class and (ii) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Commitment of such Class and the Incremental Term Loans of such Class made pursuant thereto. On any Incremental Facility Closing Date on which any Incremental Revolving Credit Commitments of any Class are provided, subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Revolving Credit Lender of such Class shall make its Commitment available to the Borrowers (when borrowed, an “**Incremental Revolving Loan**”) and collectively with any Incremental Term Loan, an “**Incremental Loan**”) in an amount equal to its Incremental Revolving Credit Commitment of such Class and (ii) each Incremental Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Credit Commitment of such Class and the Incremental Revolving Loans of such Class made pursuant thereto. For the avoidance of doubt, Incremental Term Loans having identical terms to any of the other Term Loans (other than original issue discount and/or upfront fees) may be treated as the same Class as any of such Term Loans for all purposes herein.

(c) *Incremental Loan Request.* Each Incremental Loan Request from the Borrowers pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans or Incremental Revolving Credit Commitments. Incremental Term Loans may be made, and Incremental Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Incremental Commitment, nor will the Borrowers have any obligation to approach any existing Lender to provide any Incremental Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, an “**Incremental Revolving Credit Lender**” or “**Incremental Term Lender**,” as applicable, and, collectively, the “**Incremental Lenders**”); *provided* that (i) with respect to Incremental Term Commitments, any Affiliated Lender providing an Incremental Term Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (ii) Affiliated Lenders may not provide Incremental Revolving Credit Commitments.

(d) *Effectiveness of Incremental Amendment.* The effectiveness of any Incremental Amendment, and the Incremental Commitments thereunder, shall be subject to the satisfaction on the date thereof (the “**Incremental Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Incremental Amendment:

(i) no Event of Default shall exist after giving effect to such Incremental Commitments; *provided*, that with respect to any Incremental Amendment the purpose of which is to finance any Permitted Acquisition or Investment, including any Limited Condition Transaction, the condition set forth in this clause (i) (other than any Event of Default pursuant to Section 8.01(a) or, with respect to the Parent Borrower, Section 8.01(f), which may only be waived with the consent of the Required Lenders), may be waived or omitted in full or in part by Incremental Lenders holding more than 50% of the applicable aggregate Incremental Commitments;

(ii) [reserved];

(iii) each Incremental Term Commitment shall be in an aggregate principal amount that is not less than \$5,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$5,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iv) permitted to be borrowed at such time) and each Incremental Revolving Credit Commitment shall be in an aggregate principal amount that is not less than \$5,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$5,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iv) permitted to be borrowed at such time);

(iv) the aggregate principal amount of the Incremental Term Loans, the Incremental Revolving Credit Commitments and Incremental Equivalent Debt incurred pursuant to this Section 2.14 shall not exceed (A) the greater of (I) \$175,000,000 and (II) 75% of Trailing Four Quarter Consolidated EBITDA *minus* the aggregate amount of Indebtedness incurred (without duplication) pursuant to clause (A) of the definition of “Maximum Additional First Lien Debt Amount” or clause (A) of the definition of “Maximum Additional Second Lien/Junior Debt Amount” (in each case as defined in the Second Lien Notes Indenture), *plus* (B) an amount equal to the sum of (I) the aggregate principal amount of all voluntary prepayments (including through debt buybacks (whether through open market purchases or otherwise) and Dutch auctions) of (x) Term Loans, Permitted Ratio Debt or Incremental Equivalent Debt that constitutes First Lien Obligations and (y) to the extent incurred in reliance on clause (A) above, Incremental Equivalent Debt that constitutes Second Lien Obligations or that is unsecured and (II) the aggregate principal amount of permanent voluntary commitment reductions under the ABL Credit Agreement in connection with the termination of the ABL Credit Agreement or any other revolving facility the Indebtedness under which constitutes First Lien Obligations, in each case, made or effectuated after the Closing Date (*provided* that voluntary permanent commitment reductions with respect to the ABL Credit Agreement may only be utilized to incur Incremental Revolving Credit Commitments and not Incremental Term Commitments), in each case except to the extent financed with proceeds of long-term Indebtedness (other than revolving Indebtedness); *provided* that to the extent any voluntary prepayment, repurchase or commitment reduction builds capacity to incur Indebtedness pursuant to this clause (B) and clause (B) of the definition of “Maximum Additional First Lien Debt Amount” or clause (B) of the definition of “Maximum Additional Second Lien/Junior Debt Amount” (in each case as defined in the Second Lien Notes Indenture), such capacity pursuant to this clause (B) shall be reduced by the amount of any Indebtedness incurred in reliance on such capacity pursuant to (without duplication) clause (B) of the definition of “Maximum Additional First Lien Debt Amount” or clause (B) of the definition of “Maximum Additional Second Lien/Junior Debt Amount” (in each case as defined in the Second Lien Notes Indenture), *plus* (C) an unlimited additional amount of Incremental Term Loans, Incremental Revolving Credit Commitments and/or Incremental Equivalent Debt so long as (x) in the case of Incremental Term Loans, Incremental Revolving Credit Commitments or Incremental Equivalent Debt secured by any Applicable Lien, the First Lien Net Leverage Ratio for the Test Period most recently ended calculated on a Pro Forma Basis after giving effect to any such incurrence, does not exceed 3.95 to 1.00 (in the case of an incurrence of Incremental Revolving Credit Commitments, such ratio determined only at the time the relevant Commitment is established and assuming such then incurred Incremental Revolving Credit Commitments are fully drawn and calculating the First Lien Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred), (y) in the case of Incremental Loans, Incremental Revolving Credit Commitments or Incremental Equivalent Debt secured by Liens on the Collateral (other than Applicable Liens), the Senior Secured Net Leverage Ratio for the Test Period most recently ended calculated on a Pro Forma Basis after giving effect to any such incurrence, does not exceed 5.75 to 1.00 (in the case of an incurrence of Incremental Revolving Credit Commitments, such ratio determined only at the time the relevant Commitment is established and assuming such then incurred Incremental Revolving Credit Commitments are fully drawn and calculating the Senior Secured Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred) and (z) in the case of Incremental Loans, Incremental Revolving Credit Commitments or Incremental Equivalent Debt that are (or is) unsecured, either (1) the Fixed Charge Coverage Ratio for the Test Period most recently ended calculated on a Pro Forma Basis after giving effect to any such incurrence, is not less than 2.00 to 1.00 (in the case of an incurrence of Incremental Revolving Credit Commitments, such ratio determined only at the time the relevant Commitment is established and assuming such then incurred Incremental Revolving Credit Commitments are fully drawn and calculating the Fixed Charge Coverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred) or (2) if incurred in connection with a Permitted Acquisition or other Investment, the Fixed Charge Coverage Ratio on a Pro Forma Basis does not decrease immediately after giving effect to such Permitted Acquisition, Investment or other Specified Transaction (the amount available under clauses (A), (B) and (C), the “**Available Incremental Amount**”); *provided* that (I) the Borrowers may elect to use clause (C) of the Available Incremental Amount prior to clause (A) or (B) and regardless of whether there is capacity under clause (A) or (B), and if clauses (A), (B) and (C) are available and the Borrowers do not make an election, the Borrowers will be deemed to have elected clause (C), (II) the Borrowers may reclassify utilizations among clauses (A), (B) and (C) of the Available Incremental Amount if, at the time of such reclassification, the Borrowers would be permitted to incur the aggregate principal amount of Indebtedness being so reclassified, and (III) if amounts incurred under clause (A) or (B) of the Available Incremental Amount are incurred concurrently with the incurrence of Incremental Loans or Incremental Commitments and/or Incremental Equivalent Debt (in each case, including any unused commitments obtained) in reliance on clauses (A) or (B) of the Available Incremental Amount or any amounts pursuant to a fixed dollar basket in Section 7.03, the First Lien Net Leverage Ratio, the Senior Secured Net Leverage Ratio or the Fixed Charge Coverage Ratio shall be calculated without giving effect to such amounts incurred (or commitments obtained) in reliance on the foregoing clauses (A) or (B) or such fixed dollar basket in Section 7.03; and

(v) the Incremental Term Loans made pursuant to any Term Loan Increase shall be added to (and form part of) each Borrowing of outstanding Term Loans under the respective Class subject to such Term Loan Increase on a pro rata basis (based on the principal amount of each Borrowing) so that each Lender under such Class will participate proportionately in each then outstanding Borrowing of Term Loans under such Class after giving effect to such Term Loan Increase, provided that regularly accruing interest and fees through the date of the applicable Incremental Facility Closing Date (as well as amounts owing to any Lender pursuant to Sections 3.01, 3.04, 3.05, 10.04 and 10.05 or similar provisions pursuant to the other Loan Documents) shall remain payable to the respective Lenders to which such amounts were owing.

(e) *Required Terms.* The terms, provisions and documentation of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrowers and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent the terms of any Incremental Term Loans are not identical to any Class of Term Loans or Revolving Credit Commitments, as applicable, existing on the Incremental Facility Closing Date, the terms of such Incremental Term Loans shall either, (x) not be materially more restrictive to the Borrowers (as determined by the Administrative Borrower in good faith), when taken as a whole, than the terms of the Term B Loans, except for covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to the incurrence of the Incremental Term Loans and Incremental Term Commitments or (y) be reasonably satisfactory to the Administrative Agent (it being understood that (I) covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to the incurrence of the Incremental Term Loans and Incremental Term Commitments need not be reasonably satisfactory to the Administrative Agent and (II) to the extent that any Previously Absent Financial Maintenance Covenant or other covenant is added for the benefit of any Incremental Term Loans and Incremental Term Commitments, no consent shall be required from the Administrative Agent or any of the Lenders to the extent that such Previously Absent Financial Maintenance Covenant or other covenant is also added for the benefit of the existing Term Loans); *provided* that in the case of a request to effect a Term Loan Increase, the terms, provisions and documentation of such Term Loan Increase shall be identical (other than with respect to upfront fees, OID or similar fees) (it being understood that, if necessary to consummate such Term Loan Increase which is intended to be fungible for U.S. federal income tax purposes, the interest rate margins and rate floors on the existing Class of Term Loans may be automatically increased and any call protection provision may be made more favorable to the applicable existing Lenders) to the applicable Term Loans being increased as existing on the Incremental Facility Closing Date. In any event:

(i) the Incremental Term Loans:

(A) (i) shall rank *pari passu* in right of payment with, or junior in right of payment to, the Obligations under the then existing Term Loans and will either be secured solely by the same Collateral securing the Obligations or shall be unsecured and (ii) to the extent (x) secured by any Applicable Lien, shall be subject to the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement and, if applicable, the First Lien Intercreditor Agreement and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable,

(B) as of the Incremental Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Term B Loans,

(C) as of the Incremental Facility Closing Date, shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Term B Loans (prior to any extension thereto) except as may be required to achieve fungibility with any existing term loan facility to the extent intended to be fungible,

(D) subject to clause (e)(iii) below, shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any), and subject to clauses (e)(i)(B) and (e)(i)(C) above amortization determined by the Borrowers and the applicable Incremental Term Lenders; *provided* that if the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for a Term Loan Increase shall be higher than the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for the Class being increased, then the Applicable Rate for the Class being increased shall be automatically increased as and to the extent necessary to eliminate such deficiency,

(E) shall have fees, if any, determined by the Borrowers and the applicable Incremental Term Loan arranger(s), and

(F) may participate on a pro rata basis or less than or greater than pro rata basis in any voluntary prepayments of other Classes of Term Loans; and may participate on a pro rata basis or less than pro rata basis in any mandatory prepayments of Term Loans hereunder (but not on a greater than pro rata basis (except for AHYDO Payments and prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y))).

(ii) except with respect to maturity, pricing and fees which shall be determined by the Borrowers, the terms of any Incremental Revolving Credit Commitments shall be reasonably satisfactory to the Administrative Agent and Parent Borrower); provided that, notwithstanding anything in this Section 2.14 to the contrary, the Incremental Revolving Credit Commitments and Incremental Revolving Loans:

(A) (i) shall rank *pari passu* in right of payment with, or junior in right of payment to, the Obligations under the then existing Term Loans and will either be secured solely by the same Collateral securing the Obligations or shall be unsecured and (ii) to the extent (x) secured by any Applicable Lien, shall be subject to the Second Lien Intercreditor Agreement and, if applicable, the ABL Intercreditor Agreement and the First Lien Intercreditor Agreement and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and, if applicable, the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable;

(B) may include provisions for letter of credit and swing line subfacilities and may be available in any Available Currency; and

(C) as of the Incremental Facility Closing Date, shall not have a final scheduled maturity date earlier than, or scheduled commitment reductions prior to, the date that is one year prior to the then earliest Maturity Date for any Term Loans.

(iii) the All-In Yield applicable to the Incremental Term Loans of each Class shall be determined by the Borrowers and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Amendment; *provided, however*, that the All-In Yield applicable to Incremental Term Loans that rank *pari passu* in right of payment and security with the Term B Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Term B Loans plus 50 basis points per annum unless the interest rate (together with, as provided in the proviso below, the Eurocurrency Rate or Base Rate floor) with respect to the Term B Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Term B Loans to equal the All-In Yield then applicable to the Incremental Term Loans minus 50 basis points (the “**MFN Adjustment**”); *provided* that any increase in All-In Yield to any Term B Loan due to the application or imposition of a Eurocurrency Rate or Base Rate floor on any Incremental Term Loan shall be effected, at the Borrowers’ option, (x) through an increase in (or implementation of, as applicable) any Eurocurrency Rate or Base Rate floor applicable to such Term B Loan, (y) through an increase in the Applicable Rate for such Term B Loan or (z) any combination of (x) and (y) above.

(f) *Incremental Amendment.* Commitments in respect of Incremental Term Loans and Incremental Revolving Credit Commitments shall become additional Commitments under this Agreement pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers, each Incremental Lender providing such Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.14, including, without limitation, any amendments necessary in connection with a Term Loan Increase necessary to provide that such Incremental Loans and Incremental Commitments are fungible for U.S. federal income tax purposes. The Borrowers will use the proceeds, if any, of the Incremental Term Loans and Incremental Revolving Credit Commitments for any purpose not prohibited by this Agreement. No Lender shall be obligated to provide any Incremental Term Loans or Incremental Revolving Credit Commitments, unless it so agrees. To the extent reasonably requested by the Administrative Agent, the Administrative Agent shall have received (i) customary legal opinions (conformed as appropriate), good standing certificates, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Term Loans and Incremental Revolving Credit Commitments are provided with the benefit of the applicable Loan Documents.

(g) *Incremental Equivalent Debt.* The Borrowers may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date, issue, incur or otherwise obtain Indebtedness of the Borrowers in respect of one or more series of secured first lien loans or notes (provided that such Liens on the Term Loan Priority Collateral shall rank *pari passu* with the Liens on the Term Loan Priority Collateral securing the Obligations under this Agreement (but without regard to control of remedies)), junior lien loans or notes, subordinated unsecured loans or notes or senior unsecured loans or notes, in the case of any securities issued in a public offering, Rule 144A or other private placement or bridge financing in lieu of the foregoing, or senior or subordinated mezzanine Indebtedness (which may be in the form of loans or notes and limited to being unsecured or secured solely on a junior lien basis), in each case, that are issued or made in lieu of Incremental Revolving Credit Commitments and/or Incremental Term Commitments (the “**Incremental Equivalent Debt**”); *provided that* (i) the aggregate amount of Incremental Equivalent Debt (together with Incremental Term Loans and the Incremental Revolving Credit Commitments) incurred pursuant to this Section 2.14 shall not exceed the Available Incremental Amount (it being understood that (I) the Borrowers may elect to use clause (C) of the Available Incremental Amount prior to clause (A) or (B) and regardless of whether there is capacity under clause (A) or (B), and if clauses (A), (B) and (C) are available and the Borrowers do not make an election, the Borrowers will be deemed to have elected clause (C), (II) the Borrowers may reclassify utilizations among clauses (A), (B) and (C) of the Available Incremental Amount if, at the time of such reclassification, the Borrowers would be permitted to incur the aggregate principal amount of Indebtedness being so reclassified, and (III) if amounts incurred under clause (A) or (B) of the Available Incremental Amount are incurred concurrently with the incurrence of Incremental Loans or Incremental Commitments and/or Incremental Equivalent Debt (in each case, including any unused commitments obtained) in reliance on clause (A) or (B) of the Available Incremental Amount or any amounts pursuant to a fixed dollar basket in Section 7.03, the First Lien Net Leverage Ratio, the Senior Secured Net Leverage Ratio, the Total Net Leverage Ratio or the Fixed Charge Coverage Ratio shall be calculated without giving effect to such amounts incurred (or commitments obtained) in reliance on the foregoing clause (A) or (B) or such fixed dollar basket in Section 7.03), (ii) such Incremental Equivalent Debt shall rank *pari passu* in right of payment with, or junior in right of payment to, the Obligations under the then existing Term Loans and Revolving Credit Loans and will either be secured solely by the same Collateral securing the Obligations (and to the extent (x) secured by any Applicable Lien, shall be subject to the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement and, if applicable, the First Lien Intercreditor Agreement and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable) or be unsecured, (iii) such Incremental Equivalent Debt shall not have a final scheduled maturity date earlier than the Maturity Date of the Term B Loans (other than any Incremental Equivalent Debt consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria), (iv) such Incremental Equivalent Debt shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Term B Loans (prior to any extension thereto) (other than any Incremental Equivalent Debt consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria), (v) subject to clauses (iii) and (iv) above, such Incremental Equivalent Debt shall have amortization determined by the Borrowers and the applicable lenders, (vi) any Incremental Equivalent Debt consisting of first lien syndicated term loans shall be subject to Section 2.14(e)(iii) solely to the extent required thereby and not otherwise excluded by the terms thereof, (vii) such Incremental Equivalent Debt shall have fees, if any, determined by the Borrowers and the applicable arranger(s); and (viii) such Incremental Equivalent Debt may participate on a pro rata basis or less than or greater than pro rata basis in any voluntary prepayments of other Classes of Term Loans; and may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments with respect to any Refinancing Indebtedness thereof and other than with any Class of Term Loans with an earlier Maturity Date as compared with such Incremental Equivalent Debt)) in any mandatory prepayments of Term Loans.

(h) This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.15 Refinancing Amendments.

(a) *Refinancing Commitments.* The Borrowers may, at any time or from time to time after the Closing Date, by notice to the Administrative Agent (a “**Refinancing Loan Request**”), request (A) (i) the establishment of one or more new Classes of term loans under this Agreement (any such new Class, “**New Refinancing Term Commitments**”) or (ii) increases to one or more existing Classes of term loans under this Agreement (any such increase to an existing Class, collectively with New Refinancing Term Commitments, “**Refinancing Term Commitments**”), or (B)(i) the establishment of one or more new Classes of revolving credit commitments under this Agreement (any such new Class, “**New Refinancing Revolving Credit Commitments**”) or (ii) increases to one or more existing Classes of revolving credit commitments (any such increase to an existing Class, collectively with the New Refinancing Revolving Credit Commitments, “**Refinancing Revolving Credit Commitments**”, and collectively with any Refinancing Term Commitments, “**Refinancing Commitments**”), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, as selected by the Borrowers, any one or more then existing Class or Classes of Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, “**Refinanced Debt**”), whereupon the Administrative Agent shall promptly deliver a copy of each such notice to each of the Lenders.

(b) *Refinancing Loans.* Any Refinancing Term Loans made pursuant to New Refinancing Term Commitments or any New Refinancing Revolving Credit Commitments made on a Refinancing Facility Closing Date shall be designated a separate Class of Refinancing Term Loans or Refinancing Revolving Credit Commitments, as applicable, for all purposes of this Agreement. On any Refinancing Facility Closing Date on which any Refinancing Term Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Term Lender of such Class shall make a Term Loan to the Borrowers (a “**Refinancing Term Loan**”) in an amount equal to its Refinancing Term Commitment of such Class and (ii) each Refinancing Term Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term Commitment of such Class and the Refinancing Term Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Revolving Credit Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Revolving Credit Lender of such Class shall make its Refinancing Revolving Credit Commitment available to the Borrowers (when borrowed, a “**Refinancing Revolving Loan**”) and collectively with any Refinancing Term Loan, a “**Refinancing Loan**”) and (ii) each Refinancing Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Credit Commitment of such Class and the Refinancing Revolving Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request.* Each Refinancing Loan Request from the Borrowers pursuant to this Section 2.15 shall set forth the requested amount and proposed terms of the relevant Refinancing Term Loans or Refinancing Revolving Credit Commitments and identify the Refinanced Debt with respect thereto. Refinancing Term Loans may be made, and Refinancing Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrowers have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Revolving Credit Lender**” or “**Refinancing Term Lender**,” as applicable, and, collectively, “**Refinancing Lenders**”); *provided* that (i) in the case of any Refinancing Revolving Credit Commitment which are Revolving Credit Commitments, the Administrative Agent shall have consented (not to be unreasonably conditioned, withheld or delayed) to such Lender’s or Additional Lender’s providing such Refinancing Revolving Credit Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Refinancing Term Commitments, any Affiliated Lender providing a Refinancing Term Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Refinancing Revolving Credit Commitments.

(d) *Effectiveness of Refinancing Amendment.* The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) [Reserved];

(ii) each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 and not in an increment of \$1,000,000 if such amount is equal to (x) the entire outstanding principal amount of Refinanced Debt that is in the form of Term Loans or (y) the entire principal amount of Refinanced Debt (or commitments) that is in the form of Revolving Credit Commitments);

(iii) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (x) customary legal opinions, good standing certificates, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (y) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Refinancing Commitments and Refinancing Loans are provided with the benefit of the applicable Loan Documents; and

(iv) the Refinancing Term Loans made pursuant to any increase in any existing Class of Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under the respective Class so incurred on a pro rata basis (based on the principal amount of each Borrowing) so that each Lender under such Class will participate proportionately in each then outstanding Borrowing of Term Loans under such Class after giving effect to such increase; *provided* that regularly accruing interest and fees through the date of the applicable Refinancing Facility Closing Date (as well as amounts owing to any Lender pursuant to Sections 3.01, 3.04, 3.05, 10.04 and 10.05 or similar provisions pursuant to the other Loan Documents) shall remain payable to the respective Lenders to which such amounts were owing.

(e) *Required Terms.* The terms, provisions and documentation of the Refinancing Term Loans and Refinancing Term Commitments or the Refinancing Revolving Loans and Refinancing Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrowers and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to (or constituting a part of) any Class of Term Loans or Revolving Credit Commitments, as applicable, each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i) and (ii) below, as applicable, and otherwise, at the option of the Borrowers, either (x) reflect market terms and conditions (taken as a whole) at the time of such refinancing (as determined by the Administrative Borrower in good faith) or (y) if not consistent with the terms of the corresponding Class under the Facilities, not be materially more restrictive to the Borrowers (as determined by the Administrative Borrower in good faith), when taken as a whole, than the terms of the applicable Class under the Facilities being refinanced or replaced (except for covenants or other provisions applicable only to periods after the Latest Maturity Date of the Term Loans and Revolving Credit Commitments existing at the time of such refinancing). If necessary to consummate any such Refinancing Loans or Refinancing Commitments as fungible for U.S. federal income tax purposes with an existing Class of Term Loans or Revolving Credit Commitments, the interest rate margins and rate floors on the applicable existing Class of Term Loans or Revolving Credit Commitments may be automatically increased and any call protection provision may be made more favorable to the applicable existing Lenders. In any event:

(i) The Refinancing Term Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt; *provided* that Refinancing Term Loans consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria may have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt;

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt; *provided* that Refinancing Term Loans consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria may have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt;

(C) shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any), and subject to clauses (e)(i)(A) and (e)(i)(B) above, amortization determined by the Borrowers and the applicable Refinancing Term Lenders; *provided* that if the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for Refinancing Term Loans that constitute an increase to an existing Class of Term Loans is higher than the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for the Class being increased, then the Applicable Rate for the Class being increased shall be automatically increased as and to the extent necessary to eliminate such deficiency.

(D) shall have fees determined by the Borrowers and the applicable arranger(s);

(E) shall not be subject to any Guarantee by any Subsidiary other than a Loan Party;

(F) may provide for the ability to participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary prepayments with any other Class of outstanding Term Loans and may provide for the ability to participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for AHYDO Payments and prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y))) in any mandatory prepayments of Term Loans hereunder;

(G) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus any accrued but unpaid interest on such Refinanced Debt plus existing commitments unutilized under such Refinanced Debt to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Debt and any defeasance costs and any fees and expenses (including OID, upfront fees or similar fees) incurred in connection with the issuance of such Refinancing Term Loans plus other amounts permitted to be incurred under Sections 7.01 and 7.03, as applicable;

(H) (i) shall rank *pari passu* in right of payment or junior in right of payment with the Obligations under the then existing Term Loans and Revolving Credit Loans and (ii) will either be secured solely by the same Collateral securing the Obligations or shall be unsecured and (ii) to the extent (x) secured by any Applicable Lien, shall be subject to the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement and, if applicable, the First Lien Intercreditor Agreement and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable;

(ii) the Refinancing Revolving Credit Commitments and Refinancing Revolving Loans:

(A) (i) shall rank *pari passu* in right of payment with, or junior in right of payment to, the Obligations under the then existing Term Loans and Revolving Credit Loans and will either be secured solely by the same Collateral securing the Obligations or shall be unsecured and (ii) to the extent (x) secured by any Applicable Lien, shall be subject to the Second Lien Intercreditor Agreement and, if applicable, the First Lien Intercreditor Agreement and the ABL Intercreditor Agreement, and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and, if applicable, the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable;

(B) shall not have a final scheduled maturity date earlier than, or mandatory scheduled commitment reductions prior to, the Maturity Date with respect to the Refinanced Debt;

(C) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Refinancing Revolving Credit Commitments (and related outstandings), (2) repayments required upon the applicable Maturity Date of the Refinancing Revolving Credit Commitments and any other Class of Revolving Credit Commitments, and (3) repayments made in connection with a permanent repayment and termination of commitments (in accordance with clause (E) below) of Loans with respect to Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a pro rata basis with all other Revolving Credit Commitments;

(D) may include provisions for letter of credit and swing line subfacilities and may be available in any Available Currency;

(E) shall provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date be made on a pro rata basis or less than pro rata basis (but not greater than pro rata basis) with all other Revolving Credit Commitments, except that the Borrowers shall be permitted to permanently repay and terminate Commitments (I) in respect of any such Class of Revolving Credit Loans on a greater than pro rata basis as compared to any other Class of Revolving Credit Loans with a later Maturity Date than such Class or (II) in connection with any refinancing thereof permitted by this Agreement;

(F) shall provide that assignments and participations of Refinancing Revolving Credit Commitments and Refinancing Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans then existing on the Refinancing Facility Closing Date;

(G) shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) determined by the Borrowers and the applicable Refinancing Revolving Credit Lenders; *provided* that if the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) with respect to any Refinancing Revolving Credit Commitments that constitute an increase to an existing Class of Revolving Credit Commitments is higher than the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for the Class being increased, then the Applicable Rate for the Class being increased shall be automatically increased as and to the extent necessary to eliminate such deficiency;

(H) shall have fees determined by the Borrowers and the applicable Refinancing Revolving Credit Commitment arranger(s);

(I) shall not be subject to any Guarantee by any Subsidiary other than a Loan Party; and

(J) shall not have a greater principal amount of Commitments than the principal amount of the utilized Commitments of the Refinanced Debt plus any accrued but unpaid interest on such Refinanced Debt plus existing commitments unutilized under such Refinanced Debt to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Debt and any defeasance costs and any fees and expenses (including OID, upfront fees or similar fees) incurred in connection with the issuance of such Refinancing Revolving Credit Commitments or Refinancing Revolving Loans plus other amounts permitted to be incurred under Sections 7.01 and 7.03, as applicable.

(f) *Refinancing Amendment.* Commitments in respect of Refinancing Term Loans and Refinancing Revolving Credit Commitments shall become additional Commitments under this Agreement pursuant to an amendment (a “**Refinancing Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers, each Refinancing Lender providing such Commitments, the Administrative Agent. The Refinancing Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.15, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien subordination and associated rights of the applicable Lenders to the extent any Refinancing Loans are to rank junior in right of security or to address technical issues relating to funding and payment and any amendments necessary in connection with any Refinancing Loans necessary to provide that such Refinancing Loans and Refinancing Commitments are fungible for U.S. federal income tax purposes. The Borrowers will use the proceeds of the Refinancing Term Loans and Refinancing Revolving Credit Commitments to extend, renew, replace, repurchase, retire or refinance, and shall permanently terminate applicable commitments under, substantially concurrently, the applicable Refinanced Debt.

(g) *Reallocation of Revolving Credit Exposure.* Upon any Refinancing Facility Closing Date on which Refinancing Revolving Credit Commitments are effected through the establishment of a new Class of revolving credit commitments pursuant to this Section 2.15, if, on such date, there are any revolving loans under any Revolving Credit Facility then outstanding, such revolving loans shall be prepaid from the proceeds of a new Borrowing of the Incremental Revolving Loans under such new Class of Refinancing Revolving Credit Commitments in such amounts as shall be necessary in order that, after giving effect to such Borrowing and all such related prepayments, all revolving credit loans under all Revolving Credit Facilities will be held by all Lenders under the Revolving Credit Facilities (including Lenders providing such Refinancing Revolving Credit Commitments) ratably in accordance with their revolving credit commitments under all Revolving Credit Facilities (after giving effect to the establishment of such Incremental Revolving Credit Commitments). Upon any Refinancing Facility Closing Date on which Refinancing Revolving Credit Commitments are effected through the increase to any existing Class of Revolving Credit Commitments pursuant to this Section 2.15, (x) if, on the date of such increase, there are any Revolving Credit Loans outstanding, each of the Revolving Credit Lenders under such Class shall be deemed to assign to each of the Refinancing Revolving Credit Lenders, and each of the Refinancing Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders under such Class, at par, such interests in the Refinancing Revolving Loans outstanding on such Refinancing Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans under such Class will be held by existing Revolving Credit Lenders under such Class and Incremental Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments under such Class after giving effect to the addition of such Refinancing Revolving Credit Commitments to the Revolving Credit Commitments under such Class; *provided* that regularly accruing interest and fees through the date of the applicable Refinancing Facility Closing Date (as well as amounts owing to any Lender pursuant to Sections 3.01, 3.04, 3.05, 10.04 and 10.05 or similar provisions pursuant to the other Loan Documents) shall be retained by the respective Lenders to which such amounts were owing and shall not be subject to the assignments sold and purchased as otherwise required hereby and (y) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (z) each Incremental Revolving Credit Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.02 and 2.05(a) of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(h) Refinancing Equivalent Debt.

(i) In lieu of incurring any Refinancing Term Loans or Refinancing Revolving Credit Commitments, the Borrowers may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date issue, incur or otherwise obtain (A) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of senior secured notes or loans (provided that such Liens on the Term Loan Priority Collateral shall rank *pari passu* with the Liens on the Term Loan Priority Collateral securing the Obligations under this Agreement (but without regard to control of remedies)) (such notes or loans, “**Permitted Pari Passu Secured Refinancing Debt**”), (B) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of second lien (or other junior lien) secured notes or second lien (or other junior lien) secured loans (such notes or loans, “**Permitted Junior Secured Refinancing Debt**”) and (C) unsecured or subordinated Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of unsecured or subordinated notes or loans (such notes or loans, “**Permitted Unsecured Refinancing Debt**” and together with Permitted Pari Passu Secured Refinancing Debt and Permitted Junior Secured Refinancing Debt, “**Refinancing Equivalent Debt**”), in each case, in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any existing Class or Classes of Loans (such Loans, “**Refinanced Loans**”).

(ii) Any Refinancing Equivalent Debt:

(A) (1) shall not (other than any Refinancing Equivalent Debt consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria) have a Maturity Date prior to the Maturity Date of the Refinanced Loan, (2) if in the form of term loans (other than any Refinancing Equivalent Debt consisting of a customary bridge facility so long as the long-term Indebtedness into which such customary bridge facility is to be converted satisfies this criteria) have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Loans, (3) (I) shall rank *pari passu* with, or junior in right of payment to, the Obligations under the then existing Term Loans and Revolving Credit Loans and will either be secured solely by the same Collateral securing the Obligations or shall be unsecured and (II) to the extent (x) secured by any Applicable Lien, shall be subject to the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement and, if applicable, the First Lien Intercreditor Agreement and (y) secured by Liens on the Collateral (other than Applicable Liens), shall be subject to the Second Lien Intercreditor Agreement and the ABL Intercreditor Agreement or, in each case, to intercreditor arrangements reasonably satisfactory to the Administrative Agent, as applicable, (4) shall not be guaranteed by Subsidiaries other than Guarantors, (5) shall not have a greater principal amount than the principal amount of the Refinanced Loans plus any accrued but unpaid interest on such Refinanced Loans plus existing commitments unutilized under such Refinanced Loans to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Loans and any defeasance costs and any fees and expenses (including OID, upfront fees or similar fees) incurred in connection with the issuance of such Refinancing Equivalent Debt plus other amounts permitted to be incurred under Section 7.03 and (7) except as otherwise set forth in this clause (h)(ii), shall (x) reflect market terms and conditions (taken as a whole) at the time of such refinancing (as determined by the Administrative Borrower in good faith) or (y) if not consistent with the terms of the corresponding Class under the Facilities, not be materially more restrictive to the Borrowers (as determined by the Administrative Borrower in good faith), when taken as a whole, than the terms of the applicable Class under the Facilities being refinanced or replaced (except for covenants or other provisions applicable only to periods after the Latest Maturity Date of the Term Loans and Revolving Credit Commitments existing at the time of such refinancing),

(B) [reserved], and

(C) shall be incurred, and the proceeds thereof used, solely to repay, repurchase, retire or refinance substantially concurrently the Refinanced Loans and terminate all commitments thereunder.

(i) This Section 2.15 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

(a) *Extension of Term Loans.* The Borrowers may, at any time and from time to time request that all or a portion of the Term Loans of a given Class (each, an “**Existing Term Loan Tranche**”) be amended to extend the scheduled Maturity Date(s) with respect to all or a portion of the Term Loans of such Existing Term Loan Tranche (any such Term Loans which have been so amended, “**Extended Term Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the Borrowers shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a “**Term Loan Extension Request**”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with all Extending Term Lenders (other than any transaction or similar fee payable to the applicable consenting Lenders in connection with such Extension Amendment)) and offered pro rata to each Lender under such Existing Term Loan Tranche and (y) be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Administrative Borrower) to the Extending Term Lenders than those applicable to the Existing Term Loan Tranche subject to such Term Loan Extension Request (except if the existing Lenders receive the benefit of such favorable terms or for covenants or other provisions applicable only to periods after the Latest Maturity Date), including: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Term Loans hereunder (including Refinancing Term Loans and Extended Term Loans) which have more than five different Maturity Dates; (ii) the All-In Yield, pricing, optional redemptions and prepayments and AHYDO Payments with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, OID or otherwise) may be different than the All-In Yield, pricing, optional redemptions and prepayments and AHYDO Payments for the Term Loans of such Existing Term Loan Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (iv) Extended Term Loans may have call protection as may be agreed by the Borrowers and the Lenders thereof; *provided* that (A) in no event shall the Maturity Date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the Maturity Date of the applicable Existing Term Loan Tranche, (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the applicable Existing Term Loan Tranche, (C) all documentation in respect of such Extension Amendment shall be consistent with the foregoing, (D) any Extended Term Loans may participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary repayments or prepayments of principal of Term Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of AHYDO Payments or a prepayment under Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y)), in any mandatory repayments or prepayments of Term Loans hereunder, in each case as specified in the respective Term Loan Extension Request and (E) any extension of such Extended Term Loans shall be subject to no Event of Default under Section 8.01(a) or (f). Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “**Term Loan Extension Series**”) of Extended Term Loans for all purposes of this Agreement; *provided* that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche (in which case scheduled amortization with respect thereto shall be proportionately increased); *provided, further*, that if the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for any such increase shall be higher than the Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) for the Class being increased, then the Applicable Rate for the Class being increased shall be automatically increased as and to the extent necessary to eliminate such deficiency. Each request for a Term Loan Extension Series of Extended Term Loans proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$10,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount) and the Borrowers may impose an Extension Minimum Condition with respect to any Term Loan Extension Request, which may be waived by the Borrowers in their sole discretion.

(b) *Extension of Revolving Credit Commitments.* The Borrowers may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of a given Class (each, an “**Existing Revolver Tranche**”) be amended to extend the Maturity Date with respect to all or a portion of any principal amount of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so amended, “**Extended Revolving Credit Commitments**” and any loans under such Extended Revolving Credit Commitments, “**Extended Revolving Credit Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the Borrowers shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, a “**Revolver Extension Request**”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with all Extending Revolving Credit Lenders (other than any transaction or similar fee payable to the applicable consenting Lenders in connection with such Extension Amendment)) and offered pro rata to each Lender under such Existing Revolver Tranche, and (y) be substantially identical to, or taken as a whole, no more favorable (as reasonably determined by the Administrative Borrower) to the Extending Revolving Credit Lender, as the original Revolving Credit Commitments (and related outstandings) unless the existing Lenders receive the benefit of such favorable terms or for covenants and other provisions applicable only to periods after the Latest Maturity Date: (i) the Maturity Date of the Extended Revolving Credit Commitments may be delayed to a later date than the Maturity Date of the Revolving Credit Commitments of such Existing Revolver Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments) which have more than five different Maturity Dates; (ii) the All-In Yield, pricing, optional redemption or prepayment terms, with respect to extensions of credit under the Extended Revolving Credit Commitments (whether in the form of interest rate margin, upfront fees, OID or otherwise) may be different than the All-In Yield, pricing, optional redemption or prepayment terms, for extensions of credit under the Revolving Credit Commitments of such Existing Revolver Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants (as determined by the Borrowers and Lenders extending) and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Credit Commitments); and (iv) all borrowings under the applicable Revolving Credit Commitments (*i.e.*, the Existing Revolver Tranche and the Extended Revolving Credit Commitments of the applicable Revolver Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings), (II) repayments required upon the Maturity Date of the non-extending Revolving Credit Commitments and (III) repayments made in connection with a permanent repayment and termination of non-extended Revolving Credit Commitments); *provided, further*, that in no event shall the Maturity Date of any Extended Revolving Credit Commitments of a given Revolver Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Credit Commitments hereunder, and all documentation in respect of such Extension Amendment shall be consistent with the foregoing and the effectiveness of any Extended Revolving Credit Commitments shall be subject to no Event of Default under Section 8.01(a) or (f). Any Extended Revolving Credit Commitments amended pursuant to any Revolver Extension Request shall be designated a series (each, a “**Revolver Extension Series**”) of Extended Revolving Credit Commitments for all purposes of this Agreement; *provided* that any Extended Revolving Credit Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolver Extension Series with respect to such Existing Revolver Tranche. Each request for a Revolver Extension Series of Extended Revolving Credit Commitments proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$10,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount) and the Borrowers may impose an Extension Minimum Condition with respect to any Revolver Extension Request, which may be waived by the Borrowers in their sole discretion.

(c) *Extension Request.* The Borrowers shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolver Tranche, as applicable, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans or any of its Revolving Credit Commitments amended into Extended Revolving Credit Commitments, as applicable, pursuant to any Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an “**Extending Term Lender**”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request amended into Extended Term Loans and any Revolving Credit Lender (each, an “**Extending Revolving Credit Lender**”) wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, which it has elected to request be amended into Extended Term Loans or Extended Revolving Credit Commitments, as applicable (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, in respect of which applicable Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Request exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested to be extended pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, as applicable, subject to Extension Elections shall be amended to Extended Term Loans or Revolving Credit Commitments, as applicable, on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans or Revolving Credit Commitments, as applicable, included in each such Extension Election.

(d) *Extension Amendment.* Extended Term Loans and Extended Revolving Credit Commitments shall be established pursuant to an amendment (each, an “**Extension Amendment**”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Lender or Extending Revolving Credit Lender, as applicable, providing an Extended Term Loan or Extended Revolving Credit Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.16(a) or (b) above, respectively (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions (conformed as appropriate), good standing certificates, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans required to be paid thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, (iv) address technical issues relating to funding and payments and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.16, including any amendments necessary in connection with any Extended Term Loans or Extended Revolving Credit Commitments necessary to provide that such Extended Term Loans or Extended Revolving Credit Commitments are fungible for U.S. federal income tax purposes, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment. If necessary to consummate any such Extended Term Loans and Extended Revolving Credit Commitments as fungible for U.S. federal income tax purposes with an existing Class of Term Loans or Revolving Credit Commitments, the interest rate margins and rate floors on the applicable existing Class of Term Loans or Revolving Credit Commitments may be automatically increased and any call protection provision may be made more favorable to the applicable existing Lenders.

(e) **No Prepayment.** No conversion or extension of Loans or Commitments pursuant to any Extension Amendment in accordance with this Section 2.16 shall constitute a voluntary or mandatory prepayment or repayment for purposes of this Agreement. This Section 2.16 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.17 **Defaulting Lenders.**

(a) **Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) **Waivers and Amendments.** That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) **Reallocation of Payments.** Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrowers may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) **Defaulting Lender Cure.** If the Administrative Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders at par or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share or other applicable share provided under this Agreement (without giving effect to the reallocation of such Lender's participation pursuant to Section 2.17(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(a) Each Borrower accepts joint and several liability hereunder in consideration of the financial accommodation to be provided by the Administrative Agent and the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of each Borrower to accept joint and several liability for the obligations of each Borrower.

(b) Each Borrower shall be jointly and severally liable for the Obligations, regardless of which Borrower actually receives the Loans hereunder or the amount of the Obligations received or the manner in which the Administrative Agent or any Lender accounts for the Obligations on its books and records. Each Borrower's obligations with respect to Loans made to it, and each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder, with respect to Loans made to and other Obligations owing by the Borrowers hereunder, shall be separate and distinct obligations, but all such obligations shall be primary obligations of each Borrower.

(c) Each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to and other Obligations owing by the Borrowers hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (A) the validity or enforceability, avoidance or subordination of the obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the obligations of any other Borrower, (B) the absence of any attempt to collect the Obligations from any other Borrower, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (C) the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or any Lender with respect to any provision of any instrument evidencing the obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to the Administrative Agent or any Lender, (D) the failure by the Administrative Agent or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the obligations of any other Borrower, (E) the Administrative Agent's or any Lender's election, in any proceeding instituted under the Bankruptcy Code of the United States, of the application of Section 1111(b)(2) of the Bankruptcy Code of the United States, (F) any borrowing or grant of a security interest by any other Borrower, as Debtor In Possession under Section 364 of the Bankruptcy Code of the United States, (G) the disallowance of all or any portion of the Administrative Agent's or any Lender's claim(s) for the repayment of the obligations of any other Borrower under Section 502 of the Bankruptcy Code of the United States, or (H) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower. With respect to each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement and the other Loan Documents shall have been terminated, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against such Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender to secure payment of the Obligations or any other liability of any Borrower to the Administrative Agent or any Lender.

(d) Upon the occurrence and during the continuation of any Event of Default, the Administrative Agent and the Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations.

(e) Each Borrower hereby irrevocably appoints the Administrative Borrower as the borrowing agent and attorney-in-fact for the Borrowers, which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed in the place of the Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Administrative Agent and receive from the Administrative Agent all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Collateral of the Borrowers in a combined fashion, as more fully set forth herein and in the Collateral Documents, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group

(f) After the Closing Date, the Administrative Borrower may, at any time and from time to time, designate any Restricted Subsidiary that is a wholly-owned Domestic Subsidiary that is treated as a corporation for U.S. federal income tax purposes as a Borrower by delivery to the Administrative Agent of a Borrower Joinder Agreement executed by such Subsidiary and the Administrative Borrower, together with any documentation and other information with respect to such additional Borrower required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act requested by the Administrative Agent (and to the extent not theretofore delivered on the Closing Date or otherwise) and satisfied the Collateral and Guarantee Requirement (including without limitation the actions as specified in Section 6.11 with respect to newly formed Subsidiaries), and upon such delivery and satisfaction, such Subsidiary shall for all purposes of this Agreement and the other Loan Documents be a Borrower and a party to this Agreement. As soon as practicable upon receipt of a Borrower Joinder Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

ARTICLE III. **TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY**

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, all payments made by or on account of the Borrowers or Guarantors to or for the account of the Administrative Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by any Law. If the Borrowers, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct or withhold any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) if the Tax in question is an Indemnified Tax or Other Tax (as defined below), the sum payable by the Borrowers or any Guarantor shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 3.01), each of such Lender (or where any Agent receives the payments for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrowers or any Guarantor is the applicable withholding agent, it shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrowers agree to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, any such Tax imposed as a result of an Agent or Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**"), except for Assignment Taxes resulting from an assignment or participation that is requested or required in writing by the Borrowers (all such non-excluded taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) The Borrowers and each Guarantor agree to promptly indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender and (ii) any expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender and Agent shall, at such times as are reasonably requested by the Borrowers or the Administrative Agent, provide the Borrowers and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrowers or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender and Agent shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate to the Borrowers and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrowers or the Administrative Agent) or promptly notify the Borrowers and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally eligible to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement and at the reasonable request of the Parent Borrower or Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor forms) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of Exhibit I hereto (any such certificate a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), or

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a properly completed and duly signed Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if such Lender is a partnership (and not a participating Lender) and one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owner(s)).

(iii) Each Administrative Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor forms) with respect to fees received on its own behalf, certifying that such Administrative Agent is exempt from U.S. federal backup withholding. Each Administrative Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms) with respect to fees received on its own behalf and Internal Revenue Service Form W-8IMY, and including required accompanying documentation with respect to payments to be received by it on behalf of the Lenders, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business within the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. Person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a resident for tax purposes in the United States with respect to such payments as contemplated by Section 1.1441-1(b)(2)(iv) of the United States Treasury Regulations).

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by Laws and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment.

(f) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(d) or (e) above.

(g) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrowers) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(h) If any Lender or Agent determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit to such Loan Party an amount equal to the amount of such refund (but only to the extent of indemnification or additional amounts paid by the Loan Party under this Section 3.01(h) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or Agent, as the case may be, shall promptly return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. The Administrative Agent or such Lender, as the case may be, shall provide the Loan Party with a copy of any notice of assessment or other evidence reasonably available of the requirement to repay such refund received from the relevant taxing authority. This Section shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrowers or any other person.

Section 3.02 Illegality.

If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate in each case after the Closing Date, then, on written notice thereof by such Lender to the Borrowers through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

Section 3.03 Inability to Determine Rates.

If, after the Closing Date, the Required Lenders reasonably determine that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (a) deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan (such Loans, the “**Impacted Loans**”), (b) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan, or (c) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 3.03, the Administrative Agent, with the consent of the Parent Borrower, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this Section 3.03, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrowers that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrowers written notice thereof.

Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrowers or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Borrowers) that the Borrowers or Required Lenders (as applicable) have determined, that:

- (i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or
- (ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the “**Scheduled Unavailability Date**”), or
- (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Parent Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “**LIBOR Successor Rate**”), together with any proposed LIBOR Successor Rate Conforming Changes (as defined in Section 1.01) and any such amendment shall become effective upon execution by the Administrative Agent and the Administrative Borrower at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrowers unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes imposed on or with respect to any payment made by or on account of any obligation of any Loan Party under any Loan Document that are excluded from the definition of Indemnified Taxes pursuant to clauses (i) through (vi) thereof), including by imposing, modifying or holding applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.04(c) or the definition of Eurocurrency Rate), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of any such Lender's holding companies, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, to a level below that which such Lender or such Lender's holding companies could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding companies with respect to capital adequacy and liquidity), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the Borrowers will pay to such Lender, as the case may be, within fifteen (15) days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding companies for any such reduction suffered.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Rate funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan of the Borrowers equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans of the Borrowers, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; *provided* that the Borrowers shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

Section 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan of the Borrowers on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan of the Borrowers on the date or in the amount notified by the Borrowers;

including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.04, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* that nothing in this Section 3.06(a) shall affect or postpone any Obligations of the Borrowers or the rights of the Lenders under this Article III.

(b) If any Lender requests compensation by the Borrowers under Section 3.04, the Borrowers may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(d) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrowers of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(d) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of any immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrowers (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(f) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrowers setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Agent or Lender may use any reasonable averaging and attribution methods.

Section 3.07 Replacement of Lenders under Certain Circumstances.

If (i) any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives the Borrowers the right to replace a Lender as a party hereto, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (*provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(a) the Borrowers or the Assignee shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(B) (unless otherwise waived by the Administrative Agent);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.05(a)(vi) in connection with a Repricing Transaction and Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees (other than any amount under Section 2.05(a)(vi))) or the Borrowers;

(c) such Lender being replaced pursuant to this Section 3.07 shall (1) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans, and (2) deliver any Notes evidencing such Loans to the Borrowers or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) upon such payment set forth in clauses (a) and (b) above and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

- (e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;
- (f) such assignment does not conflict with applicable Laws;
- (g) [reserved]; and
- (h) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06,

or (y) terminate the Commitment of such Lender, and in the case of a Lender, repay all Obligations of the Borrowers owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (iii) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

Notwithstanding the foregoing, in addition if a Non-Consenting Lender is being replaced in connection with any Extension Amendment, Refinancing Amendment, Permitted Repricing Amendment or amendment effecting a Replacement Term Loan, the Borrowers shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice (which notice may be rescinded if the transaction contemplated in such notice is not consummated) to such Non-Consenting Lenders, in lieu of execution of an Assignment and Assumption as otherwise provided for in this clause (b), effect such assignment by purchasing any such Non-Consenting Lender's Loans (which shall be automatically cancelled upon consummation of such acquisition) and unfunded Commitments at par (allocated among the applicable Lenders in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon (and, if applicable, any amounts payable pursuant to clause (e) of this Section, Section 3.05 and any amounts under Section 2.05(a)(vi) in connection with a Repricing Transaction). By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith.

In the event that (i) the Borrowers or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all affected Lenders or all Lenders of a certain Class or Classes (including to the extent such Classes constitute all outstanding Classes), in lieu of the Required Lenders, the Required Class Lenders) have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment (including, in each case, by virtue of such Lender refusing to make or enter into an Extension Election pursuant to Section 2.16, a Refinancing Amendment pursuant to Section 2.15, a Permitted Repricing Amendment or an amendment effecting a Replacement Term Loan pursuant to Section 10.01), then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender.**"

In connection with any such replacement, if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender. Notwithstanding the foregoing, in addition if a Non-Consenting Lender is being replaced in connection with any Extension Amendment, Refinancing Amendment, Permitted Repricing Amendment or amendment effecting a Replacement Term Loan, the Administrative Borrower shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice (which notice may be rescinded if the transaction contemplated in such notice is not consummated) to such Non-Consenting Lenders, in lieu of execution of an Assignment and Assumption as otherwise provided for in this clause (y), to effect such assignment by purchasing any such Non-Consenting Lender's Loans (which shall automatically be cancelled upon consummation of such acquisition) and unfunded Commitments at par (allocated among the applicable Lenders in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest, premium and fees thereon (and, if applicable, any amounts payable pursuant to the immediately preceding paragraphs). By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption and accordingly no other action by such Lenders shall be required in connection therewith.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

Section 3.08 Survival.

All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV.
CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

The obligation of each Lender to make a Credit Extension hereunder on the Closing Date is subject to satisfaction (or waiver) of the following conditions precedent:

(x) Indebtedness incurred by the Parent Borrower or any Restricted Subsidiary in respect of letters of credit, bank guarantees, bankers' acceptances, warehouse receipts or similar instruments issued or created in the ordinary course of business, including in respect of workers compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance, unemployment insurance or other social security legislation or other Indebtedness with respect to reimbursement-type obligations regarding workers compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance;

(y) shares of Preferred Stock of a Restricted Subsidiary issued to the Parent Borrower or a Restricted Subsidiary (to the extent constituting a Permitted Investment or a Restricted Investment permitted by Section 7.06); *provided* that any subsequent issuance or transfer of any Equity Interests or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Parent Borrower or another of the Restricted Subsidiaries or any pledge of such Equity Interests constituting a Lien permitted hereunder) shall be deemed, in each case, to be an issuance of such shares of Preferred Stock (to the extent such Preferred Stock is then outstanding) not permitted by this clause (y);

(z) Indebtedness (i) incurred under the Second Lien Notes Indenture and (ii) with respect to any Second Lien Notes Indenture Incremental Equivalent Debt, in each case (x) including guarantee obligations in respect thereof and (y) so long as (A) any Liens securing such Indebtedness are subject to the Second Lien Intercreditor Agreement and (B) the aggregate principal amount of such Indebtedness does not exceed the aggregate principal amount permitted to be incurred under the Second Lien Notes Indenture (as in effect on the date hereof and whether or not in effect on the relevant date of determination);

(aa) to the extent constituting Indebtedness, customer deposits and advance payments (including progress payments) received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(dd) all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (a) through (bb) above.

For purposes of determining compliance with this Section 7.03, in the event that an item of Indebtedness, Disqualified Equity Interests or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or issuance or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Equity Interests or Preferred Stock described in Section 7.03(a) through (dd) above, the Parent Borrower, in its sole discretion, will classify and may subsequently reclassify such item of Indebtedness, Disqualified Equity Interests or Preferred Stock (or any portion thereof) in any one or more of the types of Indebtedness, Disqualified Equity Interests or Preferred Stock described in Section 7.03(a) through (dd) and will only be required to include the amount and type of such Indebtedness, Disqualified Equity Interests or Preferred Stock in such of the above clauses as determined by the Parent Borrower at such time; *provided* that (x) all Indebtedness under the Loan Documents will be deemed to have been incurred in reliance on the exception in clause (a) above, (y) all Indebtedness under the ABL Credit Agreement shall be deemed to have been incurred in reliance on the exception in clause (k) above and (z) all Indebtedness under the Second Lien Notes Indenture shall be deemed to have been incurred in reliance on the exception in clause (z) above. Subject to the preceding sentence, the Parent Borrower will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 7.03(a) through (dd).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Equity Interests or Preferred Stock, the Dollar-equivalent principal amount of Indebtedness, Disqualified Equity Interests or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred, or Disqualified Equity Interests or Preferred Stock is issued, to extend, replace, refund, refinance, renew or defease other Indebtedness, Disqualified Equity Interests or Preferred Stock, as applicable, denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or liquidation preference, as applicable, of such refinancing Indebtedness, Disqualified Equity Interests or Preferred Stock does not exceed the principal amount or liquidation preference, as applicable, of such Indebtedness, Disqualified Equity Interests or Preferred Stock, as applicable, being extended, replaced, refunded, refinanced, renewed or defeased, plus the aggregate amount of fees, underwriting discounts, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of OID, and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Equity Interests or Preferred Stock, as the case may be, of the same class, accretion or amortization of OID or liquidation preference and increases in the amount of Indebtedness, Disqualified Equity Interests or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies, will, in each case, not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Equity Interests or Preferred Stock for purposes of this Section 7.03. The principal amount of any Indebtedness incurred or Disqualified Equity Interests issued to refinance other Indebtedness, if incurred in a different currency from the Indebtedness or Disqualified Equity Interests, as applicable, being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Equity Interests in denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on the consolidated balance sheet of the Parent Borrower dated such date prepared in accordance with GAAP.

Notwithstanding anything to the contrary in this Agreement, (x) no investments made by any Loan Party in any Non-Loan Party in the form of intercompany loans shall be evidenced by a promissory note unless such promissory note, to the extent required to be pledged thereunder, is pledged to the Administrative Agent in accordance with the terms of the Security Agreement and (y) any investments in the form of intercompany loans constituting indebtedness of any Loan Party owed to any Non-Loan Party shall be unsecured and subordinated to the Obligations on terms consistent with the subordination provisions of the Intercompany Note in each case, other than indebtedness owed by, or to, a Broker-Dealer Regulated Subsidiary.

(b) any Restricted Subsidiary may liquidate or dissolve or change its legal form if the Administrative Borrower determines in good faith that such action is in the best interests of the Borrowers and the Restricted Subsidiaries and is not materially disadvantageous to the Lenders (it being understood that in the case of any change in legal form, a Subsidiary that is a Guarantor will remain a Guarantor unless such Guarantor is otherwise permitted to cease being a Guarantor hereunder);

(c) any Restricted Subsidiary may Dispose of all or substantially all of its assets (upon voluntary liquidation or otherwise) to a Borrower or to another Restricted Subsidiary; *provided* that if the transferor in such a transaction is a Loan Party, then (i) the transferee must be a Loan Party or (ii) to the extent constituting an Investment, such Investment must be a Restricted Payment permitted by Section 7.06 (other than Section 7.06(b)(xviii)) or a Permitted Investment;

(e) [reserved];

(f) so long as no Event of Default has occurred and is continuing or would result therefrom (solely in the case of a merger, amalgamation or consolidation involving a Loan Party), any Restricted Subsidiary may merge, amalgamate or consolidate with any other Person in order to effect an Investment permitted pursuant to Section 7.06 (other than Section 7.06(b)(xviii)) or a Permitted Investment; *provided* that the continuing or surviving Person shall be a Restricted Subsidiary, which together with each other Restricted Subsidiary, shall have complied with the requirements of Section 6.11;

(h) so long as no Event of Default has occurred and is continuing or would result therefrom, a merger, consolidation, amalgamation, dissolution, liquidation, consolidation or Disposition, the purpose of which is to effect a Disposition permitted pursuant to Section 7.05 (other than Section 7.05(e)) may be consummated.

Notwithstanding the above, in the case of any merger, amalgamation or consolidation where the continuing or surviving Person is a Loan Party or any liquidation into a Loan Party, in each case, in accordance with this Section 7.04, any security interests granted to the Administrative Agent for the benefit of the Secured Parties in the Collateral pursuant to the Collateral Documents shall remain in full force and effect and perfected (to at least the same extent as in effect immediately prior to such merger, consolidation, dissolution or liquidation) and all actions required to maintain said perfected status have been or will promptly be taken, in each case, as required by Sections 6.11 and 6.13.

(ix) are customary provisions restricting subletting or assignment of any lease governing a leasehold interest of the Parent Borrower or any of its Restricted Subsidiaries;

(x) are customary provisions restricting assignment of any agreement; *provided* that if such agreement is not entered into in the ordinary course of business, the granting, perfection, validity and priority of the security interests of the Secured Parties is not impaired in any material respect by such restriction;

ARTICLE VIII. EVENTS OF DEFAULT AND REMEDIES

Section 8.01 Events of Default.

Any of the following events referred to in clauses (a) through (l) from and after the Closing Date shall constitute an event of default (an “**Event of Default**”):

(c) *Other Defaults.* Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrowers of written notice thereof from the Administrative Agent; or

(d) *Representations and Warranties.* any representation, warranty or certification made or deemed made by any Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect in any material respect when made or deemed made, and, other than with respect to any incorrect Specified Representation (which shall not be subject to cure or a grace period), such incorrect representation or warranty (if curable as determined by the Borrowers in good faith) shall remain incorrect for a period of (i) in the case of any representation, warranty or certification made on the Closing Date (other than any Specified Representation), 90 days and (ii) in the case of any representation, warranty or certification made after the Closing Date, 30 days, in each case after notice thereof from the Administrative Agent to the Borrowers; or

(e) *Cross-Default.* Except with respect to the ABL Revolving Loans and other ABL Obligations, which shall be subject solely to clause (g) below, any Borrower or any Restricted Subsidiary (A) fails to make any principal or interest payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount of not less than the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Contracts, termination events or equivalent events pursuant to the terms of such Swap Contracts and not as a result of any other default thereunder by the Borrowers or any of its Restricted Subsidiaries), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required and beyond the applicable grace period, if any, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem all of such Indebtedness to be made, prior to its stated maturity; *provided* that this clause (e)(B) shall not apply to (i) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder, (ii) any Indebtedness if (x) the sole remedy of the holder thereof in the event of the non-payment of such Indebtedness or the non-payment or non-performance of obligations related thereto or (y) the sole option is to elect, in each case, to convert such Indebtedness into Qualified Equity Interests and cash in lieu of fractional shares and (iii) in the case of Indebtedness which the holder thereof may elect to convert into Qualified Equity Interests, such Indebtedness from and after the date, if any, on which such conversion has been effected; *provided, further*, that any such failure described under clause (A) or (B) is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02; or

(f) *Insolvency Proceedings, Etc.* Other than with respect to dissolutions or liquidations permitted hereunder, the Parent Borrower, any Restricted Subsidiary that is a Material Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) consecutive days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) consecutive days, or an order for relief is entered in any such proceeding; or

(h) *Judgments.* There is entered against any Borrower or any Restricted Subsidiary that is a Material Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not paid or covered by independent third-party insurance or indemnity as to which the insurer or indemnitor has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or any Lender which does not arise from a breach by a Loan Party of its obligations under the Loan Documents or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; *provided* that none of the foregoing shall apply to any Guarantor which is not a Material Subsidiary; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents.* Any Collateral Document after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 shall for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) cease to create a valid and perfected Lien, with the priority required by the Collateral Documents on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, (x) except to the extent that any such perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents (or other pledged collateral actually delivered to it under the Collateral Documents) or to file Uniform Commercial Code continuation statements and (y) except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

(l) *ERISA.* (i) An ERISA Event occurs which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, or (ii) a Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under any Multiemployer Plan which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect;

provided, that any Event of Default under the Loan Documents, other than any Event of Default which cannot be waived without the written consent of each Lender directly and adversely affected thereby, shall be deemed not to be "continuing" (and shall be deemed to be "cured") if the events, acts or conditions that gave rise to such event of default have been remedied or cured (including by payment, notice, taking any action or omitting to take any action) or have ceased to exist and the Borrowers are otherwise in compliance with the Loan Documents; *provided*, that the foregoing shall not be applicable with respect to any default or Event of Default if the Borrowers knowingly and willfully fails to give timely notice to the Administrative Agent and the Lenders of such default or Event of Default required to be given under the Loan Documents.

Section 8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent may, with the consent of, and shall, at the request of, the Required Lenders, take any or all of the following actions:

- (i) declare the Commitment of each Lender to make Loans to be terminated, whereupon such Commitments and obligation shall be terminated;
- (ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;
- (iii) [reserved]; and
- (iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents, any document evidencing Indebtedness in respect of which the Facilities have been designated as “designated senior debt” (or any comparable term) or applicable Law;

provided that upon the occurrence of an Event of Default as a result of an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Laws, the obligation of each Lender to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds.

Except as may be otherwise provided in any applicable Incremental Amendment with respect to Obligations under the applicable Incremental Loans in accordance with the provisions of Section 2.14 or in any applicable Refinancing Amendment with respect to Obligations under the applicable Refinancing Loans in accordance with the provisions of Section 2.15 (in each case, which shall not be more favorable to the holders of such Loans than the allocation described below), after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III payable to the Administrative Agent in its capacity as such);

Second, to payment of that portion of the Secured Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest on the Loans, and any fees, premiums and scheduled periodic payments due under Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and any breakage, termination or other payments under Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Secured Obligations that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Secured Obligations have been paid in full, to the Borrowers or as otherwise required by Law.

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

ARTICLE IX.
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably appoints Bank of America, N.A to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than this Section 9.01, Section 9.06 (solely with respect to the removal and consent rights of the Borrowers set forth therein), Section 9.09, Section 9.10 and Section 9.11) are solely for the benefit of the Administrative Agent the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including the second paragraph of Section 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to (i) execute any and all documents (including releases) with respect to the Collateral (including any Intercreditor Agreement and any amendment, supplement, modification or joinder with respect thereto) and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may (i) expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law or (ii) be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;
- (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;
- (d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrowers or a Lender; and
- (e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

It is understood and agreed by each Secured Party that the Administrative Agent shall have no liability for any determinations made by it under Section 8.03, in each case except to the extent resulting from the gross negligence or willful misconduct of the Administrative Agent (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Secured Party also agrees that the Administrative Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

Section 9.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.06 Resignation of Administrative Agent.

The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrowers upon thirty (30) days' written notice to the Borrowers and the Lenders. If the Administrative Agent or a Controlling Affiliate of the Administrative Agent is subject to an Agent-Related Distress Event, the Parent Borrower may remove the Administrative Agent from such role upon ten (10) days' written notice to the Lenders. Upon receipt of any such notice of resignation or removal by the Parent Borrower, the Required Lenders shall have the right, with the consent of the Administrative Borrower at all times other than upon the occurrence and during the continuation of an Event of Default under Sections 8.01(a) or, solely with respect to the Parent Borrower, 8.01(f), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or removal, then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above (including consent of the Administrative Borrower); *provided* that if the Administrative Agent shall notify the Administrative Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation or removal shall nonetheless become effective in accordance with such notice. The resigning or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the resigning or removed Administrative Agent shall continue to hold such collateral security (including any collateral security subsequently delivered to the Administrative Agent) until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder and delivery of collateral security in the possession of the resigning or removed Administrative Agent to such successor Administrative Agent (to the extent that possession thereof perfect a Lien thereon under the UCC of any jurisdiction), such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the resigning (or resigned) or removed Administrative Agent, and the resigning or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the resigning Administrative Agent's resignation or the removed Administrative Agent's removal hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such resigning or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the resigning or removed Administrative Agent was acting as Administrative Agent.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, Bookrunner, Arranger, Syndication Agent or Documentation Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

Section 9.09 Administrative Agent May File Proofs of Claim; Credit Bidding..

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Laws. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (j) of Section 11.01 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.10 Collateral and Guaranty Matters.

Each Lender hereby agrees, and each holder of any Note by its acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Administrative Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to the occurrence and continuance of an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to create, perfect and maintain perfected security interests in and liens upon the Collateral granted pursuant to the Collateral Documents. Without limiting the provisions of Section 9.09, each of the Lenders (including in its capacities as a potential Hedge Bank) irrevocably authorize the Administrative Agent, at its option, and in its sole discretion (other than releases described in clauses (b) and (d) below which shall not be optional or discretionary):

(a) to enter into and sign for and on behalf of the Lenders, as Secured Parties, the Collateral Documents (including any subordination or intercreditor agreements with respect to Indebtedness and Liens permitted under this Agreement to the extent the Administrative Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement) for the benefit of the Lenders and the other Secured Parties;

(b) to automatically release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (ii) at the time the property subject to such Lien is Disposed or to be Disposed (to a Person that is not a Loan Party) as part of or in connection with any Disposition permitted hereunder or under any other Loan Document, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (d) below or Section 11.09 or (v) if the property subject to such Lien constitutes Excluded Assets;

(c) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(u) to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens; and

(d) to release any Guarantor from its obligations under this Agreement (including the Guaranty) if such Guarantor becomes a Released Guarantor in accordance with Section 11.09.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by the Borrowers or any of its Restricted Subsidiaries in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.11 Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Bank.

The Lenders and the Hedge Banks hereby authorize the Administrative Agent to enter into any Intercreditor Agreement or other intercreditor agreement or arrangement (including any subordination agreement or arrangement) permitted under this Agreement, and any amendment, modification, supplement or joinder with respect thereto, and the Lenders and the Hedge Banks acknowledge that any such intercreditor agreement is binding upon the Lenders and Hedge Banks.

Section 9.12 Withholding Tax Indemnity.

To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties pursuant to Section 3.01 and without limiting or expanding the obligation of the Loan Parties to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

Section 9.13 Indemnification by the Lenders.

The Lenders agree to indemnify each Agent (or any Affiliate thereof) (to the extent not reimbursed by the Borrowers or any other Loan Party and without limiting the obligation of the Borrowers to do so), ratably according to their respective Pro Rata Shares in effect on the date on which indemnification is sought under this Section 9.13 from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including at any time following the payment of the Term Loans) be imposed on, incurred by or asserted against any Agent (or any Affiliate thereof) in any way relating to or arising out of this Agreement, any of the other Loan Documents or the transactions contemplated hereby or thereby or any action taken or omitted by any Agent (or any Affiliate thereof) under or in connection with any of the foregoing; IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent arising from (a) such Agent's gross negligence or willful misconduct or (b) claims made or legal proceedings commenced against such Agent by any security holder or creditor thereof arising out of and based upon rights afforded any such security holder or creditor solely in its capacity as such. The agreements in this Section 9.13 shall survive the payment of the Loans and all other amounts payable hereunder.

ARTICLE X.
MISCELLANEOUS

Section 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clauses (a) through (j) which shall only require the consent of the Lenders expressly set forth therein and not Required Lenders (unless specified therein)) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrowers, the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of (or amendment to the terms of) any condition precedent set forth in Section 4.02, the waiver of any obligation of the Borrowers to pay interest at the Default Rate or the waiver of any Default, Event of Default, mandatory prepayment of the Loans or mandatory reduction of any Commitments shall not constitute such an extension or increase of any Commitment of any Lender);

(b) except as otherwise expressly provided for hereunder, including without limitation pursuant to a Refinancing Amendment or an Extension Amendment, postpone any date scheduled for any payment of principal (including at final maturity), interest or fees under Section 2.07, 2.08 (other than pursuant to Section 2.08(b)) or 2.09, without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any obligation of the Borrowers to pay interest at the Default Rate, any Default or Event of Default, any condition precedent, mandatory prepayment of the Loans or mandatory reduction of Commitments shall not constitute such a postponement of any date scheduled for the payment of principal or interest and it further being understood that any change to the definition of "First Lien Net Leverage Ratio," or any other ratio used as a basis to calculate the amount of any principal or interest payment or in the component definitions thereof shall not constitute a postponement of such scheduled payment;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the second proviso to this Section 10.01) any fees payable hereunder or under any other Loan Document (or extend the timing of payments of such fees) without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definition of "First Lien Net Leverage Ratio" or any other ratio used as a basis to calculate the amount of any principal or interest payment or fee or other amount or in the component definitions thereof shall not constitute a reduction in any rate of interest; *provided* that, for the avoidance of doubt, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of “Required Lenders,” “Required Class Lenders,” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents to reduce the percentage set forth therein, without the written consent of each Lender directly and adversely affected thereby (it being understood that with the consent of the Required Lenders (if such consent is otherwise required) or the Administrative Agent (if the consent of the Required Lenders is not otherwise required), additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Term Commitments);

(e) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender;

(g) [reserved];

(h) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Term Commitments and Incremental Revolving Credit Commitments which directly affects Lenders of one or more Incremental Term Commitments and Incremental Revolving Credit Commitments (solely to the extent prior to (x) the funding of any such Incremental Term Commitments or (y) the effectiveness of any Incremental Revolving Credit Commitments) and does not directly affect Lenders under any other Class, in each case, without the written consent of the Required Class Lenders under such applicable Incremental Term Commitments or Incremental Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); *provided, however*, that the waivers described in this clause (h) shall not require the consent of any Lenders other than (x) the Required Class Lenders under such applicable Incremental Term Commitments or Incremental Revolving Credit Commitments and (y) in the case of any waiver that otherwise would be subject to clause (a), (b), (c), (d), (e) or (f) above or clause (j) below, each Lender, each directly affected Lender or each directly and adversely affected Lender (as specified in clause (a), (b), (c), (d), (e) or (f) above or clause (j) below) under the applicable Class or Classes of Incremental Term Loans (including Loans extended under such Commitments);

(i) [reserved]; or

(j) amend, waive or otherwise modify the definition of “Pro Rata Share” or any provision requiring pro rata sharing amongst Lenders without the consent of each Lender directly and adversely affected thereby; *provided* that modifications to Section 8.03 or the definition of “Pro Rata Share” to the extent necessary in connection with (w) any buy back of Term Loans by the Parent Borrower pursuant to Section 2.05(a)(v) or Section 10.07(l), (x) any Refinancing Amendment or amendment in respect of Replacement Term Loans, (y) any Incremental Amendment or (z) any Extension Amendment, in each case, shall only require approval (to the extent any such approval is otherwise required) of the Required Lenders;

provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, directly and adversely affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document, (ii) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification and (iii) (x) no Lender consent is required to effect an Incremental Amendment, Refinancing Amendment or Extension Amendment (except as expressly provided in Sections 2.14, 2.15 or 2.16 or in the following clause (y) or (z), as applicable) or to effect any amendment expressly contemplated by Section 6.19, (y) in connection with an amendment that addresses solely a re-pricing transaction in which any Class of Term Loans is refinanced with a replacement Class of term loans bearing (or is modified in such a manner such that the resulting term loans bear) a lower All-In Yield (which may include other customary technical amendments related thereto, including providing that such replacement term loans may have a prepayment premium in connection therewith) (a “**Permitted Repricing Amendment**”), only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans shall be required for such Permitted Repricing Amendment, and (z) in connection with an Extension Amendment, only the consent of the Lenders that will continue as a Lender in respect of the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, subject to such Extension Amendment shall be required for such Extension Amendment.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Required Lenders or Required Class Lenders)), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended, the rate of interest on any Loans of any Defaulting Lender may not be reduced and the principal amount of any of such Loans may not be forgiven, in each case without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each directly and adversely affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders (or, if there are no such affected Lenders (other than such affected Lenders which are Defaulting Lenders), Lenders of the same Class) shall require the consent of such Defaulting Lender.

Notwithstanding anything to the contrary herein, no Lender consent is required for the Administrative Agent to enter into or to effect any amendment, modification or supplement to any ABL Intercreditor Agreement, any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement, any subordination agreement or other intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Loans, any Incremental Equivalent Debt, any Permitted Pari Passu Secured Refinancing Debt or any Permitted Junior Secured Refinancing Debt (i) that is for the purpose of adding the holders of such secured or subordinated Indebtedness permitted to be incurred under this Agreement (or, in each case, a Senior Representative with respect thereto), as parties thereto, as expressly contemplated by the terms of such ABL Intercreditor Agreement, First Lien Intercreditor Agreement, such Second Lien Intercreditor Agreement, such subordination agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect (taken as a whole), to the interests of the Lenders) or (ii) that is expressly contemplated by any ABL Intercreditor Agreement, any First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any subordination agreement or other intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Loans, any Incremental Equivalent Debt, any Permitted Pari Passu Secured Refinancing Debt or any Permitted Junior Secured Refinancing Debt; *provided, further*, that no such agreement shall directly and adversely amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding anything to the contrary herein, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrowers and the Lenders providing the Replacement Term Loans (as defined below) to permit the refinancing of all or a portion of the outstanding Term Loans of any Class (“**Replaced Term Loans**”) with one or more tranches of replacement term loans (“**Replacement Term Loans**”) hereunder; *provided* that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans, plus any accrued but unpaid interest on such Replaced Term Loans plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Replaced Term Loans and any defeasance costs and any fees and expenses (including OID, upfront fees or similar fees) incurred in connection with the issuance of such Replacement Term Loans (but nothing in this clause (a) shall limit the ability of the Borrowers to incur Incremental Loans of the same Class or of a different Class at the same time if such incurrence is otherwise permitted hereunder), (b) [reserved], (c) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Term Loans at the time of such refinancing and (d) all other terms (other than with respect to pricing, interest rate margins, fees, discounts, rate floors and prepayment or redemption terms) applicable to such Replacement Term Loans shall either, at the option of the Borrowers, (i) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Replacement Term Loans (as determined by the Administrative Borrower in good faith), (ii) if not otherwise consistent with the terms of such Replaced Term Loans, not be materially more restrictive to the Borrowers (as determined by the Administrative Borrower in good faith), when taken as a whole, than the terms of such Replaced Term Loans, except to the extent necessary to provide for (x) covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing or (y) subject to the immediately succeeding proviso, a Previously Absent Financial Maintenance Covenant; *provided* that, notwithstanding anything to the contrary contained herein, if any such terms of the Replacement Term Loans contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest Maturity Date, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of each Facility or (iii) be reasonably acceptable to the Administrative Agent (it being understood that any covenants or other provisions applicable to periods after the Latest Maturity Date need not be reasonably satisfactory to the Administrative Agent). Each amendment to this Agreement providing for Replacement Term Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrowers to effect the provisions of this paragraph, including any amendments necessary in connection with any Replacement Term Loans necessary to provide that such Replacement Term Loans are fungible for U.S. federal income tax purposes with an existing Class of Term Loans, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary. If necessary to consummate any such Replacement Term Loans as fungible for U.S. federal income tax purposes with an existing Class of Term Loans, the interest rate margins and rate floors on the applicable existing Class of Term Loans may be automatically increased and any call protection provision may be made more favorable to the applicable existing Lenders.

Notwithstanding anything to the contrary contained in this Section 10.01, the Guaranty, the Collateral Documents and related documents executed by the Loan Parties or the Restricted Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Administrative Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure any ambiguities or defects or (iii) to cause such Guaranty, Collateral Document or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything to the contrary contained in Section 10.01, if the Administrative Agent and the Administrative Borrower shall have jointly identified an ambiguity, mistake, obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Administrative Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

(C) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or a Loan Party may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement) and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii), if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(b) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Loan Parties, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers’, any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging services, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, material breach of the Loan Documents, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Loan Parties, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Any Loan Party and the Administrative Agent, may change its address, electronic mail address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, electronic mail address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrowers and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain Material Non-Public Information.

(d) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them (other than any Excluded Affiliate) from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers in accordance with Section 10.05 hereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Attorney Costs and Expenses.

The Borrowers agree (a) if the Closing Date occurs (x) to pay or reimburse the Commitment Parties for such out-of-pocket costs and expenses as shall have been separately agreed upon in writing and (y), to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including, in each case, all Attorney Costs, which shall be limited to (i) one primary counsel to the Administrative Agent and its Affiliates (other than Excluded Affiliates), taken as a whole, or the Administrative Agent (and its Affiliates (other than Excluded Affiliates), as applicable) and one local counsel, if necessary, in any relevant jurisdiction material to the interests of the Lenders taken as a whole), in each case excluding allocated costs of in-house counsel and (ii) in the case of other consultants and advisors, the fees and expenses of such persons approved by the Borrowers and (b) after the Closing Date, to pay or reimburse the Administrative Agent and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or protection of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including (i) all respective Attorney Costs, which shall be limited to Attorney Costs of one primary counsel to the Administrative Agent and the Lenders taken as a whole, and one local counsel, if necessary, in any relevant jurisdiction material to the interests of the Lenders taken as a whole and, solely in the case of an actual conflict of interest, one additional counsel in each relevant material jurisdiction to the similarly situated Persons taken as a whole and (ii) in the case of other consultants or advisors, the fees and expenses of such persons approved by the Borrowers). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrowers at least three (3) Business Days prior to the Closing Date (or such later date as the Borrowers may agree in its sole discretion). If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion following five Business Days' prior written notice to the Parent Borrower. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05 Indemnification by the Borrowers.

The Borrowers shall indemnify and hold harmless each Agent, Lender, each Arranger and their respective Affiliates (other than Excluded Affiliates) and controlling Persons, and their respective directors, officers, employees, advisors, agents and other representatives of each of the foregoing and their respective successors and permitted assigns (but excluding any Excluded Affiliates) (collectively the “**Indemnitees**”) from and against any and all actual losses, claims, damages, liabilities and expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of an actual conflict of interest, one additional counsel in each relevant material jurisdiction to the affected Indemnitees similarly situated), in each case except allocated costs of in-house counsel, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom, (c) any actual or alleged presence or Release of Hazardous Materials at, on, under or from any property or facility currently or formerly owned, leased or operated by the Loan Parties or any Subsidiary, or any Environmental Liability of or relating to the Loan Parties or any Subsidiary, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a “**Proceeding**”) and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Borrowers or any other person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities and expenses resulted from (w) the gross negligence, bad faith, fraud or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (x) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of the Borrowers or any of their Affiliates or (z) settlements effected without the Borrowers’ prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if settled with Borrowers’ written consent, or if there is a final judgment against an Indemnitee, the Borrowers shall indemnify and hold harmless such Indemnitee to the extent and the manner set forth above. In case any Proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Parent Borrower of the commencement of any such Proceeding; *provided, however*, that the failure so to notify the Parent Borrower will not relieve the Borrowers from any liability to such Indemnitee pursuant to this Section 10.05. Each applicable Indemnitee (by accepting the benefits hereof) agrees to refund and return any and all amounts paid by or on behalf of the Borrowers (or any other Loan Party) to such Indemnitee, in each case, pursuant to the terms of this paragraph to the extent such Indemnitee is not entitled to the payment thereof pursuant to the terms of this paragraph, as determined by a final non-appealable judgment of a court of competent jurisdiction. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith, fraud or willful misconduct of, or material breach of this Agreement or the other Loan Documents, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such obligations, liabilities, losses, damages, penalties, demands, actions, judgments, suits, costs, disbursements, claims or expenses incurred or paid or required to be paid by an Indemnitee to a third party (including another Indemnitee)). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request). The agreements in this Section 10.05 shall survive the resignation or removal of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that the Borrowers for any reason fails to pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(d).

Section 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Parent Borrower may not (except as permitted by Section 7.04) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Assignee in accordance with the provisions of Section 10.07(b) (such an assignee, an “**Eligible Assignee**”) and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, Section 10.07(k), (B) in the case of any Assignee that is the Parent Borrower or any of their respective Subsidiaries, Section 2.05(a)(v) or 10.07(l), or (C) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, Section 10.07(o), (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (i) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided, however*, that notwithstanding the foregoing, no Lender may assign or, other than in the case of clause (iii) below, transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, (ii) a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person), (iii) a Disqualified Institution (unless otherwise agreed by the Administrative Borrower in its sole discretion and, notwithstanding anything herein to the contrary, without giving effect to any provision providing for deemed consent by the Administrative Borrower) or (iv) to the Sponsor, any Debt Fund Affiliate, the Parent Borrower or any of their respective Subsidiaries (except pursuant to Section 2.05(a)(v), 10.07(k), Section 10.07(l) or 10.07(o), as applicable). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans) with the prior written consent (such consent not to be unreasonably withheld or delayed, except in connection with a proposed assignment to any Disqualified Institution, which consent by the Administrative Borrower may be withheld in its sole discretion) of:

(A) the Administrative Borrower; *provided* that no consent of the Administrative Borrower shall be required for (i) an assignment of all or a portion of the Term Loans or Term Commitments to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) other than with respect to any proposed assignment to a Disqualified Institution, if an Event of Default under Section 8.01(a) or, solely with respect to the Parent Borrower, Section 8.01(f) has occurred and is continuing, to any Assignee or (iii) an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o); *provided* that, other than with respect to any proposed assignment to a Disqualified Institution, the Administrative Borrower shall be deemed to have consented to any such assignment of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having acknowledged receipt of a written notice thereof; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.7(l) or Section 10.07(o).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class or in the case of any assignment made by any MBD Lender to another MBD Lender, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$1,000,000, and shall be in increments of an amount of \$1,000,000, in excess thereof unless each of the Administrative Borrower and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption either manually or via an electronic settlement system acceptable to the Administrative Agent, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion); *provided* that no such fee shall be payable in connection with any assignment by any MBD Lender to any other MBD Lender;

(C) other than in the case of assignments pursuant to Section 10.07(l), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(D) the Assignee shall execute and deliver to the Administrative Agent and the Administrative Borrower the forms described in Sections 3.01(d) and 3.01(e) applicable to it.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Administrative Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution. The identity of Disqualified Institutions will not be posted or distributed to any Person by the Administrative Agent or Arranger, but may be communicated by the Administrative Agent to a Lender upon request therefor.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(l), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits and subject to the obligations of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrowers (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Borrowers pursuant to Section 10.07(k) or Section 10.07(l) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Agent and any Lender (solely with respect to the information as it relates to such Lender), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders.

(e) Any Lender may at any time sell participations to any Person (other than the Sponsor any of its Affiliates (other than Debt Fund Affiliates), a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person), a Defaulting Lender or a Disqualified Institution) (each, a **“Participant”**) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (e), (f) and (j) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Borrowers agree that each Participant shall be entitled to the benefits and subject to the obligations of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections applying to each Participant as if it were a Lender and provided that any documentation required to be provided under Section 3.01(d) shall be provided solely to the participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant also shall be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the **“Participant Register”**). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of any Participant Register relating to any Participant or SPC requesting payment from the Borrowers or seeking to exercise its rights under Section 10.09 shall be available for inspection by the Borrowers or any other Person only to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) A Participant shall not be entitled to receive any greater payment under Sections 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (i) such entitlement to a greater payment results from a Change in Law after the sale of the participation to such Participant takes place or (ii) the sale of the participation to such Participant is made with the Administrative Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless such Participant complies with Sections 3.01(a), (d), (e), (f) and (h) as though it were a Lender (it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the participating Lender and, at the time such participant has made a claim under Section 3.01, as necessary to substantiate a claim for additional amounts pursuant to Section 3.01).

(g) Any Lender may, without the consent of the Borrowers or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender to a Federal Reserve Bank or to any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a **“Granting Lender”**) may grant to a special purpose funding vehicle (other than a Disqualified Institution) identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Administrative Borrower (an **“SPC”**) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections), but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement except, in the case of Section 3.01, to the extent that the grant to the SPC was made with the prior written consent of the Administrative Borrower (not to be unreasonably withheld or delayed; for the avoidance of doubt, the Administrative Borrower shall have a reasonable basis for withholding consent if an exercise by an SPC immediately after the grant would result in materially increased indemnification obligation to the Borrowers at such time), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrowers and the Administrative Agent and with the payment of a processing fee of \$3,500 (which fee may be waived or reduced by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, without the consent of the Borrowers or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee (other than a Disqualified Institution) for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) [Reserved].

(k) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders holdings Term Loans of such Class on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit L hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not (x) receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II or (y) be entitled to receive advice of counsel to the Administrative Agent or the Lenders and each such Affiliated Lender hereby irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender in a proceeding under any Debtor Relief Law with respect to the Term Loans held by such Affiliated Lender in the same proportion as allocations of voting with respect to such matter by those Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in the same proportion as all other Lenders) in connection with any plan of reorganization to the extent any such plan of reorganization (A) proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders or (B) requires the consent of each Lender or each adversely affected Lender;

(iii) [reserved]; and

(iv) no such assignment shall be permitted if, after giving effect to such assignment, the aggregate principal amount of Term Loans (as of the date of consummation of any transaction under this Section 10.07(k)) held by Affiliated Lenders would exceed 25% of the aggregate principal amount of all Term Loans outstanding at the time of such assignment (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (at the time of such assignment), the assignment of such excess amount will be void ab initio.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (k) may, in its sole discretion but subject to the consent of the Borrowers, contribute, directly or indirectly, principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to any Borrower for the purpose of cancelling and extinguishing such Term Loans and such contribution may be in exchange for debt or equity securities of the Parent Borrower otherwise permitted to be issued or incurred at such time. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrowers and (y) the Borrowers shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register; *provided* that any such contribution shall not increase any availability or amount permitted pursuant to any covenant under Article VII.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

Each Lender participating in any assignment to Affiliated Lenders acknowledges and agrees that in connection with such assignment, (1) the Affiliated Lenders then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lenders or any of their Subsidiaries, the Borrowers or any of their Subsidiaries, the Administrative Agent or any other Agent-Related Persons, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information, (3) none of the Affiliated Lenders or any of their Subsidiaries, the Borrowers or any of their Subsidiaries shall be required to make any representation that it is not in possession of Excluded Information, (4) none of the Administrative Agent or any other Agent-Related Persons shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Administrative Agent and any other Agent-Related Persons, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information and (5) that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to the Parent Borrower or any Restricted Subsidiary through (x) Dutch auctions or other offers to purchase open to all Lenders holding Term Loans of such class on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided, further*, that:

(i) upon such assignment to any Restricted Subsidiary, such Restricted Subsidiary shall be deemed to have assigned or transferred the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Parent Borrower; *provided* that any such contribution shall not increase any availability or amount permitted pursuant to any covenant under Article VII;

(ii) if the assignee is the Parent Borrower (including through contribution, assignments or transfers set forth in clause (i) above), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrowers shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Parent Borrower and (c) the Parent Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register; and

(iii) purchases of Term Loans pursuant to this Section 10.07(l) shall not be funded with the proceeds of Revolving Credit Loans or ABL Revolving Loans.

Each Lender participating in any assignment to the Parent Borrower or any of its Restricted Subsidiaries acknowledges and agrees that in connection with such assignment, (1) the Parent Borrower or any of its Restricted Subsidiaries then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on, any Borrower or any of their Subsidiaries, the Administrative Agent or any other Agent-Related Persons, made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information, (3) none of the Administrative Agent or any other Agent-Related Persons shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Administrative Agent and any other Agent-Related Persons, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information and (4) that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(m) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" or "Required Class Lenders" to the contrary, for purposes of determining whether the Required Lenders and Required Class Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(n), any plan of reorganization pursuant to the Bankruptcy Code of the United States, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, Required Class Lenders (in respect of a Class of Term Loans) or all Lenders have taken any actions, except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Affiliated Lender, affect an Affiliated Lender in a manner that is disproportionately adverse to the effect on any Lender of the same Class of Term Loans.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrowers or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in the same proportion as allocations of voting with respect to such matters by those Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in the same proportion as all other Lenders) in connection with any plan of reorganization to the extent any such plan of reorganization (x) proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner to such Affiliated Lender than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders or (y) requires the consent of each Lender or each adversely affected Lender.

(o) Although Debt Fund Affiliates shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(m) or (n), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans (but not Revolving Credit Commitments and Revolving Credit Loans) under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) (for the avoidance of doubt, without requiring any representation as to the possession of Material Non-Public Information by such Affiliate and without regard to whether a Default or an Event of Default has occurred and is continuing) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" or "Required Class Lenders" to the contrary, for purposes of determining whether the Required Lenders or Required Class Lenders, as applicable have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Credit Commitments and Revolving Credit Loans of Lenders (whether consenting or not) included in determining whether the Required Lenders or Required Class Lenders, as applicable have consented to any action pursuant to Section 10.01 (other than in any determination of Required Class Lenders with respect to a Class where Debt Fund Affiliates own 100% of the Term Loans of such Class); *provided, further*, that any reduction in the voting rights of Debt Fund Affiliates pursuant to this sentence shall be applied to all Debt Fund Affiliates of such Class on a *pro rata* basis in accordance with the amount of Term Loans held by such Debt Fund Affiliates.

(p) Notwithstanding the foregoing, if an entire Class of Loans or Commitments is refinanced or replaced in full with other Loans or Commitments hereunder, the Parent Borrower shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice (which notice may be rescinded if the transactions contemplated by such Refinancing Amendment are not consummated) to each Lender holding any Class of Loans or Commitments being refinanced or replaced to consummate such refinancing or replacement of such Class by way of assignment by purchasing each such Lender's Loans or unfunded Commitments at par, accompanied by payment of any accrued interest and fees thereon (including, if applicable, amounts payable pursuant to Section 2.05(a)(vi) if in connection with a Repricing Transaction or Section 3.07(e)) instead of prepaying the Loans or reducing or terminating the Commitments to be refinanced or replaced. The assigned Loans and Commitments shall be amended immediately thereafter in accordance with Section 10.01 to reflect the terms of any such refinancing or replacement. The assignee under any such assignment may be (but shall not be required to be) the Administrative Agent, any arranger of the new Loans or Commitments or any other Person designated by the Administrative Agent. By receiving the purchase price, the Lenders having the replaced or refinanced Class of Loans or Commitments shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral.

Section 10.08 Confidentiality.

Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' limited partners, lenders, investors, managed accounts, officers, directors, employees, legal counsel, independent auditors, professionals, service providers and other experts or agents, in each case other than Excluded Affiliates (collectively, "**Representatives**") who need to know such Information (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and agree to keep such Information confidential and the Agents and the Lenders shall be principally liable to the extent any confidentiality restrictions set forth herein are violated by one or more of its Representatives); (b) to the extent required or requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates), *provided* that the applicable Agent or such Lender, as applicable, agrees that it will promptly notify the Administrative Borrower prior to any such disclosure by such Person (other than at the request of a regulatory authority as part of a regulatory examination) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or order of any court or administrative agency or in any pending legal or administrative proceeding or similar legal process, *provided* that the applicable Agent or such Lender, as applicable, agrees that it will notify the Administrative Borrower in advance of any such disclosure by such Person (except with respect to any routine audit or examination conducted by bank accountants or regulatory authority exercising routine examination or regulatory authority) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Administrative Borrower), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee or potential Lender invited to be an Additional Lender (except, in each case, to the extent the Administrative Borrower has declined to consent to such assignment), any pledgee referred to in Section 10.07(g), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations; (f) with the written consent of the Administrative Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or other obligation of confidentiality owed to the Borrowers or the Sponsor or any of their respective Affiliates; (h) to any rating agency when required by it on a customary basis and after consultation with the Administrative Borrower (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender) or to the CUSIP Service Bureau or any similar organization; (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; (j) to the extent that such information is independently developed by the applicable Agent or its Affiliates (other than any Excluded Affiliates) or the applicable Lender or its Affiliates in each case so long as not based on information obtained in a manner that would otherwise violate this Section 10.08, (k) for purposes of establishing a "due diligence" defense; or (l) to market data collectors, similar services providers to the lending industry, and service providers to the Arranger and the Lenders in connection with the administration and management of this Agreement; *provided* that, in each case, no disclosure shall be made to any Disqualified Institution. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; *provided* that such Person is advised and agrees to be bound by the provisions of this Section 10.08. Notwithstanding anything to the contrary contained in this Agreement, nothing in this Section 10.08 shall prohibit any MBD Lender from disclosing any information to any lender to, or managed account or limited partner of, such MBD Lender to the extent such information is subject to customary confidentiality obligations binding on such lender, managed account or limited partner pursuant to customary investment advisory, fund or loan documentation.

For purposes of this Section, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof, their respective businesses and their respective Affiliates and their Affiliates’ directors, officers, employees, trustees, investments advisors or agents, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08.

Each of the Agents and the Lenders acknowledges that (a) the Information may include Material Non-Public Information, (b) it has developed compliance procedures regarding the use of Material Non-Public Information and (c) it will handle such Material Non-Public Information in accordance with applicable Law, including United States federal and state securities Laws. The provisions of this paragraph shall not affect any Borrowers’ obligations under the last paragraph of Section 6.02.

Section 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrowers, any such notice being waived by the Borrowers (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, after obtaining the written consent of the Administrative Agent, to set off and apply any and all deposits (general or special, time or demand, provisional or final but excluding escrow, payroll, petty cash, trust and tax accounts) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmaturing or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Administrative Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law.

Section 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile, .pdf or other electronic means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by facsimile, .pdf or other electronic means be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile, .pdf or other electronic means.

The words “execute,” “execution,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Assumptions, amendments or other modifications, Committed Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.12 Integration.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. Subject to Section 10.20 in the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than contingent indemnification obligations as to which no claim has been asserted).

Section 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions; *provided* that the Lenders shall charge no fee in connection with any such amendment. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT AND ANY CLAIM OR CONTROVERSY RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF, WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) (OR ANY APPELLATE COURT THEREOF) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (OR ANY APPELLATE COURT THEREOF), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN FACSIMILE OR ELECTRONIC MAIL) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. FURTHERMORE, NOTWITHSTANDING THE FOREGOING OR ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR OTHERWISE SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE COLLATERAL DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN THE COURTS OF OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.17 Binding Effect.

This Agreement shall become effective when (i) it shall have been executed and delivered by the Loan Parties and each other party hereto and (ii) the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.18 USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act and the Beneficial Ownership Regulation. This notice is given in accordance with the requirements of the USA Patriot Act and the Beneficial Ownership Regulation and is effective as to the Lenders and the Administrative Agent. Each Loan Party shall, promptly following a request by the Administrative Agent, provide all documentation and other information that the Administrative Agent or any Lender reasonably requests which is required in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act and the Beneficial Ownership Regulation.

Section 10.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arranger are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the other Arranger and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Arranger and each Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Arranger, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arranger and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 Intercreditor Agreements.

Each Lender hereunder (a) acknowledges that it has received a copy of the Intercreditor Agreements, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (c) authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreements as Administrative Agent and on behalf of such Lender. The foregoing provisions are intended as an inducement to the lenders under the ABL Financing Documents, Second Lien Financing Documents and any documentation governing other parity lien or junior lien Indebtedness permitted to be incurred hereunder to extend credit to the Loan Parties and such lenders are intended third party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of any Intercreditor Agreement and this Agreement, the provisions of such Intercreditor Agreement shall control. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, prior to the payment in full of the ABL Obligations to the extent that any Loan Party is required to give physical possession over any Collateral (other than Term Loan Priority Collateral) to the Administrative Agent under this Agreement or the other Loan Documents, such requirement to give possession shall be satisfied if such Collateral is delivered to and held by the ABL Agent pursuant to the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement entered into after the Closing Date.

Section 10.21 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(1) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(2) the effects of any Bail-In Action on any such liability, including, if applicable:

- (a) a reduction in full or in part or cancellation of any such liability;
- (b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (c) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.22 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**”, and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.22, the following terms have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

ARTICLE XI.
GUARANTEE

Section 11.01 The Guarantee.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of (a) the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrowers (or, in the case of such guarantee by a Guarantor that is also a Borrower, on the Loans made by the Lenders to, and the Notes held by each Lender of, each other Borrower), and (b) all other Secured Obligations from time to time owing to the Secured Parties by the Loan Parties under any Loan Document or Secured Hedge Agreement (all such obligations described in clauses (a) and (b), including any future increases in the amounts thereof, being herein collectively called the “**Guaranteed Obligations**”); *provided, however*, that Guaranteed Obligations shall exclude all Excluded Swap Obligations. The Guarantors hereby jointly and severally agree that if the Borrowers or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrowers under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, to the extent permitted by applicable Law irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, to the extent permitted by applicable Law, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted (including incurring any increase or decrease in the principal amount of the Guaranteed Obligations or the rate of interest or the fees thereon);
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 11.09.

The Guarantors hereby expressly waive (to the fullest extent permitted by Law) diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrowers under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrowers or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and permitted assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and permitted assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrowers or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and the expiration and termination of the Commitments of the Lenders under this Agreement it shall subordinate any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrowers or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Non-Loan Party permitted pursuant to 7.03(b) or (d) shall be subordinated to such Loan Party's Secured Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrowers) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07 Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Guarantor (other than the Borrowers) under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the liability under this Guaranty and the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) any Guarantor that is a Restricted Subsidiary of a Loan Party ceases to be a Restricted Subsidiary of a Loan Party in a transaction permitted hereunder, (ii) any Guarantor becomes an Excluded Subsidiary or (iii) subject to Section 10.01, if the release of such Guarantor is approved, authorized or ratified in writing by the Required Lenders (any such Guarantor referred to in clause (i), (ii) or (iii) a "**Released Guarantor**"), such Released Guarantor shall upon the consummation of the related transaction, change in status, request, approval, authorization or ratification be (in the case of clauses (i) and (iii)) automatically released and (in the case of clause (ii)) released by the Administrative Agent pursuant to appropriate documentation following a written request from the Administrative Borrower to the Administrative Agent requesting such release, in each case, from its obligations under this Agreement (including under Section 10.05 hereof) and the other Loan Documents, including its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of any of the Equity Interests of the Released Guarantor to a Person that is not a Loan Party, the pledge of such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrowers shall have provided the Administrative Agent such certifications or documents as any Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of this Agreement and the Collateral Documents; *provided*, that no such release shall occur, and no such Guarantor shall constitute a Released Guarantor, if (x) such Guarantor continues to be a guarantor in respect of any other First Lien Obligations, any ABL Obligations, any Second Lien Obligations or any Junior Financing or (y) such Guarantor continues to constitute a Subsidiary of the Parent Borrower and becomes an Excluded Subsidiary under clause (a) of the definition thereof unless (i) no Event of Default shall have occurred and be continuing at the time such Guarantor becomes an Excluded Subsidiary under clause (a) of the definition thereof and (ii) after giving Pro Forma Effect to such release and the consummation of the transaction that causes such Person to become an Excluded Subsidiary under clause (a) of the definition thereof, the Borrowers and Restricted Subsidiaries shall be deemed to have made an Investment in, or a Restricted Payment in respect of, as applicable, such Person (as if such Person were then newly acquired or formed) and such Investment or Restricted Payment is permitted hereunder at such time.

When all Commitments hereunder have terminated, and all Loans or other Obligations hereunder (other than contingent indemnification obligations as to which no claim has been asserted) have been paid or satisfied in full, this Agreement and the Guarantees made herein shall terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement.

Section 11.10 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

Section 11.11 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any Swap Obligations (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.12 Independent Obligation.

The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other party or the Borrowers, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not action is brought against any other Guarantor, any other party or the Borrowers and whether or not any other Guarantor, any other party or the Borrowers be joined in any such action or actions.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

Section 2.02. Delivery of the Pledged Securities.

(a) Subject to Section 3.01(e) and Section 6.17 of the Credit Agreement, each Grantor agrees to deliver or cause to be delivered to the Administrative Agent, for the benefit of the Secured Parties, on the Closing Date (or on the date on which such Grantor signs and delivers its first Security Agreement Supplement (in the case of any Grantor other than a Closing Date Grantor)), or if acquired after the Closing Date, within 60 days after receipt by such Grantor (or, in each case, such longer period as the Administrative Agent may agree in its reasonable discretion), any and all (i) Pledged Equity to the extent certificated and (ii) to the extent required to be delivered pursuant to paragraph (b) of this Section 2.02, Pledged Debt.

Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be deemed to supplement Schedule IV and made a part hereof; *provided* that failure to supplement Schedule IV shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

(d) The pledge and security interest granted in Section 2.01 are granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Pledged Collateral.

(d) as of the Closing Date, except for restrictions and limitations (i) imposed or permitted by the Loan Documents, the ABL Financing Documents, the Second Lien Financing Documents and Contractual Obligations permitted pursuant to Section 7.09 of the Credit Agreement or securities laws generally and (ii) in the case of Pledged Equity of Persons that are not Subsidiaries, that are transfer restrictions that exist at the time of acquisition of Equity Interests in such Persons, the Pledged Collateral is freely transferable and assignable, and none of the Pledged Collateral is subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that would reasonably be expected to prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Administrative Agent of rights and remedies hereunder;

(e) [reserved];

(f) [reserved];

(g) by virtue of the execution and delivery by each Grantor of this Agreement, and delivery of the instruments or certificates, if any, evidencing the Pledged Securities to and continued possession by the Administrative Agent in the State of New York, the Administrative Agent for the benefit of the Secured Parties has a legal, valid and perfected lien upon and security interest in such Pledged Security as security for the payment in full when due and performance of the Secured Obligations to the extent such perfection is governed by the UCC, subject only to Liens permitted by Section 7.01 of the Credit Agreement;

(h) the pledge effected hereby is effective to vest in the Administrative Agent, for the benefit of the Secured Parties, the rights of the Administrative Agent in the Pledged Collateral as set forth herein; and

(i) subject to the terms of this Agreement and to the extent permitted by applicable Law, each Grantor hereby agrees that upon the occurrence and during the continuance of an Event of Default and delivery of prior written notice as set forth in Section 2.06(a), it will comply with instructions of the Administrative Agent with respect to the Equity Interests in such Grantor that constitute Pledged Equity hereunder without further consent by the applicable owner or holder of such Equity Interests.

Notwithstanding anything to the contrary in this Agreement, to the extent any provision of this Agreement or the Credit Agreement excludes any assets from the scope of the Pledged Collateral, or from any requirement to take any action to perfect any security interest in favor of the Administrative Agent in the Pledged Collateral, the representations, warranties and covenants made by any relevant Grantor in this Agreement with respect to the creation, perfection or priority (as applicable) of the security interest granted in favor of the Administrative Agent (including, without limitation, this Section 2.03) shall be deemed not to apply to such excluded assets.

Section 2.04. Certification of Limited Liability Company and Limited Partnership Interests. No interest in any limited liability company or limited partnership controlled by any Grantor that constitutes Pledged Equity shall be represented by a certificate unless (i) the limited liability company agreement or partnership agreement expressly provides that such interests shall be a “security” within the meaning of Article 8 of the UCC of the applicable jurisdiction, (ii) such certificate bears a legend indicating such interest represented thereby is such a “security”, and (iii) such certificate shall be delivered to the Administrative Agent in accordance with Section 2.02. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled on or after the Closing Date by such Grantor and pledged hereunder that is not a “security” within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such election and such interest is thereafter represented by a certificate that is promptly delivered to the Administrative Agent pursuant to Sections 2.02(a) and (c).

Section 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given the Borrowers three (3) Business Days’ prior written notice of its intent to exercise such rights, (a) the Administrative Agent, on behalf of the Secured Parties, shall have the right to hold the Pledged Equity in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Administrative Agent and each Grantor will promptly give to the Administrative Agent copies of any written notices or other written communications received by it with respect to Pledged Equity registered in the name of such Grantor and (b) the Administrative Agent shall have the right to exchange the certificates representing Pledged Equity for certificates of smaller or larger denominations for any purpose consistent with this Agreement, to the extent permitted by the documentation governing such Pledged Securities.

Section 2.06. Voting Rights; Dividends and Interest.

(a) Unless and until an Event of Default shall have occurred and be continuing and the Administrative Agent shall have provided three (3) Business Days’ prior written notice to the Borrowers that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof and each Grantor agrees that it shall not exercise such rights in violation of this Agreement, the Credit Agreement and the other Loan Documents.

(ii) The Administrative Agent shall promptly (after reasonable advance written notice) execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held for the benefit of the Administrative Agent and the other Secured Parties and shall be promptly (and in any event within fifteen (15) Business Days or such longer period as the Administrative Agent may agree in its reasonable discretion) delivered to the Administrative Agent in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). So long as no Event of Default has occurred and is continuing, the Administrative Agent shall promptly deliver to each Grantor any Pledged Securities in its possession if requested to be delivered to the issuer thereof in connection with any exchange or redemption of such Pledged Securities permitted by the Credit Agreement in accordance with this Section 2.06(a)(iii).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have given three (3) Business Days' prior written notice to the Borrowers of the suspension of the Grantors' rights under paragraph (a) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be promptly (and in any event within fifteen (15) Business Days or such longer period as the Administrative Agent may agree in its reasonable discretion) delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by the Administrative Agent in an account to be established by the Administrative Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02. After all Events of Default have been cured or waived, the Administrative Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account, and such Grantor's right to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities shall be automatically reinstated.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have provided the Borrowers with notice of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06 shall be reinstated.

(d) Any notice given by the Administrative Agent to the Borrowers suspending the rights of the Grantors under this Section 2.06, (i) shall be given in writing, (ii) may be given with respect to one or more Grantors at the same or different times and (iii) may suspend the rights of one or more Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Administrative Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Administrative Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

provided that, notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Assets.

(b) Subject to Section 3.01(e), each Grantor hereby irrevocably authorizes the Administrative Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any financing statements or continuation statements (including fixture filings) with respect to the Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as “all assets of the debtor, whether now existing or hereafter acquired” or “all personal property, whether now existing or hereafter acquired” of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the UCC or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including whether (A) such Grantor is an organization, the type of organization and, if required, any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Administrative Agent promptly upon any reasonable request.

(c) The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Administrative Agent is authorized to file with the USPTO or the USCO (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property of each Grantor in which a security interest has been granted by each Grantor, with or without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Administrative Agent as secured party.

(e) Notwithstanding anything to the contrary in the Loan Documents, none of the Grantors shall be required, nor is the Administrative Agent authorized, (i) to perfect the Security Interests granted by this Agreement (including Security Interests in Investment Property and Fixtures) by any means other than by (A) filings pursuant to the UCC in the office of the secretary of state (or similar central filing office) of the relevant State(s), and filings in the applicable real estate records with respect to any fixtures relating to real property to the extent required by the Collateral and Guarantee Requirement, (B) filings in the USPTO and USCO with respect to Intellectual Property of any Grantor as expressly required elsewhere herein, (C) delivery to the Administrative Agent to be held in its possession of all Collateral consisting of certificated Pledged Collateral as expressly required elsewhere herein or (D) other methods expressly provided herein, (ii) to enter into any deposit account control agreement, securities account control agreement or any other control agreement with respect to any deposit account, securities account or any other Collateral that requires perfection by "control", except as expressly required by Section 2.02 hereof or Section 2.19 of the ABL Credit Agreement, (iii) to take any action in any non-United States jurisdiction or required by the laws of any non- United States jurisdiction in order to create any security interests in assets located or titled outside of the United States or to perfect any security interest in such assets, including any Intellectual Property registered in any non-U.S. jurisdictions (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-United States jurisdiction or any requirement to make any filings in any foreign jurisdiction, including with respect to foreign Intellectual Property), (iv) to perfect in any assets subject to a certificate of title statute unless perfection can be achieved by filing a UCC financing statement, (v) to deliver any Pledged Collateral except as expressly provided in Section 2.02, or (vi) to register, apply for the registration of, or deposit into escrow any Intellectual Property (including source code).

(f) Notwithstanding anything to the contrary in this Agreement, to the extent any provision of this Agreement or the Credit Agreement excludes any assets from the scope of the Article 9 Collateral, or from any requirement to take any action to perfect any security interest in favor of the Administrative Agent in the Article 9 Collateral, the representations, warranties and covenants made by any relevant Grantor in this Agreement with respect to the creation, perfection or priority (as applicable) of the security interest granted in favor of the Administrative Agent (including, without limitation, Section 3.02) shall be deemed not to apply to such excluded assets.

Section 3.02. Representations and Warranties. Each Grantor represents and warrants, as to itself and the other Grantors, to the Administrative Agent and the Secured Parties that:

(a) Subject to Liens permitted by Section 7.01 of the Credit Agreement, each Grantor has good and valid rights in and title (except as otherwise permitted by the Loan Documents) to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder, except for (x) minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or as proposed to be conducted or to utilize such properties for their intended purposes, (y) where the failure to have such title or other interest could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and (z) Intellectual Property owned by a third party as to which such Grantor has been granted a License, and has full organizational power and authority to grant to the Administrative Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any Governmental Authority other than (i) any consent or approval that has been obtained or (ii) any consent or approval the failure of which to obtain could not reasonably be expected to cause a Material Adverse Effect.

(b) Subject to Section 3.01(e): the UCC financing statements or other appropriate filings, recordings or registrations prepared by the Administrative Agent based upon the information provided to the Administrative Agent in the schedules hereto for filing in the applicable filing office (or specified by notice from the Borrowers to the Administrative Agent after the Closing Date in the case of filings, recordings or registrations, in each case, as required by the Collateral and Guarantee Requirement and Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the UCC (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights).

(c) The Grantors represent and warrant that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral owned by a Grantor consisting of material United States issued Patents (and Patents for which United States issuances are pending), material United States registered Trademarks (and Trademarks for which United States registration applications are pending) and material United States registered Copyrights, respectively (other than, in each case, any Excluded Assets) (such subset of Article 9 Collateral, collectively, “**Material U.S. IP**”), have been delivered to the Administrative Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of registrations and applications for such Material U.S. IP and, except as would not reasonably be expected to have a Material Adverse Effect, such Material U.S. IP is valid, subsisting and enforceable. To the extent a security interest in such material U.S. IP may be perfected by filing, recording or registration in USPTO or USCO under the United States federal intellectual property laws, then no further or subsequent filing, re-filing, recording, rerecording, registration or re-registration is necessary to perfect the Security Interest in such Material U.S. IP (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Material U.S. IP (or registration or application for registration thereof) acquired or developed by any Grantor after the Closing Date and (ii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment in full when due and performance of the Secured Obligations and (ii) subject to the filings described in Section 3.02(b) and (c), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the UCC. Subject to Section 3.01(e) of this Agreement, the ABL Intercreditor Agreement and any other intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, the Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any statutory or similar Lien that has priority as a matter of Law and (ii) any Liens permitted pursuant to Section 7.01 of the Credit Agreement.

(e) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the UCC or any other applicable Laws covering any Article 9 Collateral that has not been terminated, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement that has not been terminated or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement that has not been terminated or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 7.01 of the Credit Agreement and assignments permitted by the Credit Agreement.

(f) *Names.*

(i) As of the Closing Date, the exact legal name of each Grantor, as such name appears in its respective certificate of incorporation or any other organizational document, is set forth in Schedule I(a) hereto. As of the Closing Date, each Grantor is (a) the type of entity disclosed next to its name in Schedule I(a) hereto and (b) a registered organization except to the extent disclosed in Schedule I(a). Also set forth in Schedule I(a) is the organizational identification number, if any, of each Grantor that is a registered organization, the Federal Taxpayer Identification Number of each Grantor as of the Closing Date, and the jurisdiction of formation of each Grantor as of the Closing Date.

(ii) Set forth in Schedule I(b) hereto is a list of any other legal names each Grantor (or any other business or organization to which each Grantor became the successor by merger, consolidation, acquisition, change in form, nature or jurisdiction of organization or otherwise) has had in the past five years prior to the Closing Date, together with the date of the relevant change.

(iii) Set forth in Schedule I(c) is a list of all other names used by each Grantor on any filings with the Internal Revenue Service at any time within the five years preceding the date hereof. Except as set forth in Schedule I(c), no Grantor has changed its jurisdiction of organization at any time during the four months prior to the date hereof.

(g) *Current Locations.* As of the Closing Date, the chief executive office of each Grantor is located at the address set forth in Schedule II hereto.

(h) *Intellectual Property.*

(i) Attached hereto as Schedule III(a) is a schedule setting forth all of each Grantor's Patents and Trademarks applied for or registered with the USPTO, including the name of the registered owner or applicant and the registration, application, or publication number, as applicable, of each Patent or Trademark owned by each Grantor as of the Closing Date, in each case that constitutes Collateral.

(ii) Attached hereto as Schedule III(b) is a schedule setting forth all of each Grantor's United States Copyrights, including the name of the registered owner and the registration number of each Copyright owned by each Grantor as of the Closing Date, in each case that constitutes Collateral.

(i) *Commercial Tort Claims.* As of the Closing Date, no Grantor has any Commercial Tort Claim where such Grantor's reasonable expectation of recovery is in excess of \$5,000,000, other than the Commercial Tort Claims listed on Schedule V.

Section 3.03. Covenants.

(a) The Borrowers agree to notify the Administrative Agent in writing promptly, but in any event within 30 calendar days (or such longer period as the Administrative Agent may agree in its reasonable discretion), after any change in (i) the legal name of any Grantor, (ii) the identity or type of organization or corporate structure of any Grantor, (iii) the jurisdiction of organization of any Grantor, (iv) the organizational identification number of such Grantor, if any, but solely to the extent such organizational identification number is required to be set forth on financing statements under the applicable UCC or (v) the chief executive office of any Grantor.

(b) Subject to Section 3.01(e), each Grantor shall, at its own expense, upon the reasonable request of the Administrative Agent, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons, except with respect to Article 9 Collateral that such Grantor determines in its reasonable business judgment is no longer necessary or beneficial to the conduct of the business, and to defend the Security Interest of the Administrative Agent in the Article 9 Collateral and the priority thereof against any Lien not permitted pursuant to Section 7.01 of the Credit Agreement (except to the extent that the Parent Borrower reasonably determines in good faith in consultation with the Administrative Agent that the cost of such defense is excessive in relation to the benefit to the Secured Parties of such security interest and priority); *provided* that, nothing in this Agreement shall prevent any Grantor from discontinuing the operation or maintenance of any of its assets or properties if such discontinuance is (x) determined by such Grantor to be desirable in the conduct of its business and (y) permitted by the Credit Agreement.

(c) Subject to Section 3.01(e) and any other express limitations in this Agreement, each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements or other documents in connection herewith or therewith.

(d) Subject to Section 3.01(e), upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, at its option, upon two (2) Business Days' prior written notice to the Borrowers, may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement, this Agreement or any other Loan Document and within a reasonable period of time after the Administrative Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Administrative Agent as to the extent required by the Credit Agreement; *provided, however*, the Grantors shall not be obligated to reimburse the Administrative Agent with respect to any Intellectual Property that any Grantor has failed to maintain or pursue, or otherwise abandoned or allowed to lapse, terminate or be put into the public domain in accordance with Section 3.03(f)(iv). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(e) Subject to Section 3.01(e) and to the ABL Intercreditor Agreement, if at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which is in excess of \$15,000,000 to secure payment and performance of an Account, such Grantor shall promptly grant a security interest to the Administrative Agent for the benefit of the Secured Parties to the extent not already granted pursuant to this Agreement; *provided* that, notwithstanding anything to the contrary in this Agreement, such grant shall not constitute a grant of a security interest in any Excluded Assets. Such grant need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(f) *Intellectual Property Covenants.*

(i) Subject to clause (iv) below, except to the extent failure to act would not reasonably be expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to pursue the registration and maintenance of each Patent, Trademark, or Copyright issuance, registration or application now or hereafter included in the Intellectual Property of such Grantor that are not Excluded Assets.

(ii) Subject to clause (iv) below, except as would not reasonably be expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property, excluding Excluded Assets, may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, become publicly known).

(iii) Subject to clause (iv) below, except where failure to do so would not reasonably be expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Intellectual Property, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the Closing Date, and taking reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to standards of quality.

(iv) Notwithstanding any other provision of this Agreement, nothing in this Agreement or any other Loan Document prevents or shall be deemed to prevent any Grantor from abandoning, disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or be put into the public domain, any of its Intellectual Property to the extent permitted by the Credit Agreement.

(v) Within the same delivery period as required for the delivery of the annual Compliance Certificate required to be delivered under Section 6.02(a) of the Credit Agreement the Borrowers shall provide a list of any additional Material U.S. IP of all Grantors not previously disclosed to the Administrative Agent including such information as is necessary for such Grantor to make appropriate filings in the USPTO and USCO.

(g) *Commercial Tort Claims.* Subject to Section 3.01(e), if the Grantors shall at any time hold or acquire a Commercial Tort Claim where the applicable Grantor has a reasonable expectation of recovery in excess of \$7,500,000 for which this clause has not been satisfied and for which a complaint in a court of competent jurisdiction has been filed, such Grantor shall, on the date on which a Compliance Certificate is delivered to the Administrative Agent pursuant to Section 6.02(a) of the Credit Agreement for the fiscal quarter in which such complaint was filed, notify the Administrative Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Administrative Agent, for the benefit of the Secured Parties, in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

ARTICLE IV.

Remedies

Section 4.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Administrative Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Collateral and the Secured Obligations, including the Guaranty and the Guaranteed Obligations, under this Agreement, the UCC or other applicable Law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Administrative Agent, promptly assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under Law, without obligation to such Grantor in respect of such occupancy; *provided* that the Administrative Agent shall provide the applicable Grantor with written notice thereof prior to such occupancy; (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Administrative Agent shall provide the applicable Grantor with written notice thereof prior to such exercise; (iv) [reserved] and (v) subject to the mandatory requirements of applicable Law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any Law now existing or hereafter enacted. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Subject to the mandatory requirements of applicable Law and the notice requirements described below, the Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

The Administrative Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by Law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by Law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by Law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at Law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after three (3) Business Days' prior written notice to the Borrowers of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or to pay any premium in whole or in part relating thereto.

By accepting the benefits of this Agreement and each other Collateral Document, the Secured Parties expressly acknowledge and agree that their rights and remedies are subject to the second paragraph of Section 10.03 of the Credit Agreement. If the Administrative Agent shall determine to exercise its right to sell all or any of the Collateral of any Grantor pursuant to this Section 4.01, each Grantor agrees that, upon request of the Administrative Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Collateral or any part thereof valid and binding and in compliance with applicable law.

Section 4.02. Application of Proceeds. Subject to the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement, any First Lien Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, the Administrative Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 8.03 of the Credit Agreement.

The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

The Administrative Agent shall have no liability to any of the Secured Parties for actions taken in reliance on information supplied to it as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations; *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error).

Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and, to the extent set forth herein and in the other Loan Documents, the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

Section 4.03. Grant of License to Use Intellectual Property. For the exclusive purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies at any time after and during the continuance of an Event of Default, subject to the terms of the licenses, each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a non-exclusive, royalty-free, limited license (until the termination or cure of the Event of Default) for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate to use (and to the extent permitted by the licenses, license or sublicense) any of the Intellectual Property included in the Article 9 Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided, however*, that all of the foregoing rights of the Administrative Agent shall expire immediately upon the termination or cure of all Events of Default and shall be exercised by the Administrative Agent solely during the continuance of an Event of Default and in connection with the Administrative Agent's exercise of remedies pursuant to Section 4.01 and upon 10 Business Days' prior written notice to the applicable Grantor, and nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of Law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent permitted by the Credit Agreement, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided, further*, that any such license and any such license granted by the Administrative Agent to a third party shall include reasonable and customary terms and conditions necessary to preserve the existence, validity and value of the affected Intellectual Property, including without limitation, provisions requiring the continuing confidential handling of trade secrets, requiring the use of appropriate notices and prohibiting the use of false notices, quality control and inurement and goodwill provisions with regard to Trademarks, patent designation provisions with regard to Patents, copyright notices and restrictions on decompilation and reverse engineering of copyrighted software (it being understood and agreed that, without limiting any other rights and remedies of the Administrative Agent under this Agreement, any other Loan Document or applicable Law, nothing in the foregoing license grant shall be construed as granting the Administrative Agent rights in and to such Intellectual Property above and beyond (x) the rights to such Intellectual Property that each Grantor has reserved for itself and (y) in the case of Intellectual Property that is licensed to any such Grantor by a third party, the extent to which such Grantor has the right to grant a sublicense to such Intellectual Property hereunder). For the avoidance of doubt, the use of such license by the Administrative Agent may be exercised, at the option of the Administrative Agent, only during the continuance of an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may also exercise the rights afforded under Section 4.01 of this Agreement with respect to Intellectual Property contained in the Article 9 Collateral.

ARTICLE V.

Subordination

Section 5.01. **Subordination.** Upon payment by any Grantor of any Secured Obligations, all rights of such Grantor against the Borrowers or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full of all the Secured Obligations (other than (i) contingent indemnity obligations for then unasserted claims; and (ii) obligations and liabilities under Secured Hedge Agreements as to which arrangements satisfactory to the applicable Hedge Bank shall have been made) and the termination of all Commitments to any Loan Party under any Loan Document. If any amount shall erroneously be paid to the Borrowers or any other Grantor on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of the Borrowers or any other Grantor, such amount shall be held for the benefit of the Secured Parties and shall promptly be paid to the Administrative Agent to be credited against the payment of the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Credit Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Grantor (other than the Borrowers) shall, under this Agreement or the Credit Agreement as a joint and several obligor, repay any of the Secured Obligations (an “**Accommodation Payment**”), then the Grantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Grantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Grantor’s Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Grantors. As of any date of determination, the “**Allocable Amount**” of each Grantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Grantor hereunder and under the Credit Agreement without (a) rendering such Grantor “insolvent” within the meaning of Section 101 (32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act (“**UFTA**”) or Section 2 of the Uniform Fraudulent Conveyance Act (“**UFCA**”), (b) leaving such Grantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Grantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

ARTICLE VI.

Miscellaneous

Section 6.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to the Borrowers or any other Grantor shall be given to it in care of the Borrowers as provided in Section 10.02 of the Credit Agreement.

Section 6.02. Waivers; Amendment.

(a) No failure or delay by any Secured Party in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Secured Parties herein provided, and provided under each other Loan Document, are cumulative and are not exclusive of any rights, remedies, powers and privileges provided by Law. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the provision of services under Secured Hedge Agreements shall not be construed as a waiver of any Default, regardless of whether any Secured Party may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to the Collateral and Guarantee Requirement and any consent required in accordance with Section 10.01 of the Credit Agreement.

Section 6.03. Administrative Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its reasonable out-of-pocket expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement and the Administrative Agent and its Agent-Related Persons shall be entitled to indemnity for its actions in connection herewith as provided in Section 10.05 of the Credit Agreement.

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, any investigation made by or on behalf of the Administrative Agent or any other Secured Party, or any resignation by, or removal of, the Administrative Agent. All amounts due under this Section 6.03 shall be payable within 30 days of written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 6.03.

Section 6.04. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 6.05. Survival of Agreement. All representations and warranties made by the Grantors hereunder and in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Loan Documents, the making of any Loans and the provision of services under Secured Hedge Agreements, regardless of any investigation made by any Secured Party or on its behalf and notwithstanding that any Secured Party may have had notice or knowledge of any Default or Event of Default at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as this Agreement has not been terminated or released pursuant to Section 6.11 below.

Section 6.06. Counterparts; Effectiveness; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties and their respective permitted successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) without the prior written consent of the Administrative Agent, except to the extent permitted by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, restated, amended and restated, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

Section 6.07. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 6.08. Governing Law; Jurisdiction; Venue; Waiver of Jury Trial; Consent to Service of Process. The terms of Sections 10.15 and 10.16 of the Credit Agreement with respect to governing law, submission of jurisdiction, venue, consent to services of process and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

Section 6.09. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 6.10. Security Interest Absolute. To the extent permitted by Law, all rights of the Administrative Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense (other than defense of payment or performance) available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

Section 6.11. Termination or Release.

(a) This Agreement and each other Collateral Document (in each case, other than with respect to provisions hereof that expressly survive termination), the Security Interest and all other security interests granted hereby or thereby shall terminate with respect to all Secured Obligations and any Liens arising therefrom shall be automatically released upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations as to which no claim has been asserted) ..

(b) A Grantor that is a Guarantor shall automatically be released from its obligations hereunder and under any other Collateral Document to which it is a party and the Security Interest and all other Liens granted hereby or thereby to the Administrative Agent in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction or upon any designation, in each case, permitted by the Credit Agreement as a result of which such Grantor is released as a Guarantor pursuant to Section 11.09 of the Credit Agreement.

(c) Upon (i) any Disposition by any Grantor of any Collateral that is permitted under the Credit Agreement (other than a sale or transfer to another Loan Party), (ii) the effectiveness of any written consent to the release of the Security Interest or other Liens granted hereby or by any other Collateral Document in any Collateral pursuant to Section 10.01 of the Credit Agreement or (iii) any Collateral becoming an "Excluded Asset", the security interest in such Collateral shall be automatically released.

(d) The Security Interest and other Liens granted hereby or by any other applicable Collateral Document in any Collateral shall, with respect to such Collateral, be subordinated to another Lien permitted by Section 7.01 of the Credit Agreement, in accordance with the terms of Section 9.10(c) of the Credit Agreement, either (i) upon an election by the Administrative Agent to subordinate such security interest or (ii) in respect of Liens permitted by Section 7.01(b), (u), (w) and (aa) (solely with respect to clauses (b), (u) and (w)) of the Credit Agreement, upon the Parent Borrower's written notice to the Administrative Agent thereof (with the Administrative Agent's prompt acknowledgement, not to be unreasonably withheld, delayed or conditioned).

(e) In connection with any termination, subordination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 6.11, the Administrative Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination, subordination or release and shall perform such other actions reasonably requested by such Grantor to effect such termination, subordination or release, including delivery of certificates, securities and instruments. Any execution and delivery of documents pursuant to this Section 6.11 shall be without recourse to or representation or warranty of any kind (either express or implied) by the Administrative Agent.

Section 6.12. Additional Grantors. Pursuant to the Credit Agreement, certain additional Restricted Subsidiaries of the Loan Parties and Successor Parent Borrowers may be required to enter into this Agreement as Grantors. Upon execution and delivery by the Administrative Agent and a Restricted Subsidiary or Successor Parent Borrower of a Security Agreement Supplement, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

Section 6.13. Administrative Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Administrative Agent as the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof at any time after the occurrence and during the continuance of an Event of Default, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Administrative Agent shall have the right, after the occurrence and during the continuance of an Event of Default and notice by the Administrative Agent to the applicable Grantor of the Administrative Agent's intent to exercise such rights, with full power of substitution either in the Administrative Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) upon prior written notice to the Parent Borrower, to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at Law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) upon prior written notice to the Parent Borrower, to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Administrative Agent; (h) to obtain and adjust insurance required to be paid to the Administrative Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Administrative Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Administrative Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, bad faith, material breach or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact, in each case, as determined by a final non-appealable judgment of a court of competent jurisdiction.

Section 6.14. General Authority of the Administrative Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Administrative Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Administrative Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

Section 6.15. Reasonable Care. The Administrative Agent is required to use reasonable care in the custody and preservation of any of the Collateral in its possession; *provided* that the Administrative Agent shall be deemed to have used reasonable care in the custody and preservation of any of the Collateral, if such Collateral is accorded treatment substantially similar to that which the Administrative Agent accords its own property.

Section 6.16. Delegation; Limitation. The Administrative Agent may execute any of the powers granted under this Agreement and perform any duty hereunder either directly or by or through agents or attorneys-in-fact, and shall not be responsible to the Lenders for the gross negligence or willful misconduct of any agents or attorneys-in-fact selected by it with reasonable care and without gross negligence or willful misconduct.

Section 6.17. Reinstatement. The obligations of the Grantors under this Agreement shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrowers or other Loan Party in respect of the Secured Obligations is rescinded, avoided, or must be otherwise restored by any holder of any of the Secured Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 6.18. [Reserved].

Section 6.19. Intercreditor Agreements.

(a) Notwithstanding anything herein to the contrary, the Liens and Security Interest granted to the Administrative Agent or any other Secured Party pursuant to this Agreement, the exercise of any right or remedy by the Administrative Agent or any other Secured Party hereunder and all other terms and provisions of this Agreement, are subject to the terms and provisions of the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement, any First Lien Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document. In the event of any conflict between the terms and conditions of the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement, any First Lien Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document and the terms and conditions of this Agreement, the terms and conditions of the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement, any First Lien Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, as applicable, shall govern and control in all respects and supersede the terms of this Agreement with respect to such conflict. No right, power or remedy granted to the Administrative Agent or any other Secured Party hereunder shall be exercised by the Administrative Agent or such other Secured Party, and no direction shall be given by the Administrative Agent or any other Secured Party, in contravention of the ABL Intercreditor Agreement, the Second Lien Intercreditor Agreement, any First Lien Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document.

(b) Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, to the extent the provisions of any Loan Document require the delivery of, or control over, Collateral to be granted to the Administrative Agent at any time prior to the discharge of the ABL Obligations, then delivery of ABL Priority Collateral (as defined in the Credit Agreement) (or control with respect thereto) shall instead be made to the ABL Agent, to be held in accordance with the ABL Financing Documents and the ABL Intercreditor Agreement, each applicable Grantor's obligations hereunder or in any other Loan Document (including the representations and warranties made by it hereunder and in the other Loan Documents) with respect to such delivery shall be deemed satisfied by the delivery to the ABL Agent, acting as a gratuitous bailee of the Administrative Agent pursuant to the ABL Intercreditor Agreement. Furthermore, at all times prior to the discharge of the ABL Obligations, the Administrative Agent is authorized by the parties hereto to effect transfers of such Collateral at any time in its possession (and any "control" or similar agreements with respect to such Collateral) to ABL Agent.

This Note (a) evidences loans, advances and other credit extensions, where, and to the extent that, both (i) the Payor is a Loan Party and (ii) the Payee is a Non-Loan Party and (b) is subject to the terms of the Credit Agreements.

Each Payee is hereby authorized (but not required) to record all loans and advances made by it to any Payor (all of which shall be evidenced by this Note), and all repayments or prepayments thereof, in its books and records, such books and records constituting prima facie evidence of the accuracy of the information contained therein.

(i) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Affected Payor or to its creditors, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Affected Payor, whether or not involving insolvency or bankruptcy, then (x) the holders of Senior Indebtedness shall be paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank) before any Affected Payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment or distribution on account of this Note and (y) until the holders of Senior Indebtedness are paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank), any payment or distribution to which such Affected Payee would otherwise be entitled (other than (A) equity securities or (B) debt securities of such Affected Payor that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as “**Restructured Debt Securities**”)) in respect of this Note shall be made to the holders of Senior Indebtedness;

(ii) (x) if any Event of Default under Sections 8.01(a) or 8.01(f) of the First Lien Credit Agreement or ABL Credit Agreement or under Sections 6.01(a) or 6.01(f) of the Second Lien Notes Indenture occurs and is continuing and (y) subject to the ABL Intercreditor Agreement, the First Lien Agent, the ABL Agent or the Second Lien Agent delivers notice to the Borrowers instructing the Borrowers that such Agent is thereby exercising its rights pursuant to this clause (ii) (provided that no such notice shall be required to be given in the case of any Event of Default arising under Section 8.01(f) of either Credit Agreement or Section 6.01(f) of the Second Lien Notes Indenture), then no payment or distribution of any kind or character shall be made by or on behalf of the Affected Payor or any other Person on its behalf with respect to this Note until the Senior Indebtedness has been paid in full (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank); and

(iii) if any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii), such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the ABL Agent or the First Lien Agent (or after the discharge of First Lien Obligations (as defined in the ABL Intercreditor Agreement), the Second Lien Agent), as applicable, in each case on behalf of the applicable Secured Parties, to the extent necessary to pay all Senior Indebtedness in full in cash (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank).

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Affected Payor or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Affected Payee and each Affected Payor hereby agree that the subordination of this Note (a) is, with respect to the holders of Senior Indebtedness, intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the United States Bankruptcy Code or any similar provision under any other bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect and (b) is for the benefit of (i) each Agent and each Secured Party are obligees under this Note to the same extent as if their names were written herein as such and any of each Agent may, on behalf of itself, and each Secured Party, as applicable, proceed to enforce the subordination provisions herein to the extent applicable subject to the ABL Intercreditor Agreement.

For the sake of clarity, the Indebtedness evidenced by this Note owed by any Payor that is a Non- Loan Party shall not be subordinated to, and shall rank *pari passu* in right of payment with, any other obligation of such Payor.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest, if any, on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness. For the avoidance of doubt, this Note as between each Payor and each Payee contains additional terms to any intercompany loan agreement between them and this Note does not in any way replace such intercompany loans between them nor does this Note in any way change the principal amount of any intercompany loans between them.

If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made is rescinded or avoided or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, in connection with the insolvency, bankruptcy or reorganization of the any Loan Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

Each Payor hereby waives presentment, demand, protest or notice of any kind in connection with this Note. Except to the extent of any taxes required by law to be withheld, all payments under this Note shall be made without offset, counterclaim or deduction of any kind.

This Note shall be binding upon each Payor and its successors and assigns, and the terms and provisions of this Note shall inure to the benefit of each Payee and its successors and assigns, including subsequent holders hereof.

From time to time after the date hereof, additional subsidiaries and affiliates of the Holdings Guarantors may become parties hereto (as Payor and/or Payee, as the case may be) by executing a counterpart signature page to this Note (each additional subsidiary, an “**Additional Party**”). Upon delivery of such counterpart signature page to the Payees, notice of which is hereby waived by the other Payors and Payees, each Additional Party shall be a Payor and/or a Payee, as the case may be, and shall be as fully a party hereto as if such Additional Party were an original signatory hereof. Each Payor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Payor or Payee hereunder. This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Payor or Payee hereunder.

Indebtedness governed by this Note shall be maintained in “registered form” within the meaning of Section 163(f) of the Internal Revenue Code of 1986, as amended. The Payor or its designee (which shall, at the either Agent’s request, be such Agent, acting solely for these purposes as agent of the Payor) shall record the transfer of the right to payments of principal and interest on the indebtedness governed by this Note to holders of the Senior Indebtedness in a register (the “**Register**”), and no such transfer shall be effective until entered in the Register.

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

“Person” means any natural person, corporation, limited liability company, trust, joint venture, association, company, partnership, governmental authority or other entity.

“Possessory Collateral” means any Shared Collateral in the possession of a Collateral Agent (or its agents or bailees), to the extent that possession thereof perfects a Lien thereon under the Uniform Commercial Code of any jurisdiction. Possessory Collateral includes, without limitation, any Certificated Securities, Promissory Notes, Instruments, and Chattel Paper, in each case, delivered to or in the possession of the Collateral Agent under the terms of the First-Lien Security Documents.

“Post-Petition Interest” means any interest or entitlement to fees or expenses or other charges that accrue after the commencement of any Insolvency or Liquidation Proceeding whether or not allowed or allowable as a claim in any such Insolvency or Liquidation Proceeding.

“Proceeds” has the meaning assigned to such term in Section 2.01(a).

“Refinance” means, in respect of any indebtedness, to refinance, extend, renew, defease, amend, increase, modify, supplement, restructure, refund, replace or repay, or to issue other indebtedness or enter into alternative financing arrangements, in exchange or replacement for such indebtedness (in whole or in part), including by adding or replacing lenders, creditors, agents, borrowers and/or guarantors, and including in each case, but not limited to, after the original instrument giving rise to such indebtedness has been terminated and including, in each case, through any credit agreement, indenture or other agreement. “Refinanced” and “Refinancing” have correlative meanings.

“Responsible Officer” means the chief executive officer, president, vice president, chief financial officer, chief operating officer, chief administrative officer, secretary or assistant secretary, controller, treasurer or assistant treasurer or other similar officer or Person performing similar functions of a Person.

“Secured Credit Document” means (i) the Credit Agreement and each Loan Document (as defined in the Credit Agreement), (ii) each Initial Additional First-Lien Document, and (iii) each other Additional First-Lien Document.

“Security Agreement” means the Security Agreement, dated as of August 6, 2019, among the Borrowers, the Guarantors party thereto, the Administrative Agent and the other parties thereto, as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time.

“Series” means (a) with respect to the First-Lien Secured Parties, each of (i) the Credit Agreement Secured Parties (in their capacities as such), (ii) the Initial Additional First-Lien Secured Parties (in their capacities as such), and (iii) the Additional First-Lien Secured Parties (in their capacities as such) that become subject to this Agreement after the date hereof that are represented by a common Authorized Representative (in its capacity as such for such Additional First-Lien Secured Parties) and (b) with respect to any First-Lien Obligations, each of (i) the Credit Agreement Obligations, (ii) the Initial Additional First-Lien Obligations, and (iii) the Additional First-Lien Obligations incurred after the date hereof pursuant to any Additional First-Lien Document, which pursuant to any Joinder Agreement, are to be represented hereunder by a common Authorized Representative (in its capacity as such for such Additional First-Lien Obligations).

“Shared Collateral” means, at any time, Collateral in which the holders of two or more Series of First-Lien Obligations hold, or their respective Authorized Representatives or the Collateral Agent on behalf of such holders hold, a valid and perfected security interest at such time (other than Non-Shared Collateral). If more than two Series of First-Lien Obligations are outstanding at any time and the holders of less than all Series of First-Lien Obligations hold, or their respective Authorized Representatives or the Collateral Agent on behalf of such holders hold, a valid and perfected security interest in any Collateral at such time, then such Collateral shall constitute Shared Collateral for those Series of First-Lien Obligations that hold a valid and perfected security interest in such Collateral at such time and shall not constitute Shared Collateral for any Series which does not have a valid and perfected security interest in such Collateral at such time.

SECTION 1.02 Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument, other document, statute or regulation herein shall be construed as referring to such agreement, instrument, other document, statute or regulation as from time to time amended, supplemented or otherwise modified, (ii) any reference herein to any Person shall be construed to include such Person’s successors and assigns, but shall not be deemed to include the subsidiaries of such Person unless express reference is made to such subsidiaries, (iii) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (iv) all references herein to Articles, Sections and Annexes shall be construed to refer to Articles, Sections and Annexes of this Agreement, (v) unless otherwise expressly qualified herein, the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights and (vi) the term “or” is not exclusive.

SECTION 1.03 Impairments. It is the intention of the First-Lien Secured Parties of each Series that the holders of First-Lien Obligations of such Series (and not the First-Lien Secured Parties of any other Series) bear the risk of (i) any determination by a court of competent jurisdiction that (x) any of the First-Lien Obligations of such Series are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of First-Lien Obligations), (y) any of the First-Lien Obligations of such Series do not have an enforceable security interest in any of the Collateral securing any other Series of First-Lien Obligations and/or (z) any intervening security interest exists securing any other obligations (other than another Series of First-Lien Obligations) on a basis ranking prior to the security interest of such Series of First-Lien Obligations but junior to the security interest of any other Series of First-Lien Obligations or (ii) the existence of any Collateral for any other Series of First-Lien Obligations that is not Shared Collateral (any such condition referred to in the foregoing clauses (i) or (ii) with respect to any Series of First-Lien Obligations, an “Impairment” of such Series); provided that the existence of a maximum claim with respect to any Real Property (as defined in the Credit Agreement) subject to a mortgage that applies to all First-Lien Obligations shall not be deemed to be an Impairment of any Series of First-Lien Obligations. In the event of any Impairment with respect to any Series of First-Lien Obligations, the results of such Impairment shall be borne solely by the holders of such Series of First-Lien Obligations, and the rights of the holders of such Series of First-Lien Obligations (including, without limitation, the right to receive distributions in respect of such Series of First-Lien Obligations pursuant to Section 2.01) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series of such First-Lien Obligations subject to such Impairment. Additionally, in the event the First-Lien Obligations of any Series are modified pursuant to applicable law (including, without limitation, pursuant to Section 1129 of the Bankruptcy Code), any reference to such First-Lien Obligations or the First-Lien Security Documents governing such First-Lien Obligations shall refer to such obligations or such documents as so modified.

ARTICLE II

Priorities and Agreements with Respect to Shared Collateral

SECTION 2.01 Priority of Claims.

(a) Anything contained herein or in any of the Secured Credit Documents to the contrary notwithstanding (but subject to Section 1.03), if an Event of Default has occurred and is continuing, and the Controlling Collateral Agent or any First-Lien Secured Party is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Insolvency or Liquidation Proceeding of the Borrowers or any other Grantor (including any adequate protection payments) or any First-Lien Secured Party receives any payment pursuant to any intercreditor agreement (other than this Agreement) with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any such Shared Collateral by the Controlling Collateral Agent or any First-Lien Secured Party or received by the Controlling Collateral Agent or any First-Lien Secured Party pursuant to any such intercreditor agreement with respect to such Shared Collateral and proceeds of any such distribution (subject, in the case of any such payments, proceeds, or distribution, to the sentence immediately following) (all such payments, proceeds of any sale, collection or other liquidation of any Collateral and all proceeds of any such distribution being collectively referred to as "Proceeds"), shall be applied (i) FIRST, to the payment of all amounts owing to each Collateral Agent (in its capacity as such) pursuant to the terms of any Secured Credit Document, (ii) SECOND, subject to Section 1.03, to the payment in full of the First-Lien Obligations of each Series on a ratable basis, with such Proceeds to be applied to the First-Lien Obligations of a given Series in accordance with the terms of the applicable Secured Credit Documents; provided that following the commencement of any Insolvency or Liquidation Proceeding with respect to any Grantor, solely as among the holders of First-Lien Obligations and solely for purposes of this clause SECOND and not any other documents governing the First-Lien Obligations, in the event the value of the Shared Collateral is not sufficient for the entire amount of Post-Petition Interest on the First-Lien Obligations to be allowed under Section 506(a) and (b) of the Bankruptcy Code or any other applicable provision of the Bankruptcy Code or other Bankruptcy Law in such Insolvency or Liquidation Proceeding, the amount of First-Lien Obligations of each Series of First-Lien Obligations shall include only the maximum amount of Post-Petition Interest on the First-Lien Obligations allowable under Section 506(a) and (b) of the Bankruptcy Code or any other applicable provision of the Bankruptcy Code or other Bankruptcy Law in such Insolvency or Liquidation Proceeding; and (iii) THIRD, after payment of all First-Lien Obligations, to the Borrowers and the other Grantors or their successors or assigns, as their interests may appear, or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. Notwithstanding the foregoing, with respect to any Shared Collateral upon which a third party (other than a First-Lien Secured Party) has a Lien or security interest that is junior in priority to the security interest of any Series of First-Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of First-Lien Obligations (such third party, an "Intervening Creditor"), the value of any Shared Collateral or Proceeds allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of First-Lien Obligations with respect to which such Impairment exists.

(b) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of First-Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the First-Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each First-Lien Secured Party hereby agrees that the Liens securing each Series of First-Lien Obligations on any Shared Collateral shall be of equal priority.

(c) Notwithstanding anything in this Agreement or any other First-Lien Security Documents to the contrary, Collateral consisting of cash and cash equivalents pledged to secure Credit Agreement Obligations held by the Administrative Agent or Credit Agreement Collateral Agent pursuant to Section 2.05(c)(ii), 2.17 or Article 8 of the Credit Agreement (or any equivalent successor provision) (the "Non-Shared Collateral") shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral and it is understood and agreed that this Agreement shall not restrict the rights of any Credit Agreement Secured Party to pursue enforcement proceedings, exercise remedies or make determinations with respect to the Non- Shared Collateral or otherwise take actions with respect to the Non-Shared Collateral in accordance with the Credit Agreement.

SECTION 2.02 Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.

(a) Only the Controlling Collateral Agent shall act or refrain from acting with respect to any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral). At any time when the Credit Agreement Collateral Agent is the Controlling Collateral Agent, no Additional First-Lien Secured Party shall or shall instruct any Collateral Agent to, and no Collateral Agent that is not the Controlling Collateral Agent shall, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Additional First-Lien Security Document, applicable law or otherwise, it being agreed that only the Credit Agreement Collateral Agent, acting in accordance with the Credit Agreement Collateral Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral at such time.

(b) With respect to any Shared Collateral, (i) the Controlling Collateral Agent shall act only on the instructions of the Applicable Authorized Representative, (ii) the Controlling Collateral Agent shall not follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Authorized Representative (or any other First-Lien Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other First-Lien Secured Party (other than the Applicable Authorized Representative) shall, or shall instruct the Controlling Collateral Agent to, commence any judicial or non-judicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any First-Lien Security Document, applicable law or otherwise, it being agreed that only the Controlling Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable Secured Credit Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral.

(c) Notwithstanding the equal priority of the Liens securing each Series of First-Lien Obligations, the Controlling Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Controlling Collateral Agent had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Controlling Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party or any other exercise by the Controlling Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Controlling Collateral Agent to do so. The foregoing shall not be construed to limit the rights and priorities of any First-Lien Secured Party, the Controlling Collateral Agent or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(d) Each of the First-Lien Secured Parties agrees that it will not (and hereby waives any right to) question or contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the First-Lien Secured Parties on all or any part of the Collateral, or the provisions of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any Authorized Representative to enforce this Agreement.

SECTION 2.03 No Interference; Payment Over.

(a) Each First-Lien Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any First-Lien Obligations of any Series or any First-Lien Security Document or the validity, attachment, perfection or priority of any Lien under any First-Lien Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Controlling Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Controlling Collateral Agent or any other First-Lien Secured Party to exercise, and shall not exercise, any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Controlling Collateral Agent or any other First-Lien Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Controlling Collateral Agent or any other First-Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Controlling Collateral Agent, any Applicable Authorized Representative or any other First-Lien Secured Party shall be liable for any action taken or omitted to be taken by the Controlling Collateral Agent, such Applicable Authorized Representative or other First-Lien Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agents or any other First-Lien Secured Party to enforce this Agreement.

(b) Each First-Lien Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any First-Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the First-Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other First-Lien Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Controlling Collateral Agent, to be distributed in accordance with the provisions of Section 2.01 hereof.

SECTION 2.04 Automatic Release of Liens; Amendments to First-Lien Security Documents.

(a) If, at any time the Controlling Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each other Collateral Agent for the benefit of each Series of First-Lien Secured Parties upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens of the Controlling Collateral Agent on such Shared Collateral are released and discharged; provided that (i) the Liens in favor of each Collateral Agent for the benefit of each related Series of First-Lien Secured Parties attach to any such proceeds of such sale or disposition with the same priority vis-à-vis all the other First-Lien Secured Parties as existed prior to the commencement of such sale or other disposition, and any such Liens shall remain subject to the terms of this Agreement until application thereof pursuant to Section 2.01 and (ii) any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Collateral Agent and Authorized Representative agrees to execute and deliver all such authorizations and other instruments as shall reasonably be requested by the Controlling Collateral Agent to evidence and confirm any release of Shared Collateral provided for in this Section 2.04 without the consent of any First-Lien Secured Parties.

SECTION 2.05 Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement and continuance of any proceeding under the Bankruptcy Code or any other Insolvency or Liquidation Proceeding by or against any Grantor or any of its Subsidiaries. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor. The parties hereto acknowledge that the provisions of this Agreement are intended to be enforceable as contemplated by Section 510(a) of the Bankruptcy Code. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

(b) If the Borrowers and/or any other Grantor shall become subject to a case (a "Bankruptcy Case") under the Bankruptcy Code or any other Bankruptcy Law and shall, as debtor(s)-in-possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each First-Lien Secured Party (other than any Controlling Secured Party or the Authorized Representative of any Controlling Secured Party) agrees that it will not raise, join or support any objection to any such financing or to the Liens on the Shared Collateral securing the same ("DIP Financing Liens") or to any use of cash collateral that constitutes Shared Collateral, unless the Controlling Collateral Agent or Authorized Representative of the Controlling Secured Parties shall then oppose or object (or join in or support any objection) to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First-Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First-Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the First-Lien Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other First-Lien Secured Parties (other than any Liens of the First-Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First-Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First-Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the First-Lien Secured Parties as set forth in this Agreement (other than any Liens of the First-Lien Secured Parties constituting DIP Financing Liens), (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First-Lien Obligations, such amount is applied pursuant to Section 2.01, and (D) if any First-Lien Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; provided, that this Agreement shall not limit the right of the First-Lien Secured Parties of each Series to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First-Lien Secured Parties of such Series or their Authorized Representative that shall not constitute Shared Collateral; and provided, further, that the First-Lien Secured Parties receiving adequate protection shall not object to any other First-Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First-Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06 Reinstatement. In the event that any of the First-Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement or avoidance of a preference, fraudulent transfer, or other avoidance action under the Bankruptcy Code, any other Bankruptcy Law, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First-Lien Obligations shall again have been paid in full in cash.

SECTION 2.07 Insurance. As between the First-Lien Secured Parties, the Controlling Collateral Agent (acting at the direction of the Applicable Authorized Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08 Refinancings, etc. The First-Lien Obligations of any Series may, subject to the limitations set forth in the then extant Secured Credit Documents, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced (in whole or in part) or otherwise amended or modified from time to time, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document) of, any First-Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided, that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Possessory Collateral shall be delivered, or control thereof transferred, to the Credit Agreement Collateral Agent and the Credit Agreement Collateral Agent agrees to hold (and, pending delivery or transfer of control of the Control Collateral to the Credit Agreement Collateral Agent, each other Collateral Agent agrees to hold) any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time the Credit Agreement Collateral Agent is not the Controlling Collateral Agent, the Credit Agreement Collateral Agent shall, at the request of the Controlling Collateral Agent or Credit Agreement Collateral Agent, promptly deliver or transfer control of all Possessory Collateral in its possession to the Controlling Collateral Agent together with any necessary endorsements in its possession (or otherwise allow the Controlling Collateral Agent to obtain possession or control of such Possessory Collateral). The Borrowers shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith.

(b) The Controlling Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(c) The duties or responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other First-Lien Secured Party for purposes of perfecting the Lien held by such First-Lien Secured Parties thereon.

SECTION 2.10 Amendments to Security Documents.

(a) Without the prior written consent of the Credit Agreement Collateral Agent (or, from and after the Discharge of Credit Agreement Obligations, the Controlling Collateral Agent), each Additional First-Lien Secured Party agrees that no Additional First-Lien Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional First-Lien Security Document would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Controlling Collateral Agent (determined for the purposes of this clause (b) as if the Discharge of Credit Agreement Obligations had occurred), the Credit Agreement Collateral Agent agrees that no Credit Agreement Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Credit Agreement Collateral Document would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on a certificate of a Responsible Officer of the Borrowers stating that such amendment is permitted by Section 2.10(a) or (b), as the case may be.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First-Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First-Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of a Responsible Officer of the Borrowers. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First-Lien Secured Party or any other Person as a result of such determination.

ARTICLE IV

The Controlling Collateral Agent

ARTICLE 4.01 Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Controlling Collateral Agent to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Controlling Collateral Agent, except that each Controlling Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01 hereof.

(b) In furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Controlling Collateral Agent shall be entitled, for the benefit of the First-Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First-Lien Security Documents, as applicable, pursuant to which the Controlling Collateral Agent is the collateral agent for such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the First-Lien Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Controlling Collateral Agent, the Applicable Authorized Representative or any other First-Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First-Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First-Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Except with respect to any actions expressly prohibited or required to be taken by this Agreement, each of the First-Lien Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of First-Lien Obligations or any other First-Lien Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or the First-Lien Secured Parties take or omit to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First-Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First-Lien Security Documents or any other agreement related thereto or to the collection of the First-Lien Obligations or the valuation, use, protection or release of any security for the First-Lien Obligations, (ii) any election by any Applicable Authorized Representative or any holders of First-Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by the Borrowers or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Controlling Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any First-Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First-Lien Obligations for whom such Collateral constitutes Shared Collateral.

SECTION 4.02. Rights as a First-Lien Secured Party. Any Person serving as a Collateral Agent or Authorized Representative hereunder shall have the same rights and powers in its capacity as a First-Lien Secured Party under any Series of First-Lien Obligations that it holds as any other First-Lien Secured Party of such Series and may exercise the same as though it were not a Collateral Agent or Authorized Representative and the term "First-Lien Secured Party" or "First-Lien Secured Parties" or (as applicable) "Credit Agreement Secured Party", "Credit Agreement Secured Parties", "Initial Additional First-Lien Secured Party", "Initial Additional First-Lien Secured Parties", "Additional First-Lien Secured Party" or "Additional First-Lien Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as a Collateral Agent or Authorized Representative hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Grantor or any Subsidiary thereof or other Affiliate thereof as if such Person were not a Collateral Agent or Authorized Representative hereunder and without any duty to account therefor to any other First-Lien Secured Party.

SECTION 4.03. Exculpatory Provisions. No Collateral Agent nor any Authorized Representative shall have any duties or obligations except those expressly set forth herein and in the other First-Lien Security Documents. Without limiting the generality of the foregoing, no Collateral Agent nor any Authorized Representative:

(a) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

The execution and delivery of such instrument shall not require the consent of any other party hereunder and will be acknowledged by each Authorized Representative at such time. Section 2.02. *Subordination of Liens.* (a) All Liens (regardless of how acquired) securing or purporting to secure the Second Lien Secured Obligations granted on any Collateral are expressly subordinated and made junior in right, priority, operation and effect to any and all Liens (regardless of how acquired) securing or purporting to secure the First Lien Secured Obligations granted on such Collateral, notwithstanding any provision of the UCC or any other Federal, State or foreign law or anything contained in this Agreement, the Second Lien Notes Indenture, any Additional Second Lien Debt Facility, any Second Lien Security Document or any other agreement or instrument to the contrary or otherwise, and irrespective of the time, order or method of creation, attachment or perfection of any Liens securing or purporting to secure the Second Lien Secured Obligations granted on the Collateral and any Liens securing or purporting to secure the First Lien Secured Obligations granted on the Collateral or any defect or deficiency or alleged defect or deficiency in any of the foregoing and irrespective of the subordination of any Lien securing or purporting to secure any First Lien Secured Obligations to any other Liens. Each Second Lien Representative for itself and on behalf of the applicable Second Lien Secured Parties expressly agrees that any Lien purported to be granted on any Collateral as security for the First Lien Secured Obligations shall be and remain senior in all respects and prior to all Liens on the Collateral securing or purporting to secure any Second Lien Secured Obligations for all purposes regardless of whether the Lien purported to be granted is avoided or otherwise found to be improperly granted, improperly perfected, preferential, a fraudulent conveyance or legally or otherwise deficient in any manner.

(b) It is acknowledged that (i) without limiting the generality of clause (iv) below but subject to any relevant limitations set forth elsewhere in this Agreement, the aggregate amount of the First Lien Credit Agreement Secured Obligations may be increased pursuant to Section 2.14 of the First Lien Credit Agreement, (ii) a portion of the First Lien Secured Obligations may consist of Indebtedness that is revolving in nature, and the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (iii) the First Lien Secured Obligations may be extended, renewed, replaced, restructured, Refinanced or otherwise amended, restated, supplemented or modified, or secured with additional collateral (such collateral, (x) to the extent it secures First Lien Secured Obligations, shall become First Lien Collateral and (y) to the extent it secures Second Lien Secured Obligations, shall become Second Lien Collateral), and (iv) the aggregate amount of the First Lien Secured Obligations may be increased, from time to time in accordance with the terms of the First Lien Debt Facilities, all without affecting the subordination hereunder of the Liens securing the Second Lien Secured Obligations granted on the Collateral or the provisions of this Agreement defining the relative rights of the First Lien Secured Parties and the Second Lien Secured Parties. Without limiting the provisos to the definitions of “First Lien Secured Obligations” and “Second Lien Secured Obligations” or the provisions of Article 8, the Lien priorities provided for herein shall not be altered or otherwise affected by any amendment, modification, supplement, extension, increase, renewal, replacement, restructuring, Refinancing or restatement of either the Second Lien Secured Obligations or the First Lien Secured Obligations, by the securing of any First Lien Secured Obligations with any additional collateral or guarantees (such collateral, (x) to the extent it secures First Lien Secured Obligations, shall become First Lien Collateral and (y) to the extent it secures Second Lien Secured Obligations, shall become Second Lien Collateral), by the release of, or the avoidance of any Lien with respect to, any First Lien Collateral, by the failure of any person to comply with any provision of this Agreement or any agreement evidencing, governing or securing any First Lien Secured Obligation or Second Lien Secured Obligation, or by any action that any Representative or Secured Party may take or fail to take in respect of any Collateral. Without limiting the foregoing but subject to any relevant limitations set forth elsewhere in this Agreement, (x) all existing and any future First Lien Secured Obligations of any class are intended to be secured by the Collateral, and the Liens on the Collateral securing such First Lien Secured Obligations will constitute first priority Liens entitled to the benefit of this Agreement and (y) all existing and any future Second Lien Secured Obligations of any class are intended to be secured by the Collateral, and the Liens on the Collateral securing such Second Lien Secured Obligations will constitute second priority Liens entitled to the benefit of this Agreement.

(c) It is agreed that the First Lien Representatives will have no obligations to exercise any remedies available to them as a condition to obtaining the benefits of this Article 2 and Article 7.

(d) Each Second Lien Representative on behalf of the applicable Second Lien Secured Parties it represents agrees that the Second Lien Debt Facility under which it is the Second Lien Representative and the principal Second Lien Security Documents to which such Second Lien Representative is a party will contain the provisions set forth in Annex I hereto under which the applicable Second Lien Secured Parties agree to, and subject their rights to the provisions of, this Agreement as set forth therein.

Section 2.03. No Action with Respect to Second Lien Collateral Subject to First Liens.

(a) So long as the Discharge of First Lien Secured Obligations has not occurred, no Second Lien Representative nor any other Second Lien Secured Party shall commence or instruct the Designated Second Lien Representative to commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its interest in or realize upon, or take any other action available to it in respect of, any Second Lien Collateral under any Second Lien Security Document, Requirements of Law or otherwise (including the exercise of any right of setoff or recoupment, any right under any lockbox agreement, account control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Second Lien Representative or any Second Lien Secured Party is a party or any right to credit bid (other than pursuant to Permitted Second Lien Credit Bid Rights)), at any time prior to the Discharge of First Lien Secured Obligations; it being agreed that, except as otherwise provided herein, only the Designated First Lien Representative, acting in accordance with the First Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to the Collateral. Notwithstanding the foregoing, any Second Lien Representative may (i) subject to Section 2.07, take all such actions as it shall deem necessary to create, perfect (or continue the perfection of), preserve or protect (but not enforce) the Liens securing the Second Lien Secured Obligations granted on any Second Lien Collateral; (ii) subject to Section 2.07, vote on any plan of reorganization or similar dispositive restructuring plan, file any proof of claim, make other filings and make any arguments and motions that are, in each case, not inconsistent with the priorities set forth in this Agreement, with respect to, or in respect of, the Second Lien Secured Obligations and/or the Second Lien Collateral; (iii) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Second Lien Secured Parties, including any claims secured by the Second Lien Collateral, if any, in each case in accordance with the terms of this Agreement; (iv) join (but not exercise any control with respect to) any judicial foreclosure proceeding or other judicial lien enforcement proceeding with respect to the Collateral initiated by the Designated First Lien Representative or any other First Lien Secured Party to the extent that any such action could not reasonably be expected, in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with the exercise of remedies by the Designated First Lien Representative or such other First Lien Secured Party (it being understood that neither the Second Lien Representative nor any other Second Lien Secured Party shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein); and (v) credit bid all or any part of the Second Lien Secured Obligations under Section 363(k) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) pursuant to, and in accordance with, the exercise of Permitted Second Lien Credit Bid Rights. Furthermore, notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall prohibit the receipt by any Second Lien Representative or any Second Lien Secured Parties of the required payments of interest, principal, premium and other amounts owed in respect of the Second Lien Secured Obligations (x) if the Discharge of First Lien Secured Obligations has occurred or (y) if the Discharge of First Lien Secured Obligations has not occurred so long as, in the case of this clause (y), such receipt is not the direct or indirect result of the exercise by the Second Lien Representatives or any other Second Lien Secured Party of rights or remedies with respect to the Collateral (including setoff or recoupment or credit bidding (other than pursuant to the Permitted Second Lien Credit Bid Rights)) or enforcement of any Lien held by any of them.

(b) Notwithstanding Section 2.03(a) above, the Designated Second Lien Representative may enforce any of its rights and exercise any of its remedies (other than credit bidding, which shall be permitted only as set forth in clause (a) above) (the actions permitted to be taken by any Second Lien Secured Party pursuant to Section 2.03(a) or this Section 2.03(b), the “Second Lien Permitted Actions”) with respect to the Second Lien Collateral after a period of 180 consecutive days has elapsed since the date on which the Designated Second Lien Representative has delivered to the Designated First Lien Representative written notice of either (1) an event of default under the Second Lien Debt Documents and the acceleration of the Second Lien Secured Obligations or (2) the non-payment at the final stated maturity of the Indebtedness then outstanding under the Second Lien Debt Documents (the “Standstill Period”); *provided, however*, that (i) notwithstanding the expiration of the Standstill Period or anything herein to the contrary, in no event shall the Designated Second Lien Representative or any other Second Lien Secured Party enforce or exercise any rights or remedies with respect to any Collateral if (1) the Designated First Lien Representative or any other First Lien Secured Party shall have commenced, and shall be diligently pursuing the enforcement or exercise of any rights or remedies with respect to all or a material portion of such Collateral or (2) the Grantor which has granted a security interest in such Collateral is then a debtor under or with respect to (or otherwise subject to) any Bankruptcy/Liquidation Proceeding and (ii) after the expiration of the Standstill Period, so long as the Designated First Lien Representative has not commenced any action to enforce the Liens securing the First Lien Secured Obligations on all or any material portion of the Collateral, the Second Lien Secured Parties (or the Designated Second Lien Representative on their behalf) may, subject to the provisions of Article 7, enforce the Liens securing the Second Lien Secured Obligations with respect to all or any portion of the Collateral to the extent permitted hereunder. If the Designated Second Lien Representative or any other Second Lien Secured Party exercises any rights or remedies with respect to the Collateral in accordance with the immediately preceding sentence of this paragraph and thereafter the Designated First Lien Representative or any other First Lien Secured Party commences (or attempts to commence or given notice of its intent to commence) the exercise of any of its rights or remedies with respect to the Collateral, the Standstill Period shall recommence and the Designated Second Lien Representative and each other Second Lien Secured Party shall rescind any such rights or remedies already exercised with respect to the Collateral.

Section 2.04. *No Duties of Designated First Lien Representative or other First Lien Secured Parties.* Subject to Article III, each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it acknowledges and agrees that neither the Designated First Lien Representative nor any other First Lien Secured Party shall have any duties or other obligations to any Second Lien Secured Party with respect to any First Lien Collateral, other than (to the extent then legally permitted to do so) to transfer to the Designated Second Lien Representative (if the Discharge of Second Lien Secured Obligations has not occurred) any net proceeds of any such Collateral that constitutes Second Lien Collateral remaining in its possession following any sale, transfer or other disposition of such Collateral and the Discharge of First Lien Secured Obligations, or, if any First Lien Representative shall be in possession of all or any part of such Collateral after any Discharge of First Lien Secured Obligations and there are then any Second Lien Secured Obligations outstanding, such Collateral or any part thereof remaining, in each case without representation or warranty on the part of the Designated First Lien Representative or any other First Lien Secured Party. In furtherance of the foregoing, each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it acknowledges and agrees that until the Discharge of First Lien Secured Obligations, the First Lien Credit Agreement Administrative Agent shall be entitled, subject to Section 2.03(b)(i), for the benefit of the holders of the First Lien Secured Obligations, to sell, transfer or otherwise dispose of or deal with such Collateral as provided herein and in the First Lien Security Documents, without regard to any Lien securing the Second Lien Secured Obligations granted on the Collateral or any rights to which the holders of the Second Lien Secured Obligations would otherwise be entitled as a result of such Lien. Without limiting the foregoing, each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it agrees that neither the Designated First Lien Representative nor any other First Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Collateral (or any other collateral securing the First Lien Secured Obligations), or to sell, dispose of or otherwise liquidate all or any portion of the Collateral (or any other collateral securing the First Lien Secured Obligations), in any manner that would maximize the return to the Second Lien Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of net proceeds actually received by the Second Lien Secured Parties from such realization, sale, disposition or liquidation. Each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it waives any claim it or such Second Lien Secured Party may now or hereafter have against the Designated First Lien Representative or any other First Lien Secured Party (or their representatives) arising out of (a) any actions which the Designated First Lien Representative or the other First Lien Secured Parties take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Secured Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the First Lien Secured Obligations or the valuation, use, protection or release of any Collateral, (b) any election by the Designated First Lien Representative or any of the First Lien Secured Parties, in any Bankruptcy/Liquidation Proceeding of the application of Section 1111(b) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) and/or (c) any borrowing by any Grantor as debtor in possession, or any related grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law). The First Lien Representatives and the First Lien Secured Parties, on the one hand, and the Second Lien Secured Parties, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Initial Borrower, the Parent Borrower and its Subsidiaries and all endorsers and/or guarantors of the First Lien Secured Obligations or the Second Lien Secured Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Secured Obligations or the Second Lien Secured Obligations.

Section 2.05. *No Interference.*

(a) Each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it agrees that, whether or not a Bankruptcy/Liquidation Proceeding has been commenced by or against any Grantor, (i) it will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Lien on the Collateral securing any of the Second Lien Secured Obligations *pari passu* with, or to give such Second Lien Secured Party any preference or priority relative to, any Lien on the Collateral securing or purporting to secure any of the First Lien Secured Obligations, (ii) it will not challenge or question in any proceeding, or support any other Person in challenging or questioning in any proceeding, in each case including, without limitation, any Bankruptcy/Liquidation Proceeding, the validity, allowability, or enforceability of any First Lien Secured Obligations or First Lien Security Document, or the validity, attachment, perfection or priority of any Lien on the Collateral securing or purporting to secure any of the First Lien Secured Obligations, or the validity or enforceability of the priorities, rights or duties established by or pursuant to other provisions of this Agreement, (iii) it will not contest, protest, object to, interfere with, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral, or any other exercise of remedies against any Collateral or any forbearance thereof, in each case, by any First Lien Secured Parties or the First Lien Representative acting on their behalf, (iv) it shall have no right to (A) direct any First Lien Representative or any First Lien Secured Party to exercise any right, remedy or power with respect to the Collateral or (B) except in connection with the taking of any Second Lien Permitted Actions, consent to the exercise by any First Lien Representative or any First Lien Secured Party of any right, remedy or power with respect to the Collateral, (v) it will not institute any suit or assert in any suit, Bankruptcy/Liquidation Proceeding or other proceeding any claim against any First Lien Representative or any First Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to, and neither any First Lien Representative nor any First Lien Secured Party shall be liable for, any action taken or omitted to be taken by any such First Lien Representative or any such First Lien Secured Party with respect to any Collateral securing such First Lien Secured Obligations; *provided* that nothing in this clause (v) shall prevent any Second Lien Secured Party from asserting or seeking to enforce any provision of any Second Lien Security Document (to the extent not prohibited by this Agreement) and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; *provided* that nothing in this Section 2.05(a) shall prevent any Second Lien Secured Party from asserting or seeking to enforce any provision of this Agreement or taking any Second Lien Permitted Action.

(b) Each First Lien Representative on behalf of itself and each First Lien Secured Party represented by it agrees that, whether or not a Bankruptcy/Liquidation Proceeding has been commenced by or against any Grantor, it will not challenge or question in any proceeding, or support any other Person in challenging or questioning in any proceeding, in each case including, without limitation, any Bankruptcy/Liquidation Proceeding, the validity, allowability, or enforceability of any Second Lien Secured Obligations or Second Lien Security Document, or the validity, attachment, perfection or priority of any Lien on the Collateral securing or purporting to secure any of the Second Lien Secured Obligations, or the validity or enforceability of the priorities, rights or duties established by or pursuant to other provisions of this Agreement.

Section 2.06. *Automatic Release of Second Liens.* (a) The Designated First Lien Representative, for itself and on behalf of the First Lien Secured Parties, will have the exclusive right (subject to the provisions of the First Lien Loan Documents) to make determinations regarding the release of Liens on, or the disposition of, any Collateral in connection with the exercise of remedies with respect to the Collateral, without consultation with, consent of, or notice to, the Designated Second Lien Representative or any other Second Lien Secured Party. If, in connection with (i) any sale, transfer or other disposition of any Collateral by any Grantor to any Person that is not a Grantor (other than in connection with any enforcement or exercise of rights or remedies with respect to the Collateral which shall be governed by clause (ii)) permitted under the terms of the First Lien Loan Documents or consented to by the applicable First Lien Secured Parties under such First Lien Loan Documents (other than (A) in connection with the Discharge of First Lien Secured Obligations or (B) after the occurrence and during the continuance of any event of default under the Second Lien Debt Documents) or (ii) the enforcement or exercise of any rights or remedies with respect to the Collateral by the Designated First Lien Representative or any other First Lien Secured Party, including any sale, transfer or other disposition of Collateral, the Designated First Lien Representative, for itself and on behalf of the other First Lien Secured Parties, or any Grantor releases any of the First Liens (a "Release"), then the Liens on such Collateral securing any Second Lien Secured Obligations shall be automatically, unconditionally and simultaneously released, and the Designated Second Lien Representative shall, subject to delivery by the applicable Grantors of an officer's certificates stating that any such release of First Liens has become effective (or shall become effective concurrently with such release of the Liens on such Collateral securing such Second Lien Secured Obligations), for itself and on behalf of the other Second Lien Secured Parties, promptly execute and deliver to the Designated First Lien Representative and the applicable Grantors such termination statements, releases and other documents as the Designated First Lien Representative or any applicable Grantor may reasonably request to effectively confirm such Release; *provided, that* such release by such Designated Second Lien Representative, for itself or for the benefit of its Second Lien Secured Parties, shall not extend to or otherwise affect any of the rights of the Second Lien Secured Parties to the proceeds from any such sale, transfer or other disposition (subject to the relative Lien priorities set forth in this Agreement). Similarly, if the equity interests of any Person are foreclosed upon or otherwise sold, transferred or otherwise disposed of and in connection therewith the Designated First Lien Representative releases the First Liens on the property or assets of such Person or releases such Person from its guarantee of First Lien Secured Obligations, then the Second Liens on such property or assets of such Person and such Person's guarantee of Second Lien Secured Obligations shall be automatically released to the same extent.

(b) Until the Discharge of First Lien Secured Obligations occurs, the Designated Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties, hereby irrevocably constitutes and appoints the Designated First Lien Representative and any officer or agent of the Designated First Lien Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Designated Second Lien Representative or such holder or in the Designated First Lien Representative's own name, from time to time in the Designated First Lien Representative's discretion, for the purpose of carrying out the terms of this Section 2.06, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 2.06, including any endorsements or other instruments of transfer or release.

Section 2.07. *Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.* In the event of a Bankruptcy/Liquidation Proceeding, each Second Lien Representative and the other Second Lien Secured Parties shall not, unless and until the Discharge of First Lien Secured Obligations occurs, directly or indirectly (i) seek in respect of any part of the Collateral or proceeds thereof or any Lien on the Collateral securing the Second Lien Secured Obligations that may exist thereon any relief from, or modification of, the automatic or other stay as provided in Section 362 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise without the express written consent of the Designated First Lien Representative, or (except as otherwise provided below) seek or accept any form of adequate protection under either or both of Sections 362 and 363 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise with respect thereto, except Liens on replacement or additional collateral junior to the Liens on the Collateral securing and providing adequate protection for the First Lien Secured Obligations, a super-priority claim junior to that granted as adequate protection for the First Lien Secured Obligations, the accrual of interest and the current payment of reasonable out-of-pocket post-petition fees and expenses, including fees and disbursements of counsel and other professional advisors, incurred by the Second Lien Representatives (which the Second Lien Secured Parties agree will constitute adequate protection of their claims and interests), (ii) subject to the immediately succeeding paragraph, oppose or object to any adequate protection sought by or granted to any First Lien Secured Party in connection with the use of cash collateral or post-petition financing under Section 362, 363 or 364 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise, (iii) subject to the immediately succeeding paragraph, oppose or object to the use of cash collateral by a Grantor unless the Designated First Lien Representative shall have opposed or objected to such use of cash collateral (*provided that, if the First Lien Secured Parties withdraw such opposition or objection, while any First Lien Secured Obligations remain outstanding, the Second Lien Secured Parties will also withdraw such opposition or objection*), (iv) subject to the final sentence of this Section 2.07, oppose or object to (and will consent to) any post-petition financing (including any debtor in possession financing) provided by any of the First Lien Secured Parties or provided by a third party pursuant to Section 364 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise (including on a priming basis, to the extent any Liens granted in favor of the First Lien Secured Parties that are providing, or any third-party provider of, DIP Financing are senior to, or rank *pari passu* with, the Liens on the Collateral securing the First Lien Secured Obligations and the Second Lien Secured Parties retain their Liens on the Collateral to secure the Second Lien Secured Obligations) (a “DIP Financing”) unless the Designated First Lien Representative shall have opposed or objected to such DIP Financing; *provided, that* the foregoing shall not prevent the Second Lien Secured Parties from (x) proposing any other DIP Financing to any Grantor or to a court of competent jurisdiction or (y) objecting to any provision in any DIP Financing (i) relating to any provision or content of a plan of reorganization or liquidation that is inconsistent with this Agreement or (ii) requiring any Grantor to seek any approval for any plan of reorganization or liquidation that is inconsistent with the terms of this Agreement, (v) oppose or object to the determination of the extent of any Liens held by any of the First Lien Secured Parties or the value or allowability of any claims of the First Lien Secured Parties under Section 506(a) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise, (vi) oppose or object to the payment of interest (including, without limitation, Post-Petition Interest), fees, and expenses as provided under Sections 506(b) and (c) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise to any First Lien Secured Party, (vii) oppose or object (and instead shall be deemed to have consented) to any disposition of any Collateral (including any credit bid by any First Lien Secured Party under Section 363(k) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or under any other applicable law or otherwise) free and clear of the Liens on the Collateral securing the Second Lien Secured Obligations or other claims under Section 363 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or otherwise, so long as the respective interests of the Second Lien Secured Parties attach to any net proceeds thereof subject to the relative Lien priorities in this Agreement, if the First Lien Secured Parties, or a representative authorized by the First Lien Secured Parties, shall consent to, or shall not have opposed or objected to, such disposition; *provided, that* the Second Lien Secured Parties shall not be prohibited from asserting any objections to the bidding and related procedures proposed to be utilized in connection with such disposition that may be raised by an unsecured creditor of the Grantors, (viii) credit bid all or any portion of the Second Lien Secured Obligations under Section 363(k) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or otherwise, except pursuant to the exercise of Permitted Second Lien Credit Bid Rights or (ix) (whether in the capacity of a secured creditor or an unsecured creditor) propose, vote in favor of or otherwise directly or indirectly support any plan of reorganization or other dispositive restructuring plan that is inconsistent with the priorities in this Agreement, without the consent of the Designated First Lien Representative. To the extent any Liens granted in favor of the First Lien Secured Parties that are providing, or any third-party provider of, DIP Financing are senior to, or rank *pari passu* with, the Liens on the Collateral securing the First Lien Secured Obligations or provided as adequate protection therefor, each Second Lien Representative will, for itself and on behalf of the other Second Lien Secured Parties represented by it, subordinate its Liens on the Collateral securing the Second Lien Secured Obligations to the Liens on the Collateral securing such DIP Financing and to any Liens provided to the First Lien Secured Parties as adequate protection on the terms of this Agreement, and to any “carve-out” agreed to by the First Lien Representatives or the other First Lien Secured Parties. This Agreement constitutes a “subordination agreement” under Section 510 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) as well as all other applicable laws, and shall be effective and enforceable before, during and after the commencement of any Bankruptcy/Liquidation Proceeding; all references herein to any Grantor shall include such Grantor as a debtor in possession and any receiver or trustee for such Grantor. If, in any Bankruptcy/Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of First Lien Secured Obligations and on account of Second Lien Secured Obligations, then, to the extent the debt obligations distributed on account of the First Lien Secured Obligations and on account of the Second Lien Secured Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations. Notwithstanding the foregoing, the provisions of clause (iv) of the first sentence of this Section 2.07 shall only be applicable as to the Second Lien Secured Parties with respect to any DIP Financing to the extent (x) the aggregate principal amount of the DIP Financing, plus (y) measured after giving effect to the DIP Financing and any payment of debt with the proceeds of such DIP Financing, the sum of (i) the aggregate outstanding principal amount of the loans, notes or debt securities outstanding under the First Lien Debt Facilities that will remain outstanding after giving effect to such DIP Financing and (ii) the aggregate face amount of any letters of credit issued and outstanding under the First Lien Debt Facilities that will remain outstanding after giving effect to such DIP Financing, does not exceed 115% of the sum of (i) the aggregate outstanding principal amount of the loans, notes or debt securities outstanding under the First Lien Debt Facilities as of the date on which the Bankruptcy/Liquidation Proceeding is commenced plus (ii) the aggregate face amount of any letters of credit issued and outstanding under the First Lien Debt Facilities as of the date on which the Bankruptcy/Liquidation Proceeding is commenced.

Notwithstanding anything herein to the contrary, in any Bankruptcy/Liquidation Proceeding, (i) if the First Lien Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral or super-priority claims in connection with any DIP Financing and/or use of cash collateral under Section 363 or 364 of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or any similar provision of any other applicable law, then each Second Lien Representative, for itself and on behalf of each Second Lien Secured Party, may seek or request adequate protection (without objection from any First Lien Representative or any other First Lien Secured Party) in the form of a Lien on such additional or replacement collateral and/or (as applicable) a super-priority claim, which Lien or super-priority claim is subordinated to the Liens securing and providing adequate protection for all First Lien Secured Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to the Liens securing First Lien Secured Obligations under this Agreement and (ii) in the event any Second Lien Representatives, for themselves and on behalf of the Second Lien Secured Parties, seek or request adequate protection and such adequate protection is granted in the form of a Lien on additional or replacement collateral, then such Second Lien Representatives, for themselves and on behalf of each Second Lien Secured Party, agree that each First Lien Representative shall also be entitled to a senior priority Lien on such additional or replacement collateral as security and adequate protection for the First Lien Secured Obligations and any such DIP Financing and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Second Lien Secured Obligations shall be subordinated to the Liens on such collateral securing the First Lien Secured Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the First Lien Secured Parties as adequate protection on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to such Liens on such collateral securing First Lien Secured Obligations under this Agreement.

Each Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties represented by it, and each First Lien Representative, for itself and on behalf of the First Lien Secured Parties represented by it, acknowledges and agrees that:

(a) the grants of Liens pursuant to the First Lien Security Documents and the Second Lien Security Documents constitute two separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the Collateral, the Second Lien Secured Obligations are fundamentally different from the First Lien Secured Obligations and must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed, or adopted in a Bankruptcy/Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First Lien Secured Parties and the Second Lien Secured Parties in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Collateral (with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of senior and junior secured claims) in respect of Post-Petition Interest, including any additional interest payable pursuant to the First Lien Loan Documents, arising from or related to a default, whether or not a claim therefor is allowed or allowable in any Bankruptcy/Liquidation Proceeding) before any distribution is made in respect of the claims held by the Second Lien Secured Parties with respect to the Collateral, with each Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties represented by it, hereby acknowledging and agreeing to turn over to the Designated First Lien Representative, for itself and on behalf of the First Lien Secured Parties, Collateral or proceeds of Collateral otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties).

Each Second Lien Representative and the other Second Lien Secured Parties shall not, unless and until the Discharge of First Lien Secured Obligations occurs, directly or indirectly assert, support or enforce any claim under Section 506(c) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law) or seek to recover any amounts that any Grantor may obtain by virtue of any claim under Section 506(c) of the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law), in each case, for costs or expenses of preserving or disposing of any Collateral or otherwise, and it will not accept the benefit of any such claims.

Each Second Lien Representative and the other Second Lien Secured Parties agrees that it shall not, directly or indirectly, oppose or seek to challenge any claim by any First Lien Representative or any other First Lien Secured Party for allowance in any Bankruptcy/Liquidation Proceeding of First Lien Secured Obligations consisting of Post-Petition Interest. Each First Lien Representative and the other First Lien Secured Parties agrees that it shall not, directly or indirectly, oppose or seek to challenge any claim by any Second Lien Representative or any other Second Lien Secured Party for allowance in any Bankruptcy/Liquidation Proceeding of Second Lien Secured Obligations consisting of Post-Petition Interest so long as the First Lien Secured Parties have received an allowed claim for Post-Petition Interest and then only to the extent of the value of the Liens of the Second Lien Secured Parties on the Collateral (after taking into account the amount of the First Lien Secured Obligations).

Section 2.08. *Reinstatement.* In the event that (i) the Discharge or any payment of First Lien Secured Obligations shall have occurred and any of such First Lien Secured Obligations shall subsequently, for whatever reason (including, but not limited to, an order or judgment for disgorgement or avoidance of a preference or fraudulent transfer under the Bankruptcy Code (or any comparable provision of any other applicable Debtor Relief Law), or any other law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be reinstated and fully applicable thereto until there shall thereafter have been a Discharge of First Lien Secured Obligations then from and after such date of required return or repayment, such Discharge of First Lien Secured Obligations shall be automatically deemed not to have occurred for all purposes of this Agreement and (ii) the Designated First Lien Representative or the other First Lien Secured Parties have released any Lien on Collateral and any such Liens are later reinstated, then the Designated Second Lien Representative, for itself and the benefit of the Second Lien Secured Parties, shall be granted a second priority Lien on such Collateral, subject to the subordination provisions of this Agreement.

Section 2.09. *Purchase Right*. Without prejudice to the enforcement of the First Lien Secured Parties' remedies, the First Lien Secured Parties agree that at any time following (a) acceleration of the First Lien Secured Obligations in accordance with the terms of the First Lien Loan Documents or (b) the commencement of a Bankruptcy/Liquidation Proceeding by or against any Grantor (each, a "Purchase Event"), one or more of the Second Lien Secured Parties may request within 30 days after the first date on which a Purchase Event occurs, and the First Lien Secured Parties hereby offer the Second Lien Secured Parties the option, to purchase all, but not less than all, of the aggregate amount of First Lien Secured Obligations outstanding at the time of purchase at (a) in the case of First Lien Secured Obligations other than First Lien Secured Obligations arising under Swap Contracts or in connection with undrawn letters of credit, par (including any premium (to the extent then payable) set forth in the First Lien Credit Agreement or other applicable First Lien Loan Document on the date hereof, interest, expenses and fees (including Post-Petition Interest)), and (b) in the case of First Lien Secured Obligations arising under a Swap Contract, an amount equal to the greater of (i) all amounts payable by any Grantor under the terms of such Swap Contract in the event of a termination of such Swap Contract and (ii) the mark-to-market value of such Swap Contract, as determined by the counterparty to the Grantor thereunder with respect to such Swap Contract in accordance with the terms thereof and in accordance with customary methods for calculating mark-to-market amounts under similar arrangements by such counterparty, without warranty or representation or recourse (except for representations and warranties required to be made by assigning lenders pursuant to an Assignment and Assumption (as defined in the applicable First Lien Loan Document)). In the case of any First Lien Secured Obligations in respect of letters of credit (including reimbursement obligations in connection therewith), simultaneous with the purchase of the other First Lien Secured Obligations, the purchasing Second Lien Secured Parties shall provide First Lien Secured Parties who issued such letters of credit cash collateral in such amounts (not to exceed 103% thereof) as such First Lien Secured Parties determine is reasonably necessary to secure such First Lien Secured Parties in connection with any outstanding and undrawn letters of credit. If such right is exercised, the parties shall endeavor to close promptly thereafter but in any event within 10 Business Days of the request. If one or more of the Second Lien Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the Designated First Lien Representative and the Designated Second Lien Representative. If none of the Second Lien Secured Parties exercise such right within 30 days after the first date on which a Purchase Event occurs, the First Lien Secured Parties shall have no further obligations pursuant to this Section 2.09 for such Purchase Event and may take any further actions in their sole discretion in accordance with the First Lien Security Documents and this Agreement.

Section 2.10. *New Liens*. Subject to Sections 2.01(c), 2.01(d), and 2.06(a) and 2.07, each of the parties hereto (including the Parent Borrower, on behalf of itself and the other Grantors) agrees that, so long as the Discharge of First Lien Secured Obligations has not occurred, it shall not (i) permit any additional Liens on any asset or property of any Grantor to be granted to secure any Second Lien Secured Obligation unless a Lien has been granted on such asset or property to secure the First Lien Secured Obligations, with each such Lien to be subject to the provisions of this Agreement, or (ii) permit any additional Liens on any asset or property of any Grantor to be granted to secure any First Lien Secured Obligations unless a Lien has been granted on such asset to secure the Second Lien Secured Obligations, with each such Lien to be subject to the provisions of this Agreement. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the First Lien Representatives and/or the First Lien Secured Parties, the Designated Second Lien Representative, on behalf of the Second Lien Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.10 shall be subject to Section 7.01.

Section 2.11. *Injunctive Relief*. Should any Second Lien Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any First Lien Representative or any other First Lien Secured Party (in its or their own name or in the name of the applicable Grantor) may obtain relief against such Second Lien Secured Party by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by the Designated Second Lien Representative on behalf of each Second Lien Secured Party that (a) the First Lien Secured Parties' damages from its actions may by that time be difficult to ascertain any may be irreparable and (b) each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it waives any defense that the First Lien Secured Party cannot demonstrate damage and/or be made whole by the awarding of damages.

Section 2.12. *Rights as Unsecured Creditors*. Except as otherwise set forth in this Agreement or inconsistent with the priorities set forth in this Agreement, each Second Lien Representative and the Second Lien Secured Parties may exercise rights and remedies as unsecured creditors against any Grantor that is obligated to pay or has guaranteed the Second Lien Secured Obligations in accordance with the terms of the Second Lien Debt Documents and any Requirements of Law; *provided* that in the event that any Second Lien Secured Party becomes a judgment Lien creditor or other secured creditor, in each case, in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Second Lien Secured Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Lien Secured Obligations) as the other Liens securing the Second Lien Secured Obligations are subject to this Agreement. Nothing in this Agreement shall prohibit or subordinate (whether before or after the commencement of a Bankruptcy/Liquidation Proceeding) the receipt, or the right to receive, by the Second Lien Representatives or any other Second Lien Secured Parties of the required payments of interest, principal and premiums (if any) (x) if the Discharge of First Lien Secured Obligations has occurred or (y) if the Discharge of First Lien Secured Obligations has not occurred so long as, in the case of this clause (y), such receipt is not the direct or indirect result of the exercise by the Second Lien Representatives or any other Second Lien Secured Party of rights or remedies with respect to the Collateral (including setoff or recoupment or credit bidding (other than pursuant to the Permitted Second Lien Credit Bid Rights)) or enforcement of any Lien held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies any First Lien Secured Party may have.

ARTICLE 3
SUB-AGENCY FOR PERFECTION OF CERTAIN SECURITY INTERESTS

Each First Lien Representative acknowledges and agrees that if it shall at any time hold a Lien on any Second Lien Collateral that can be perfected by the possession or control of such Collateral or, to the extent applicable under any Security Documents, of any account in which such Collateral is held, and if such Collateral or any such account is in fact in the possession or under the control of such First Lien Representative (such Second Lien Collateral being the “Pledged Collateral”), such First Lien Representative will serve as gratuitous sub-agent and bailee for each applicable Second Lien Representative for the sole purpose of perfecting the Lien, if any, of such Second Lien Representative in such Pledged Collateral and shall have possession or control of such Pledged Collateral as agent on behalf of each applicable Second Lien Representative (such bailment being intended, among other things, to satisfy the requirements of Section 8-301(a)(2), 8-106(d)(3) and 9-313(c) of the Uniform Commercial Code, to the extent applicable). In addition, in the event any First Lien Representative has Lien filings against any intellectual property that is part of the Collateral and which filings are necessary for the perfection of Liens in such Collateral, each such First Lien Representative agrees to hold such Liens as non-fiduciary agent and gratuitous bailee for each Second Lien Representative and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the Second Lien Debt Documents, subject to the terms and conditions of this Article 3. It is agreed that the obligations of each First Lien Representative and the rights of each Second Lien Representative and the other Second Lien Secured Parties in connection with any such sub-agency arrangement will be in all respects subject to the provisions of this Agreement. Subject to the terms of this Agreement, until the Discharge of First Lien Secured Obligations has occurred, the First Lien Representatives shall be entitled to deal with the Pledged Collateral in accordance with the terms of the First Lien Loan Documents as if the Liens of the Second Lien Secured Parties under the Second Lien Security Documents did not exist. The First Lien Representatives will be deemed to make no representation as to the adequacy of the steps taken by it or any of them to perfect the Lien on any such Pledged Collateral or the genuineness of any Pledged Collateral and shall have no responsibility to the Second Lien Representatives or any other Second Lien Secured Party for such perfection or genuineness; it being understood that the sole purpose of this Article is to enable the Second Lien Secured Parties to obtain a perfected second priority Lien on such Pledged Collateral to the extent that such perfection results from the possession or control of such Pledged Collateral or, to the extent applicable under any Security Documents, any such account by the First Lien Representatives. No First Lien Representative shall owe any fiduciary duty to any Second Lien Secured Party and the Second Lien Secured Parties hereby waive and release the First Lien Representatives and First Lien Secured Parties from all claims and liabilities relating to the any First Lien Representative’s role under this Article 3. At such time as the Discharge of First Lien Secured Obligations shall have occurred, the applicable First Lien Representatives shall, to the extent that it is legally permitted to do so, take all such actions in their power as shall reasonably be requested by the Designated Second Lien Representative or the Parent Borrower to transfer possession of such Pledged Collateral to the Designated Second Lien Representative or to transfer direct control of such Pledged Collateral with any necessary endorsements of the First Lien Representatives (such endorsements shall be without recourse and without any representation or warranty) or, to the extent applicable under any Security Documents, any such account to the Designated Second Lien Representative (if there are then any Second Lien Secured Obligations outstanding); *provided* that if any such Pledged Collateral or any such account shall be subject to any other Lien senior to the Liens of the Designated Second Lien Representative on the Collateral, then the First Lien Representatives may instead transfer possession of such Pledged Collateral to the Person or Persons holding such senior Lien or their representative or take such actions in its power as shall reasonably be requested to transfer direct control of such Pledged Collateral or any such account to the Person or Persons holding such senior Lien or their representative. The Designated Second Lien Representative agrees that if it shall obtain possession or direct control of any Pledged Collateral or any account pursuant to the foregoing provisions and such Pledged Collateral or account shall thereafter become subject to a Lien securing the First Lien Secured Obligations, it will take all such actions as shall reasonably be requested by the Designated First Lien Representative to transfer possession of such Pledged Collateral to the Designated First Lien Representative or take such actions in its power as shall reasonably be requested to transfer direct control of such Pledged Collateral or any such account to the Designated First Lien Representative, all at the cost and expense of the Parent Borrower.

ARTICLE 4
EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS

Whenever any Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Secured Obligations or Second Lien Secured Obligations, or the existence of any Lien securing any such obligations, or the Collateral subject to any such Lien, it may request that such information be furnished to it in writing by the First Lien Representatives or the Second Lien Representatives and shall be entitled to make such determination on the basis of the information so furnished; *provided, however*, that if, notwithstanding the request of such Representative, such Representative shall fail or refuse reasonably promptly to provide the requested information, such Representative shall be entitled to determine such existence or amount by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Parent Borrower. Each Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Secured Party or any affiliate thereof as a result of such determination.

ARTICLE 5
CONSENT OF GRANTORS

Each Grantor hereby consents to the provisions of this Agreement and the intercreditor arrangements provided for herein and agrees that the obligations of the Grantors under the First Lien Security Documents will in no way be diminished or otherwise affected by such provisions or arrangements.

ARTICLE 6
REPRESENTATIONS AND WARRANTIES OF EACH REPRESENTATIVE

Each Representative represents and warrants to the other parties hereto that it has the requisite power and authority to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the applicable First Lien Secured Parties represented by it (in the case of each First Lien Representative) and the applicable Second Lien Secured Parties represented by it (in the case of each Second Lien Representative).

ARTICLE 7

Section 7.01. *Payment Over.* With respect to the Collateral and any proceeds thereof, each Second Lien Representative and each other Second Lien Secured Party hereby agrees that if it shall obtain possession of any Collateral, or shall realize any proceeds or payment in respect of any such Collateral, whether pursuant to any Second Lien Security Document, in connection with the taking of any Second Lien Permitted Actions, or by the exercise of any rights available to it under any Requirements of Law or (except as otherwise provided in Section 2.07) in any Bankruptcy/Liquidation Proceeding or otherwise, or shall receive any Collateral or proceeds of Collateral, or any payment on account thereof, in each case, at any time prior to the occurrence of the Discharge of First Lien Secured Obligations and when such possession or receipt of proceeds or payment on Collateral is not expressly permitted by the terms of this Agreement, then it shall hold such Collateral, proceeds or payment in trust for the First Lien Secured Parties and forthwith transfer such Collateral, proceeds or payment, as the case may be, to the Designated First Lien Representative for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. Each Second Lien Representative on behalf of itself and each Second Lien Secured Party represented by it agrees that if, at any time, all or part of any payment with respect to the First Lien Secured Obligations previously made shall be rescinded for any reason whatsoever, such Second Lien Secured Party shall promptly pay over to the Designated First Lien Representative any payment (including any payment received under any agreement subordinating any Liens on the First Lien Collateral to the Liens securing the Second Lien Secured Obligations) received by it in respect of any First Lien Collateral and shall promptly turn any First Lien Collateral then held by it over to the Designated First Lien Representative, and the provisions set forth in this Agreement shall be reinstated as if such payment had not been made, until the Discharge of First Lien Secured Obligations occurs.

Section 7.02. *Application of Proceeds.* In furtherance of the foregoing, all Collateral and any proceeds or payment in respect of any Collateral received in connection with the enforcement of any of its rights or the exercise of any of its remedies with respect to the Collateral and all insurance or condemnation proceeds not remitted to any Grantor shall be applied by the First Lien Representatives to the First Lien Secured Obligations in such order as specified in the relevant First Lien Loan Documents. Upon the occurrence of the Discharge of Second Lien Secured Obligations, the Designated Second Lien Representative shall deliver to the Parent Borrower any proceeds of Collateral held by it in the same form as received, with any necessary endorsements (such endorsements shall be without recourse and without any representation or warranty) or as a court of competent jurisdiction may otherwise direct.

Section 7.03. *Insurance and Condemnation Awards.* Until the Discharge of First Lien Secured Obligations occurs, the Designated First Lien Representative and the First Lien Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the First Lien Loan Documents, (a) to adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Collateral. Subject to any rights of the Grantors to receive any such insurance proceeds or condemnation amounts under the First Lien Loan Documents, all such amounts shall be applied as set forth in Section 7.02, and without limiting any other rights and remedies available to the First Lien Representatives and/or the First Lien Secured Parties, the Designated Second Lien Representative, on behalf of the Second Lien Secured Parties, agrees that any amounts received by any of them in contravention of this Section 7.03 shall be subject to Section 7.01.

(a) The First Lien Loan Documents may be amended, restated, Refinanced, waived, restructured, renewed, extended, supplemented or otherwise modified in accordance with their terms (including, in the case of this Agreement, in accordance with Section 9.02 hereof), and the indebtedness under the First Lien Loan Documents may be Refinanced, increased, renewed, extended or replaced, in each case, without the consent of any Second Lien Secured Party; *provided, however*, that, (i) without the prior written consent of the Designated Second Lien Representative, no First Lien Loan Document may be amended, restated, waived, restructured, renewed, extended, supplemented, Refinanced or otherwise modified, or entered into, to the extent such amendment, restatement, waiver, restructuring, renewal, extension, supplement, Refinancing or modification, or the terms of such new First Lien Loan Document, would contravene the provisions of this Agreement, it being understood that notwithstanding the provisions of this Section 8.01 but subject to any relevant limitations set forth elsewhere in this Agreement the First Lien Loan Documents may be amended, restated, Refinanced, waived, supplemented or otherwise modified in accordance with their terms in order to effect the making or provision of (w) any “Incremental Commitments” or “Incremental Equivalent Debt” under (and, in each case as defined in) the First Lien Credit Agreement or similar terms used in any Replacement First Lien Credit Agreement or Additional First Lien Debt Facility, (x) any Indebtedness incurred in connection with a “Refinancing Amendment” (as defined in the First Lien Credit Agreement), (y) any “Extension” (as defined in the First Lien Credit Agreement) or similar terms used in any Replacement First Lien Credit Agreement or Additional First Lien Debt Facility or (z) any Indebtedness incurred in connection with a “Permitted Repricing Amendment” or constituting a “Replacement Term Loan” (in each case as defined in the First Lien Credit Agreement) or similar terms used in any Replacement First Lien Credit Agreement or Additional First Lien Debt Facility, in each case without notice to, or the consent of, the Second Lien Notes Collateral Agent or any Second Lien Secured Party and (ii) notice of such amendment, waiver supplement, modification or consent shall be given to the Second Lien Notes Collateral Agent no later than 30 days after its effectiveness; *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof.

Section 8.02. *Matters Related to Second Lien Debt Documents.* The Second Lien Debt Documents may be amended, restated, Refinanced, waived, restructured, renewed, extended, supplemented or otherwise modified in accordance with their terms (including, in the case of this Agreement, in accordance with Section 9.02 hereof), and the indebtedness under the Second Lien Debt Documents may be Refinanced, increased, renewed, extended or replaced, in each case, without the consent of any First Lien Secured Party; *provided, however*, that, (i) without the prior written consent of the Designated First Lien Representative, no Second Lien Debt Document may be amended, restated, waived, restructured, renewed, extended, supplemented, Refinanced or otherwise modified, or entered into, to the extent such amendment, restatement, waiver, restructuring, renewal, extension, supplement, Refinancing or modification, or the terms of such new Second Lien Debt Document would contravene the provisions of this Agreement, it being understood that notwithstanding the provisions of this Section 8.02 but subject to any relevant limitations set forth elsewhere in this Agreement, the Second Lien Debt Documents may be amended, restated, Refinanced, waived, supplemented or otherwise modified in accordance with their terms in order to effect the making or provision of “Additional First Lien Debt,” “Additional Junior Debt,” “Additional Second Lien Debt” or “Notes Refinancing Debt” (in each case as defined in the Second Lien Notes Indenture) or similar terms used in any Replacement Second Lien Debt Agreement or Additional Second Lien Debt Facility, in each case without notice to, or the consent of, the First Lien Credit Agreement Administrative Agent or any First Lien Secured Party and (ii) notice of such amendment, waiver supplement, modification or consent shall be given to the First Lien Credit Agreement Administrative Agent no later than 30 days after its effectiveness; *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof.

No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Except for the addition of a Representative or Grantor as a party hereto, in each case, as provided for herein, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by each Representative and by the Parent Borrower and each other affected Grantor with respect to which such waiver, consent, amendment supplement or modification is to apply.

Section 9.03. *Parties in Interest.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First Lien Secured Parties and Second Lien Secured Parties.

Section 9.04. *Survival of Agreement.* All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 9.05. *Counterparts*. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the First Lien Credit Agreement Administrative Agent and the Second Lien Notes Collateral Agent and when the First Lien Credit Agreement Administrative Agent and the Second Lien Notes Collateral Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually executed counterpart of this Agreement.

Section 9.06. *Severability*. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.07. *Governing Law; Jurisdiction; Consent to Service of Process* (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) (OR ANY APPELLATE COURT THEREOF) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (OR ANY APPELLATE COURT THEREOF), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HERETO CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH PARTY HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO IRREVOCABLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AGREEMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN FACSIMILE OR ELECTRONIC MAIL) IN SECTION 9.01. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 9.08. *Waiver of Jury Trial.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.08.

Section 9.09. *Headings.* Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.10. *Further Assurances.* Each First Lien Representative, on behalf of itself and the applicable First Lien Secured Parties under the First Lien Loan Documents, and each Second Lien Representative, on behalf of itself and the applicable Second Lien Secured Parties under the Second Lien Debt Documents, each agree that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Designated First Lien Representative or the Designated Second Lien Representative may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

Section 9.11. *No Third-Party Beneficiaries.* This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and assigns and shall inure to the benefit of and bind the Parent Borrower and the other Grantors, the First Lien Secured Parties and the Second Lien Secured Parties. Nothing in this Agreement shall impair, as between the Parent Borrower, and the other Grantors and the First Lien Representatives and the First Lien Secured Parties, and as between the Parent Borrower and the other Grantors and the Second Lien Representatives and the Second Lien Secured Parties, the obligations of the Parent Borrower and the other Grantors, which are absolute and unconditional, to pay principal, interest, fees and other amounts as provided in the First Lien Loan Documents and the Second Lien Debt Documents respectively.

Section 9.12. *Provisions Solely to Define Relative Rights.* The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Representatives and the First Lien Secured Parties on the one hand and the Second Lien Representatives and the Second Lien Secured Parties on the other hand. In the event of any conflict between the provisions of this Agreement and the provisions of the First Lien Loan Documents or the Second Lien Debt Documents (other than, in each case, the ABL Intercreditor Agreement), the provisions of this Agreement shall govern and control. However, as among the First Lien Secured Parties, their rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the First Lien Parity Intercreditor Agreement, if applicable, and as among the Second Lien Secured Parties, their rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Second Lien Parity Intercreditor Agreement, if applicable. This Agreement is subject to the ABL Intercreditor Agreement.

Section 9.13. *Subrogation.* With respect to the value of any payments or distributions in cash, property or other assets that any of the Second Lien Representatives or the other Second Lien Secured Parties pays over to any of the First Lien Representatives or the other First Lien Secured Parties under the terms of this Agreement, such Second Lien Secured Parties and Second Lien Representatives shall be subrogated to the rights of such First Lien Representatives and First Lien Secured Parties; provided, that each Second Lien Representative, on behalf of itself and the Second Lien Secured Parties represented by it, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of First Lien Secured Obligations has occurred. The Parent Borrower and the other Grantors each acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by any Second Lien Representative or other Second Lien Secured Party that are paid over to any First Lien Representative or other First Lien Secured Party pursuant to this Agreement shall not reduce any of the Second Lien Secured Obligations. *Additional Grantors.* Each Person that becomes a Grantor after the date hereof shall become a party to this Agreement upon execution and delivery by such Person of a Grantor Supplement in the form of Annex IV.

Section 9.15. *Additional Intercreditor Agreements.* Each party hereto agrees that the First Lien Secured Parties and/or their Representatives (as among themselves) and the Second Lien Secured Parties and/or their Representatives (as among themselves) may each enter into the ABL Intercreditor Agreement, the First Lien Parity Intercreditor Agreement and the Second Lien Parity Intercreditor Agreement, as applicable, or other intercreditor arrangements governing the rights, benefits and privileges as among the First Lien Secured Parties or the Second Lien Secured Parties, as the case may be, in respect of the Collateral, this Agreement and the other First Lien Security Documents or Second Lien Security Documents, as the case may be, including as to application of proceeds of the Collateral, voting rights, control of the Collateral and waivers with respect to the Collateral, in each case so long as the terms of such other intercreditor arrangements do not violate or conflict with the provisions of this Agreement or the other First Lien Loan Documents or Second Lien Debt Documents, as the case may be (or unless the applicable First Lien Secured Parties or Second Lien Secured Parties otherwise authorize their applicable Representative to enter into any such intercreditor arrangement).

Section 9.16. *Certain Terms Concerning the Second Lien Notes Collateral Agent.* The Second Lien Notes Collateral Agent is executing and delivering this Agreement solely in its capacity as such and pursuant to the direction to so execute and deliver pursuant to the Second Lien Notes Indenture, and in so doing the Second Lien Notes Collateral Agent shall not be responsible for the terms or sufficiency of this Agreement for any purpose. The Second Lien Notes Collateral Agent shall enjoy all of the rights, immunities, privileges, protections and indemnities granted to it under the Second Lien Notes Indenture and, without limiting the generality of the foregoing, the provisions of Article VII and Section 12.02 of the Second Lien Notes Indenture applicable to the Second Lien Collateral Agent thereunder. The Second Lien Notes Collateral Agent shall have no duties or obligations under or pursuant to this Agreement other than such duties and obligations as may be expressly set forth in this Agreement. The Second Lien Collateral Agent shall not be deemed to owe any fiduciary duty to the First Lien Representatives and the First Lien Secured Parties. Whenever reference is made in this Agreement to any action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Second Lien Notes Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Second Lien Notes Collateral Agent, it is understood that in all cases the Second Lien Notes Collateral Agent shall be acting, giving, withholding, suffering, omitting, taking or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) in accordance with the Second Lien Notes Indenture and the other Second Lien Debt Documents.

Subject to Section 2.6 and Section 6, so long as neither the Discharge of ABL Obligations nor the Discharge of Term Loan Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Obligors, the parties hereto agree that if any Claimholder shall acquire or hold any Lien on any assets of any Obligor securing any Obligation which assets are not also subject to the Lien of the other Claimholders under the other Collateral Documents, then, without limiting any other rights and remedies available to any Collateral Agent or the other Claimholders, the applicable Collateral Agent holding such Lien, on behalf of itself and its Related Claimholders, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens so granted shall be subject to Section 4.2.

2.4 Similar Liens and Agreements. In furtherance of Sections 2.3 and 8.9, the ABL Credit Agreement Collateral Agent, for itself and on behalf of its Related Claimholders, and each Term Loan Collateral Agent, for itself and on behalf of its Related Claimholders, agrees, subject to the other provisions of this Agreement:

(a) upon request by the ABL Credit Agreement Collateral Agent or the Directing Term Loan Collateral Agent, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the ABL Collateral and the Term Loan Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the ABL Documents and the Term Loan Documents; and

(b) that the collateral grants contained in the documents, agreements or instruments creating or evidencing the ABL Collateral and the Term Loan Collateral, subject to Section 5.3(c), shall be the same in all material respects.

2.5 Nature of Obligations. The priorities of the Liens provided in Section 2.1 shall not be altered or otherwise affected by (a) any Refinancing of the Senior Obligations or the Junior Obligations or (b) any action or inaction which any of the Senior Claimholders or the Junior Claimholders may take or fail to take in respect of the Collateral. Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, agrees and acknowledges that (i) a portion of the Senior Obligations may be revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (ii) the terms of the Senior Documents and the Senior Obligations may be amended, supplemented or otherwise modified, and the Senior Obligations, or a portion thereof, may be Refinanced from time to time and (iii) the aggregate amount of the Senior Obligations may be increased subject to the terms herein, in each case, without notice to or consent by the Junior Collateral Agents or the Junior Claimholders and without affecting the provisions hereof, except as otherwise expressly set forth herein. As between the Parent Borrower and the other Obligors and the Junior Claimholders, the foregoing provisions will not limit or otherwise affect the obligations of the Parent Borrower and the Obligors contained in any Junior Document with respect to the incurrence of additional Senior Obligations.

2.6 Certain Cash Collateral. Notwithstanding anything in this Agreement or any other ABL Document or Term Loan Document to the contrary, Collateral consisting of cash and cash equivalents pledged to secure (i) ABL Obligations under any ABL Financing Document consisting of reimbursement obligations in respect of ABL Letters of Credit issued thereunder, (ii) ABL Obligations in respect of ABL Swap Contracts to the extent permitted by the ABL Documents and the Term Loan Documents, (iii) Term Loan Obligations under any Term Loan Financing Document consisting of reimbursement obligations in respect of First Lien Letters of Credit issued thereunder, (iv) Term Loan Obligations in respect of Term Loan Swap Contracts to the extent permitted by the ABL Documents and the Term Loan Documents, (v) fronting exposure with respect to reimbursement obligations of “defaulting lenders” under any ABL Financing Document or Term Loan Financing Document, as applicable, (vi) any prepayments to be made in the future and posted to avoid breakage under any ABL Financing Document or Term Loan Financing Document, as applicable, (vii) ABL Obligations under ABL Banking Services Agreements to the extent permitted by the ABL Documents and the Term Loan Documents and (viii) Term Loan Obligations under First Lien Banking Services Agreements or Second Lien Banking Services Agreements to the extent permitted by the ABL Documents and the Term Loan Documents, in each case shall be applied as specified in the relevant ABL Documents, the relevant Term Loan Document, the relevant ABL Swap Contract, the relevant Term Loan Swap Contract and/or the relevant ABL Banking Services Agreement, as applicable, and will not constitute Collateral hereunder.

2.7 [Reserved].

2.8 Tracing of Proceeds. The ABL Credit Agreement Collateral Agent, for itself and on behalf of the ABL Claimholders, and each Term Loan Collateral Agent for itself and on behalf of its Related Claimholders, agree that prior to an issuance of any notice of any Enforcement Action by such Collateral Agent or any of its Related Claimholders to each other Collateral Agent (unless a bankruptcy or insolvency "Event of Default" then exists under any Financing Document), any proceeds of Collateral, whether or not deposited in Deposit Accounts subject to control agreements, which are used by any Obligor to acquire other property which is Collateral shall not (solely as between the Collateral Agents and the Claimholders) be treated as Proceeds of Collateral for purposes of determining the relative priorities in the Collateral which was so acquired. Notwithstanding anything to the contrary contained in this Agreement or any Term Loan Document, unless and until the Discharge of ABL Obligations occurs, if an Insolvency or Liquidation Proceeding is commenced with respect to any of the Obligors, or a notice of an Enforcement Action is delivered by the Directing Term Loan Collateral Agent to the ABL Credit Agreement Collateral Agent, the ABL Credit Agreement Collateral Agent is hereby permitted to deem all collections and payments deposited in any Deposit Account or Securities Account (for the avoidance of doubt other than any Term Proceeds Account) to be Proceeds of ABL Priority Collateral and each Term Loan Collateral Agent, on behalf of itself and each other Term Loan Claimholder, consents to the application of such funds to the ABL Obligations, and no such funds credited to such account shall be subject to disgorgement or be deemed to be held in trust by the ABL Credit Agreement Collateral Agent for the benefit of any Term Loan Collateral Agent or any other Term Loan Claimholder; provided that with respect to any such funds that are identifiable proceeds of Term Loan Priority Collateral credited to any such account, with respect to which funds the ABL Credit Agreement Collateral Agent has received a Term Cash Proceeds Notice prior to the application of such funds by the ABL Credit Agreement Collateral Agent to the ABL Obligations, the ABL Credit Agreement Collateral Agent shall turn over any such misdirected proceeds of the Term Loan Priority Collateral to the Directing Term Loan Collateral Agent.

SECTION 3. Enforcement

3.1 Exercise of Remedies.

(a) Until the Discharge of Senior Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Obligors, each of the Junior Collateral Agents, for itself and on behalf of its Related Claimholders, hereby agrees that it and its Related Claimholders:

(1) will not exercise or seek to exercise any rights or remedies (including setoff) with respect to any Collateral in which a Junior Claimholder has a Junior Lien or institute or commence, or join with any Person in instituting or commencing, any other Enforcement Action or any other action or proceeding with respect to such rights or remedies (including any action of foreclosure, enforcement, collection or execution and any Insolvency or Liquidation Proceeding); provided that the Directing Junior Collateral Agent may (as between the Term Loan Collateral Agents, subject to the First Lien/Second Lien Intercreditor Agreement) commence an Enforcement Action or otherwise exercise any or all such rights or remedies after the passage of a period of at least 180 days since the Directing Senior Collateral Agent shall have received notice from the Directing Junior Collateral Agent with respect to the acceleration by the relevant Junior Claimholders of the maturity of all then outstanding Junior Obligations (and requesting that Enforcement Action be taken with respect to the Collateral in which a Junior Claimholder has a Junior Lien) so long as the applicable “event of default” shall not have been cured or waived (or the applicable acceleration rescinded) (the “**Standstill Period**”); provided, further that notwithstanding anything herein to the contrary, in no event shall the Junior Collateral Agents or any other Junior Claimholders exercise any rights or remedies with respect to any Collateral in which a Junior Claimholder has a Junior Lien or institute or commence, or join with any Person in instituting or commencing, any other Enforcement Action with respect to such Collateral or any other action or proceeding with respect to such rights or remedies, if, notwithstanding the expiration of the Standstill Period, either (A) the Directing Senior Collateral Agent or any other Senior Claimholder shall have commenced and be diligently pursuing (or shall have sought or requested and be diligently pursuing relief from or modification of the automatic stay or any other stay in any Insolvency or Liquidation Proceeding to enable the commencement and the pursuit of) an Enforcement Action or other exercise of their rights or remedies in each case with respect to all or any material portion of such Collateral (with any determination of which such Collateral to proceed against, and in what order, to be made by the Directing Senior Collateral Agent or such Senior Claimholders in their reasonable judgment) or (B) any of the Obligors is then a debtor in any Insolvency or Liquidation Proceeding;

(2) will not contest, protest or object to any Enforcement Action brought by the Senior Collateral Agent or any other Senior Claimholder or any other exercise by the Senior Collateral Agent or any other Senior Claimholder of any rights and remedies relating to the Collateral in which a Senior Claimholder has a Senior Lien under the Senior Documents or otherwise;

(3) subject to their rights under clause (a)(1) above, will not object to the forbearance by the Senior Collateral Agent or the other Senior Claimholders from bringing or pursuing any Enforcement Action or any other exercise of any rights or remedies relating to any Collateral in which a Senior Claimholder has a Senior Lien, in each case so long as any proceeds received by the Senior Collateral Agent with respect to such Collateral in excess of those necessary to achieve a Discharge of Senior Obligations are distributed in accordance with Section 4.1; and

(4) will not take or receive any Collateral in which a Senior Claimholder has a Senior Lien, or any proceeds of or payment with respect to any such Collateral, in connection with any Enforcement Action or any other exercise of any right or remedy with respect to any such Collateral or any Insolvency or Liquidation Proceeding in its capacity as a creditor or in connection with any insurance policy award or any award in a condemnation or similar proceeding (or deed in lieu of condemnation) with respect to any such Collateral, in each case unless and until the Discharge of Senior Obligations has occurred, except, (x) as between the First Lien Credit Agreement Collateral Agent and the Second Lien Notes Collateral Agent, as expressly permitted by the First Lien/Second Lien Intercreditor Agreement and (y) in connection with any foreclosure expressly permitted by Section 3.1(a)(1) to the extent such Junior Collateral Agent and its Related Claimholders are permitted to retain the proceeds thereof in accordance with Section 4.1.

Without limiting the generality of the foregoing, until the Discharge of Senior Obligations has occurred, except as expressly provided in Sections 3.1(a)(1), 3.1(c) and 6.3(b), the sole right of each Junior Collateral Agent and the other Junior Claimholders with respect to any Collateral in which a Junior Claimholder has a Junior Lien (other than inspection, monitoring, reporting and similar rights provided for in the Junior Financing Documents) is to hold a Lien on such Collateral pursuant to the Junior Collateral Documents for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

For the avoidance of doubt, nothing contained in this Agreement shall prohibit (i) the exercise of rights by the ABL Credit Agreement Collateral Agent during a Dominion Period (as defined in the ABL Credit Agreement), including the notification of depository institutions or any other person to deliver proceeds of ABL Priority Collateral to the ABL Credit Agreement Collateral Agent, (ii) the reduction of advance rates or sub-limits by the ABL Credit Agreement Collateral Agent or (iii) the imposition of any Reserve (as defined in the ABL Credit Agreement) by the ABL Credit Agreement Collateral Agent.

(b) Until the Discharge of Senior Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Obligor, subject to Sections 3.1(a)(1), 3.1(c) and 6.3(b), the Senior Collateral Agents and the other Senior Claimholders shall have the exclusive right to commence and maintain an Enforcement Action or otherwise exercise any rights and remedies with respect to the Collateral in which a Senior Claimholder has a Senior Lien (including set-off, recoupment and the right to “credit bid” their debt, except that the Junior Collateral Agents shall have the “credit bid” rights set forth in Section 3.1(c)(6)), and make determinations regarding the release or Disposition of, or restrictions with respect to, such Collateral in connection with any such Enforcement Action or other exercise of rights and remedies with respect to such Collateral, in each case without any consultation with or the consent of any Junior Collateral Agent or any other Junior Claimholder; provided that any proceeds received by any Senior Collateral Agent on account of such Collateral in excess of those necessary to achieve a Discharge of Senior Obligations are distributed in accordance with Section 4.1. In commencing or maintaining any Enforcement Action or otherwise exercising rights and remedies with respect to any Collateral in which a Senior Claimholder has a Senior Lien, the Senior Collateral Agents and the other Senior Claimholders may enforce the provisions of the Senior Documents and exercise rights and remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion in compliance with any applicable law and without consultation with any Junior Collateral Agent or any other Junior Claimholder and regardless of whether any such exercise is adverse to the interest of any Junior Claimholder. Such exercise and enforcement shall include the rights of an agent appointed by the Senior Claimholders to sell or otherwise Dispose of Collateral in which a Senior Claimholder has a Senior Lien upon foreclosure, to incur expenses in connection with such sale or other Disposition, and to exercise all the rights and remedies of a secured creditor under the UCC or other applicable law and of a secured creditor under Debtor Relief Laws of any applicable jurisdiction.

(c) Notwithstanding the foregoing, each Junior Collateral Agent and any other Junior Claimholder may:

(1) file a claim, proof of claim or statement of interest with respect to the Junior Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against any of the Obligors;

(2) take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on the Collateral in which a Junior Claimholder has a Junior Lien to the extent (A) not adverse to the priority status of the Liens on such Collateral securing the Senior Obligations, or the rights of any Senior Collateral Agent or the other Senior Claimholders to exercise rights and remedies in respect thereof, and (B) not otherwise inconsistent with the terms of this Agreement, including the automatic release of Liens provided in Section 5.1;

(3) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Junior Claimholders, including any claims or Liens secured by the Collateral in which a Junior Claimholder has a Junior Lien, if any, in each case to the extent not inconsistent with the terms of this Agreement;

(4) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions with respect to the Junior Obligations and the Collateral in which a Junior Claimholder has a Junior Lien that are, in each case, in accordance with the terms of this Agreement; provided that (A) no filing of any claim or vote, or pleading relating to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by any Junior Collateral Agent or any other Junior Claimholder in respect of such Collateral may be inconsistent with the terms of this Agreement and (B) neither any Junior Collateral Agent nor any other Junior Claimholder shall propose, vote to accept, or otherwise support a plan of reorganization that is inconsistent with the terms of this Agreement with respect to treatment of such Collateral;

(5) exercise any of its rights or remedies with respect to the Collateral (after the termination of the Standstill Period to the extent permitted by Section 3.1(a)(1)); and

(6) bid for or purchase any Collateral in which a Junior Claimholder has a Junior Lien at any public, private or judicial foreclosure upon such Collateral initiated by the Senior Collateral Agent or any other Senior Claimholder, or any sale of any such Collateral during an Insolvency or Liquidation Proceeding; provided that any such bid may not include a "credit bid" in respect of any Junior Obligations unless the cash proceeds of such bid are otherwise sufficient to cause the Discharge of Senior Obligations.

(d) Subject to Sections 3.1(a)(1), 3.1(c) and 6.3(b) each Junior Collateral Agent, for itself and on behalf of its Related Claimholders:

(1) agrees that it and its Related Claimholders will not take any action that would hinder, delay, limit or prohibit any exercise of rights or remedies under the Senior Documents or is otherwise prohibited hereunder with respect to any Collateral in which a Junior Claimholder has a Junior Lien, including any collection or Disposition of any such Collateral, whether by foreclosure or otherwise, or that would limit, invalidate, avoid or set aside any Lien securing any Senior Obligations or any Senior Collateral Document or subordinate the priority of the Senior Obligations to the Junior Obligations with respect to such Collateral or grant the Liens on such Collateral securing the Junior Obligations equal ranking to the Liens securing the Senior Obligations;

(2) hereby waives any and all rights it or its Related Claimholders may have as a junior Lien creditor or otherwise (whether arising under the UCC or under any other law) to object to the manner in which the Senior Collateral Agents or the other Senior Claimholders seek to enforce or collect the Senior Obligations or the Liens securing the Senior Obligations with respect to the Collateral in which a Junior Claimholder has a Junior Lien, regardless of whether any action or failure to act by or on behalf of any Senior Collateral Agent or any other Senior Claimholders is adverse to the interest of any Junior Claimholders with respect to such Collateral; and

(3) hereby acknowledges and agrees that no covenant, agreement or restriction contained in the Junior Collateral Documents or any other Junior Document shall be deemed to restrict in any way the rights and remedies of any Senior Collateral Agent or the other Senior Claimholders with respect to the Collateral in which a Junior Claimholder has a Junior Lien as set forth in this Agreement and the Senior Documents.

(e) The Junior Collateral Agents and the other Junior Claimholders may exercise rights and remedies as unsecured creditors against the Obligors that have guaranteed or granted Liens to secure the Junior Obligations in accordance with the terms of the Junior Documents and applicable law (other than initiating or joining in an involuntary case or proceeding under any Debtor Relief Law with respect to any Obligor, prior to the termination of the Standstill Period; provided that (i) any such exercise shall not be inconsistent with the terms of this Agreement (including Sections 2.2 and 6) and (ii) in the event that any Junior Claimholder becomes a judgment Lien creditor in respect of any Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Junior Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Senior Obligations) as the other Liens securing the Junior Obligations are subject to this Agreement. Nothing in this Agreement shall prohibit the receipt by any Junior Collateral Agent or Junior Claimholder of the required payments of principal, premium, interest, fees and other amounts due under the Junior Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Collateral Agent or other Junior Claimholder of rights or remedies as a secured creditor in respect of Collateral in which a Junior Claimholder has a Junior Lien.

3.2 Agreement among Term Loan Claimholders. Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, solely as among themselves in such capacity and solely for their mutual benefit, hereby agrees that the Term Loan Collateral Agent designated as the Directing Term Loan Collateral Agent shall have the sole right and power, as among the Term Loan Collateral Agents and the other Term Loan Claimholders, to take and direct any right or remedy with respect to Term Loan Priority Collateral in accordance with the terms of this Agreement, the relevant Term Loan Collateral Documents and any other intercreditor agreement among the Directing Term Loan Collateral Agent and each other Term Loan Collateral Agent. The Directing Term Loan Collateral Agent shall be entitled to the benefit of all the exculpatory, indemnity and reimbursement provisions set forth in any Term Loan Document for the benefit of any “administrative agent” or “collateral agent” (or any other agent or similar representative) with respect to any exercise by the Directing Term Loan Collateral Agent of any of the rights or remedies under this Agreement, including any such exercise of any right or remedy with respect to any Term Loan Priority Collateral, or any other action or inaction by it in its capacity as the Directing Term Loan Collateral Agent.

SECTION 4. Payments.

4.1 Application of Proceeds. So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Obligor, any Collateral in which a Senior Claimholder has a Senior Lien or any Proceeds (whether in cash or otherwise) thereof received in connection with any Enforcement Action or other exercise of rights or remedies by any Senior Collateral Agent or the other Senior Claimholders with respect to such Collateral (including any Disposition referred to in Section 5.1) or any Insolvency or Liquidation Proceeding, shall be applied by the Senior Collateral Agent to the Senior Obligations in accordance with the terms of the Senior Documents, including any other intercreditor agreement among the Senior Collateral Agents. Upon the Discharge of Senior Obligations, the Senior Collateral Agent shall deliver to the Directing Junior Collateral Agent any remaining Collateral in which a Senior Claimholder has a Senior Lien and Proceeds thereof then held by it in the same form as received, with any necessary endorsements (such endorsements shall be without recourse and without representation or warranty) to the Directing Junior Collateral Agent, or as a court of competent jurisdiction may otherwise direct, to be applied by the Junior Collateral Agents to the Junior Obligations in accordance with the terms of the Junior Documents, including any intercreditor agreement among the Junior Collateral Agents.

4.2 Payments Over.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Obligor, any Collateral in which a Senior Claimholder has a Senior Lien or Proceeds thereof (including any assets or proceeds subject to Liens that have been avoided or otherwise invalidated (including as a result of failure to perfect or lack of perfection)), any assets or proceeds subject to Liens referred to in Section 2.3, any amounts referred to in the last sentence of Section 6.3(b) or any other distribution (whether or not expressly characterized as such) in respect of such Collateral (including in connection with any Disposition of any such Collateral) received by any Junior Collateral Agent or any other Junior Claimholders in connection with any Enforcement Action or any Insolvency or Liquidation Proceeding or other exercise of any right or remedy (including set-off or recoupment) relating to such Collateral in contravention of this Agreement or not in accordance with Section 4.1, or received by any Junior Collateral Agent or any other Junior Claimholders in connection with any insurance policy claim or any condemnation award (or deed in lieu of condemnation) in respect of such Collateral, in each case, shall be held in trust and forthwith paid over to the Directing Senior Collateral Agent for the benefit of the Senior Claimholders in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct.

(b) Except as otherwise set forth in Section 6.3, so long as the Discharge of Senior Obligations has not occurred, if in any Insolvency or Liquidation Proceeding any Junior Collateral Agent or any other Junior Claimholders shall receive any distribution of money or other property in respect of or on account of the Collateral in which a Junior Claimholder has a Junior Lien (including any assets or proceeds subject to Liens that have been avoided or otherwise invalidated or any amounts referred to in the last sentence of Section 6.3(b)), such money, other property or amounts shall be held in trust and forthwith paid over to the Directing Senior Collateral Agent for the benefit of the Senior Claimholders in the same form as received, with any necessary endorsements. Any Lien on Collateral in which a Junior Claimholder has a Junior Lien received by any Junior Collateral Agent or any other Junior Claimholders in respect of any of the Junior Obligations in any Insolvency or Liquidation Proceeding shall be subject to the terms of this Agreement.

(c) Until the Discharge of Senior Obligations occurs, each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, hereby irrevocably constitutes and appoints the Directing Senior Collateral Agent and any officer or agent of the Directing Senior Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Collateral Agent or any such Junior Claimholder or in the Directing Senior Collateral Agent's own name, from time to time in the Directing Senior Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 4.2, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 4.2, including any endorsements or other instruments of transfer or release. This power is coupled with an interest and is irrevocable until the Discharge of Senior Obligations.

4.3 Mixed Collateral Proceeds. Notwithstanding anything to the contrary contained above or in the definition of the ABL Priority Collateral or Term Loan Priority Collateral, in the event that Proceeds of Collateral are received from (or are otherwise attributable to the value of) a sale or other disposition of Collateral that involves a combination of ABL Priority Collateral and Term Loan Priority Collateral, the portion of such Proceeds that shall be allocated as Proceeds of ABL Priority Collateral for purposes of this Agreement shall be an amount equal to the net book value of such ABL Priority Collateral (except in the case of Accounts (as described in clause (i) of the definition of ABL Priority Collateral, and excluding any Accounts to the extent excluded pursuant to said clause (i)) which amount shall be equal to the face amount of such Accounts). In addition, notwithstanding anything to the contrary contained above or in the definition of the ABL Priority Collateral or Term Loan Priority Collateral, to the extent Proceeds of Collateral are Proceeds received from (or are otherwise attributable to the value of) the sale or disposition of all or substantially all of the capital stock of any of the Subsidiaries of the Parent Borrower which is an Obligor, or all or substantially all of the assets of any such Subsidiary, such Proceeds shall constitute (1) first, in an amount equal to the face amount of the Accounts (as described in clause (i) of the definition of ABL Priority Collateral, and excluding any Accounts to the extent excluded pursuant to said clause (i)) and the net book value of (x) the Inventory and (y) cash, Money and cash equivalents (in the case of this clause (y), other than identifiable Proceeds of Term Loan Priority Collateral) owned by such Subsidiary at the time of such sale, ABL Priority Collateral and (2) second, to the extent in excess of the amounts described in preceding clause (1), Term Loan Priority Collateral. In the event that amounts are received in respect of capital stock of or intercompany loans issued to any Obligor in an Insolvency or Liquidation Proceeding, such amounts shall be deemed to be Proceeds received from a sale or disposition of ABL Priority Collateral and Term Loan Priority Collateral and shall be allocated as Proceeds of ABL Priority Collateral and Term Loan Priority Collateral in proportion to the ABL Priority Collateral and Term Loan Priority Collateral owned at such time by the issuer of such capital stock.

SECTION 5. Other Agreements.

5.1 Releases.

(a) In connection with any Enforcement Action by the Directing Senior Collateral Agent or any other exercise by the Directing Senior Collateral Agent of rights or remedies in respect of the Collateral in which a Senior Claimholder has a Senior Lien (including any Disposition of any of such Collateral by any Obligor, with the consent of the Directing Senior Collateral Agent, after the occurrence and during the continuance of an “event of default” under the Senior Documents), in each case, prior to the Discharge of Senior Obligations, the Directing Senior Collateral Agent is irrevocably authorized (at the cost of the Obligors in accordance with the terms of the applicable Senior Financing Document and without any consent, sanction, authority or further confirmation from the Directing Junior Collateral Agent, any other Junior Claimholder or any Obligor): (i) to release any of its Liens on any part of such Collateral or any other claim over such Collateral that is the subject of such Enforcement Action, in which case the Junior Liens or any other claim over the asset that is the subject of such Enforcement Action, if any, of any Junior Collateral Agent, for itself or for the benefit of the other Junior Claimholders, shall be automatically, unconditionally and simultaneously released to the same extent as the Liens or other claims of the Directing Senior Collateral Agent and each other Senior Collateral Agent are so released (and the Directing Senior Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, in the discretion of the Directing Senior Collateral Agent, be considered necessary or reasonably desirable in connection with such releases); and (ii) if the Collateral that is the subject of such Enforcement Action consists of the equity interests of any Obligor, to release (x) such Obligor and any subsidiary of such Obligor from all or any part of its Senior Obligations, in which case such Obligor and any subsidiary of such Obligor shall be automatically, unconditionally and simultaneously released to the same extent from its Junior Obligations (it being understood that any Proceeds of such Enforcement Action with respect to such equity interests shall be dealt with in a manner consistent with Section 4.3), and (y) any Liens or other claims on any assets of such Obligor and any subsidiary of such Obligor, in which case the Junior Liens or other claims on such assets of each Junior Collateral Agent, for itself or for the benefit of its Related Claimholders, shall be automatically, unconditionally and simultaneously released to the same extent as such Senior Liens of the Directing Senior Collateral Agent and each other Senior Collateral Agent are so released (and the Directing Senior Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, in the discretion of the Directing Senior Collateral Agent, be considered necessary or reasonably desirable in connection with such releases). Each Junior Collateral Agent, for itself or on behalf of its Related Claimholders, promptly shall execute and deliver to the Directing Senior Collateral Agent or such Obligor such termination statements, releases and other documents as the Directing Senior Collateral Agent or such Obligor may request to effectively confirm the foregoing releases upon delivery to the Junior Collateral Agents of copies of such termination statements, releases and other documents used to effect such releases with respect to the Collateral in which a Senior Claimholder has a Senior Lien securing the Senior Obligations from a Responsible Officer of the requesting party. In the case of any Disposition of any of the Collateral in which a Senior Claimholder has a Senior Lien that is subject to this Section 5.1(a) by the Directing Senior Collateral Agent or by any Obligor with the consent of the Directing Senior Collateral Agent (the party so Disposing of such Collateral being called the “**Disposing Party**”), the Disposing Party shall take reasonable care (as determined in the reasonable credit judgment of the Directing Senior Collateral Agent or the reasonable business judgment of such Obligor, as the case may be) to obtain a fair market price under the prevailing market conditions and, if the Disposing Party is an Obligor, to conduct such Disposition in a commercially reasonable manner (it being understood that the Disposing Party shall have no obligation to postpone any such Disposition in order to achieve a higher price, and that any Disposition approved by any bankruptcy court in any Insolvency or Liquidation Proceeding shall be conclusively presumed to be made at a fair market price and to have been conducted in a commercially reasonable manner). The proceeds of any such Disposition shall be applied in accordance with Section 4.1.

(b) If in connection with any sale, lease, exchange, transfer or other disposition (collectively, a “**Disposition**”) of any Collateral by any Obligor permitted under the terms of both the Senior Financing Documents and the Junior Financing Documents (other than in connection with an Enforcement Action or other exercise of any Collateral Agent’s rights or remedies in respect of the Collateral, which shall be governed by Section 5.1(a) above), the Directing Senior Collateral Agent or any other Senior Collateral Agent, for itself or on behalf of any of the other Senior Claimholders, releases any of its Liens on any part of the Collateral in which a Senior Claimholder has a Senior Lien, or releases any Obligor from its obligations under its guaranty of the Senior Obligations, in each case other than in connection with, or following, the Discharge of Senior Obligations, then the Liens, if any, of each Junior Collateral Agent, for itself or for the benefit of its Related Claimholders, on such Collateral, and the obligations of such Obligor under its guaranty of the Junior Obligations, shall be automatically, unconditionally and simultaneously released; provided that such release by such Junior Collateral Agent, for itself or for the benefit of its Related Claimholders, shall not extend to or otherwise affect any of the rights of the Junior Claimholders to the proceeds from any such Disposition. Each Junior Collateral Agent, for itself or on behalf of its Related Claimholders, promptly shall execute and deliver to the Directing Senior Collateral Agent or such Obligor such termination statements, releases and other documents as the Directing Senior Collateral Agent or such Obligor may request to effectively confirm the foregoing releases upon delivery to the Junior Collateral Agents of copies of such termination statements, releases and other documents used to effect such release with respect to the Collateral in which a Senior Claimholder has a Senior Lien securing the Senior Obligations from a Responsible Officer of the Parent Borrower or the Directing Senior Collateral Agent and an officer’s certificate of a Responsible Officer of the requesting party stating that such disposition has been consummated in compliance with the terms of the Junior Financing Documents.

(c) Until the Discharge of Senior Obligations occurs, each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, hereby irrevocably constitutes and appoints the Directing Senior Collateral Agent and any officer or agent of the Directing Senior Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Collateral Agent or such Junior Claimholders or in the Directing Senior Collateral Agent's own name, from time to time in the Directing Senior Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release. This power is coupled with an interest and is irrevocable until the Discharge of Senior Obligations.

(d) Until the Discharge of Senior Obligations occurs, to the extent that any Senior Collateral Agent or the other Senior Claimholders (i) have released any Lien on Collateral in which a Senior Claimholder has a Senior Lien or any Obligor from its obligation under its guaranty and any such Liens or guaranty are later reinstated or (ii) obtain any additional guarantees from any Obligor or any Domestic Subsidiary (as defined in the ABL Credit Agreement or First Lien Credit Agreement, as applicable) of the Parent Borrower, then each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, shall be granted an additional Lien on such Collateral or guaranty from such Obligor, as applicable.

5.2 Insurance and Condemnation Awards. Until the Discharge of Senior Obligations has occurred, the Directing Senior Collateral Agent (acting at the direction of, or pursuant to authority granted by, the Required Senior Claimholders) shall have the sole and exclusive right, subject to the rights of the Obligors under the Senior Financing Documents, to settle or adjust claims over any insurance policy covering the Collateral in which a Senior Claimholder has a Senior Lien (including in respect of business interruption insurance) in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting such Collateral. Until the Discharge of Senior Obligations has occurred, and subject to the rights of the Obligors under the Senior Financing Documents, all proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) in respect of the Collateral in which a Senior Claimholder has a Senior Lien shall be paid to the Directing Senior Collateral Agent for the benefit of the Senior Claimholders pursuant to the terms of the Senior Documents, including any other intercreditor agreement among the Senior Collateral Agents (including, without limitation, for purposes of cash collateralization of commitments, letters of credit constituting Senior Obligations and obligations under Swap Contracts governing any First Lien Secured Swap Obligations or Second Lien Secured Swap Obligations constituting Senior Obligations) and thereafter, if the Discharge of Senior Obligations has occurred, and subject to the rights of the Obligors under the Junior Financing Documents, to the Directing Junior Collateral Agent for the benefit of the Junior Claimholders to the extent required under the Junior Collateral Documents, and thereafter, if the Discharge of the Junior Obligations has occurred, to the owner of the subject property, as directed by the Parent Borrower or as a court of competent jurisdiction may otherwise direct. Until the Discharge of Senior Obligations has occurred, if any Junior Collateral Agent or any other Junior Claimholders shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in respect of Collateral in which a Senior Claimholder has a Senior Lien in contravention of this Agreement, it shall segregate and hold in trust and forthwith pay such proceeds over to the Directing Senior Collateral Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Financing Documents.

(a) Subject to, in the case of the Term Loan Documents, the First Lien/Second Lien Intercreditor Agreement and any other intercreditor agreement among the Term Loan Claimholders, Financing Documents may be amended, restated, amended and restated, supplemented or otherwise modified in accordance with their terms, and the Financing Documents and any Obligations thereunder may be Refinanced, in each case, without notice to, or the consent of any Collateral Agent or any other Claimholder, all without affecting the Lien subordination or other provisions of this Agreement; provided that the holders of such Refinancing debt bind themselves in a writing addressed to the Collateral Agents and the other Claimholders to the terms of this Agreement or another intercreditor agreement that is reasonably satisfactory to the Collateral Agents, and any such amendment, restatement, amendment and restatement, supplement, modification or Refinancing shall not contravene the provisions of this Agreement or any other Financing Document.

(b) [Reserved.]

(c) In the event that any Senior Collateral Agent enters into any amendment, restatement, amendment and restatement, supplement or other modification in respect of or replaces any of the Senior Collateral Documents for purposes of adding to, or deleting from, or waiving or consenting to any departures from any provisions of any Senior Collateral Document or changing in any manner the rights of the applicable Senior Collateral Agent, the Senior Claimholders, or any Obligor thereunder, in each case in respect of the Collateral in which a Senior Claimholder has a Senior Lien (including the release of any Liens on such Collateral securing the Senior Obligations), then such amendment, restatement, amendment and restatement, supplement or other modification in a manner that is applicable to all Senior Claimholders and all Senior Obligations shall apply automatically to any comparable provisions of each Comparable Junior Collateral Document without the consent of any Junior Collateral Agent, Junior Claimholder or any Obligor; provided, however that (1) such amendment, restatement, amendment and restatement, supplement or other modification does not (A) remove assets subject to any Liens on the Collateral securing any of the Junior Obligations or release any such Liens, except to the extent such release is permitted or required by Section 5.1 and provided there is a concurrent release of the corresponding Liens securing the Senior Obligations, (B) affect the rights or duties of any Junior Collateral Agent without its consent or (C) otherwise materially adversely affect the rights of the applicable Junior Claimholders or the interest of the applicable Junior Claimholders in such Collateral and not the Senior Collateral Agent or the Senior Claimholders that have a Senior Lien on the affected Collateral in a like manner, and (2) written notice of such amendment, restatement, amendment and restatement, supplement or other modification shall have been given to each Junior Collateral Agent within ten (10) Business Days of the effectiveness thereof (it being understood that the failure to deliver such notice shall not impair the effectiveness of any such amendment, restatement, amendment and restatement, supplement or other modification).

5.4 Confirmation of Subordination in Collateral Documents. (a) Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, agrees that (x) the First Lien Credit Agreement and each other applicable First Lien Financing Document shall include the language in clause (i) below (y) the Second Lien Notes Indenture and each other applicable Second Lien Financing Document shall include the language in clause (ii) below and (z) each Term Loan Collateral Document shall include the language in clause (iii) below (or, in each case, language to similar effect approved by the ABL Credit Agreement Collateral Agent):

(i) “Each lender hereunder (a) acknowledges that it has received a copy of the Intercreditor Agreements, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (c) authorizes and instructs the administrative agent or collateral agent (or similar agent) hereunder to enter into Intercreditor Agreements as agent and on behalf of such lender. The foregoing provisions are intended as an inducement to the lenders under the ABL Loan Documents, the holders of notes issued pursuant to the Second Lien Notes Indenture and any documentation governing other parity liens or junior lien Indebtedness permitted to be incurred hereunder to extend credit to the Parent Borrower and such lenders and holders are intended third-party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of any Intercreditor Agreement and this Agreement, the provisions of such Intercreditor Agreement shall control. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, prior to the payment in full of the ABL Obligations to the extent that any Loan Party is required to give physical possession over any Collateral (other than Term Loan Priority Collateral) to the Administrative Agent under this Agreement or the other Loan Documents, such requirement to give possession shall be satisfied if such Collateral is delivered to and held by the ABL Agent pursuant to the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement entered into after the Closing Date.”

(ii) “Each Holder, by accepting a Note, (a) acknowledges that it has received a copy of each Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of each Intercreditor Agreement, (c) authorizes and instructs the collateral agent (or similar agent) hereunder to enter into each Intercreditor Agreement as agent and on behalf of such Holder and (d) if such Intercreditor Agreement subordinates the Liens securing the [Obligations], hereby consents to such subordination on the terms set forth in such Intercreditor Agreement. The foregoing provisions are intended as an inducement to the [Applicable Secured Parties] to extend credit to the Parent Borrower and such [Applicable Secured Parties] are intended third-party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of any Intercreditor Agreement and this Indenture, the provisions of such Intercreditor Agreement shall control.”

(iii) “Notwithstanding anything herein to the contrary, the Liens and the Security Interest granted to the [Administrative][Collateral] Agent pursuant to this Agreement and the exercise of any right or remedy by the [Administrative][Collateral] Agent hereunder are subject in all respects to the provisions of the Intercreditor Agreements. In the event of any conflict between the terms of any Intercreditor Agreement and this Agreement, the terms of such Intercreditor Agreement shall govern and control.”

(b) The ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, agrees that (x) the ABL Credit Agreement shall include the language in clause (i) below and (y) each ABL Collateral Document shall include the language in clause (ii) below (or, in each case, language to similar effect approved by the Directing Term Loan Collateral Agent):

(i) “Each Lender hereunder (a) acknowledges that it has received a copy of the ABL Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement, (c) authorizes and instructs the Administrative Agent to enter into the ABL Intercreditor Agreements as Administrative Agent and on behalf of such Lender and (d) hereby consents to the subordination of the Liens securing the Obligations on the terms set forth in the ABL Intercreditor Agreement. The foregoing provisions are intended as an inducement to the lenders under the [First Lien Loan Documents] and the [Second Lien Loan Documents] to extend credit to the Loan Parties and such lenders are intended third-party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of the ABL Intercreditor Agreement and this Agreement, the provisions of the ABL Intercreditor Agreement shall control.”

(ii) “Notwithstanding anything herein to the contrary, the Liens and the Security Interest granted to the Administrative Agent pursuant to this Agreement and the exercise of any right or remedy by the Administrative Agent hereunder are subject in all respects to the provisions of the ABL Intercreditor Agreement. In the event of any conflict between the terms of the ABL Intercreditor Agreement and this Agreement, the terms of the ABL Intercreditor Agreement shall govern and control.”

5.5 Gratuitous Bailee/Agent for Perfection; Shared Collateral Documents.

(a) Each Collateral Agent agrees to hold that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC or other applicable law (such Collateral being the “**Pledged Collateral**”) as gratuitous bailee on behalf of and for the benefit of each other Collateral Agent (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) solely for the purpose of perfecting, or improving the priority of, the security interest granted under the Collateral Documents, subject to the terms and conditions of this Section 5.5; provided that, in the case of any such possession or control of Collateral by any Junior Collateral Agent, the foregoing shall not be deemed to be a waiver of any restriction set forth herein on such possession or control or of any breach by such Junior Collateral Agent of any terms of this Agreement in respect of such possession or control.

(b) Until the Discharge of Senior Obligations has occurred, each Senior Collateral Agent shall be entitled to deal with the Pledged Collateral that constitutes Collateral in which it has a Senior Lien in accordance with the terms of the Senior Financing Documents as if the Liens of any Junior Collateral Agent under the Junior Collateral Documents did not exist. The rights of each Junior Collateral Agent in Collateral in which it has a Junior Lien shall at all times be subject to the terms of this Agreement and to each Senior Collateral Agent’s rights under the Senior Financing Documents.

(c) No Collateral Agent shall have any obligation whatsoever to any Claimholder to ensure that the Pledged Collateral is genuine or owned by any of the Obligors or to preserve rights or benefits of any Person with respect thereto except as expressly set forth in this Section 5.5 or, in the case of any Junior Collateral Agent, the other provisions hereof (including the turnover provisions set forth in Section 4.2). The duties or responsibilities of each Collateral Agent under this Section 5.5 shall be limited solely to holding the Pledged Collateral as bailee in accordance with this Section 5.5 and, in the case of any Senior Collateral Agent, delivering the Pledged Collateral to the Directing Junior Collateral Agent upon a Discharge of Senior Obligations as provided in paragraph (e) below or, in the case of any Junior Collateral Agent, delivering the Pledged Collateral to the Directing Senior Collateral Agent in accordance with the provisions hereof (including the turnover provisions set forth in Section 4.2).

(d) Each Collateral Agent, for itself and on behalf of its Related Claimholders, hereby waives and releases each other Collateral Agent and each other Claimholder from all claims and liabilities arising pursuant to any Collateral Agent’s role under this Section 5.5 as gratuitous bailee and gratuitous agent with respect to the Pledged Collateral; provided that, in the case of any possession or control of any Pledged Collateral in which a Senior Claimholder has a Senior Lien by any Junior Collateral Agent, the foregoing shall not be deemed to be a waiver of any restriction set forth herein on such possession or control or of any breach by such Junior Collateral Agent of any terms of this Agreement in respect of such possession or control. None of the Term Loan Collateral Agents or any other Term Loan Claimholders shall have by reason of the Term Loan Collateral Documents, the ABL Collateral Documents, the Shared Collateral Documents, this Agreement or any other document, a fiduciary relationship in respect of the ABL Credit Agreement Collateral Agent or any other ABL Claimholder, and it is understood and agreed that the interests of the Term Loan Collateral Agents and the other Term Loan Claimholders, on the one hand, and the ABL Credit Agreement Collateral Agent and the other ABL Claimholders, on the other hand, may differ and that the Term Loan Collateral Agents and the other Term Loan Claimholders shall be fully entitled to act in their own interest without taking into account the interests of the ABL Credit Agreement Collateral Agent or the other ABL Claimholders. Neither the ABL Credit Agreement Collateral Agent nor any other ABL Claimholders shall have by reason of the ABL Collateral Documents, the Term Loan Collateral Documents, the Shared Collateral Documents, this Agreement or any other document, a fiduciary relationship in respect of any Term Loan Collateral Agent or any other Term Loan Claimholder, and it is understood and agreed that the interests of the ABL Credit Agreement Collateral Agent and the other ABL Claimholders, on the one hand, and the Term Loan Collateral Agents and the other Term Loan Claimholders, on the other hand, may differ and that the ABL Credit Agreement Collateral Agent and the other ABL Claimholders shall be fully entitled to act in their own interest without taking into account the interests of the Term Loan Collateral Agents or the other Term Loan Claimholders.

(e) Upon the Discharge of Senior Obligations, each Senior Collateral Agent shall deliver the remaining Pledged Collateral in its possession (if any) (or proceeds thereof) together with any necessary endorsements (such endorsement shall be without recourse and without any representation or warranty), first, to the Directing Junior Collateral Agent, to the extent the Discharge of Junior Obligations has not occurred and second, upon the Discharge of Junior Obligations, to the Obligors to the extent no Obligations remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Pledged Collateral) or as a court of competent jurisdiction may otherwise direct. Following the Discharge of Senior Obligations, each Senior Collateral Agent further agrees to take, at the expense of the Obligors (which expense reimbursement shall be subject to the provisions of the applicable Senior Document), all other actions reasonably requested by the Directing Junior Collateral Agent in connection with the Directing Junior Collateral Agent obtaining a first-priority interest in the Pledged Collateral that is in such Senior Collateral Agent's possession or control.

5.6 When Discharge of Senior Obligations Deemed to Not Have Occurred. If, substantially concurrently with or after the Discharge of Senior Obligations having occurred, the Parent Borrower or any other Obligor enters into any Refinancing of any Senior Financing Document evidencing a Senior Obligation, which Refinancing is permitted hereby and by the terms of the Junior Financing Documents, then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of the Senior Financing Document shall automatically be treated as Senior Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the New Senior Agent shall be a Senior Collateral Agent (and, if applicable in accordance with the definition of such term, the Directing Senior Collateral Agent) for all purposes of this Agreement. Upon receipt of a notice from the Parent Borrower or any other Obligor stating that the Parent Borrower or such other Obligor has entered into a Refinancing of any Senior Financing Document (which notice shall include the identity of the new senior collateral agent (such agent, the "**New Senior Agent**")), each Collateral Agent shall promptly (a) enter into such documents and agreements (including amendments or supplements to, or amendment and restatement of, this Agreement) as the Parent Borrower, such other Obligor or the New Senior Agent shall reasonably request in order to provide to the New Senior Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement, and (b) in the case of each Junior Collateral Agent only, deliver to the New Senior Agent (if it is the Directing Senior Collateral Agent) any Pledged Collateral in which the New Senior Agent is to have a Senior Lien held by it together with any necessary endorsements (or otherwise allow the New Senior Agent to obtain control of such Pledged Collateral). The New Senior Agent shall agree in a writing addressed to the other Collateral Agents and the other Claimholder to be bound by the terms of this Agreement, for itself and on behalf of its Related Claimholders.

5.7 [Reserved].

5.8 Consent to License to Use Intellectual Property. Each Term Loan Collateral Agent, on behalf of its Related Claimholders (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Obligor to the ABL Credit Agreement Collateral Agent of a non-exclusive royalty-free license to use, subject to any limitations and restrictions in any relevant ABL Collateral Document, for a period not to exceed 180 days (commencing with the initiation of any enforcement of Liens by any of the Term Loan Collateral Agents (provided, in each case, that the ABL Credit Agreement Collateral Agent has received notice thereof) or the ABL Credit Agreement Collateral Agent (it being understood that such 180-day period shall not commence as a result of an exercise of rights solely in connection with the occurrence and continuation of a Dominion Period, as such term is defined in the ABL Credit Agreement (as in effect on the date hereof))) any Patent, Trademark or proprietary information of such Obligor that is subject to a Lien held by any Term Loan Collateral Agent (or any Patent, Trademark or proprietary information acquired by such purchaser, assignee or transferee from any Obligor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the ABL Credit Agreement Collateral Agent a non-exclusive royalty-free license to use for a period not to exceed 180 days (commencing with (x) the initiation of any enforcement of Liens by any Collateral Agent (it being understood that such 180-day period shall not commence as a result of an exercise of rights solely in connection with the occurrence and continuation of a Dominion Period, as such term is defined in the ABL Credit Agreement (as in effect on the date hereof)) or (y) the purchase, assignment or transfer, as the case may be (provided, in each case, that the ABL Credit Agreement Collateral Agent has received notice thereof)) any Patent, Trademark or proprietary information that is subject to a Lien held by any Term Loan Collateral Agent (or subject to such purchase, assignment or transfer, as the case may be), in each case in connection with the enforcement of any Lien held by the ABL Credit Agreement Collateral Agent upon any Inventory or other ABL Priority Collateral of any Obligor and to the extent the use of such Patent, Trademark or proprietary information is necessary or appropriate, in the good faith opinion of the ABL Credit Agreement Collateral Agent, to process, ship, produce, store, complete, supply, lease, sell or otherwise dispose of any such Inventory in any lawful manner. The 180 day license periods shall be tolled during the pendency of any Insolvency or Liquidation Proceeding of any Obligor pursuant to which the ABL Credit Agreement Collateral Agent is effectively stayed from enforcing its rights and remedies with respect to the ABL Priority Collateral.

5.9 Access to Information. If any Term Loan Collateral Agent takes actual possession of any documentation of an Obligor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of any Term Loan Collateral Agent), then upon the reasonable request of the ABL Credit Agreement Collateral Agent and reasonable advance notice, the Term Loan Collateral Agents will permit the ABL Credit Agreement Collateral Agent or its representative to inspect and copy such documentation.

5.10 Access to Property to Process and Sell Inventory. (a) (i) If the ABL Credit Agreement Collateral Agent commences any action or proceeding with respect to any of its rights or remedies (including any action of foreclosure but excluding any exercise of rights solely in connection with the occurrence and continuation of a Dominion Period, as such term is defined in the ABL Credit Agreement (as in effect on the date hereof)), enforcement, collection or execution with respect to the ABL Priority Collateral ("ABL Priority Collateral Enforcement Actions") or if any Term Loan Collateral Agent commences any action or proceeding with respect to any of its rights or remedies (including any action of foreclosure), enforcement, collection or execution with respect to the Term Loan Priority Collateral, and such Term Loan Collateral Agent (or a purchaser at a foreclosure sale conducted in foreclosure of any Liens of any Term Loan Collateral Agent) takes actual or constructive possession of Term Loan Priority Collateral of any Obligor ("Term Loan Priority Collateral Enforcement Actions"), then the applicable Term Loan Claimholders shall (subject to, in the case of any Term Loan Priority Collateral Enforcement Action, a prior written request by the ABL Credit Agreement Collateral Agent to the applicable Term Loan Collateral Agent (the "Term Loan Priority Collateral Enforcement Action Notice")) (x) cooperate with the ABL Credit Agreement Collateral Agent (and with its officers, employees, representatives and agents) in its efforts to conduct ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral and to finish any work-in-process and process, ship, produce, store, complete, supply, lease, sell or otherwise handle, deal with, assemble or dispose of, in any lawful manner, the ABL Priority Collateral, (y) not hinder or restrict in any respect the ABL Credit Agreement Collateral Agent from conducting ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral or from finishing any work-in-process or processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral, and (z) permit the ABL Credit Agreement Collateral Agent, its employees, agents, advisers and representatives, at the cost and expense of the ABL Claimholders, to enter upon any real property of the Obligors and to use the Term Loan Priority Collateral (including equipment, processors, computers and other machinery related to the storage or processing of records, documents or files and intellectual property), for a period commencing on (I) the date of the initial ABL Priority Collateral Enforcement Action or the date of delivery of the Term Loan Priority Collateral Enforcement Action Notice, as the case may be, and (II) ending on the earlier of the date occurring 180 days thereafter and the date on which all ABL Priority Collateral (other than ABL Priority Collateral abandoned by the ABL Credit Agreement Collateral Agent in writing) has been removed from such real property or the Term Loan Priority Collateral (such period, the "ABL Priority Collateral Processing and Sale Period"), for purposes of:

- (A) assembling and storing the ABL Priority Collateral and completing the processing of and turning into finished goods any ABL Priority Collateral consisting of work-in- process;
- (B) selling any or all of the ABL Priority Collateral located in or on such real property or Term Loan Priority Collateral, whether in bulk, in lots or to customers in the ordinary course of business or otherwise;
- (C) removing and transporting any or all of the ABL Priority Collateral located in or on such real property or Term Loan Priority Collateral;
- (D) otherwise processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral; and/or
- (E) taking reasonable actions to protect, secure, and otherwise enforce the rights or remedies of the ABL Claimholders and/or the ABL Credit Agreement Collateral Agent (including with respect to any ABL Priority Collateral Enforcement Actions) in and to the ABL Priority Collateral;

provided, however, that nothing contained in this Agreement shall restrict the rights of any Term Loan Collateral Agent from selling, assigning or otherwise transferring any Term Loan Priority Collateral prior to the expiration of such ABL Priority Collateral Processing and Sale Period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the ABL Credit Agreement Collateral Agent and the ABL Claimholders) to be bound by the provisions of this Section 5.10. If any stay or other order prohibiting the exercise of remedies with respect to the ABL Priority Collateral has been entered by a court of competent jurisdiction, such ABL Priority Collateral Processing and Sale Period shall be tolled during the pendency of any such stay or other order.

(ii) During the period of actual occupation, use and/or control by the ABL Claimholders and/or the ABL Credit Agreement Collateral Agent (or their respective employees, agents, advisers and representatives) of any real property or Term Loan Priority Collateral, the ABL Claimholders and the ABL Credit Agreement Collateral Agent shall be obligated to repair at their expense any physical damage to such real property or Term Loan Priority Collateral resulting from such occupancy, use or control, and to leave such real property or Term Loan Priority Collateral in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted. Notwithstanding the foregoing, in no event shall the ABL Claimholders or the ABL Credit Agreement Collateral Agent have any liability to the Term Loan Claimholders pursuant to this Section 5.10(a) as a result of any condition (including any environmental condition, claim or liability) on or with respect to such real property or the Term Loan Priority Collateral existing prior to the date of the exercise by the ABL Claimholders of their rights under this Section 5.10(a) and the ABL Claimholders shall have no duty or liability to maintain such real property or the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the ABL Claimholders, or for any diminution in the value of such real property or the Term Loan Priority Collateral that results from ordinary wear and tear resulting from the use of such real property or the Term Loan Priority Collateral by the ABL Claimholders in the manner and for the time periods specified under this Section 5.10(a). Without limiting the rights granted in this Section 5.10(a), the ABL Claimholders shall cooperate with the Term Loan Claimholders in connection with any efforts made by the Term Loan Claimholders to sell the Term Loan Priority Collateral.

(b) The ABL Claimholders shall (i) use such real property and the Term Loan Priority Collateral in accordance with applicable law; (ii) obtain insurance for damage to property and liability to persons, including property and liability insurance, substantially similar to the insurance maintained by the Obligors, naming each of the Term Loan Collateral Agents as mortgagee, loss payee and additional insured, at no cost to the Term Loan Claimholders, but only to the extent such insurance is not otherwise in effect; and (iii) indemnify the Term Loan Claimholders from any claim, loss, damage, cost or liability arising out of any claim asserted by any third party as a result of any acts or omissions by the ABL Credit Agreement Collateral Agent, or any of its agents or representatives, in connection with the exercise by the ABL Claimholders of their rights of access set forth in this Section 5.10. In no event shall any ABL Claimholders have any liability to the Term Loan Claimholders pursuant to this Section 5.10(b) or otherwise as a result of any condition on or with respect to such real property or the Term Loan Priority Collateral existing prior to the date of the exercise by the ABL Claimholders of their access rights under this Section 5.10(b), and the ABL Claimholders shall have no duty or liability to maintain such real property or the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the access and/or use thereof by the ABL Claimholders.

(c) Each of the Term Loan Collateral Agents (x) shall, at the request of the ABL Credit Agreement Collateral Agent, provide reasonable cooperation to the ABL Credit Agreement Collateral Agent in connection with the manufacture, production, completion, handling, removal and sale of any ABL Priority Collateral by the ABL Credit Agreement Collateral Agent as provided above and (y) shall be entitled to receive, from the ABL Credit Agreement Collateral Agent, fair compensation and reimbursement for their reasonable costs and expenses incurred in connection with such cooperation, support and assistance to the ABL Credit Agreement Collateral Agent. Each of the Term Loan Collateral Agents and/or any such purchaser (or its transferee or successor) shall not otherwise be required to manufacture, produce, complete, remove, insure, protect, store, safeguard, sell or deliver any Inventory subject to any Lien held by the ABL Credit Agreement Collateral Agent or to provide any support, assistance or cooperation to the ABL Credit Agreement Collateral Agent in respect thereof.

5.11 Obligor Consent. Each Obligor consents to the performance by each of the Term Loan Collateral Agents of the obligations set forth in Sections 5.8, 5.9 and 5.10 and acknowledges and agrees that no Term Loan Claimholder shall ever be accountable or liable for any action taken or omitted by any ABL Claimholder or its or any of their officers, employees, agents successors or assigns in connection therewith or incidental thereto or in consequence thereof.

SECTION 6. Insolvency or Liquidation Proceedings.

6.1 Finance and Sale Issues.

(a) Until the Discharge of Term Loan Obligations has occurred, if any Obligor shall be subject to any Insolvency or Liquidation Proceeding and the Directing Term Loan Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code or any similar Debtor Relief Law) constituting Term Loan Priority Collateral or to permit any Obligor to obtain financing, whether from the Term Loan Claimholders or any other Person, under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law, that is (i) secured by Liens that are senior or pari passu with the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations and (ii) secured by Liens that are junior to the Liens on the ABL Priority Collateral securing the ABL Obligations or not secured by the ABL Priority Collateral (each a “**Term Loan DIP Financing**”), then the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, agrees that it and its Related Claimholders will raise no objection to, or oppose or contest (or join with or support any third party opposing, objecting or contesting), such Cash Collateral use or Term Loan DIP Financing (including any proposed orders for such Cash Collateral use and/or Term Loan DIP Financing which are acceptable to the Directing Term Loan Collateral Agent) and it and its Related Claimholders will be deemed to have consented to such Cash Collateral use or Term Loan DIP Financing (including such proposed orders), and to the extent the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations are subordinated to or pari passu with such Term Loan DIP Financing, the ABL Credit Agreement Collateral Agent will subordinate its Liens on the Term Loan Priority Collateral to the Liens securing such Term Loan DIP Financing (and all obligations relating thereto and any customary “carve-out” agreed to on behalf of the Term Loan Claimholders by the Directing Term Loan Collateral Agent) and to all adequate protection Liens granted to the Term Loan Claimholders on property of the type constituting Term Loan Priority Collateral on the same basis as the Liens securing the ABL Obligations are subordinated to the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations under this Agreement and will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the Directing Term Loan Collateral Agent or to the extent permitted by Section 6.3); provided that (i) the aggregate principal amount of Indebtedness for borrowed money under such DIP Financing plus the aggregate outstanding principal amount of Indebtedness for borrowed money under the Term Loan Financing Documents (which, for the avoidance of doubt, excludes any Term Loan Other Obligations) plus the aggregate face amount of any First Lien Letters of Credit (except any portion thereof that is no longer available for drawing as a result of any disbursement thereunder that has been reimbursed) does not exceed the Term Loan Cap Amount, (ii) the ABL Credit Agreement Collateral Agent and the other ABL Claimholders retain a Lien on the Collateral to secure the ABL Obligations, and, with respect to the ABL Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (iii) the foregoing provisions of this Section 6.1(a) shall not prevent the ABL Credit Agreement Collateral Agent and the ABL Claimholders from objecting to any provision in any Term Loan DIP Financing (or such use of Cash Collateral, as applicable) (x) relating to any provision or content of a plan of reorganization or liquidation that is inconsistent with this Agreement or (y) requiring any Obligor to seek any approval for any plan of reorganization or liquidation that is inconsistent with the terms of this Agreement.

(b) Until the Discharge of ABL Obligations has occurred, if any Obligor shall be subject to any Insolvency or Liquidation Proceeding and the ABL Credit Agreement Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code or any similar Debtor Relief Law) constituting ABL Priority Collateral or to permit any Obligor to obtain financing, whether from the ABL Claimholders or any other Person, under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law, that is (i) secured by Liens that are senior or *pari passu* with the Liens on the ABL Priority Collateral securing the ABL Obligations and (ii) secured by Liens that are junior to the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations or not secured by the Term Loan Priority Collateral (each a “**ABL DIP Financing**”), then each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, agrees that it and its Related Claimholders will raise no objection to, or oppose or contest (or join with or support any third party opposing, objecting or contesting), such Cash Collateral use or ABL DIP Financing (including any proposed orders for such Cash Collateral use and/or ABL DIP Financing which are acceptable to the ABL Credit Agreement Collateral Agent) and it and its Related Claimholders will be deemed to have consented to such Cash Collateral use or ABL DIP Financing (including such proposed orders), and to the extent the Liens on the ABL Priority Collateral securing the ABL Obligations are subordinated to or *pari passu* with such ABL DIP Financing, each Term Loan Collateral Agent will subordinate its Liens on the ABL Priority Collateral to the Liens securing such ABL DIP Financing (and all obligations relating thereto and any customary “carve-out” agreed to on behalf of the ABL Claimholders by the ABL Credit Agreement Collateral Agent) and to all adequate protection Liens granted to the ABL Claimholders on property of the type constituting ABL Priority Collateral on the same basis as the Liens securing the Term Loan Obligations are subordinated to the Liens on the ABL Priority Collateral securing the ABL Obligations under this Agreement and will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the ABL Credit Agreement Collateral Agent or to the extent permitted by Section 6.3); provided that (i) the aggregate principal amount of Indebtedness for borrowed money under such DIP Financing plus the aggregate outstanding principal amount of Indebtedness for borrowed money under the ABL Financing Documents (which, for the avoidance of doubt, excludes any ABL Other Obligations) plus the aggregate face amount of any ABL Letters of Credit (except any portion thereof that is no longer available for drawing as a result of any disbursement thereunder that has been reimbursed) does not exceed the ABL Cap Amount, (ii) each Term Loan Collateral Agent and the other Term Loan Claimholders retain a Lien on the Collateral to secure the Term Loan Obligations, and, with respect to the Term Loan Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (iii) the foregoing provisions of this Section 6.1(b) shall not prevent the Term Loan Collateral Agents and the Term Loan Claimholders from objecting to any provision in any ABL DIP Financing (or use of such Cash Collateral, as applicable) (x) relating to any provision or content of a plan of reorganization or liquidation that is inconsistent with this Agreement or (y) requiring any Obligor to seek any approval for any plan of reorganization or liquidation that is inconsistent with the terms of this Agreement.

(c) Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, agrees that it and its Related Claimholders will not seek consultation rights in connection with, and will raise no objection or oppose or contest (or join with or support any third party objecting, opposing or contesting), a motion to sell, liquidate or otherwise Dispose of Collateral in which the Junior Claimholders have a Junior Lien under Section 363 of the Bankruptcy Code if the requisite Senior Claimholders have consented to such sale, liquidation or other Disposition; provided that (1) to the extent the net cash proceeds of such sale or other Disposition are used to pay the principal amount of Indebtedness for borrowed money constituting Senior Obligations, or to reimburse disbursements under, or cash collateralize the face amount of, the Letters of Credit constituting Senior Obligations, the Liens of the Junior Claimholders shall attach to any remaining proceeds and (2) such motion does not impair the rights of the Junior Claimholders under Section 363(k) of the Bankruptcy Code; and provided, further, however, that the Junior Claimholders may assert any objection with respect to any proposed orders to retain professionals or set bid or related procedures in connection with such sale, liquidation or Disposition that may be raised by an unsecured creditor of the Obligors.

6.2 Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Junior Collateral Agent, on behalf of itself and its Related Claimholders agrees that none of them shall (a) seek (or support any other Person seeking) relief from or modification of the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of any of the Collateral in which a Junior Claimholder has a Junior Lien, in each case without the prior written consent of the Directing Senior Collateral Agent, or (b) oppose (or support any other Person in opposing) any request by any Senior Collateral Agent for relief from or modification of such stay.

6.3 Adequate Protection.

(a) The ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(i) any request by any Term Loan Collateral Agent or the other Term Loan Claimholders for adequate protection with respect to the Term Loan Priority Collateral under any Debtor Relief Law; or

(ii) any objection by any Term Loan Collateral Agent or the other Term Loan Claimholders to any motion, relief, action or proceeding based on such Term Loan Collateral Agent or the other Term Loan Claimholders claiming a lack of adequate protection with respect to the Term Loan Priority Collateral.

(b) Notwithstanding the foregoing provisions in Section 6.3(a), in any Insolvency or Liquidation Proceeding:

(i) if the Term Loan Claimholders (or any subset thereof) are granted adequate protection with respect to the Term Loan Priority Collateral in the form of a Lien on additional or replacement collateral in connection with any use of Cash Collateral or DIP Financing, then the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien will be subordinated to the Liens securing the Term Loan Obligations and such use of Cash Collateral or DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the ABL Obligations are so subordinated to the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations under this Agreement; and

(ii) the ABL Credit Agreement Collateral Agent and the other ABL Claimholders shall only be permitted to seek adequate protection with respect to their respective rights in the Term Loan Priority Collateral in any Insolvency or Liquidation Proceeding in the form of (A) additional collateral; provided that as adequate protection for the Term Loan Obligations, each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, is also granted a Lien on such additional collateral that is senior to any Lien granted to the ABL Credit Agreement Collateral Agent and the other ABL Claimholders; (B) replacement Liens on the Term Loan Priority Collateral; provided that as adequate protection for the Term Loan Obligations, each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, is also granted replacement Liens on the Term Loan Priority Collateral that are senior to any Lien granted to the ABL Credit Agreement Collateral Agent and the other ABL Claimholders; (C) an administrative expense claim in respect of the Term Loan Priority Collateral; provided that as adequate protection for the Term Loan Obligations, each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, is also granted an administrative expense claim that is senior and prior to the administrative expense claim of the ABL Credit Agreement Collateral Agent and the other ABL Claimholders; (D) cash payments made with Term Loan Priority Collateral with respect to current fees and expenses; provided that (1) as adequate protection for the Term Loan Obligations, each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, is also granted cash payments made with Term Loan Priority Collateral with respect to current fees and expenses and (2) each Term Loan Collateral Agent may object to the amounts of fees and expenses sought by the ABL Credit Agreement Collateral Agent and the other ABL Claimholders; and (E) cash payments made with Term Loan Priority Collateral with respect to interest on the ABL Obligations; provided that (1) as adequate protection for the Term Loan Obligations, each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, is also granted cash payments made with Term Loan Priority Collateral with respect to interest on the Term Loan Obligation represented by it, and (2) such cash payments do not exceed an amount equal to the interest accruing on the principal amount of ABL Obligations outstanding on the date such relief is granted at the interest rate under the applicable ABL Documents and accruing from the date the ABL Credit Agreement Collateral Agent is granted such relief.

(c) Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(i) any request by the ABL Credit Agreement Collateral Agent or the other ABL Claimholders for adequate protection with respect to the ABL Priority Collateral under any Debtor Relief Law; or

(ii) any objection by the ABL Credit Agreement Collateral Agent or the other ABL Claimholders to any motion, relief, action or proceeding based on the ABL Credit Agreement Collateral Agent or the other ABL Claimholders claiming a lack of adequate protection with respect to the ABL Priority Collateral.

(d) Notwithstanding the foregoing provisions in Section 6.3(c), in any Insolvency or Liquidation Proceeding:

(i) if the ABL Claimholders (or any subset thereof) are granted adequate protection with respect to the ABL Priority Collateral in the form of a Lien on additional or replacement collateral in connection with any use of Cash Collateral or DIP Financing, then each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien will be subordinated to the Liens securing the ABL Obligations and such use of Cash Collateral or DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Term Loan Obligations are so subordinated to the Liens on the ABL Priority Collateral securing the ABL Obligations under this Agreement; and

(ii) each Term Loan Collateral Agent and the other Term Loan Claimholders shall only be permitted to seek adequate protection with respect to their respective rights in the ABL Priority Collateral in any Insolvency or Liquidation Proceeding in the form of (A) additional collateral; provided that as adequate protection for the ABL Obligations, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, is also granted a Lien on such additional collateral that is senior to any Lien granted to the Term Loan Collateral Agents and the other Term Loan Claimholders; (B) replacement Liens on the ABL Priority Collateral; provided that as adequate protection for the ABL Obligations, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, is also granted replacement Liens on the ABL Priority Collateral that are senior to any Lien granted to the Term Loan Collateral Agents and the other Term Loan Claimholders; (C) an administrative expense claim in respect of the ABL Priority Collateral; provided that as adequate protection for the ABL Obligations, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, is also granted an administrative expense claim that is senior and prior to the administrative expense claim of the Term Loan Collateral Agents and the other Term Loan Claimholders; (D) cash payments made with ABL Priority Collateral with respect to current fees and expenses; provided that (1) as adequate protection for the ABL Obligations, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, is also granted cash payments made with ABL Priority Collateral with respect to current fees and expenses and (2) the ABL Credit Agreement Collateral Agent may object to the amounts of fees and expenses sought by the Term Loan Collateral Agents and the other Term Loan Claimholders; and (E) cash payments made with ABL Priority Collateral with respect to interest on the Term Loan Obligations; provided that (1) as adequate protection for the ABL Obligations, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, is also granted cash payments made with ABL Priority Collateral with respect to interest on the ABL Obligation represented by it, and (2) such cash payments do not exceed an amount equal to the interest accruing on the principal amount of Term Loan Obligations outstanding on the date such relief is granted at the interest rate under the applicable Term Loan Documents and accruing from the date the Term Loan Collateral Agents are granted such relief.

6.4 No Waiver. Subject to Section 6.7(b), nothing contained herein shall prohibit or in any way limit any Senior Collateral Agent or any other Senior Claimholder from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Collateral Agent or any other Junior Claimholders, including the seeking by any Junior Collateral Agent or any other Junior Claimholders of adequate protection or the asserting by any Junior Collateral Agent or any other Junior Claimholders of any of its rights and remedies under the Junior Financing Documents or otherwise, in each case in respect of such Junior Claimholder's Liens in respect of the Collateral in which a Junior Claimholder has a Junior Lien. Without limiting the foregoing, notwithstanding anything herein to the contrary, the Senior Claimholders shall not be deemed to have consented to, and expressly retain their rights to object to, the grant of adequate protection in the form of cash payments to the Junior Claimholders made pursuant to Section 6.3(b) or (d), as applicable.

6.5 Reinstatement. If any Senior Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of any Obligor any amount paid in respect of Senior Obligations (a "**Recovery**"), then such Senior Claimholder shall be entitled to a reinstatement of its Senior Obligations with respect to all such recovered amounts on the date of such Recovery, and from and after the date of such reinstatement the Discharge of Senior Obligations and the Discharge of Term Loan Obligations or the Discharge of ABL Obligations, as applicable, shall be deemed not to have occurred for all purposes hereunder. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Any amounts received by any Junior Collateral Agent or any other Junior Claimholder on account of the Junior Obligations after the termination of this Agreement shall, upon a reinstatement of this Agreement pursuant to this Section 6.5, be held in trust for and paid over to the Directing Senior Collateral Agent for the benefit of the Senior Claimholders, for application to the reinstated Senior Obligations. This Section 6.5 shall survive termination of this Agreement.

6.6 Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan, both on account of ABL Obligations and on account of Term Loan Obligations, then, to the extent the debt obligations distributed on account of the ABL Obligations and on account of the Term Loan Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.7 Post-Petition Interest.

(a) Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, agrees that neither it nor its Related Claimholders shall oppose or seek to challenge (or join with any other Person opposing or challenging) any claim by any Senior Collateral Agent or any other Senior Claimholder for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of Post-Petition Interest to the extent of the value of the Senior Claimholders' Lien on the Collateral in which a Senior Claimholder has a Senior Lien. Regardless of whether any such claim for Post-Petition Interest is allowed or allowable, and without limiting the generality of the other provisions of this Agreement, this Agreement expressly is intended to include, and does include the "rule of explicitness," and is intended to provide the Senior Claimholders with the right to receive payment of all Post-Petition Interest through distributions made pursuant to the provisions of this Agreement on account of the Collateral in which a Senior Claimholder has a Senior Lien even though such Post-Petition Interest may not be not allowed or allowable against the bankruptcy estate of the Parent Borrower or any other Obligor under Section 502(b)(2) or Section 506(b) of the Bankruptcy Code or under any other provision of the Bankruptcy Code or any other Debtor Relief Law.

(b) Subject to Sections 6.3(b) and (d), none of any Senior Collateral Agent nor any of its Related Claimholders shall oppose or seek to challenge any claim by any Junior Collateral Agent or any other Junior Claimholder for allowance in any Insolvency or Liquidation Proceeding of Junior Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of any Junior Collateral Agent, on behalf of the Junior Claimholders, on the Junior Claimholders' Lien on the Collateral in which a Junior Claimholder has a Junior Lien (after taking into account the amount of the Senior Obligations).

6.8 Waivers. (a) Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, waives any claim it or its Related Claimholders may hereafter have against any Senior Claimholder arising out of (a) the election of any Senior Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code with respect to any Collateral in which a Senior Claimholder has a Senior Lien or (b) any cash collateral or financing arrangement, or any grant of a security interest in connection with the Collateral in which a Senior Claimholder has a Senior Lien, in any Insolvency or Liquidation Proceeding so long as such actions are not in express contravention of the terms of this Agreement.

(b) Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law senior to or on a parity with the Senior Liens on the Collateral in which a Senior Claimholder has a Senior Lien securing the Senior Obligations for costs or expenses of preserving or disposing of any such Collateral.

6.9 Separate Grants of Security and Separate Classification. Each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, and each Senior Collateral Agent, for itself and on behalf of its Related Claimholders, acknowledges and agrees that:

(a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute, and, in the case of the Shared Collateral Documents, are intended to constitute, two separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must, subject to applicable law, be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Claimholders and the Junior Claimholders in respect of any Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of senior and junior secured claims against the Obligors in respect of such Collateral with the effect being that, to the extent that the aggregate value of the Collateral in which a Senior Claimholder has a Senior Lien is sufficient (for this purpose ignoring all claims held by the Junior Claimholders), the Senior Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of senior and junior secured claims) in respect of Post-Petition Interest, including any additional interest payable pursuant to the Senior Documents arising from or related to a default, regardless of whether any such claim is allowed or allowable in any Insolvency or Liquidation Proceeding, before any distribution is made in respect of the claims held by the Junior Claimholders with respect to such Collateral, with each Junior Collateral Agent, for itself and on behalf of its Related Claimholders, hereby acknowledging and agreeing to turn over to the Directing Senior Collateral Agent, for itself and on behalf of the Senior Claimholders, such Collateral or proceeds of such Collateral or any other distribution (whether or not expressly characterized as such) in respect of such Collateral, otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Claimholders.

6.10 Effectiveness in Insolvency or Liquidation Proceedings. The parties acknowledge that this Agreement is a “subordination agreement” under Section 510(a) of the Bankruptcy Code and under comparable provisions of any other applicable Debtor Relief Law, which will be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. All references in this Agreement to any Obligor will include such Person as a debtor-in-possession and any receiver or trustee for such Person in any Insolvency or Liquidation Proceeding.

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, the ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, acknowledges that it and its Related Claimholders have, independently and without reliance on any Term Loan Collateral Agent or any other Term Loan Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the ABL Documents (as applicable) and be bound by the terms of this Agreement, and they will continue to make their own credit decision in taking or not taking any action under the ABL Documents or this Agreement. Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, acknowledges that it and its Related Claimholders have, independently and without reliance on the ABL Credit Agreement Collateral Agent or any other ABL Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Term Loan Documents and be bound by the terms of this Agreement, and they will continue to make their own credit decision in taking or not taking any action under the Term Loan Documents or this Agreement.

7.2 No Warranties or Liability.

(a) The ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, acknowledges and agrees that, except as set forth in Section 8.14, no Term Loan Collateral Agent or other Term Loan Claimholders have made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Term Loan Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. The Term Loan Claimholders will be entitled to manage and supervise their respective extensions of credit under the Term Loan Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate.

(b) Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, acknowledges and agrees that, except as set forth in Section 8.14, neither the ABL Credit Agreement Collateral Agent nor other ABL Claimholders have made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the ABL Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. The ABL Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the ABL Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate.

(c) The Term Loan Collateral Agents and the other Term Loan Claimholders shall have no duty to the ABL Credit Agreement Collateral Agent or any of the other ABL Claimholders, and the ABL Credit Agreement Collateral Agent and the other ABL Claimholders shall have no duty to the Term Loan Collateral Agents or any of the other Term Loan Claimholders, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Obligor (including the ABL Financing Documents and the Term Loan Financing Documents, but in each case other than this Agreement), regardless of any knowledge thereof which they may have or be charged with.

7.3 No Waiver of Lien Priorities.

(a) No right of the Senior Collateral Agents or any other Senior Claimholders, or any of them, to enforce any provision of this Agreement or of any Senior Document with respect to their Liens on the Collateral in which a Senior Claimholder has a Senior Lien shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Obligor or by any act or failure to act by any Senior Collateral Agent or any other Senior Claimholder, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Senior Documents or any of the Junior Documents, regardless of any knowledge thereof which the Senior Collateral Agents or the other Senior Claimholders, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (a) (but subject to the rights of the Senior Obligors under the Senior Documents and subject to the provisions of Section 5.3(a)), the Senior Collateral Agents and the other Senior Claimholders, or any of them, may at any time and from time to time in accordance with the Senior Documents and/or applicable law, without the consent of, or notice to, any Junior Collateral Agent or any other Junior Claimholders, without incurring any liabilities to any Junior Collateral Agent or any other Junior Claimholders and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Junior Collateral Agent or any other Junior Claimholders is affected, impaired or extinguished thereby) do any one or more of the following:

(1) make loans and advances to any Obligor or issue, provide or obtain Letters of Credit for the account of any Obligor or otherwise extend credit to any Obligor, in any amount and on any terms, whether pursuant to a commitment or as a discretionary advance and whether or not any default or event of default or failure of condition is then continuing;

(2) change the manner, place or terms of payment of, or change or extend the time of payment of, or amend, renew, exchange, increase or alter the terms of, any of the Senior Obligations or any Lien on any Collateral in which a Senior Claimholder has a Senior Lien or guaranty thereof or any liability of any Obligor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Senior Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by any Senior Collateral Agent or any of the other Senior Claimholders, the Senior Obligations or any of the Senior Documents;

(3) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral in which a Senior Claimholder has a Senior Lien or any liability of any Obligor to any Senior Collateral Agent or any other Senior Claimholders, or any liability incurred directly or indirectly in respect thereof;

(4) settle or compromise any Senior Obligation or any other liability of any Obligor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the Senior Obligations) in any manner or order;

(5) exercise or delay in or refrain from exercising any right or remedy against any Obligor or any security or any other Person or with respect to any security, elect any remedy and otherwise deal freely with any Obligor or any Collateral in which a Senior Claimholder has a Senior Lien and any security and any guarantor or any liability of any Obligor to the Senior Claimholders or any liability incurred directly or indirectly in respect thereof; and

(6) release or discharge any Senior Obligation or any guaranty thereof or any agreement or obligation of any Obligor or any other Person or entity with respect thereto.

(c) Until the Discharge of Senior Obligations, each Junior Collateral Agent, on behalf of itself and its Related Claimholders, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral on which it has a Junior Lien or any other similar rights a junior secured creditor may have under applicable law.

7.4 Waiver of Liability.

(a) Each Junior Collateral Agent, on behalf of itself and its Related Claimholders, agrees that the Senior Collateral Agents and the other Senior Claimholders shall have no liability to any Junior Collateral Agent or any other Junior Claimholders, and each Junior Collateral Agent, on behalf of itself and its Related Claimholders, hereby waives any claim against any Senior Collateral Agent or any other Senior Claimholder, arising out of any and all actions which any Senior Collateral Agent or any other Senior Claimholders may take or permit or omit to take with respect to: (i) the Senior Documents (including, without limitation, any failure to perfect or obtain perfected security interests in the Collateral in which a Senior Claimholder has a Senior Lien), (ii) the collection of the Senior Obligations or (iii) the foreclosure upon, or sale, liquidation or other Disposition of, any Collateral in which a Senior Claimholder has a Senior Lien. Each Junior Collateral Agent, on behalf of itself and its Related Claimholders, also agrees that the Senior Collateral Agents and the other Senior Claimholders have no duty, express or implied, fiduciary or otherwise, to them in respect of the maintenance or preservation of the Collateral in which a Senior Claimholder has a Senior Lien, the Senior Obligations or otherwise. Neither the Senior Collateral Agents nor any other Senior Claimholder nor any of their respective directors, officers, employees or agents will be liable for failure to demand, collect or realize upon any of the Collateral in which a Senior Claimholder has a Senior Lien or for any delay in doing so, or will be under any obligation to sell or otherwise Dispose of any such Collateral upon the request of any Obligor or upon the request of any Junior Collateral Agent, any other Junior Claimholder or any other Person or to take any other action whatsoever with regard to such Collateral or any part thereof. Without limiting the foregoing, each Junior Collateral Agent, on behalf of itself and its Related Claimholders, agrees that neither any Senior Collateral Agent nor any other Senior Claimholder (in directing the Senior Collateral Agent to take any action with respect to the Collateral in which a Senior Claimholder has a Senior Lien) shall have any duty or obligation to realize first upon any Collateral in which a Senior Claimholder has a Senior Lien or to sell or otherwise Dispose of all or any portion of such Collateral in any manner, including as a result of the application of the principles of marshaling or otherwise, that would maximize the return to any Senior Claimholders or any Junior Claimholders, notwithstanding that the order and timing of any such realization, sale or other Disposition may affect the amount of proceeds actually received by such Claimholders from such realization, sale or other Disposition.

(b) With respect to its share of the ABL Obligations, BoA shall have and may exercise the same rights and powers hereunder as, and shall be subject to the same obligations and liabilities as and to the extent set forth herein for, any other Claimholder, all as if BoA were not the ABL Credit Agreement Collateral Agent. With respect to its share of the First Lien Obligations, BoA shall have and may exercise the same rights and powers hereunder as, and shall be subject to the same obligations and liabilities as and to the extent set forth herein for, any other Claimholder, all as if BoA were not the First Lien Credit Agreement Collateral Agent. With respect to its share of the Second Lien Obligations, Ankura shall have and may exercise the same rights and powers hereunder as, and shall be subject to the same obligations and liabilities as and to the extent set forth herein for, any other Claimholder, all as if Ankura were not the Second Lien Notes Collateral Agent. The term "Claimholders" or any similar term shall, unless the context clearly otherwise indicates, include BoA, and Ankura, each in its individual capacity as a Claimholder. BoA and Ankura and their respective Affiliates may lend money to, and generally engage in any kind of business with, the Obligors or any of their Affiliates as if BoA were not acting as the ABL Credit Agreement Collateral Agent or the First Lien Credit Agreement Administrative Agent and Ankura were not acting as the Second Lien Notes Collateral Agent and without any duty to account hereof to any other Claimholder.

7.5 Obligations Unconditional. All rights, interests, agreements and obligations of the ABL Credit Agreement Collateral Agent and the other ABL Claimholders and the Term Loan Collateral Agents and the other Term Loan Claimholders, respectively, hereunder (including the Lien priorities established hereby) shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any ABL Documents or any Term Loan Documents;

(b) any change in the time, manner or place of payment of, or, subject to the limitations set forth in Section 5.3, in any other terms of, all or any of the ABL Obligations or Term Loan Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any ABL Document or any Term Loan Document;

(c) any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the ABL Obligations or Term Loan Obligations or any guaranty thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Obligor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Obligor in respect of the ABL Credit Agreement Collateral Agent, any other ABL Claimholder, the ABL Obligations, any Term Loan Collateral Agent, any other Term Loan Claimholder or the Term Loan Obligations in respect of this Agreement.

SECTION 8. Miscellaneous.

8.1 Conflicts.

(a) In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the ABL Documents or the Term Loan Documents, the provisions of this Agreement shall govern and control.

(b) The parties hereto acknowledge, authorize and consent to the entry by the Term Loan Collateral Agents into the First Lien/Second Lien Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the First Lien/Second Lien Intercreditor Agreement with respect to the rights and obligations of the Term Loan Collateral Agents and the other Term Loan Claimholders to each other in respect of the Term Loan Collateral, the provisions of the First Lien/Second Lien Intercreditor Agreement shall control.

8.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of Lien subordination and each of the ABL Claimholders and the Term Loan Claimholders may continue, at any time and without notice to any Term Loan Collateral Agent or any other Term Loan Claimholder or the ABL Credit Agreement Collateral Agent or any other ABL Claimholder, to extend credit and other financial accommodations and lend monies to or for the benefit of any Obligor constituting ABL Obligations and/or Term Loan Obligations in reliance hereon. Each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Obligor shall include such Obligor as debtor and debtor-in-possession and any receiver, trustee or similar Person for any Obligor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to the ABL Credit Agreement Collateral Agent, the other ABL Claimholders and the ABL Obligations, upon the Discharge of ABL Obligations, subject to Section 5.6 and the rights of the ABL Claimholders under Section 6.5; and

(b) with respect to any Term Loan Collateral Agent, the other Term Loan Claimholders and the Term Loan Obligations, upon the Discharge of Term Loan Obligations.

Notwithstanding the foregoing, such termination shall not relieve any such party of its obligations incurred hereunder prior to the date of such termination.

8.3 Amendments; Waivers. Neither this Agreement nor any provision hereof may be amended, modified or waived except pursuant to an agreement or agreements in writing entered into by the ABL Credit Agreement Collateral Agent, each Term Loan Collateral Agent then party hereto and each Obligor then party hereto; provided that (a) the Obligors, the ABL Credit Agreement Collateral Agent and the Directing Term Loan Collateral Agent may, at the reasonable expense of the Obligors and without the written consent of any other ABL Claimholder or any other Term Loan Claimholder, agree to any amendment to or other modifications of this Agreement for the purpose of giving effect to Section 8.21 or any Refinancing of any ABL Obligations or Term Loan Obligations and (b) additional Obligors may be added as parties hereto upon the execution and delivery of a counterpart of the Intercreditor Joinder Agreement in the form of Exhibit A hereto in accordance with the provisions of Section 8.18. Each of the Obligors, ABL Credit Agreement Collateral Agent and the Directing Term Loan Collateral Agent shall execute and deliver an amendment or other modification of this Agreement at the other's request to permit new creditors to become a party hereto as set forth in the proviso to the immediately preceding sentence. Notwithstanding the provisions of any other ABL Document or Term Loan Document, the ABL Credit Agreement Collateral Agent and the Directing Term Loan Collateral Agent may, with the consent of the Parent Borrower, make any amendments, restatements, amendment and restatements, supplements or other modifications to this Agreement to correct any ambiguity, defect or inconsistency contained herein without the consent of any other Person. Each waiver of the terms of this Agreement, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties owed to such party in any other respect or at any other time. Notwithstanding the foregoing, no Obligor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except (w) to the extent such amendment, modification or waiver imposes any additional obligation or liability upon such Obligor, (x) to the extent such Obligor's rights are directly and adversely affected by such amendment, modification or waiver, (y) to the extent applicable to such Obligor, with respect to any provision identified in Section 8.16 or (z) any amendment, modification or waiver of the ABL Cap Amount or the Term Loan Cap Amount, if the effect of such amendment, modification or waiver is to reduce the amount thereof from the amount thereof in effect on the date hereof; provided, however, that the Parent Borrower shall be given notice of any amendment, modification or waiver of this Agreement promptly after the effectiveness thereof (it being understood that the failure to deliver such notice to the Parent Borrower shall in no way impact the effectiveness of any such amendment, modification or waiver).

8.4 Information Concerning Financial Condition of the Obligors and their Subsidiaries. The ABL Credit Agreement Collateral Agent and the other ABL Claimholders, on the one hand, and the Term Loan Collateral Agents (other than the Second Lien Notes Collateral Agent) and the other Term Loan Claimholders, on the other hand, shall be responsible for keeping themselves informed of (a) the financial condition of the Obligors and their subsidiaries and all endorsers and/or guarantors of the ABL Obligations or the Term Loan Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the ABL Obligations or the Term Loan Obligations. The ABL Credit Agreement Collateral Agent, the Term Loan Collateral Agents, the ABL Claimholders and the Term Loan Claimholders shall have no duty to advise any other party of information known to it or them regarding such condition or any such circumstances or otherwise. In the event the ABL Credit Agreement Collateral Agent, any Term Loan Collateral Agents, any ABL Claimholders or any Term Loan Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation:

- (i) to make, and such person shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;
- (ii) to provide any additional information or to provide any such information on any subsequent occasion;
- (iii) to undertake any investigation; or
- (iv) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5 Subrogation. With respect to the value of any payments or distributions in cash, property or other assets that any Junior Collateral Agent or any other Junior Claimholder pays over to the Senior Collateral Agent or the other Senior Claimholders under the terms of this Agreement, such Junior Collateral Agent or such other Junior Claimholder shall be subrogated to the rights of each Senior Collateral Agent and the other Senior Claimholders; provided that each Junior Collateral Agent, on behalf of itself and its Related Claimholders, hereby agrees that neither it nor its Related Claimholders shall assert or enforce any such rights of subrogation it may acquire with respect to its Liens on the Collateral in which a Junior Claimholder has a Junior Lien as a result of any payment hereunder until the Discharge of Senior Obligations has occurred. Each Obligor acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by any Junior Collateral Agent or the other Junior Claimholders and paid over to the Senior Collateral Agent or the other Senior Claimholders pursuant to, and applied in accordance with, this Agreement, shall not relieve or reduce any of the Junior Obligations under the Junior Documents.

8.6 Application of Payments. All payments received by any Senior Collateral Agent or the other Senior Claimholders may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Claimholders, in their sole discretion, deem appropriate. Each Junior Collateral Agent, on behalf of itself and its Related Claimholders, consents to any extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security which may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

8.7 SUBMISSION TO JURISDICTION; WAIVERS.

(a) EACH OF THE PARTIES HERETO (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS) HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS) HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS) AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT. (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS).

(b) EACH PARTY TO THIS AGREEMENT (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS) IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 8.8. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

(c) EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS), TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH THEY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (A) OF THIS SECTION 8.7. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO HEREBY WAIVES (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS), TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (IN THE CASE OF EACH COLLATERAL AGENT, FOR ITSELF AND ON BEHALF OF ITS RELATED CLAIMHOLDERS) (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

8.8 Notices. All notices to the ABL Claimholders and the Term Loan Claimholders permitted or required under this Agreement shall also be sent to the ABL Credit Agreement Collateral Agent and the related Term Loan Collateral Agent, respectively (and, for this purpose, (i) the ABL Credit Agreement Collateral Agent shall be deemed to be an agent for the ABL Secured Swap Obligations and ABL Banking Services Obligations, (ii) the Directing First Lien Collateral Agent shall be deemed to be an agent for the First Lien Secured Swap Obligations and the First Lien Banking Services Obligations, and (iii) the Directing Second Lien Collateral Agent shall be deemed to be an agent for the Second Lien Secured Swap Obligations and the Second Lien Banking Services Obligations). Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served, sent by facsimile or sent by other electronic transmission or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile or other electronic transmission, or three (3) Business Days after depositing it in the United States mail with postage prepaid and properly addressed. For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

8.9 Further Assurances. The ABL Credit Agreement Collateral Agent, on behalf of itself and its Related Claimholders, and each Term Loan Collateral Agent, on behalf of itself and its Related Claimholders, and each Obligor, agrees that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the ABL Credit Agreement Collateral Agent or the Directing Term Loan Collateral Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

8.10 CHOICE OF LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

8.11 Binding on Successors and Assigns. This Agreement shall be binding upon the ABL Credit Agreement Collateral Agent, the ABL Claimholders, each First Lien Collateral Agent, the other First Lien Claimholders, each Second Lien Collateral Agent, the other Second Lien Claimholders and their respective successors and permitted assigns. If the ABL Credit Agreement Collateral Agent, any First Lien Collateral Agent or any Second Lien Collateral Agent resigns or is replaced pursuant to the ABL Documents, the First Lien Documents or the Second Lien Documents, as applicable, its successor shall be deemed to be a party to this Agreement and shall have all the rights of, and be subject to all the obligations of, this Agreement.

8.12 Headings. Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

8.13 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the parties hereto and the parties hereto shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission (e.g., "PDF" or TIFF") shall be effective as delivery of a manually executed counterpart of this Agreement.

8.14 Authorization; Binding Effect on Claimholders. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. Each ABL Claimholder and each Term Loan Claimholder, by its acceptance of the benefits of the ABL Documents and Term Loan Documents, as the case may be, shall be deemed to have agreed to be bound by the agreements made herein, including the agreements made by any Collateral Agent on its behalf.

8.15 Exclusive Means of Exercising Rights under this Agreement.

(a) The ABL Claimholders shall be deemed to have irrevocably appointed the ABL Credit Agreement Collateral Agent as their exclusive agent hereunder. Consistent with such appointment, the ABL Claimholders further shall be deemed to have agreed that only the ABL Credit Agreement Collateral Agent (and not any individual claimholder or group of claimholders) as agent for the ABL Claimholders, or any of the ABL Credit Agreement Collateral Agent's agents, shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); provided that (i) holders of the ABL Secured Swap Obligations and the ABL Banking Services Obligations may exercise customary netting and set off rights under the ABL Swap Contracts and ABL Banking Services Agreements to which they are, respectively, a party, (ii) cash collateral may be held pursuant to the terms of the ABL Documents (including any relating to ABL Swap Contracts) and any such individual ABL Claimholder may act against such cash collateral in accordance with the terms of the relevant ABL Document or applicable law and (iii) the ABL Claimholders may exercise customary rights of setoff against depository or other accounts maintained with them in accordance with the terms of the relevant ABL Document or applicable law. Specifically, but without limiting the generality of the foregoing, no ABL Claimholder or group of ABL Claimholders, other than the ABL Credit Agreement Collateral Agent (acting at the direction of, or pursuant to a grant of authority by, the Required ABL Claimholders), shall be entitled to take or file, and shall be precluded from taking or filing (whether in any Insolvency or Liquidation Proceeding or otherwise), any action, judicial or otherwise, to enforce any right or power or pursue any remedy under this Agreement (including any declaratory judgment or other action to interpret or otherwise enforce the provisions of this Agreement), except solely as provided in the proviso in the immediately preceding sentence.

(b) The Term Loan Claimholders shall be deemed to have irrevocably appointed the Directing Term Loan Collateral Agent as their exclusive agent hereunder. Consistent with such appointment, the Term Loan Claimholders further shall be deemed to have agreed that only the Directing Term Loan Collateral Agent (and not any individual claimholder or group of claimholders) as agent for the Term Loan Claimholders, or any of the Directing Term Loan Collateral Agent's agents, shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); provided that, subject to the limitations, restrictions and other agreements set forth herein, (i) holders of First Lien Secured Swap Obligations, the First Lien Banking Services Obligations, Second Lien Secured Swap Obligations and Second Lien Banking Services Obligations may exercise customary netting and set off rights under the First Lien Swap Contracts, the First Lien Banking Services Agreements, the Second Lien Swap Contracts and the Second Lien Banking Services Agreements to which they are, respectively, a party, (ii) cash collateral may be held pursuant to the terms of the Term Loan Documents (including any relating to First Lien Swap Contracts or Second Lien Swap Contracts) and any such individual Term Loan Claimholder may act against such cash collateral in accordance with the terms of the relevant Term Loan Document or applicable law and (iii) the Term Loan Claimholders may exercise customary rights of setoff against depository or other accounts maintained with them in accordance with the terms of the relevant Term Loan Document or applicable law. Specifically, but without limiting the generality of the foregoing, each Term Loan Claimholder or group of Term Loan Claimholders, other than the Directing Term Loan Collateral Agent (acting at the direction of, or pursuant to a grant of authority by, the Required Term Loan Claimholders), shall not be entitled to take or file, but instead shall be precluded from taking or filing (whether in any Insolvency or Liquidation Proceeding or otherwise), any action, judicial or otherwise, to enforce any right or power or pursue any remedy under this Agreement (including any declaratory judgment or other action to interpret or otherwise enforce the provisions of this Agreement), except solely as provided in the proviso in the immediately preceding sentence.

8.16 No Third Party Beneficiaries; Provisions Solely to Define Relative Rights. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and assigns and shall inure to the benefit of each of the ABL Claimholders and the Term Loan Claimholders. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the ABL Credit Agreement Collateral Agent and the other ABL Claimholders, on the one hand, and the Term Loan Collateral Agent and the other Term Loan Claimholders, on the other hand. None of the Obligors shall have any rights hereunder and no Obligor may rely on the terms hereof, other than any provision hereof expressly preserving any right of, or directly affecting, any Obligor under this Agreement, any ABL Document or any Term Loan Document, including Sections 3.1 (as to the definition of “Standstill Period”), 4.1, 5.1, 5.2, 5.3, 5.4, 5.6, 5.8, 5.9, 5.10, 6.1, 6.2, 7.1, 8.1, 8.2, 8.3, 8.6, 8.7, 8.8, 8.9, 8.10, 8.11, 8.13, 8.14, 8.15, this Section 8.16, Sections 8.17, 8.18, and 8.21. Nothing in this Agreement is intended to or shall impair the obligations of the Obligors, which are absolute and unconditional, to pay the ABL Obligations and the Term Loan Obligations as and when the same shall become due and payable in accordance with their terms.

8.17 No Indirect Actions. Unless otherwise expressly stated, if a party may not take an action under this Agreement, then it may not take that action indirectly, or support any other Person in taking that action directly or indirectly. “Taking an action indirectly” means taking an action that is not expressly prohibited for the party but is intended to have substantially the same effects as the prohibited action; provided that notwithstanding the foregoing, nothing in this Section 8.17 shall be deemed to limit the right of any party hereto to vote on any plan of reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan in any Insolvency or Liquidation Proceeding to the extent not inconsistent with the terms of this Agreement.

8.18 Obligors; Additional Obligors. It is understood and agreed that the Initial Borrower, the Parent Borrower and each other Obligor on the date of this Agreement shall constitute the original Obligors party hereto. The original Obligors hereby covenant and agree to cause each subsidiary of the Parent Borrower which becomes a “Guarantor” as defined in the ABL Credit Agreement, the First Lien Credit Agreement or the Second Lien Notes Indenture (or any similar term in any other First Lien Financing Document or Second Lien Financing Document) after the date hereof to become a party hereto (as an Obligor) by duly executing and delivering a counterpart of the Intercreditor Joinder Agreement in the form of Exhibit A hereto to the ABL Credit Agreement Collateral Agent and the Directing Term Loan Collateral Agent in accordance with the relevant provisions of the relevant ABL Financing Documents and/or Term Loan Financing Documents, as applicable. The parties hereto further agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person which becomes a “Guarantor” as defined in the ABL Credit Agreement, the First Lien Credit Agreement or the Second Lien Notes Indenture (or any similar term in any other ABL Financing Document or Term Loan Financing Document) at any time shall be subject to the provisions hereof as fully as if same constituted an Obligor party hereto and had complied with the requirements of the immediately preceding sentence.

8.19 Right of Collateral Agent to Continue. Any Person serving as a First Lien Collateral Agent shall be entitled to continue, including to continue to perform his, her or its rights, obligations and duties, as a First Lien Collateral Agent, notwithstanding whether any such Person has served or is serving as the ABL Credit Agreement Collateral Agent. Without limiting the generality of the preceding sentence of this Section 8.19, any Person serving as a First Lien Collateral Agent shall be entitled to continue to so serve in such capacity (including to continue to perform any of such First Lien Collateral Agent’s rights, obligations, and/or duties) even if any such Person has resigned as the ABL Credit Agreement Collateral Agent, but such resignation has not become effective for any reason, without any liability to any of the Claimholders by virtue of any such resignation and any of the circumstances relating in any manner whatsoever to such resignation.

8.20 Claimholders. Notwithstanding anything to the contrary in this Agreement, it is understood and agreed that this Agreement only applies to the Claimholders in their capacities as holders of the Obligations. Without limiting the foregoing, this Agreement does not restrict or apply to the Claimholders in their capacities as holders of any Indebtedness or other obligations of the Obligors other than the Obligations, or in their capacities as holders of equity interests of the Obligors.

8.21 Additional Lien Obligations. Subject to the terms and conditions of this Agreement, the Obligors will be permitted from time to time to designate as an additional holder of First Lien Obligations and/or Second Lien Obligations hereunder each Person that is, or that becomes or is to become, the holder of any Additional Lien Obligations (or the Additional Liens Obligations Agent in respect of such Additional Liens Obligations). Upon the issuance or incurrence of any such Additional Lien Obligations:

(a) The Parent Borrower shall deliver to each of the Collateral Agents a certificate of a Responsible Officer stating that the applicable Obligors intend to enter or have entered into an Additional Lien Obligations Agreement and certifying that the issuance or incurrence of such Additional Lien Obligations and the Liens securing such Additional Lien Obligations are permitted by the ABL Financing Documents, and the then existing First Lien Financing Documents, and Second Lien Financing Documents. Each of the Additional Lien Obligations Agents, the ABL Credit Agreement Collateral Agent, the First Lien Collateral Agents and the Second Lien Collateral Agents shall be entitled to rely conclusively on the determination of the Parent Borrower that such issuance and/or incurrence is permitted under the ABL Financing Documents and the then existing First Lien Financing Documents and Second Lien Financing Documents if such determination is set forth in such officer's certificate delivered to the ABL Credit Agreement Collateral Agent, the First Lien Collateral Agents and the Second Lien Collateral Agents; provided, however, that such determination will not affect whether or not the Obligors have complied with their undertakings in the ABL Financing Documents or the then existing First Lien Financing Document and Second Lien Financing Documents;

(b) the Additional Liens Obligations Agent for such Additional Lien Obligations shall execute and deliver to the ABL Credit Agreement Collateral Agent, the First Lien Collateral Agents and the Second Lien Collateral Agents a joinder agreement in form and substance reasonably satisfactory to the ABL Credit Agreement Collateral Agent and the Directing Term Loan Collateral Agent, identifying whether such Additional Liens Obligations are First Lien Obligations or Second Lien Obligations and acknowledging that such Additional Liens Obligations and the holders of such Additional Liens Obligations shall be bound by the terms hereof to the extent applicable to the Claimholders, and

(c) the ABL Credit Agreement Collateral Agent and each existing Term Loan Collateral Agent shall promptly enter into such documents and agreements (including amendments, restatements, amendments and restatements, supplements or other modifications to this Agreement) as the ABL Credit Agreement Collateral Agent or any existing Term Loan Collateral Agent (but no other ABL Claimholder or Term Loan Claimholder) or the Additional Lien Obligations Agent may reasonably request in order to provide to it the rights, remedies and powers and authorities contemplated hereby, in each case consistent in all respects with the terms of this Agreement; provided that, for the avoidance of doubt and notwithstanding anything in this Agreement to the contrary, it is understood and agreed that any such amendment, restatement, amendment and restatement, supplement or other modification to this Agreement requested pursuant to this clause (c) may be entered into by the ABL Credit Agreement Collateral Agent and the existing Term Loan Collateral Agents without the consent of any other ABL Claimholder or Term Loan Claimholder to effect the provisions of this Section 8.21 and may contain additional intercreditor terms applicable solely to the holders of such Additional Lien Obligations *vis-à-vis* the holders of the relevant obligations hereunder or the holders of such Additional Lien Obligations *vis-à-vis* the ABL Credit Agreement Collateral Agent and the ABL Claimholders or the Directing Term Loan Collateral Agent and the Term Loan Claimholders, as applicable.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow any Obligor to incur additional Indebtedness unless otherwise permitted by the terms of each applicable ABL Financing Document, First Lien Financing Document and Second Lien Financing Document.

8.22 Additional Intercreditor Agreements. Subject to Section 8.1(b) of this Agreement, each party hereto agrees that the First Lien Claimholders (as among themselves) and the Second Lien Claimholders (as among themselves) may each enter into intercreditor agreements (or similar arrangements) with the applicable First Lien Collateral Agents or Second Lien Collateral Agents, as the case may be, governing the rights, benefits and privileges as among the First Lien Claimholders in respect of any or all of the First Lien Collateral, this Agreement and the First Lien Collateral Documents or as among the Second Lien Claimholders in respect of any or all of the Second Lien Collateral, this Agreement or the Second Lien Collateral Documents, as the case may be, including as to the application of proceeds of any Collateral, voting rights, control of any Collateral and waivers with respect to any Collateral, in each case so long as the terms thereof do not violate or conflict with the terms of this Agreement or the ABL Documents or the First Lien Documents or the Second Lien Documents, as applicable. In any event, if a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other ABL Document, First Lien Document or Second Lien Document, and the provisions of this Agreement and the other ABL Documents, First Lien Documents and Second Lien Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms thereof, including to give effect to any intercreditor agreement (or similar arrangement)).

8.23 Certain Terms Concerning the Second Lien Notes Collateral Agent. The Second Lien Notes Collateral Agent is executing and delivering this Agreement solely in its capacity as such and pursuant to the direction to so execute and deliver pursuant to the Second Lien Notes Indenture, and in so doing the Second Lien Notes Collateral Agent shall not be responsible for the terms or sufficiency of this Agreement for any purpose. The Second Lien Notes Collateral Agent shall enjoy all of the rights, immunities, privileges, protections and indemnities granted to it under the Second Lien Notes Indenture and, without limiting the generality of the foregoing, the provisions of Article VII and Section 12.02 of the Second Lien Notes Indenture applicable to the Second Lien Collateral Agent thereunder. The Second Lien Notes Collateral Agent shall have no duties or obligations under or pursuant to this Agreement other than such duties and obligations as may be expressly set forth in this Agreement. The Second Lien Collateral Agent shall not be deemed to owe any fiduciary duty to any ABL Credit Agreement Collateral Agent, the First Lien Credit Agreement Collateral Agent, ABL Claimholder and First Lien Claimholders. Whenever reference is made in this Agreement to any action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Second Lien Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Second Lien Collateral Agent, it is understood that in all cases the Second Lien Collateral Agent shall be acting, giving, withholding, suffering, omitting, taking or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) in accordance with the Second Lien Notes Indenture and the other Second Lien Debt Documents (as defined therein).

- (g) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding”; and the word “through” means “to and including.”
- (h) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.
- (i) For purposes of determining compliance with any Section of Article VII at any time, in the event that any Lien, Investment, Indebtedness (at the time of incurrence or upon application of all or a portion of the proceeds thereof as permitted under the Loan Documents), Disposition, Restricted Payment, Affiliate transaction, Contractual Obligation or prepayment of Indebtedness meets the criteria of one or more than one of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses as determined by the Administrative Borrower in its sole discretion at such time (or any later time from time to time, in each case, as determined by the Administrative Borrower in its sole discretion at such time) and thereafter may be reclassified by the Administrative Borrower in any manner not prohibited by this Agreement.

(j) The words “asset” and “property” shall be construed as having the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

(k) All references to any Person shall be constructed to include such Person’s successors and assigns (subject to any restriction on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all of the functions thereof.

(l) The words “principal amount” shall include the liquidation preference of any Disqualified Equity Interests and Preferred Stock.

(m) For avoidance of doubt, except where the context shall otherwise require, any reference to any employee, director, officer, member of management, independent contractor, advisor, service provider or consultant shall refer to any future, current or former employee, director, officer, member of management, independent contractor, advisor, service provider or consultant.

(n) All references to “in the ordinary course of business” of any Borrower or any Subsidiary thereof means (i) in the ordinary course of business of, or in furtherance of an objective that is in the ordinary course of business of any Borrower or such Subsidiary, as applicable, (ii) customary and usual in the industry or industries of the Borrowers and their Subsidiaries in the United States or any other jurisdiction in which the Borrowers or any Subsidiary does business, as applicable, or (iii) generally consistent with the past or current practice of the Borrowers or such Subsidiary, as applicable, or any similarly situated businesses in the United States or any other jurisdiction in which the Borrowers or any Subsidiary does business, as applicable.

(o) All references to “knowledge” of any Loan Party or any Restricted Subsidiary means the actual knowledge of a Responsible Officer.

(p) All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party’s behalf and not in such Person’s individual capacity.

(q) Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity), and to the extent any covenant in any Loan Document is applicable to such limited liability company immediately prior to such division, such covenant shall apply to any Person resulting from such division immediately after such division. For the avoidance of doubt, for purposes of Section 6.11, any Person resulting from such division of a Restricted Subsidiary constitutes a new Restricted Subsidiary that is created or acquired after the Closing Date.

(r) References in this Agreement to any direct or indirect parent of the Parent Borrower shall include Omega Parent.

Section 1.03 Accounting Terms.

All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein. Notwithstanding anything to the contrary contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Loan Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof. Notwithstanding any other provision contained herein, (a) any obligation of any Person that would have been treated as an operating lease for purposes of GAAP as of December 14, 2018 (whether or not such obligation was in effect on such date) shall be accounted for as an operating lease for purposes of this Agreement, notwithstanding any actual or proposed change in GAAP (whether on a prospective or retroactive basis) after such date and shall not be treated as Indebtedness, Attributable Indebtedness or a Capitalized Lease and (b) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

Section 1.04 Rounding.

Any financial ratios required to be maintained by the Parent Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

Section 1.05 References to Agreements, Laws, Etc.

Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents, the First Lien Financing Documents and the Second Lien Financing Documents) and other Contractual Obligations shall be deemed to include all subsequent amendments, restatements, refinancings, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, refinancings, extensions, supplements and other modifications are not prohibited by any Loan Document; and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law. Any term or section reference herein or in the other Loan Documents which refers to a defined term or section reference in any Organization Document, agreement, Contractual Obligation or Law shall be deemed to be a cross-reference to the same or comparable defined term or section reference, as applicable, in any such amendment, refinancing, restatement, renewal, restructuring, extension, supplement or other modification to such Organization Document, agreement, Contractual Obligation or any such consolidation, amendment, replacement, supplement or interpretation of such Law.

Section 1.06 Times of Day.

Unless otherwise specified, all references herein to times of day shall be references to New York, New York time (daylight or standard, as applicable).

Section 1.07 Timing of Payment or Performance.

Except as otherwise provided herein, when the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Consolidated Fixed Charge Coverage Ratio or any leverage ratio used in any First Lien Financing Document or any Second Lien Financing Document in connection with the incurrence of Indebtedness permitted by Section 7.03 or Liens permitted by Section 7.01 (each, a “**Term Loan Leverage Ratio**”), and compliance with covenants determined by reference to Consolidated EBITDA or Total Assets, shall be calculated in the manner prescribed by this Section 1.08; *provided* that notwithstanding anything to the contrary in clauses (b), (c), (d) or (e) of this Section 1.08, when calculating any such ratio or test for purposes of the definition of “Applicable Rate” or Section 7.11 (other than for the purpose of determining Pro Forma Compliance with Section 7.11), the events described in this Section 1.08 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect and (B) when calculating any such ratio or test for purposes of the incurrence of any Indebtedness, cash and Cash Equivalents resulting from the incurrence of any such Indebtedness shall be excluded from the pro forma calculation of any applicable ratio or test for purposes of determining net Indebtedness. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to the “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which internal financial statements of the Parent Borrower are available (as determined in good faith by the Administrative Borrower) (it being understood that for purposes of determining Pro Forma Compliance with Section 7.11, if no Test Period with an applicable level cited in Section 7.11 has passed, the applicable level shall be the level for the first Test Period cited in Section 7.11 with an indicated level). For the avoidance of doubt, the provisions of the foregoing sentence shall not apply for purposes of calculating any such ratio or test for purposes of the definition of “Applicable Rate” or Section 7.11 (other than for the purpose of determining Pro Forma Compliance with Section 7.11), each of which shall be based on the financial statements delivered pursuant to Section 6.01(a) or (b), as applicable, for the relevant Test Period.

(b) For purposes of calculating any financial ratio or test or compliance with any covenant determined by reference to Consolidated EBITDA or Total Assets (including the Consolidated Fixed Charge Coverage Ratio or any Term Loan Leverage Ratio), Specified Transactions (with any incurrence or repayment of any Indebtedness in connection therewith to be subject to clause (d) of this Section 1.08 (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit)) that have been made (i) during the applicable Test Period or (ii) if applicable as described in clause (a) above, subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA, Total Assets and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Parent Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then such financial ratio or test (or Consolidated EBITDA or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.08.

(c) Whenever *pro forma* effect is to be given to the Transactions, a Specified Transaction or the implementation of an operational initiative or operational change, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Administrative Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, operating expense reductions, operating initiatives, other operating improvements and synergies projected by the Administrative Borrower in good faith to be realized as a result of specified actions taken, committed to be taken or expected to be taken (in the good faith determination of the Administrative Borrower) (calculated on a pro forma basis as though such cost savings, operating expense reductions, operating initiatives, other operating improvements and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period) and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized relating to the Transactions, such Specified Transaction or such implementation of an operational initiative or operational change; *provided* that (A) such amounts are reasonably identifiable and factually supportable in the good faith judgment of the Administrative Borrower, (B) except as set forth in the definition of Consolidated EBITDA, such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty-four (24) months after the date of the Transactions, such Specified Transaction or implementation of such operational initiative or operational change, (C) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period, (D) it is understood and agreed that, subject to compliance with the other provisions of this Section 1.08(c), amounts to be included in *pro forma* calculations pursuant to this Section 1.08(c) may be included in Test Periods in which the Specified Transaction to which such amounts relate to is no longer being given *pro forma* effect pursuant to Section 1.08(b) and (E) any increase in Consolidated EBITDA as a result of cost savings, operating expense reductions, operating initiatives, other operating improvements and synergies pursuant to this Section 1.08(c) (other than related to the Transactions) shall be subject to the limitation set forth in clause (a)(vii) of the definition of Consolidated EBITDA.

(d) In the event that (w) the Parent Borrower or any of its Restricted Subsidiaries incurs (including by assumption or guarantees) or repays (including by redemption, repayment, amortization, retirement, discharge, defeasance or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit), (x) the Parent Borrower or any of its Restricted Subsidiaries issues, repurchases or redeems Disqualified Equity Interests, (y) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (z) other than for the purposes of determining compliance with Section 7.11 (including Pro Forma Compliance with Section 7.11), any Borrower or any of its Restricted Subsidiaries establishes or eliminates (or designates or undesignates) any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, or such issuance or redemption of Disqualified Equity Interests or Preferred Stock, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Consolidated Fixed Charge Coverage Ratio (or similar ratio), in which case such incurrence, assumption, guarantee, redemption, repayment, retirement, discharge, defeasance or extinguishment of Indebtedness or such issuance, repurchase or redemption of Disqualified Equity Interests or Preferred Stock will be given effect, as if the same had occurred on the first day of the applicable Test Period) and for all purposes, other than for the purposes of determining compliance with Section 7.11 (including Pro Forma Compliance with Section 7.11), such financial ratio or test shall be calculated giving pro forma effect to the full amount of any undrawn Designated Revolving Commitments as if such full amount of Indebtedness thereunder had been incurred thereunder throughout such period.

(e) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Fixed Charge Coverage Ratio (or similar ratio) is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Administrative Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency Rate interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Parent Borrower or such Restricted Subsidiaries may designate.

(f) (I) In connection with the calculation of the Consolidated Fixed Charge Coverage Ratio or any Term Loan Leverage Ratio for purposes of incurring Indebtedness (including Preferred Stock) or Disqualified Equity Interests under this Agreement, no effect (pro forma or otherwise) shall be given to any Indebtedness (or Preferred Stock) or Disqualified Equity Interests being incurred (or commitments obtained) on the same date (or on a such other subsequent date which otherwise require Pro Forma Effect to be given to such incurrence (or obtaining of commitments)) pursuant to any fixed dollar basket or basket based on Consolidated EBITDA; and (II) in connection with the calculation of the Consolidated Fixed Charge Coverage Ratio or any Term Loan Leverage Ratio for purposes of incurring any Lien under this Agreement, no effect (pro forma or otherwise) shall be given to any Liens being incurred on the same date (or on a such other subsequent date which otherwise require Pro Forma Effect to be given to such incurrence) pursuant to any fixed dollar basket or basket based on Consolidated EBITDA.

(g) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated Fixed Charge Coverage Ratio or any Term Loan Leverage Ratio, (b) determining compliance with any provision of this Agreement which requires that no Default, Event of Default or Specified ABL Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein, (d) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA) or (e) calculating Excess Availability, Historical Excess Availability, and/or Specified Availability, in each case in connection with a Limited Condition Transaction, the date of determination of such ratio or other provisions, determination of whether any Default, Event of Default or Specified ABL Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the availability under any baskets shall, at the option of the Administrative Borrower (the Administrative Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**", which LCT Election may be in respect of one or more of clauses (a), (b), (c), (d) and (e) above), be deemed to be the date the definitive agreements (or other relevant definitive documentation) for such Limited Condition Transaction are entered into (the "**LCT Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or issuance of Indebtedness, Disqualified Equity Interests or Preferred Stock and the use of proceeds thereof), with such ratios and other provisions calculated as if such Limited Condition Transaction or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date for which internal financial statements are available (as determined in good faith by the Administrative Borrower), the Parent Borrower could have taken such action on the relevant LCT Test Date in compliance with the applicable ratios, default provisions or other provisions, such ratios, default provisions or other provisions shall be deemed to have been complied with on such date (the "**LCT Consummation Date**"); *provided* that (i) on the relevant LCT Test Date, the Payment Conditions shall be required to be satisfied and (ii) on the relevant LCT Consummation Date, sufficient Excess Availability exists for purposes of the incurrence of any extension of credit under the Revolving Credit Facility in connection with such Limited Condition Transaction (if Loans are to be made or Letters of Credit are to be issued) on such date. For the avoidance of doubt, (i) if, following the LCT Test Date, any of such ratios, default provisions or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Consolidated EBITDA or other components of such ratio (including due to fluctuations of the Target of any Limited Condition Transaction, including its cash and Cash Equivalents or the amount of such Indebtedness)) or other provisions at or prior to the consummation of the relevant Limited Condition Transaction, such ratios, default provisions or other provisions will not be deemed to have been exceeded or failed to have been satisfied as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Transaction or related Specified Transactions. If the Administrative Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket availability or compliance with any other provision hereunder (other than actual compliance with the Financial Covenant) on or following the relevant LCT Test Date and prior to the earliest of the date on which such Limited Condition Transaction is consummated and the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or compliance with any other provision hereunder shall be calculated on a *pro forma* basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or issuance of Indebtedness, Disqualified Equity Interests or Preferred Stock, and the use of proceeds thereof) had been consummated on the LCT Test Date; *provided* that for purposes of any such calculation of the Consolidated Fixed Charge Coverage Ratio, Consolidated Fixed Charges will be calculated using an assumed interest rate for the Indebtedness to be incurred in connection with such Limited Condition Transaction based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Administrative Borrower in good faith.

Section 1.09 Currency Generally.

For purposes of determining compliance with Sections 7.01, 7.03, 7.05, 7.06 and 7.13 and the definition of Permitted Investments with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

For purposes of determining any leverage-based ratio or test under this Agreement, the amount of Indebtedness shall reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

Section 1.10 Letters of Credit.

Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Amount of the stated amount of such Letter of Credit in effect at such time; *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

ARTICLE II.
THE COMMITMENTS AND CREDIT EXTENSIONS

Section 2.01 Revolving Credit Commitments.

(a) *[Reserved]*.

(b) *The Revolving Credit Borrowings.* Subject to the terms and conditions set forth herein, each Revolving Credit Lender with a Revolving Credit Commitment severally agrees to make loans denominated in Dollars or another Available Currency pursuant to Section 2.02 from its applicable Lending Office to the Borrowers from time to time, on any Business Day during the Availability Period, in an aggregate principal amount at any one time outstanding that will not (after giving effect to any concurrent use of the proceeds thereof to repay LC Disbursements) result in (i) such Lender's Revolving Credit Exposure exceeding such Lender's Revolving Credit Commitment or (ii) the Total Revolving Credit Exposure exceeding the Total Revolving Credit Commitments. Within the limits of each Revolving Credit Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b) without premium or penalty (subject to Section 3.05) during the Availability Period. Revolving Credit Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(c) *Total Revolving Credit Exposure.* Notwithstanding anything herein to the contrary, subject to Section 2.01(d), Revolving Credit Loans shall not be made (and shall not be required to be made) by any Lender in any instance where the incurrence thereof (after giving effect to the use of the proceeds thereof on the date of the incurrence thereof to repay any amounts theretofore outstanding pursuant to this Agreement) would cause the Total Revolving Credit Exposure to exceed the Line Cap at such time.

(d) *Agent Advance.* In the event that (i) any Borrower is unable to comply with the limitation set forth in Section 2.01(c) or (ii) such Borrower is unable to satisfy the conditions precedent to the making of Revolving Credit Loans set forth in Section 4.02, in either case, the Lenders, subject to the immediately succeeding proviso, hereby authorize the Administrative Agent (including through an Affiliate or branch), for the account of the applicable Lenders, to make Revolving Credit Loans to such Borrower, in either case solely in the event that the Administrative Agent in its Permitted Discretion deems necessary or desirable (A) to preserve or protect the Collateral, or any portion thereof, (B) to enhance the likelihood of repayment of the Obligations or (C) to pay any other amount chargeable to any Borrower pursuant to the terms of this Agreement, including, expenses and fees, which Revolving Credit Loans may only be made as Base Rate Loans (each, an "**Agent Advance**") for a period commencing on the date the Administrative Agent first receives a Committed Loan Notice requesting an Agent Advance or otherwise makes an Agent Advance until the earlier of (x) the date such Borrower is again able to comply with the Borrowing Base limitations and the conditions precedent to the making of Revolving Credit Loans, or obtain an amendment or waiver with respect thereto, (y) the date that is thirty (30) days after the funding of the initial Agent Advances and (z) the date the Required Lenders instruct the Administrative Agent to cease making Agent Advances (in each case, the "**Agent Advance Period**"); *provided* that the Administrative Agent shall not make any Agent Advance to the extent that at the time of the making of such Agent Advance, the amount of such Agent Advance (I) when added to the aggregate outstanding amount of all other Agent Advances made to the Borrowers at such time, would exceed 10% of the Borrowing Base at such time or (II) when added to the Total Revolving Credit Exposure as then in effect (immediately prior to the incurrence of such Agent Advance), would exceed the Total Revolving Credit Commitments at such time. Agent Advances may be made by the Administrative Agent in its sole discretion and the Borrowers shall have no right whatsoever to require that any Agent Advances be made.

(e) *Mandatory Borrowing.* On any Business Day (but in any event no less frequently than once per week), the Administrative Agent may, in its sole discretion give notice to the Lenders that the Administrative Agent's outstanding Agent Advances shall be funded with one or more Borrowings of Revolving Credit Loans (*provided* that such notice shall be deemed to have been automatically given upon the occurrence of an Event of Default under Section 8.01(f) or upon the exercise of any of the remedies provided in the last paragraph of Section 7.01), in which case one or more Borrowings of Revolving Credit Loans constituting Base Rate Loans (each such Borrowing, a "**Mandatory Borrowing**") shall be made on the immediately succeeding Business Day by all applicable Lenders pro rata based on each such Lender's Pro Rata Share (determined before giving effect to any termination of the Revolving Credit Commitments pursuant to Section 8.02) and the proceeds thereof shall be applied directly by the Administrative Agent to repay the Administrative Agent for such outstanding Agent Advances. Each Lender hereby irrevocably agrees to make Revolving Credit Loans upon one (1) Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified in writing by the Administrative Agent notwithstanding (i) the amount of the Mandatory Borrowing may not comply with the minimum Borrowing amounts otherwise required hereunder, (ii) whether any conditions specified in Section 4.02 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) the date of such Mandatory Borrowing, (v) the amount of the Borrowing Base at such time and (vi) whether such Lender's Revolving Credit Commitment has been terminated at such time. In the event that any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including, as a result of the commencement of a proceeding under any Debtor Relief Law with respect to any Borrower), then each Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Borrowing would otherwise have occurred, but adjusted for any payments received from the Borrowers on or after such date and prior to such purchase) from the Administrative Agent such participations in the outstanding Agent Advances as shall be necessary to cause the applicable Lenders to share in such Agent Advances ratably based upon their respective Revolving Credit Commitments (determined before giving effect to any termination of the Revolving Credit Commitments pursuant to Section 8.02); provided that (x) all interest payable on the Agent Advances shall be for the account of the Administrative Agent until the date as of which the respective participation is required to be purchased and, to the extent attributable to the purchased participation, shall be payable to the participant from and after the time any purchase of participations is actually made and (y) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Lender shall be required to pay the Administrative Agent interest on the principal amount of the participation purchased for each day from and including the day upon which the Mandatory Borrowing would otherwise have occurred to but excluding the date of payment for such participation, at the overnight Federal Funds Rate for the first three (3) days and at the interest rate otherwise applicable to Revolving Credit Loans maintained as Base Rate Loans hereunder for each day thereafter.

(f) *Debt Assumption.* Notwithstanding anything herein or in the Loan Documents to the contrary:

(i) On the Closing Date, immediately after the consummation of the Merger and upon the effectiveness of this Agreement, the Initial Borrower shall be the sole Borrower hereunder and under the Loan Documents.

(ii) On the Closing Date, immediately after the payment of any Transaction Expenses payable on the Closing Date, the Company will become a party hereto and to the Loan Documents and will be the Parent Borrower and all rights, title, interests, liabilities, duties and obligations (including the Indebtedness and Obligations of the Initial Borrower) in, to and under this Agreement, the other Loan Documents and any other documents in connection therewith shall be, and shall be deemed to be, assumed by the Company and the Company agrees to pay, perform and discharge all of the Initial Borrower's obligations and covenants as "Parent Borrower" and a "Loan Party" thereunder in accordance with the terms of this Agreement and the other Loan Documents and otherwise be liable for such Indebtedness and to perform and discharge all of the Obligations and any and all obligations under this Agreement, the other Loan Documents and any other documents in connection therewith (the transactions described in this Section 2.01(f)(ii), collectively, the "**Debt Assumption**"). Immediately after the Debt Assumption, the Closing Date Refinancing shall be consummated.

Section 2.02 Loans and Borrowings.

(a) Each Revolving Credit Loan (other than a Swing Line Loan or an Agent Advance) shall be made as part of a Borrowing consisting of Revolving Credit Loans made by the Lenders ratably in accordance with their respective Revolving Credit Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder. Any Agent Advance and any Swing Line Loan shall be made in accordance with the procedures set forth in Section 2.01 and Section 2.04, respectively.

(b) Subject to Section 3.03, (i) each Revolving Credit Borrowing shall be comprised entirely of Base Rate Loans or Eurocurrency Rate Loans as the Administrative Borrower may request in accordance herewith, (ii) each Revolving Credit Borrowing consisting of Base Rate Loans shall be comprised entirely of Base Rate Loans and (iii) each Revolving Credit Borrowing consisting of Eurocurrency Rate Loans shall be comprised entirely of Eurocurrency Rate Loans. Each Lender at its option may make any Eurocurrency Rate Loan or Base Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided*, that any exercise of such option shall not affect the obligation of the applicable Lender to make such Loan and the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Rate Loan, such Borrowing shall be in an increment of \$500,000 or a whole multiple of \$500,000 in excess thereof; *provided*, that a Revolving Credit Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Revolving Credit Commitments under the applicable Revolving Credit Facility or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.03(e). Borrowings of more than one Type and Class may be outstanding at the same time; *provided*, that there shall not, at any time, be more than a total of ten (10) Interest Periods outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date for such Borrowing.

(e) To request a Revolving Credit Borrowing (other than a Swing Line Loan), the Administrative Borrower shall notify the Administrative Agent of such request electronically (such notice in respect of the initial Credit Extensions, or in connection with any Permitted Acquisition or other transaction permitted under this agreement, may be conditioned on the occurrence of the Closing Date or the occurrence of such Permitted Acquisition or other transaction, as applicable, so long as the Borrowers indemnify the Lenders for any amounts that would be payable under Section 3.05) (a) in the case of a Eurocurrency Rate Loan, not later than 12:00 noon, New York City time, three (3) Business Days before the date of the proposed Borrowing (other than Eurocurrency Rate Loans to be incurred on the Closing Date for which notice may be given not later than 12:00 noon, New York City time, one (1) Business Day prior to the Closing Date) and (b) in the case of a Base Rate Loan including Agent Advances, not later than 12:00 noon, New York City time, on the date of the proposed Borrowing. Each such Committed Loan Notice submitted electronically shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the applicable Borrower with respect to such Borrowing;
- (ii) the currency and aggregate amount of the requested Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;

- (iv) whether such Borrowing is to be an Base Rate Loan or a Eurocurrency Rate Loan;
- (v) in the case of a Eurocurrency Rate Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) the location and number of the account to which funds are to be disbursed;
- (vii) the Borrowing Base at such time; and
- (viii) in the case of an Base Rate Loan, whether the Revolving Credit Loans made pursuant to such Borrowing constitute Agent Advances (it being understood that the Administrative Agent shall be under no obligation to make such Agent Advance).

If no election as to the Type of Revolving Credit Borrowing is specified, then the requested Revolving Credit Borrowing shall be deemed to be a Base Rate Loan. If no Interest Period is specified with respect to any requested Eurocurrency Rate Loan, then the Administrative Borrower shall be deemed to have selected an Interest Period of one (1) month's duration. Promptly following receipt of a Committed Loan Notice in accordance with this Section 2.02(e), the Administrative Agent shall advise each applicable Lender under the relevant Facility of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing. The Administrative Agent may act without liability upon the basis of communications submitted electronically of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent in good faith to be from a Responsible Officer of the Administrative Borrower.

Section 2.03 Letters of Credit.

(a) Subject to the terms and conditions set forth herein, any Issuing Bank, in reliance on the agreements of the Lenders set forth in Section 2.03(d), agrees to issue trade and standby Letters of Credit denominated in Dollars or another Available Currency for the account of any Borrower, or the account of such Borrower for the benefit of any Restricted Subsidiary, in each case, on any Business Day during the applicable Availability Period in such form as may be approved from time to time by such Issuing Bank; *provided*, that no Issuing Bank shall have any obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) the LC Exposure with respect to Letters of Credit would exceed the LC Sublimit, (ii) the Total Revolving Credit Exposure would exceed the Line Cap at such time, or (iii) such Letter of Credit is to be issued in any currency other than Dollars. Additionally, no Issuing Bank shall be under any obligation to issue or renew any Letter of Credit if the Letter of Credit is to be denominated in a currency other than Dollars. Subject to the terms and conditions set forth herein, the Administrative Borrower may request the issuance of Letters of Credit for the benefit of any Borrower or applicable Restricted Subsidiary, in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the Availability Period (but not later than the date that is three (3) Business Days prior to the Maturity Date, unless Cash Collateralized or backstopped on terms reasonably acceptable to the Issuing Bank and the Administrative Agent)); *provided, further*, that, notwithstanding anything to the contrary herein, no Issuing Bank shall have any obligation to issue any Letter of Credit if the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of the LC Application or other agreement submitted by the Administrative Borrower to, or entered into by the applicable Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Any purported grant of a security interest in any LC Document shall be null and void.

(b) To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Administrative Borrower shall hand deliver or fax (or transmit electronically if (i) Bank of America, N.A. is the applicable Issuing Bank or (ii) arrangements for doing so have been approved by any other applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (at least three (3) Business Days (or such shorter period as may be agreed by the applicable Issuing Bank and the Administrative Agent) in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section 2.03), the amount and currency of such Letter of Credit, the applicable Borrower with respect to such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by an Issuing Bank, the Administrative Borrower also shall submit a LC Application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Administrative Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (A) the LC Exposure with respect to Letters of Credit shall not exceed the LC Sublimit, (B) the Total Revolving Credit Exposure shall not exceed the sum of the Total Revolving Credit Commitments at such time and (C) the Total Revolving Credit Exposure shall not exceed the Line Cap at such time.

(c) Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) (A) with respect to any standby Letter of Credit, the date that is one (1) year after the date of issuance of such standby Letter of Credit (or, in the case of any renewal or extension thereof, the date that is one (1) year after the date of such renewal or extension) and (B) with respect to any trade Letter of Credit, the date that is one hundred eighty (180) days after the date of issuance of such trade Letter of Credit and (ii) the date that is three (3) Business Days prior to the Maturity Date (unless other provisions or arrangements reasonably satisfactory to the applicable Issuing Bank shall have been made with respect to such Letter of Credit). If the Administrative Borrower so requests in any notice requesting the issuance of a Letter of Credit, the applicable Issuing Bank shall issue a Letter of Credit that has automatic renewal provisions (each, an **"Auto Renewal Letter of Credit"**); *provided*, that the Administrative Borrower shall be required to make a specific request to the applicable Issuing Bank for any such renewal. Once an Auto Renewal Letter of Credit has been issued, the Lenders shall be deemed to have authorized the renewal of such Letter of Credit at any time to an expiry date not later than the earlier of (i) the date that is one (1) year from the date of such renewal (or such longer period as may be agreed by the applicable Issuing Bank three (3) Business Days prior to the Maturity Date (unless other provisions or arrangements reasonably satisfactory to the applicable Issuing Bank shall have been made with respect to such Letter of Credit); *provided*, that the applicable Issuing Bank shall not permit any such renewal if such Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 4.02 or otherwise).

(d) By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of any Issuing Bank or the Lenders, the applicable Issuing Bank hereby grants to each Lender (with respect to each Letter of Credit), and each Lender hereby acquires from the applicable Issuing Bank, a participation in such Letter of Credit equal to such Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, (A) each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Pro Rata Share of each LC Disbursement with respect to a Letter of Credit made by such Issuing Bank, in Dollars, and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section 2.03, or of any reimbursement payment required to be refunded to the applicable Borrower for any reason in respect thereof. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.03(d) in respect of Letters of Credit and such Lender's obligations under Section 2.03(e) are absolute and unconditional and shall not be affected by any circumstance including (i) any setoff, counterclaim, recoupment, defense or other right that such Lender may have against the applicable Issuing Bank, the applicable Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article IV, (iii) any adverse change in the condition (financial or otherwise) of the applicable Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrowers, any other Loan Party or any other Lender or any reduction in or termination of the Revolving Credit Commitments or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(e) If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement, in the same currency as the LC Disbursement, not later than 2:00 p.m., New York City time, on the Business Day that the Administrative Borrower receives notice that such LC Disbursement is made (or, if the Administrative Borrower receives such notice after 12:00 noon, New York City time, not later than 2:00 p.m., New York City time on the Business Day immediately following the day that the Administrative Borrower receives such notice); *provided*, that (if the conditions of Sections 4.02(a), (b) and (d) are satisfied) the applicable Borrower shall have the absolute and unconditional right to require that such payment be financed with a Borrowing of Base Rate Loans, in each case in an equivalent amount and, to the extent so financed, the applicable Borrower's obligation to make such payment shall be discharged and replaced by the resulting Revolving Credit Borrowing. If the applicable Borrower fails to make such payment when due, or finance such payment in accordance with the proviso to the preceding sentence, the applicable Issuing Bank shall promptly notify the Administrative Agent of the applicable LC Disbursement and the Administrative Agent shall promptly notify each Lender of the applicable LC Disbursement, the payment then due from the applicable Borrower in respect thereof and such Lender's Pro Rata Share thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Pro Rata Share of the payment then due from the applicable Borrower by wire transfer of immediately available funds to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders not later than 3:00 p.m., New York City time, on the date such notice is received (or, if such Lender shall have received such notice later than 1:00 noon, New York City time on such day, not later than 10:00 a.m., New York City time, on the immediately following Business Day), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the applicable Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of Base Rate Loans or Eurocurrency Rate Loans as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such LC Disbursement. If any Lender shall not have made its Pro Rata Share of an LC Disbursement available to the Administrative Agent as provided above, such Lender and the applicable Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this Section 2.03(e) to but excluding the date such amount is paid, to the Administrative Agent for the account of the applicable Issuing Bank at (i) in the case of the Borrowers, a rate per annum equal to the interest rate applicable to Base Rate Loans and (ii) in the case of such Lender, for the first such day, the Federal Funds Rate, and for each day thereafter, the Base Rate.

(f) Each Borrower's obligation to reimburse LC Disbursements as provided in Section 2.03(e) and each Lender's obligations under paragraphs (d) and (e) of this Section 2.03 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any adverse change in the exchange rate or in the availability of an Available Currency to any Borrower or any of the Restricted Subsidiaries or in the relevant currency markets generally, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.03, constitute a legal or equitable discharge of, or provide a right of setoff against, each Borrower's obligations hereunder. None of the Administrative Agent, the Lenders or the Issuing Banks, or any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided, that the provisions of this Section 2.03(f) shall not be construed to excuse the applicable Issuing Bank from liability to any Borrower to the extent of any direct damages (as opposed to indirect, consequential, special and punitive damages, claims in respect of which are hereby waived by such Borrower to the extent permitted by applicable law) suffered by such Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), the applicable Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in material compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, in good faith either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Each Issuing Bank shall promptly notify the Administrative Agent and the Administrative Borrower electronically of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; *provided*, that any failure to give or delay in giving such notice shall not relieve the applicable Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the applicable Borrower reimburses such LC Disbursement, at the rate per annum equal to the Base Rate; *provided*, that, if the applicable Borrower fails to reimburse such LC Disbursement, including by requiring that such payment be financed with a Base Rate Loan pursuant to paragraph (e) of this Section 2.03, then Section 2.08(b) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section 2.03 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) An Issuing Bank may resign upon thirty (30) days' prior written notice to the Administrative Borrower and the Administrative Agent. An Issuing Bank may be replaced at any time by written agreement among the Borrowers, the Administrative Agent, the replaced Issuing Bank (*provided*, that no consent of the replaced Issuing Bank will be required if it has no Letters of Credit or Reimbursement Obligations with respect thereto outstanding) and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such resignation or replacement of such Issuing Bank. At the time any such resignation or replacement shall become effective, the Borrowers shall pay all unpaid fees in respect of the Revolving Credit Facility, in each case, accrued for the account of the replaced Issuing Bank pursuant to Section 2.09(d). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the resigned or replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to renew existing Letters of Credit or issue additional Letters of Credit.

(j) If any Event of Default under Section 8.01(f) with respect to the Parent Borrower or any Borrower shall occur and be continuing or if the Loans have been accelerated pursuant to Section 8.02 as a result of any Event of Default, on the Business Day that the Administrative Borrower receives notice from an Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure), in each case, demanding the deposit of Cash Collateral pursuant to this paragraph, the applicable Borrower, shall deliver Cash Collateral to the Administrative Agent, for the benefit of the applicable Lenders, an amount in cash equal to 102% of the applicable LC Exposure as of such date. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Letter of Credit obligations (including related fees and expenses) of the applicable Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made in Cash Equivalents at the option and reasonable discretion of the Administrative Agent and at the applicable Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be released by the Administrative Agent to be applied by the Administrative Agent to reimburse the applicable Issuing Bank for LC Disbursements for which it has not been reimbursed and to pay all fees and expenses relating to Letters of Credit that were not otherwise paid when due and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower for the applicable LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure), be applied to satisfy other obligations of such Borrower under this Agreement. If any Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default specified above, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within two (2) Business Days after such Event of Default has been cured or waived (unless the Revolving Credit Commitments have been terminated and the Obligations have been accelerated, in each case in accordance with Section 8.02).

(k) If the Maturity Date of any Class of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect and such Letter of Credit would otherwise be available under such Class of Revolving Credit Commitments, such Letter of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make payments in respect thereof pursuant to Sections 2.03(d) and (e)) under (and ratably participated in by the Lenders pursuant to) the Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the applicable Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(j). For the avoidance of doubt, commencing on the Maturity Date of any Class of Revolving Credit Commitments, the sublimit for Letters of Credit under any Class of Revolving Credit Commitments that has not so then matured shall be as agreed in the relevant Extension Amendment with the applicable Lenders.

(l) If the Maturity Date occurs prior to the expiration of any Letter of Credit, then the applicable Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(j).

(m) If any LC Exposure exists at the time a Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Pro Rata Share in respect of the Revolving Credit Facility, but only to the extent (A) the sum of all non-Defaulting Lenders' Revolving Credit Exposure plus such Defaulting Lender's LC Exposure does not exceed the total of all non-Defaulting Lenders' Revolving Credit Commitments and (B) the Revolving Credit Exposure of each non-Defaulting Lender after giving effect to such reallocation does not exceed the Revolving Credit Commitment of such non-Defaulting Lender;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, each Borrower shall, within three (3) Business Days following notice by the Administrative Agent, Cash Collateralize for the benefit of each applicable Issuing Bank in accordance with Section 2.03(j) only such Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 8.02 for so long as such LC Exposure is outstanding;

(iii) if a Borrower Cash Collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, such Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(d) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is Cash Collateralized except to the extent of such fees that became due and payable by such Borrower prior to the date such Lender became a Defaulting Lender (it being understood that any Cash Collateral provided pursuant to this Section 2.03 shall be released promptly following the termination of the Defaulting Lender status of the applicable Lender);

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.09(c) and (d) shall be adjusted in accordance with such non-Defaulting Lenders' Pro Rata Share; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor Cash Collateralized pursuant to clause (i) or (ii) above, then, (A) without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all fees payable under Section 2.09(d) with respect to such Defaulting Lender's LC Exposure shall be payable to each applicable Issuing Bank until and to the extent that such LC Exposure is reallocated and/or Cash Collateralized and (B) the applicable Issuing Bank will have no obligation to issue new Letters of Credit, or to extend or renew existing Letters of Credit to the extent LC Exposure would exceed the non-Defaulting Lenders' Revolving Credit Commitments, unless such Borrower's obligations corresponding to such Defaulting Lender's LC Exposure is Cash Collateralized to the Issuing Bank's reasonable satisfaction.

(n) Schedule 1.01F contains a schedule of certain letters of credit issued prior to the Closing Date by Bank of America, N.A. for the account of the Beta Entities and the Omega Entities. On the Closing Date (i) such letters of credit, to the extent outstanding, shall be deemed to be Letters of Credit issued pursuant to this Section 2.03 for the account of the Borrowers, (ii) the face amount of such letters of credit shall be included in the calculation of LC Obligations and (iii) all liabilities of the Borrowers with respect to such letters of credit shall constitute Obligations.

Section 2.04 Swing Line Loans.

(a) Subject to the terms and conditions set forth herein, the Swing Line Lender may in its discretion, and in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make available loans in Dollars to the Borrowers (the "**Swing Line Loans**") from time to time during the Availability Period in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swing Line Loans exceeding the Swing Line Sublimit or (ii) the Total Revolving Credit Exposure exceeding the Line Cap at such time; *provided*, further, that the Swing Line Lender shall not be required to make a Swing Line Loan to refinance an outstanding Swing Line Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Swing Line Loans. To request a Swing Line Loan, the Administrative Borrower shall notify the Administrative Agent of such request electronically in the form of a Swing Line Loan Notice, not later than 2:00 p.m., New York City time, on the day of a proposed Swing Line Loan. Each such Swing Line Loan Notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swing Line Loan. The Administrative Agent will promptly advise the Swing Line Lender of any such Swing Line Loan Notice received from the Administrative Borrower. The Swing Line Lender shall make each Swing Line Loan available to the Borrowers by means of a credit to the account identified in the Swing Line Loan Notice (including, in the case of a Swing Line Loan made to finance the reimbursement of a LC Disbursement, by remittance to the applicable Issuing Bank, and in the case of repayment of another Loan or fees or expenses as provided by Section 2.04(c), by remittance to the Administrative Agent to be distributed to the Lenders) on the requested date of such Swing Line Loan.

(b) Settlement of Swing Line Loans among Lenders and Administrative Agent shall take place on a date determined from time to time by Administrative Agent (but at least weekly, unless the settlement amount is less than \$5,000,000), on a pro rata basis in accordance with the settlement report delivered by Administrative Agent to the Lenders. Between settlement dates, Administrative Agent may in its discretion apply payments on Revolving Credit Loans to Swing Line Loans, regardless of any designation by Administrative Borrower or any provision herein to the contrary.

(c) In addition, the Swing Line Lender may by written notice given to the Administrative Agent not later than 4:00 p.m., New York City time, on any Business Day require the Lenders to acquire participations on such Business Day in all or a portion of the Swing Line Loans outstanding. Such notice shall specify the aggregate amount of Swing Line Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Pro Rata Share of such Swing Line Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swing Line Lender, such Lender's Pro Rata Share of such Swing Line Loan or Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swing Line Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.12 with respect to Loans made by such Lender (and Section 2.12 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swing Line Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Administrative Borrower of any participations in any Swing Line Loan acquired pursuant to this paragraph. Any amounts received by the Swing Line Lender from the Borrowers (or other party on behalf of any Borrower) in respect of a Swing Line Loan after receipt by the Swing Line Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swing Line Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swing Line Lender or the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to any Borrower for any reason. The purchase of participations in a Swing Line Loan pursuant to this paragraph shall not relieve the Borrowers of any default in the payment thereof.

Section 2.05 Prepayments.

(a) *Optional.* (i) The Borrowers may, upon notice to the Administrative Agent by the Borrowers, at any time or from time to time voluntarily prepay any Class or Classes of Revolving Credit Loans of any Class or Classes in whole or in part without premium or penalty (other than as required by Section 3.05); *provided* that (1) such notice must be received by the Administrative Agent not later than 11:30 a.m. (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$500,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrowers, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), the Borrowers may in its sole discretion select the Class or Classes of Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement; *provided* that optional prepayments shall be applied (i) first, to accrued interest on the amount of Revolving Credit Loans prepaid, and (ii) second, to the outstanding principal amount of any class of Revolving Credit Loans. Notwithstanding anything to the contrary in this Agreement, (x) after any Extension, the Borrower may voluntarily prepay any Borrowing of any Class of non-extended Revolving Credit Loans (and terminate the related Revolving Credit Commitment) pursuant to which the related Extension Offer was made or may voluntarily prepay any Borrowing of any Extended Revolving Credit Loans (and terminate the related Extended Revolving Credit Commitment) pursuant to which the related Extension Offer was made without any obligation to voluntarily prepay the corresponding non-extended Revolving Credit Loans and (y) after the incurrence or issuance of any Revolving Credit Loans pursuant to any Incremental Revolving Credit Commitments, the Borrower may voluntarily prepay (and terminate the related Commitment with respect to) any Borrowing of any other Revolving Credit Loans without any obligation to voluntarily prepay (or terminate the related Commitment with respect to) any Class of Loans issued under any Incremental Revolving Credit Commitments, or may voluntarily prepay (and terminate the related Commitment with respect to) any Borrowing of any Class of Loans issued under any Incremental Revolving Credit Commitments without any obligation to voluntarily prepay (or terminate the related Commitment with respect to) any Revolving Credit Loans.

(ii) The Borrowers may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of \$100,000 or a whole multiple of \$50,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrowers, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrowers may rescind (or delay the date of prepayment identified in) any notice of prepayment under Section 2.05(a)(i) or 2.05(a)(ii) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility or the occurrence of another event, which refinancing or other event shall not be consummated or shall otherwise be delayed; provided that the Borrowers shall pay to the applicable Lenders all amounts payable under Section 3.05 in connection with such rescission.

(b) *Mandatory.* (i) If for any reason, at any time the Total Revolving Credit Exposure exceeds the Line Cap, the applicable Borrowers shall within one (1) Business Day after receipt of written notice thereof from the Administrative Agent prepay Revolving Credit Loans and/or Cash Collateralize Letters of Credit (in accordance with Section 2.03(j)) in an aggregate amount equal to the amount that Total Revolving Credit Exposure exceeds the Line Cap.

(ii) Amounts to be applied pursuant to this Section 2.05(b) shall be applied to reduce Revolving Credit Exposure (it being understood that Revolving Credit Exposure shall be deemed reduced to the extent of any Cash Collateralization of LC Exposure solely for purposes of determining whether any further mandatory prepayment is required); provided that to the extent that any Revolving Credit Exposure is reduced by prepaying Revolving Credit Loans, such amounts shall be applied (A) first, to reduce outstanding Revolving Credit Loans consisting of Base Rate Loans and (B) any amounts remaining after each such application shall be applied to prepay outstanding Revolving Credit Loans consisting of Eurocurrency Rate Loans in a manner that minimizes the amount of any payments required to be made by the Borrowers pursuant to Section 3.05. No permanent reduction of Revolving Credit Commitments will be required in connection with any prepayment pursuant to this Section 2.05.

(c) *Interest Funding Losses, Etc.* (i) Except to the extent otherwise agreed by each Lender so being prepaid, all prepayments of Loans (other than any Revolving Credit Loan that is a Base Rate Loan and any Swing Line Loan) shall be accompanied by all accrued and unpaid interest thereon to but not including the date of such prepayment, together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

(ii) Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05, prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrowers may, in its sole discretion, irrevocably deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrowers for all purposes under this Agreement at the time of such prepayment.

Section 2.06 Termination or Reduction of Commitments.

(a) *Optional.* The Borrowers may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent at least 11:00 a.m. three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$1,000,000, or any whole multiple of \$500,000 in excess thereof or, if less, the entire amount thereof, (iii) any termination or permanent reduction of any Revolving Credit Commitments pursuant to this Section 2.06(a) shall be applied as directed by the Borrower, including as to any Class of Extended Revolving Credit Commitments or existing Revolving Credit Commitments (including any Incremental Revolving Credit Commitments), (iv) if, after giving effect to any reduction of the Revolving Credit Commitments, the LC Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, such sublimit shall be automatically reduced by the amount of such excess and (v) in any event, the applicable Borrower shall not terminate or reduce the Revolving Credit Commitments if, after giving effect to any concurrent prepayment of the Revolving Credit Loans in accordance with Section 2.05, the Total Revolving Credit Exposure would exceed the Line Cap at such time. Notwithstanding the foregoing, the Administrative Borrower may rescind or postpone any notice of termination of any Commitments prior to the effectiveness of such termination if such termination would have resulted from a refinancing of all or a portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or otherwise shall be delayed. Except as provided above, the amount of any such Revolving Credit Commitment reduction shall not be applied to the LC Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrowers.

(b) *Mandatory.* The Revolving Credit Commitment of each Revolving Credit Lender of a Class shall automatically and permanently terminate on the Maturity Date for such applicable Class of Revolving Credit Commitments; *provided* that (x) the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans, LC Credit Extensions or participations in Swing Line Loans that were required to be funded by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of LC Credit Extensions or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date, in each case, other than to the extent such participations have been reallocated pursuant to the terms hereof. The commitments of the Issuing Banks to issue, amend, renew or extend any Letters of Credit shall automatically terminate on the earlier to occur of (i) the termination of the Revolving Credit Commitments and (ii) the date that is three (3) Business Days prior to the applicable Maturity Date.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Commitments of any Facility shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) *[Reserved].*

(b) *Revolving Credit Loans.* The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments.

(c) *Swing Line Loans.* The Borrowers shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (i) thirty (30) days after such Loan is made and (ii) the Latest Maturity Date for the Revolving Credit Commitments.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans made under the Initial Revolving Credit Commitments.

(b) During the continuance of an Event of Default under Section 8.01(a), the Borrowers shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon written demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(a) *[Reserved]*.

(b) *Agent Fees.* The Borrowers shall pay to the Agents and the Commitment Parties such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrowers and the applicable Agent or Commitment Party).

(c) *Commitment Fee.* The Borrowers shall pay to the Administrative Agent for the account of each Lender (other than any Defaulting Lenders) in accordance with its Pro Rata Share, a commitment fee for the period from the Closing Date to but excluding the Maturity Date (or such earlier date on which the Revolving Credit Commitments shall have expired or terminated) equal to the Commitment Fee Rate divided by three hundred and sixty (360) days and multiplied by the number of days in the fiscal quarter and then multiplied by the amount, if any, by which the Average Facility Balance with respect to the Revolving Credit Facility for such fiscal quarter (or portion thereof that the Revolving Credit Commitments are in effect) is less than the aggregate amount of the Revolving Credit Commitments; *provided* that if the Revolving Credit Commitments are terminated on a day other than the first day of a fiscal quarter, then any such fee payable for the fiscal quarter in which termination shall occur shall be paid on the effective date of such termination and shall be based upon the number of days that have elapsed during such period. The foregoing notwithstanding, in accordance with Section 2.14(b), the applicable lenders may consent to a different Commitment Fee Rate to be paid pursuant to the terms of any applicable Incremental Amendment or Extension Offer. Accrued Commitment Fees shall be payable in arrears on the first day of each January, April, July and October of each year and on the date on which the Revolving Credit Commitments terminate, commencing on September 30, 2019. All Commitment Fees shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) *Letter of Credit Fees.* (i) Each applicable Borrower agrees to pay to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurocurrency Rate Loans on the average daily amount of such Lender's LC Exposure in respect of Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender's Revolving Credit Commitment terminates and the date on which such Lender ceases to have any LC Exposure with respect to any Letters of Credit. Each Borrower, severally but not jointly, agrees to pay to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) attributable to the Letters of Credit issued by such Issuing Bank on account of such Borrower during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Credit Commitments and the date on which there ceases to be any LC Exposure attributable to the Letters of Credit issued by such Issuing Bank, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Accrued participation fees and fronting fees under this paragraph (b) shall be payable in Dollars on the first day of each January, April, July and October of each year and on the date on which the Revolving Credit Commitments terminate, commencing on September 30, 2019; provided, that any such fees accruing after the date on which the Revolving Credit Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within thirty (30) days after written demand therefor. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day)

Section 2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate) shall be made on the basis of a year of three hundred sixty-five (365) days, or three hundred sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed, or, in the case of interest in respect of Loans denominated in an Available Currency other than Dollars as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included for purposes of calculating interest on a Loan of such different Type and the date such Loan is repaid or converted to a Loan of a different Type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of United States Treasury Regulation Section 5f.103-1(c) and Section 1.163-5(b) of the proposed United States Treasury Regulations, as agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) Unless the Borrowers or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Base Rate Loans, prior to 1:00 p.m. on the date of such payment, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrowers, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Swing Line Lender, Issuing Bank or Borrowers hereunder), that the Borrowers or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrowers or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrowers failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrowers to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrowers, and the Borrowers shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

A written notice (including documentation reasonably supporting such request) of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all LC Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments.

If, other than as expressly provided elsewhere herein or required by court order, any Lender shall obtain payment of any principal of or interest on account of the Loans made by it, or payment in respect of the participations in LC Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in LC Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrowers or application of funds pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder, (C) [reserved], (D) in connection with a transaction pursuant to an Extension Amendment or Incremental Amendment, (E) the application of Cash Collateral as provided herein (including the application of funds arising from the existence of a Defaulting Lender) or (F) non-pro rata payments and repayments permitted pursuant to [Section 2.16\(b\)](#). The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender was the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Notwithstanding anything to the contrary contained in this Section 2.13 or elsewhere in this Agreement, the Borrower may extend the final maturity of Revolving Credit Commitments in connection with an Extension that is permitted under Section 2.16 without being obligated to effect such extensions on a pro rata basis among the Lenders (it being understood that no such extension (i) shall constitute a payment or prepayment of Revolving Credit Loans, as applicable, for purposes of this Section 2.13. Furthermore, the Borrower may take all actions contemplated by Section 2.16 in connection with any Extension (including modifying pricing, amortization and repayments or prepayments), and in each case such actions shall be permitted, and the differing payments contemplated therein shall be permitted without giving rise to any violation of this Section 2.13 or any other provision of this Agreement.

Section 2.14 Incremental Facilities.

(a) At any time and from time to time, subject to the terms and conditions set forth herein, the Administrative Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy of such notice to each of the Lenders), request to incur one or more increases in the Revolving Credit Commitments (“**Incremental Revolving Credit Commitments**” or the “**Incremental Facilities**”); *provided*, that at the time of the effectiveness of each Incremental Amendment, no Specified ABL Default has occurred and is continuing or shall result therefrom (and, in connection with any Incremental Facility to fund a Permitted Acquisition or permitted Investment, no Specified Event of Default shall have occurred and be continuing as of the date of the definitive acquisition agreements for such Permitted Acquisition or permitted Investment entered into). Notwithstanding anything to the contrary herein, without the consent of the Required Lenders, the aggregate principal amount of the Incremental Facilities shall not exceed \$50,000,000. All Incremental Revolving Commitments shall be in an integral multiple of \$250,000 and in an aggregate principal amount that is not less than \$5,000,000 (or in such lesser minimum amount agreed by the Administrative Agent); *provided*, that such amount may be less than the applicable minimum amount if such amount represents all the remaining availability in respect of the Incremental Facilities.

(b) Any Incremental Revolving Commitment shall be on terms identical to the Revolving Credit Commitments under the Revolving Credit Facility proposed to be increased thereby, including with respect to having the same Guarantors and being secured by the same Collateral on a *pari passu* basis with the applicable Facility subject to such increase except that the Maturity Date of an Incremental Revolving Commitment shall be no earlier (but may be later) than the Revolving Credit Commitments proposed to be increased. Unless the Incremental Revolving Commitment and the Revolving Credit Commitments proposed to be increased have different Maturity Dates, such Incremental Revolving Commitment shall be deemed a Revolving Credit Commitment of the applicable Revolving Credit Facility or both Revolving Credit Facilities, as the case may be, pursuant to the applicable Incremental Amendment (it being understood that an Incremental Facility establishing Incremental Revolving Commitments will not create a separate Revolving Credit Facility and such Incremental Revolving Commitments will be deemed a part of the applicable Revolving Credit Facility); *provided*, that the Applicable Rate and the Commitment Fee Rate, in each case applicable to the Revolving Credit Commitments and Revolving Credit Loans of such Revolving Credit Facility, may be increased, without the consent of any Lender, in connection with the incurrence of any Incremental Revolving Commitment such that the Applicable Rate and the Commitment Fee Rate of such Revolving Credit Commitments are identical to those of the Incremental Revolving Commitments.

(c) Each notice from any Borrower pursuant to this Section 2.14 shall set forth the requested amount of the relevant Incremental Revolving Commitments. Any Additional Lenders that elect to extend Incremental Revolving Commitments shall be reasonably satisfactory to the Administrative Borrower, and, to the extent its consent would be required with respect to an assignment to such Additional Lender under Section 10.07(b), the Administrative Agent, the Swing Line Lender and each Issuing Bank (in each case, any approval thereof not to be unreasonably withheld, delayed or conditioned), and, if not already a Lender, shall become a Lender under this Agreement pursuant to an Incremental Amendment. Each Incremental Facility shall become effective pursuant to an amendment (each, an **"Incremental Amendment"**) to this Agreement and, as appropriate, the other Loan Documents, executed by the Administrative Borrower, any applicable Borrowers, such Additional Lender or Additional Lenders and the Administrative Agent. No Incremental Amendment shall require the consent of any Lenders or any other Person other than the Administrative Borrower, any applicable Borrowers, the Administrative Agent and the Additional Lenders with respect to such Incremental Amendment. The Lenders hereby irrevocably authorize the Administrative Agent to enter into Incremental Amendments and, as appropriate, amendments to the other Loan Documents as may be necessary in order to establish new tranches or sub-tranches in respect of the existing Revolving Credit Commitments and such technical amendments as may be necessary or appropriate in the opinion of the Administrative Agent, the Administrative Borrower and the applicable Borrower to effect the provisions of this Section 2.14 (including to provide for class voting provisions applicable to the Additional Lenders on terms comparable to the provisions of Section 10.01). In addition, if so provided in such Incremental Amendment and with the consent of the applicable Issuing Banks, participations in Letters of Credit expiring on or after the Maturity Date shall be re-allocated from Lenders holding Revolving Credit Commitments to Lenders holding Incremental Revolving Commitments, be deemed to be participation interests in respect of such Incremental Revolving Commitments and the terms of such participation interests (including the participation fees applicable thereto) shall be adjusted accordingly. No Lender shall be obligated to provide any Incremental Revolving Commitments, unless it so agrees. Revolving Credit Commitments in respect of any Incremental Revolving Commitments shall become Revolving Credit Commitments under this Agreement. The effectiveness of any Incremental Amendment (each, an **"Incremental Facility Closing Date"**) shall, unless otherwise agreed to by the Administrative Agent and the Additional Lenders party thereto, be subject to (i) the payment in full of all fees and expenses owing to the Administrative Agent and the Lenders in respect of such Incremental Facility, to the extent invoiced prior to such date and (ii) on the date of the effectiveness of the Incremental Revolving Commitments thereunder, no Specified ABL Default shall exist after giving effect to such Incremental Revolving Commitments (or, in the case of a Permitted Acquisition, permitted Investment or Limited Condition Transaction, no Specified ABL Default (as determined in accordance with Section 1.08(g)) shall exist on the LCT Test Date and no Specified Event of Default shall exist on the date that such Incremental Revolving Commitments become effective). Upon each increase in the Revolving Credit Commitments of a Revolving Credit Facility pursuant to this Section 2.14, each Lender under such Revolving Credit Facility immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Commitment (each an **"Incremental Lender"**) in respect of such increase, and each such Incremental Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit under the applicable Revolving Credit Facility such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Lender in such Revolving Credit Facility (including each such Incremental Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Lenders in such Revolving Credit Facility represented by such Lender's Revolving Credit Commitment thereunder. Each of the parties hereto hereby agrees that the Administrative Agent may, in consultation with the Administrative Borrower, take any and all actions as may be reasonably necessary to ensure that, after giving effect to any Incremental Revolving Commitment, the outstanding Revolving Credit Loans are held by the Lenders in accordance with their respective Pro Rata Shares in respect of the applicable Revolving Credit Facility. The foregoing may be accomplished at the discretion of the Administrative Agent, following consultation with the Administrative Borrower, (A) by requiring the outstanding Revolving Credit Loans to be prepaid with the proceeds of a new Revolving Credit Borrowing, (B) by causing non-increasing Lenders to assign portions of their outstanding Revolving Credit Loans to new or increasing Lenders, (C) by a combination of the foregoing or (D) by any other means agreed to by the Administrative Agent and the Administrative Borrower, and any such prepayment or assignment shall be subject to Section 3.05 but shall otherwise be without premium or penalty. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to any of the transactions effected pursuant to the immediately preceding sentence. For the avoidance of doubt, no existing Lender shall be required to participate in an Incremental Facility without its consent.

Section 2.15 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Committed Loan Notice and, in the case of a Eurocurrency Rate Loan, shall have an initial Interest Period as specified in such Committed Loan Notice; provided, that, if the Administrative Borrower fails to specify a Type of Loan in the Committed Loan Notice, then the Loans shall be made as Base Rate Loans and if the Administrative Borrower requests a Borrowing of Eurocurrency Rate Loans, but fails to specify an Interest Period, it will be deemed to have requested an Interest Period of one month's duration. Thereafter, the Administrative Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Rate Loan, may elect Interest Periods therefor, all as provided in this Section 2.15. The Administrative Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding any other provision of this Section 2.15, the Administrative Borrower will not be permitted to change the currency of any Borrowing, except by repaying a Borrowing with a new Borrowing. This Section 2.15 shall not apply to Swing Line Borrowings or Agent Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.15, the Administrative Borrower shall notify the Administrative Agent of such election electronically by the time that a Committed Loan Notice would be required under Section 2.02(e) if the Administrative Borrower were requesting a Revolving Credit Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Committed Loan Notice submitted electronically shall be irrevocable.

- (c) Each Committed Loan Notice submitted electronically shall specify the following information in compliance with Section 2.2(e):
- (i) the Borrower with respect to such Borrowing;
 - (ii) the Borrowing to which such Committed Loan Notice applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iv) and (v) below shall be specified for each resulting Borrowing);
 - (iii) the effective date of the election made pursuant to such Committed Loan Notice, which shall be a Business Day;
 - (iv) whether the resulting Borrowing is to be a Base Rate Loan or a Eurocurrency Rate Loan; and
 - (v) if the resulting Borrowing is a Eurocurrency Rate Loan, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Committed Loan Notice requests a Eurodollar Borrowing but does not specify an Interest Period, then the Administrative Borrower shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Promptly following receipt of a Committed Loan Notice, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Administrative Borrower fails to deliver a timely Committed Loan Notice with respect to a Eurocurrency Rate Loan prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein at the end of such Interest Period, such Borrowing shall be converted to a Base Rate Loan. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Administrative Borrower, then, so long as an Event of Default is continuing (x) no outstanding Borrowing may be converted to or continued as a Eurocurrency Rate Loan and (y) unless repaid, at the end of the Interest Period applicable thereto, each Eurocurrency Rate Loan shall be converted to an Base Rate Loan.

Section 2.16 Extension of Revolving Credit Loans.

(a) *[Reserved]*.

(b) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Administrative Borrower to all Lenders of any Revolving Credit Facility with Revolving Credit Commitments with a like maturity date on a pro rata basis (based on the aggregate outstanding principal amount of the Revolving Credit Commitments under such Revolving Credit Facility with a like maturity date) and on the same terms to each such Lender, the Administrative Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender’s Revolving Credit Commitments of such Revolving Credit Facility and otherwise modify the terms of such Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Revolving Credit Commitments (and related outstandings)) (each, an “**Extension**”, and each group of Revolving Credit Commitments, as so extended, as well as the original Revolving Credit Commitments of such Revolving Credit Facility (not so extended), being a “tranche”; any Extended Revolving Credit Commitments shall constitute a separate tranche of Revolving Credit Commitments from the tranche of Revolving Credit Commitments of such Revolving Credit Facility from which they were extended), so long as the following terms are satisfied with respect to each applicable Revolving Credit Facility: (i) except as to pricing (including interest rates, fees and funding discounts), conditions precedent and maturity (which shall be set forth in the relevant Extension Offer), the Revolving Credit Commitment of any Lender that agrees to an Extension with respect to such Revolving Credit Commitment (an “**Extending Lender**”) extended pursuant to an Extension (an “**Extended Revolving Credit Commitment**”), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms as the original Revolving Credit Commitments (and related outstandings) (provided, that (1) assignments and participations of Extended Revolving Credit Commitments and Extended Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans of such Revolving Credit Facility and (2) at no time shall there be Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments and any original Revolving Credit Commitments) which have more than four different maturity dates), (ii) if the aggregate principal amount of Revolving Credit Commitments in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Revolving Credit Commitments offered to be extended by the Administrative Borrower pursuant to such Extension Offer, then the Revolving Credit Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer and (iii) all documentation in respect of such Extension shall be consistent with the foregoing.

(c) With respect to all Extensions consummated by the Administrative Borrower pursuant to this Section 2.16, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement and (ii) each Extension Offer shall specify the minimum amount of Revolving Credit Commitments of each Revolving Credit Facility to be tendered. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) shall not require the consent of any Lender or any other Person (other than as set forth in clause (c) below), and the requirements of any provision of this Agreement (including Sections 2.02(c), 2.05 and 2.12) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 shall not apply to any of the transactions effected pursuant to this Section 2.16.

(d) No consent of any Lender or any other Person shall be required to effectuate any Extension, other than the consent of the Administrative Borrower, each applicable Borrower and each Lender agreeing to such Extension with respect to one or more of its Revolving Credit Commitments (or a portion thereof) and the Issuing Bank (if applicable), which consent shall not be unreasonably withheld, conditioned or delayed. All Extended Revolving Credit Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a *pari passu* basis with the applicable Facility subject to such Extension Amendment. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (an “**Extension Amendment**”) with the Administrative Borrower and each applicable Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Revolving Credit Commitments of each Revolving Credit Facility so extended and such technical amendments as may be necessary or appropriate in the opinion of the Administrative Agent and the Administrative Borrower to effect the provisions of this Section 2.16 (including in connection with the establishment of such new tranches or sub-tranches, or to provide for class voting provisions applicable to the Additional Lenders on terms comparable to the provisions of Section 10.01). In addition, if so provided in such Extension Amendment and with the consent of the applicable Issuing Banks, participations in Letters of Credit expiring on or after the Maturity Date shall be re-allocated from Lenders holding Revolving Credit Commitments to Lenders holding Extended Revolving Credit Commitments in accordance with the terms of such Extension Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Extended Revolving Credit Commitments, be deemed to be participation interests in respect of such Extended Revolving Credit Commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly.

(e) In connection with any Extension, the Administrative Borrower shall provide the Administrative Agent at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.16.

(f) Notwithstanding anything to the contrary above, at any time and from time to time following the establishment of a Class of Extended Revolving Credit Commitments, the Administrative Borrower may offer any Lender of a Revolving Credit Facility that had been subject to an Extension Amendment (without being required to make the same offer to any or all other Lenders) who had not elected to participate in such Extension Amendment the right to convert all or any portion of its Revolving Credit Commitments into such Class of Extended Revolving Credit Commitments of such Revolving Credit Facility; provided, that (i) such offer and any related acceptance shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent; (ii) such additional Extended Revolving Credit Commitments shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with the relevant Lenders) with the existing Extended Revolving Credit Commitments, (iii) any Lender which elects to participate in an Extension Amendment pursuant to this clause (f) shall enter into a joinder agreement to the respective Extension Amendment, in form and substance reasonably satisfactory to the Administrative Agent and executed by such Lender, the Administrative Agent, the Administrative Borrower and any other applicable Borrowers and (iv) any such additional Extended Revolving Credit Commitments shall be in an aggregate principal amount that is not less than \$1,000,000 (or, in the case of an outstanding Class with an entire outstanding principal amount of existing Revolving Credit Commitments less than a \$1,000,000 that is to be refinanced in full, such outstanding principal amount or commitments), unless each of the Administrative Borrower and the Administrative Agent otherwise consents. Notwithstanding anything to the contrary contained herein, any Loans made as provided above shall be treated as part of the Class to which such Loans are added, and shall not constitute a new Class of new Extended Revolving Credit Commitments.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender’s right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the Issuing Bank or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by the Issuing Bank or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrowers may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Bank or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or LC Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or LC Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any Commitment Fee pursuant to Section 2.09(c) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(m).

(iv) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Pro Rata Share" of each Non-Defaulting Lender's Revolving Credit Loans and LC Obligations shall be computed without giving effect to the Revolving Credit Commitment of that Defaulting Lender; *provided* that the aggregate obligation of each Non-Defaulting Lender under a Class of Revolving Credit Commitments to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Revolving Credit Commitment under such Class of that Non-Defaulting Lender minus (2) the sum of (A) the aggregate Outstanding Amount of the Revolving Credit Loans, (B) the aggregate Outstanding Amount of the Pro Rata Share or other applicable share provided under this Agreement (immediately prior to giving effect to such applicable reallocation) of the LC Obligations and (C) the aggregate Outstanding Amount of the Pro Rata Share or other applicable share provided under this Agreement (immediately prior to giving effect to such applicable reallocation) of the Swing Line Loans, in each case, under such Class of Revolving Credit Commitments of that Non-Defaulting Lender.

(b) *Defaulting Lender Cure.* If the Administrative Borrower, the Administrative Agent, Swing Line Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders at par or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share or other applicable share provided under this Agreement (without giving effect to the reallocation of such Lender's participation pursuant to Section 2.17(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender

(c) *Cash Collateralization.* At any time that there shall exist a Defaulting Lender, promptly upon the written request of the Administrative Agent (with respect to any or all Fronting Exposure) or the Issuing Bank or the Swing Line Lender (solely with respect to such Person's Fronting Exposure at such time), the Borrowers shall deliver to the Administrative Agent Cash Collateral (or, in the case of Fronting Exposure with respect to Swing Line Loans, repay such Swing Line Loans) in an amount sufficient to cover all such Fronting Exposure that has not been reallocated pursuant to Section 2.17(a)(iv) (after giving effect to any Cash Collateral provided by the Defaulting Lender). For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of (i) the relevant Issuing Bank and the Lenders, as collateral for the LC Obligations or (ii) the Swing Line Lender and the Lenders, as collateral for the Swing Line Obligations, cash and Cash Equivalents (if reasonably acceptable to the Administrative Agent and the relevant Issuing Bank or Swing Line Lender, as applicable) or deposit account balances ("**Cash Collateral**") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant Issuing Bank or Swing Line Lender, as applicable (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings.

Section 2.18 Co-Borrowers.

(a) Each Borrower accepts joint and several liability hereunder in consideration of the financial accommodation to be provided by the Administrative Agent, the Lenders and the Issuing Banks under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of each Borrower to accept joint and several liability for the obligations of each Borrower.

(b) Each Borrower shall be jointly and severally liable for the Obligations, regardless of which Borrower actually receives the Loans hereunder or the amount of the Obligations received or the manner in which the Administrative Agent or any Lender accounts for the Obligations on its books and records. Each Borrower's obligations with respect to Loans made to it, and each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder, with respect to Loans or LC Obligations made to and other Obligations owing by the Borrowers hereunder, shall be separate and distinct obligations, but all such obligations shall be primary obligations of each Borrower.

(c) Each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to, Letters of Credit issued on behalf of, and other Obligations owing by the Borrowers hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (A) the validity or enforceability, avoidance or subordination of the obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the obligations of any other Borrower, (B) the absence of any attempt to collect the Obligations from any other Borrower, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (C) the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or any Lender with respect to any provision of any instrument evidencing the obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to the Administrative Agent or any Lender, (D) the failure by the Administrative Agent or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the obligations of any other Borrower, (E) the Administrative Agent's or any Lender's election, in any proceeding instituted under the Bankruptcy Code of the United States, of the application of Section 1111(b)(2) of the Bankruptcy Code of the United States, (F) any borrowing or grant of a security interest by any other Borrower, as Debtor In Possession under Section 364 of the Bankruptcy Code of the United States, (G) the disallowance of all or any portion of the Administrative Agent's or any Lender's claim(s) for the repayment of the obligations of any other Borrower under Section 502 of the Bankruptcy Code of the United States, or (H) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower. With respect to each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement and the other Loan Documents shall have been terminated, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against such Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender to secure payment of the Obligations or any other liability of any Borrower to the Administrative Agent or any Lender.

(d) Upon the occurrence and during the continuation of any Event of Default, the Administrative Agent and the Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations.

(e) Each Borrower hereby irrevocably appoints the Administrative Borrower as the borrowing agent and attorney-in-fact for the Borrowers, which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed in the place of the Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Administrative Agent and receive from the Administrative Agent all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Collateral of the Borrowers in a combined fashion, as more fully set forth herein and in the Collateral Documents, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group

(f) After the Closing Date, the Administrative Borrower may, at any time and from time to time, designate any Restricted Subsidiary that is a wholly-owned Domestic Subsidiary as a Borrower by delivery to the Administrative Agent of a Borrower Joinder Agreement executed by such Subsidiary and the Administrative Borrower, together with any documentation and other information with respect to such additional Borrower required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act requested by the Administrative Agent (and to the extent not theretofore delivered on the Closing Date or otherwise) and satisfied the Collateral and Guarantee Requirement (including without limitation the actions as specified in Section 6.11 with respect to newly formed Subsidiaries), and upon such delivery and satisfaction, such Subsidiary shall for all purposes of this Agreement and the other Loan Documents be a Borrower and a party to this Agreement. As soon as practicable upon receipt of a Borrower Joinder Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

(a) The Parent Borrower, the other Borrowers and each Loan Party shall, along with the Administrative Agent and certain financial institutions selected by the Loan Parties, reasonably satisfactory to the Administrative Agent and located in the United States (the “**Collection Banks**”), enter into within 90 days after the Closing Date (or such longer period as the Administrative Agent may reasonably agree), and thereafter maintain, separate Account Control Agreements with respect to all deposit accounts (other than Exempt Accounts). Each Loan Party shall (x) instruct all Account Debtors of such Loan Party (other than any Governmental Entity) to remit all payments to the applicable “P.O. Boxes” or “Lockbox Addresses” of the applicable Collection Bank (or to remit such payments to the applicable Collection Bank by electronic settlement) with respect to all Accounts of such Account Debtor which remittances shall be collected by the applicable Collection Bank and deposited in the applicable Controlled Account of the applicable Loan Party and (y) (i) instruct each Account Debtor with respect to Governmental Entity Accounts to remit all payments from such Account Debtor to a concentration or deposit account that is used solely to collect Governmental Entity Accounts and that is not subject to an Account Control Agreement (each such account, a “**Government Receivables Account**”) and (ii) deposit or cause all proceeds deposited in any Government Receivables Account to be deposited promptly, and in any event no later than the first Business Day after its receipt of such proceeds, in a concentration account which is a Controlled Account. All amounts received by any Loan Party and any Collection Bank, in respect of any Account, in addition to all other cash received from any other source (other than cash and Cash Equivalents maintained in Exempt Accounts or otherwise by Loan Parties not to exceed \$5,000,000 in the aggregate at any time), shall promptly upon receipt be deposited or swept into a Controlled Account. The Loan Parties may close deposit accounts at any Collection Bank and/or open new deposit accounts, subject (in the case of opening any new deposit account) to the contemporaneous (or such longer period as the Administrative Agent may reasonably agree) execution and delivery to the Administrative Agent of an Account Control Agreement consistent with the provisions of this Section 2.19 and otherwise reasonably satisfactory to the Administrative Agent.

(b) So long as no Dominion Period then exists in respect of which the Administrative Agent has delivered notice thereof as contemplated by the definition thereof, the Loan Parties shall be permitted to withdraw cash and Cash Equivalents from Controlled Accounts to be used for working capital and general corporate purposes. If a Dominion Period exists and the Administrative Agent has delivered notice thereof as contemplated by the definition thereof, all collected amounts held in the Controlled Accounts shall be applied as provided in Section 2.19(c).

(c) Each Account Control Agreement relating to a Controlled Account shall (unless otherwise reasonably agreed by the Administrative Agent) include provisions that allow, during any Dominion Period if the Administrative Agent so elects, for all collected amounts held in such Controlled Account from and after the date requested by the Administrative Agent, to be sent by ACH or wire transfer or similar electronic transfer no less frequently than once per Business Day to one or more accounts maintained with the Administrative Agent (each, an “**Agent Deposit Account**”). Subject to the terms of the respective Collateral Document, during any Dominion Period, all amounts received in an Agent Deposit Account shall be applied (and allocated) by the Administrative Agent on a daily basis in the following order: (i) first, (A) if so elected by the Administrative Agent, to the payment (on a ratable basis) of any outstanding fees and expenses actually due and payable to the Administrative Agent under any of the Loan Documents and (B) to repay or prepay outstanding Loans advanced by the Administrative Agent on behalf of the Lenders pursuant to Section 2.01(d); (ii) second, to the extent all amounts referred to in preceding clause (i) have been paid in full, (A) if so elected by the applicable Issuing Bank or the Swing Line Lender, to pay (on a ratable basis) all outstanding expenses actually due and payable to each Issuing Bank and the Swing Line Lender under any of the Loan Documents and (B) to repay all outstanding unpaid LC Disbursements and Swing Line Exposure and all interest thereon; (iii) third, to the extent all amounts referred to in preceding clauses (i) and (ii) have been paid in full, (A) to pay (on a ratable basis) all accrued and unpaid interest actually due and payable on the Revolving Credit Loans and (B) if so elected by the applicable Secured Party, to pay all accrued and unpaid fees actually due and payable to the Administrative Agent, the Issuing Banks, the Swing Line Lender, and the Lenders under any of the Loan Documents with respect to the Revolving Credit Loans; (iv) fourth, to the extent all amounts referred to in preceding clauses (i) through (iii), inclusive, have been paid in full, to repay (on a ratable basis) the outstanding principal of Revolving Credit Loans (whether or not then due and payable); (v) fifth, to the extent all amounts referred to in preceding clauses (i) through (iv), inclusive, have been paid in full, to the Cash Collateralization (on a ratable basis) of all LC Exposure in accordance with Section 2.03(j); (vi) sixth, to the extent all amounts referred to in preceding clauses (i) through (v), inclusive, have been paid in full, to pay (on a ratable basis) all other outstanding Obligations then due and payable to the Administrative Agent and the Lenders under any of the Loan Documents with respect to the Revolving Credit Loans; and (vii) seventh, to the extent all amounts referred to in preceding clauses (i) through (vi) inclusive, have been paid in full and so long as no Specified Event of Default then exists, to be returned to the applicable Borrowers for such Borrowers’ own account.

(d) Subject to the terms and conditions of Sections 10.04 and 10.05, all costs and expenses to effect the foregoing (including reasonable legal fees and disbursements of counsel) shall be paid by the Loan Parties.

(e) The Administrative Agent agrees that immediately upon the termination of the Dominion Period it shall stop transferring amounts from the Controlled Accounts to accounts maintained with the Administrative Agent pursuant to this Section 2.19, and the Loan Parties shall be permitted to withdraw cash and Cash Equivalents from Controlled Accounts to be used for working capital and general corporate purposes.

(f) Notwithstanding the foregoing, until the later of (x) nine (9) months after the date hereof (or such later date as may be agreed to by the Administrative Agent in its Permitted Discretion) and (y) thirty (30) days after the date on which the Specified Post-Closing Undertaking is satisfied in accordance with Section 6.18, Account Control Agreements shall not be required for the deposit accounts of any Beta Entity.

ARTICLE III.
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, all payments made by or on account of the Borrowers or Guarantors to or for the account of the Administrative Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by any Law. If the Borrowers, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct or withhold any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) if the Tax in question is an Indemnified Tax or Other Tax (as defined below), the sum payable by the Borrowers or any Guarantor shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 3.01), each of such Lender (or where any Agent receives the payments for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrowers or any Guarantor is the applicable withholding agent, it shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrowers agree to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, any such Tax imposed as a result of an Agent or Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**"), except for Assignment Taxes resulting from an assignment or participation that is requested or required in writing by the Borrowers (all such non-excluded taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) The Borrowers and each Guarantor agree to promptly indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender and (ii) any expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender and Agent shall, at such times as are reasonably requested by the Borrowers or the Administrative Agent, provide the Borrowers and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrowers or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender and Agent shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate to the Borrowers and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrowers or the Administrative Agent) or promptly notify the Borrowers and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally eligible to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement and at the reasonable request of the Parent Borrower or Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor forms) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of Exhibit I hereto (any such certificate a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), or

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a properly completed and duly signed Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if such Lender is a partnership (and not a participating Lender) and one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owner(s)).

(iii) Each Administrative Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor forms) with respect to fees received on its own behalf, certifying that such Administrative Agent is exempt from U.S. federal backup withholding. Each Administrative Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrowers and the Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms) with respect to fees received on its own behalf and Internal Revenue Service Form W-8IMY, and including required accompanying documentation with respect to payments to be received by it on behalf of the Lenders, certifying that it is a “U.S. branch” and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business within the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. Person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a resident for tax purposes in the United States with respect to such payments as contemplated by Section 1.1441-1(b)(2)(iv) of the United States Treasury Regulations).

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by Laws and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment.

(f) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(d) or (e) above.

(g) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrowers) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(h) If any Lender or Agent determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit to such Loan Party an amount equal to the amount of such refund (but only to the extent of indemnification or additional amounts paid by the Loan Party under this Section 3.01(h) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or Agent, as the case may be, shall promptly return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. The Administrative Agent or such Lender, as the case may be, shall provide the Loan Party with a copy of any notice of assessment or other evidence reasonably available of the requirement to repay such refund received from the relevant taxing authority. This Section shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrowers or any other person.

(i) For the avoidance of doubt, a "Lender" shall, for purposes of this Section 3.01, include any Issuing Bank and any Swing Line Lender.

Section 3.02 Illegality.

If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate in each case after the Closing Date, then, on written notice thereof by such Lender to the Borrowers through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

Section 3.03 Inability to Determine Rates.

If, after the Closing Date, the Required Lenders reasonably determine that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (a) deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan (such Loans, the “**Impacted Loans**”), (b) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan, or (c) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 3.03, the Administrative Agent, with the consent of the Parent Borrower, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this Section 3.03, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrowers that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrowers written notice thereof.

Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrowers or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Borrowers) that the Borrowers or Required Lenders (as applicable) have determined, that:

- (i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or
- (ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the “**Scheduled Unavailability Date**”), or
- (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Parent Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “**LIBOR Successor Rate**”), together with any proposed LIBOR Successor Rate Conforming Changes (as defined in Section 1.01) and any such amendment shall become effective upon execution by the Administrative Agent and the Administrative Borrower at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrowers unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes imposed on or with respect to any payment made by or on account of any obligation of any Loan Party under any Loan Document that are excluded from the definition of Indemnified Taxes pursuant to clauses (i) through (vi) thereof), including by imposing, modifying or holding applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.04(c) or the definition of Eurocurrency Rate), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of any such Lender's holding companies, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding companies could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding companies with respect to capital adequacy and liquidity), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the Borrowers will pay to such Lender, as the case may be, within fifteen (15) days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding companies for any such reduction suffered.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Rate funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan of the Borrowers equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans of the Borrowers, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; *provided* that the Borrowers shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

Section 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan of the Borrowers on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan of the Borrowers on the date or in the amount notified by the Borrowers;

including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.04, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or issuing Letters of Credit hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* that nothing in this Section 3.06(a) shall affect or postpone any Obligations of the Borrowers or the rights of the Lenders under this Article III.

(b) If any Lender requests compensation by the Borrowers under Section 3.04, the Borrowers may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(d) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrowers of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(d) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of any immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrowers (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(f) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrowers setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Agent or Lender may use any reasonable averaging and attribution methods.

Section 3.07 Replacement of Lenders under Certain Circumstances.

If (i) any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives the Borrowers the right to replace a Lender as a party hereto, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (*provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(a) the Borrowers or the Assignee shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(C) (unless otherwise waived by the Administrative Agent);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers;

(c) such Lender being replaced pursuant to this Section 3.07 shall (1) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans and participations in LC Obligations and Swing Line Loans, and (2) deliver any Notes evidencing such Loans to the Borrowers or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) upon such payment set forth in clauses (a) and (b) above and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) such assignment does not conflict with applicable Laws;

(g) any Lender that acts as an Issuing Bank may not be replaced in its capacity as an Issuing Bank hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(h) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06,

or (y) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (a) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrowers owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (b) in the case of an Issuing Bank, repay all Obligations of the Borrowers owing to such Issuing Bank relating to the Loans and participations held by the Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (iii) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

Notwithstanding the foregoing, in addition if a Non-Consenting Lender is being replaced in connection with any Extension Amendment, the Borrowers shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice (which notice may be rescinded if the transaction contemplated in such notice is not consummated) to such Non-Consenting Lenders, in lieu of execution of an Assignment and Assumption as otherwise provided for in this clause (b), effect such assignment by purchasing any such Non-Consenting Lender's Loans (which shall be automatically cancelled upon consummation of such acquisition) and unfunded Commitments at par (allocated among the applicable Lenders in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon (and, if applicable, any amounts payable pursuant to clause (e) of this Section and Section 3.05). By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith.

In the event that (i) the Borrowers or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment (including, in each case, by virtue of such Lender refusing to make or enter into an Extension Offer pursuant to Section 2.16), then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender.**"

In connection with any such replacement, if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender. Notwithstanding the foregoing, in addition if a Non-Consenting Lender is being replaced in connection with any Extension Amendment, the Administrative Borrower shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice (which notice may be rescinded if the refinancing or replacement transaction contemplated in such notice is not consummated) to such Non-Consenting Lenders, in lieu of execution of an Assignment and Assumption as otherwise provided for in this clause (y), to effect such assignment by purchasing any such Non-Consenting Lender's Loans (which shall automatically be cancelled upon consummation of such acquisition) and unfunded Commitments at par (allocated among the applicable Lenders in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest, premium and fees thereon (and, if applicable, any amounts payable pursuant to the immediately preceding paragraphs). By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption and accordingly no other action by such Lenders shall be required in connection therewith.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Equity Interests or Preferred Stock, the Dollar-equivalent principal amount of Indebtedness, Disqualified Equity Interests or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred, or Disqualified Equity Interests or Preferred Stock is issued, to extend, replace, refund, refinance, renew or defease other Indebtedness, Disqualified Equity Interests or Preferred Stock, as applicable, denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or liquidation preference, as applicable, of such refinancing Indebtedness, Disqualified Equity Interests or Preferred Stock does not exceed the principal amount or liquidation preference, as applicable, of such Indebtedness, Disqualified Equity Interests or Preferred Stock, as applicable, being extended, replaced, refunded, refinanced, renewed or defeased, plus the aggregate amount of fees, underwriting discounts, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of OID, and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Equity Interests or Preferred Stock, as the case may be, of the same class, accretion or amortization of OID or liquidation preference and increases in the amount of Indebtedness, Disqualified Equity Interests or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies, will, in each case, not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Equity Interests or Preferred Stock for purposes of this Section 7.03. The principal amount of any Indebtedness incurred or Disqualified Equity Interests issued to refinance other Indebtedness, if incurred in a different currency from the Indebtedness or Disqualified Equity Interests, as applicable, being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Equity Interests in denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on the consolidated balance sheet of the Parent Borrower dated such date prepared in accordance with GAAP.

Notwithstanding anything to the contrary in this Agreement, (x) no investments made by any Loan Party in any Non-Loan Party in the form of intercompany loans shall be evidenced by a promissory note unless such promissory note, to the extent required to be pledged thereunder, is pledged to the Administrative Agent in accordance with the terms of the Security Agreement and (y) any investments in the form of intercompany loans constituting indebtedness of any Loan Party owed to any Non-Loan Party shall be unsecured and subordinated to the Obligations on terms consistent with the subordination provisions of the Intercompany Note in each case, other than indebtedness owed by, or to, a Broker-Dealer Regulated Subsidiary.

Notwithstanding the above, in the case of any merger, amalgamation or consolidation where the continuing or surviving Person is a Loan Party or any liquidation into a Loan Party, in each case, in accordance with this Section 7.04, any security interests granted to the Administrative Agent for the benefit of the Secured Parties in the Collateral pursuant to the Collateral Documents shall remain in full force and effect and perfected (to at least the same extent as in effect immediately prior to such merger, consolidation, dissolution or liquidation) and all actions required to maintain said perfected status have been or will promptly be taken, in each case, as required by Sections 6.11 and 6.13.

(a) *Non-Payment.* Any Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan or unpaid reimbursement obligation of any drawn Letter of Credit or (ii) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(b) *Specific Covenants.* Any Loan Party (i) fails to timely deliver a Borrowing Base Certificate pursuant to Section 6.02(f) and such failure shall continue unremedied for a period of five (5) days (or two (2) Business Days if the Borrowing Base Certificate is required to be delivered weekly pursuant to Section 6.02(f)), (ii) fails to perform or observe any term, covenant or agreement contained in (A) Section 2.19, (B) any of Sections 6.03(a), 6.05(a) (solely with respect to the Parent Borrower) or 6.16; *provided* that, with respect to any such Event of Default resulting from a failure to promptly provide notice of an Event of Default to the Administrative Agent pursuant to Section 6.03(a), subject to the last proviso of this Section 8.01, the subsequent provision of such notice by the Parent Borrower or any Restricted Subsidiary to the Administrative Agent shall cure the Event of Default resulting from such failure to timely deliver such notice or (C) Article VII; *provided*, that the Financial Covenant is subject to cure pursuant to Section 8.04; or

(c) *Other Defaults.* Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrowers of written notice thereof from the Administrative Agent; or

(d) *Representations and Warranties.* any representation, warranty or certification made or deemed made by any Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect in any material respect when made or deemed made, and, other than with respect to any incorrect Specified Representation (which shall not be subject to cure or a grace period), such incorrect representation or warranty (if curable as determined by the Borrowers in good faith) shall remain incorrect for a period of (i) in the case of any representation, warranty or certification made on the Closing Date (other than any Specified Representation), 90 days and (ii) in the case of any representation, warranty or certification made after the Closing Date, 30 days, in each case after notice thereof from the Administrative Agent to the Borrowers; or

(e) *Cross-Default.* Except with respect to the First Lien Loans and other First Lien Obligations, which shall be subject solely to clause (g) below, any Borrower or any Restricted Subsidiary (A) fails to make any principal or interest payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount of not less than the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Contracts, termination events or equivalent events pursuant to the terms of such Swap Contracts and not as a result of any other default thereunder by the Borrowers or any of its Restricted Subsidiaries), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required and beyond the applicable grace period, if any, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem all of such Indebtedness to be made, prior to its stated maturity; *provided* that this clause (e)(B) shall not apply to (i) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder, (ii) any Indebtedness if (x) the sole remedy of the holder thereof in the event of the non-payment of such Indebtedness or the non-payment or non-performance of obligations related thereto or (y) the sole option is to elect, in each case, to convert such Indebtedness into Qualified Equity Interests and cash in lieu of fractional shares and (iii) in the case of Indebtedness which the holder thereof may elect to convert into Qualified Equity Interests, such Indebtedness from and after the date, if any, on which such conversion has been effected; *provided, further*, that any such failure described under clause (A) or (B) is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02; or

(f) *Insolvency Proceedings, Etc.* Other than with respect to dissolutions or liquidations permitted hereunder, the Parent Borrower, any Restricted Subsidiary that is a Material Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) consecutive days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) consecutive days, or an order for relief is entered in any such proceeding; or

(g) *First Lien Loans and other First Lien Obligations.* With respect to the First Lien Loans and other First Lien Obligations, (x) an Event of Default under and as defined in the First Lien Credit Agreement has occurred and is continuing under clauses (a) or (f) of Section 8.01 of the First Lien Credit Agreement or (y) an Event of Default (other than the type described in the foregoing clause (x)) under and as defined in the First Lien Credit Agreement has occurred and remains unremedied or unwaived for 60 consecutive days after the occurrence thereof or with respect to which any First Lien Secured Party is exercising remedies (including acceleration of obligations or termination of commitments);

(h) *Judgments.* There is entered against any Borrower or any Restricted Subsidiary that is a Material Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not paid or covered by independent third-party insurance or indemnity as to which the insurer or indemnitor has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or any Lender which does not arise from a breach by a Loan Party of its obligations under the Loan Documents or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Total Revolving Credit Commitments), or purports in writing to revoke or rescind any Loan Document; *provided* that none of the foregoing shall apply to any Guarantor which is not a Material Subsidiary; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents.* Any Collateral Document after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 shall for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) cease to create a valid and perfected Lien, with the priority required by the Collateral Documents on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, (x) except to the extent that any such perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents (or other pledged collateral actually delivered to it under the Collateral Documents) or to file Uniform Commercial Code continuation statements and (y) except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

(l) *ERISA.* (i) An ERISA Event occurs which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, or (ii) a Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under any Multiemployer Plan which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect;

provided, that any Event of Default under the Loan Documents, other than any (i) Specified ABL Default (subject to Section 8.04 in the case of clause (d) of the definition of "Specified ABL Default") or (ii) Event of Default which cannot be waived without the written consent of each Lender directly and adversely affected thereby, shall be deemed not to be "continuing" (and shall be deemed to be "cured") if the events, acts or conditions that gave rise to such event of default have been remedied or cured (including by payment, notice, taking any action or omitting to take any action) or have ceased to exist and the Borrowers are otherwise in compliance with the Loan Documents; *provided*, that the foregoing shall not be applicable with respect to any default or Event of Default if the Borrowers knowingly and willfully fails to give timely notice to the Administrative Agent and the Lenders of such default or Event of Default required to be given under the Loan Documents.

Section 8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent may, with the consent of, and shall, at the request of, the Required Lenders, take any or all of the following actions:

(i) declare the Commitment of each Lender to make Loans and any obligation of the Issuing Banks to make LC Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(iii) require that the Borrowers Cash Collateralize the LC Obligations (in an amount equal to the then Outstanding Amount thereof); and

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents, any document evidencing Indebtedness in respect of which the Facilities have been designated as "designated senior debt" (or any comparable term) or applicable Law;

provided that upon the occurrence of an Event of Default as a result of an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Laws, the Revolving Credit Commitments, the obligation of each Lender to make Loans and any obligation of the Issuing Banks to make LC Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrowers to Cash Collateralize the LC Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds.

After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the LC Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to the Administrative Agent in its capacity as such (including Attorney Costs payable under Section 10.04 and amounts payable under Article III);

Second, to payment of that portion of the Secured Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them (other than in connection with Secured Cash Management Obligations and Secured Hedge Obligations);

Third, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest on the Agent Advances payable to the Administrative Agent in its capacity as such;

Fourth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Agent Advances payable to the Administrative Agent in its capacity as such;

Fifth, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest on the Loans and LC Borrowings and any fees, premiums and scheduled periodic payments due under Secured Hedge Agreements that are Noticed Hedges, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fifth* payable to them;

Sixth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and LC Borrowings (including to Cash Collateralize that portion of LC Obligations comprised of the aggregate undrawn amount of Letters of Credit) and, to the extent of the Bank Product Reserve in respect thereof, to payment of any breakage, termination or other payments in respect of Noticed Hedges, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Sixth* held by them;

Seventh, to payment of any Secured Obligations under any Secured Hedge Obligations (other than Noticed Hedges to the extent paid in accordance with clause *Sixth* above) and under any Secured Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Seventh* held by them;

Eighth, to the payment of all other Secured Obligations that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Secured Obligations have been paid in full, to the Borrowers or as otherwise required by Law.

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause *Sixth* above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above and, if no Secured Obligations remain outstanding, will be paid to the Borrowers.

Section 8.04 Right to Cure.

Notwithstanding anything to the contrary contained in Section 8.01:

(a) For the purpose of determining whether a Financial Covenant Event of Default has occurred, the Administrative Borrower may on one or more occasions designate any portion of the net cash proceeds from a sale or issuance of Qualified Equity Interests of the Parent Borrower or any cash contribution to the common capital of the Parent Borrower (the “**Cure Amount**”) as an increase to Consolidated EBITDA for the applicable fiscal quarter; provided that (A) the Cure Amount (i) is actually received by the Parent Borrower on or before the later of (x) the fifteenth (15th) calendar day after the date on which the Compliance Certificate pursuant to Section 6.02(a) is required to be delivered with respect to such applicable fiscal quarter or fiscal year, as applicable, and (y) the fifteenth (15th) calendar day after the beginning of the Compliance Period that required the Parent Borrower to comply with the covenant set forth in Section 7.11 (such later date, the “**Cure Expiration Date**”) and (ii) does not exceed the aggregate amount necessary to cure any Financial Covenant Event of Default as of such date and (B) the Administrative Borrower shall have provided advance notice (the “**Notice of Intent to Cure**”) to the Administrative Agent that such amounts are designated as a “Cure Amount” (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the Cure Amount actually received by the Parent Borrower may be lower than specified in such notice to the extent that the amount necessary to cure any Financial Covenant Event of Default is less than the full amount of such originally designated amount). The Cure Amount used to calculate Consolidated EBITDA for one fiscal quarter shall be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter.

(b) The parties hereby acknowledge that this Section 8.04 may not be relied on for purposes of calculating any financial ratios or any other purpose other than for determining actual compliance with Section 7.11 (and not Pro Forma Compliance with Section 7.11 that is required by any other provision of this Agreement) and shall not result in any adjustment to any amounts (including any *pro forma* reduction of the amount of Indebtedness with respect to the quarter with respect to which such Cure Amount is made and shall not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article 7) other than the increase to Consolidated EBITDA referred to in Section 8.04(a). The Cure Amount shall not constitute an Excluded Contribution.

(c) In furtherance of Section 8.04(a) above, (i) upon actual receipt by the Administrative Agent of the Notice of Intent to Cure, the covenant under Section 7.11 shall be deemed retroactively cured with the same effect as though there had been no failure to comply with the covenant under such Section 7.11 and any Default or Event of Default under Section 7.11 shall be deemed not to have occurred for purposes of the Loan Documents (provided that if the Cure Expiration Date has occurred without the Cure Amount having been received by the Parent Borrower and designated, such Default or Event of Default shall be deemed reinstated) and (ii) none of the Administrative Agent, any Lender or any other Secured Party may exercise any rights or remedies under Section 8.01 (or under any other Loan Document) solely on the basis of any actual or purported Default or Event of Default under Section 7.11 until and unless (A) the Cure Expiration Date has occurred without the Cure Amount having been received by the Parent Borrower and designated by the Administrative Borrower or (B) the Administrative Borrower has confirmed in writing that it does not intend to provide such Cure Amount. Notwithstanding the foregoing, no Borrower shall be permitted to request a Borrowing or any Credit Extension unless and until the Parent Borrower shall have received the Cure Amount.

(d) (i) In each period of four (4) consecutive fiscal quarters, there shall be at least two (2) fiscal quarters in which no cure right set forth in Section 8.04 is exercised and (ii) there shall be no *pro forma* reduction in Indebtedness with the Cure Amount for determining compliance with Section 7.11 for the fiscal quarter with respect to which such Cure Amount was made.

(e) There can be no more than five (5) fiscal quarters in which the cure rights set forth in Section 7.11 are exercised during the term of any Facility.

ARTICLE IX.
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority.

(a) Each of the Lenders and Issuing Banks hereby irrevocably appoints Bank of America, N.A to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than this Section 9.01, Section 9.06 (solely with respect to the removal and consent rights of the Borrowers set forth therein), Section 9.09, Section 9.10 and Section 9.11) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Qualified Counterparty) and the Issuing Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including the second paragraph of Section 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to (i) execute any and all documents (including releases) with respect to the Collateral (including any Intercreditor Agreement and any amendment, supplement, modification or joinder with respect thereto) and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may (i) expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law or (ii) be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrowers, a Lender or the Issuing Bank; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

It is understood and agreed by each Secured Party that the Administrative Agent shall have no liability for any determinations made by it under Section 8.03, in each case except to the extent resulting from the gross negligence or willful misconduct of the Administrative Agent (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Secured Party also agrees that the Administrative Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

Section 9.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to the making of such Loan or the issuance, extension, renewal or increase of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.06 Resignation of Administrative Agent.

The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Banks and the Borrowers upon thirty (30) days' written notice to the Borrowers and the Lenders. If the Administrative Agent or a Controlling Affiliate of the Administrative Agent is subject to an Agent-Related Distress Event, the Parent Borrower may remove the Administrative Agent from such role upon ten (10) days' written notice to the Lenders. Upon receipt of any such notice of resignation or removal by the Parent Borrower, the Required Lenders shall have the right, with the consent of the Administrative Borrower at all times other than upon the occurrence and during the continuation of an Event of Default under Sections 8.01(a) or, solely with respect to the Parent Borrower, 8.01(f), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or removal, then the retiring Administrative Agent may on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above (including consent of the Administrative Borrower); *provided* that if the Administrative Agent shall notify the Administrative Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation or removal shall nonetheless become effective in accordance with such notice. The resigning or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Bank under any of the Loan Documents, the resigning or removed Administrative Agent shall continue to hold such collateral security (including any collateral security subsequently delivered to the Administrative Agent) until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder and delivery of collateral security in the possession of the resigning or removed Administrative Agent to such successor Administrative Agent (to the extent that possession thereof perfects a Lien thereon under the UCC of any jurisdiction), such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the resigning (or resigned) or removed Administrative Agent, and the resigning or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the resigning Administrative Agent's resignation or the removed Administrative Agent's removal, hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such resigning or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the resigning or removed Administrative Agent was acting as Administrative Agent.

Any resignation by, or removal of, Bank of America, N.A. as Administrative Agent pursuant to this Section 9.06 shall also constitute its resignation or removal as Issuing Bank and Swing Line Lender, in which case such resigning or removed Issuing Bank and Swing Line Lender (x) shall not be required to issue any further Letters of Credit or extend any further Swing Line Loans hereunder and (y) shall maintain all of its rights as Issuing Bank or Swing Line Lender with respect to any Letters of Credit issued by it or Swing Line Loans extended by it, as applicable, prior to the date of such resignation or removal so long as such Letters of Credit, LC Obligations or Swing Line Loans remain outstanding and not otherwise Cash Collateralized in accordance with the terms herein. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swing Line Lender, (ii) the resigning or removed Issuing Bank and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the resigning or removed Issuing Bank to effectively assume the obligations of the resigning or removed Issuing Bank with respect to such Letters of Credit.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender and the Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, Bookrunners or Arrangers listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the Issuing Bank hereunder.

Section 9.09 Administrative Agent May File Proofs of Claim; Credit Bidding.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or LC Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Sections 2.03(h) and (i), 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or the Issuing Bank or in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Laws. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (j) of Section 11.01 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.10 Collateral and Guaranty Matters.

Each Lender hereby agrees, and each holder of any Note by its acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Administrative Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to the occurrence and continuance of an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to create, perfect and maintain perfected security interests in and liens upon the Collateral granted pursuant to the Collateral Documents. Without limiting the provisions of Section 9.09, each of the Lenders (including in its capacities as a potential Qualified Counterparty) and each Issuing Bank irrevocably authorize the Administrative Agent, at its option, and in its sole discretion (other than releases described in clauses (b) and (d) below which shall not be optional or discretionary):

(a) to enter into and sign for and on behalf of the Lenders, as Secured Parties, the Collateral Documents (including any subordination or intercreditor agreements with respect to Indebtedness and Liens permitted under this Agreement to the extent the Administrative Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement) for the benefit of the Lenders and the other Secured Parties;

(b) to automatically release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Total Revolving Credit Commitments and payment in full of all Obligations (other than contingent indemnification obligations) and the expiration or termination of all Letters of Credit (other than Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit in form and substance reasonably satisfactory to the Administrative Agent and the applicable Issuing Bank or a deemed reissuance under another facility as to which other arrangements satisfactory to the Administrative Agent and the applicable Issuing Bank shall have been made), (ii) at the time the property subject to such Lien is Disposed or to be Disposed (to a Person that is not a Loan Party) as part of or in connection with any Disposition permitted hereunder or under any other Loan Document, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (d) below or Section 11.09 or (v) if the property subject to such Lien constitutes Excluded Assets;

(c) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(u) to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens; and

(d) to release any Guarantor from its obligations under this Agreement (including the Guaranty) if such Guarantor becomes a Released Guarantor in accordance with Section 11.09.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by the Borrowers or any of its Restricted Subsidiaries in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.11 Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Qualified Counterparty that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Qualified Counterparty.

The Lenders and the Qualified Counterparties hereby authorize the Administrative Agent to enter into any Intercreditor Agreement or other intercreditor agreement or arrangement (including any subordination agreement or arrangement) permitted under this Agreement, and any amendment, modification, supplement or joinder with respect thereto, and the Lenders and the Qualified Counterparties acknowledge that any such intercreditor agreement is binding upon the Lenders and Qualified Counterparties.

Section 9.12 Withholding Tax Indemnity.

To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties pursuant to Section 3.01 and without limiting or expanding the obligation of the Loan Parties to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 9.12, include any Issuing Bank and any Swing Line Lender.

Section 9.13 Indemnification by the Lenders.

The Lenders agree to indemnify each Agent (or any Affiliate thereof) (to the extent not reimbursed by the Borrowers or any other Loan Party and without limiting the obligation of the Borrowers to do so), ratably according to their respective Pro Rata Shares in effect on the date on which indemnification is sought under this Section 9.13 from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including at any time following the payment of the Revolving Credit Loans) be imposed on, incurred by or asserted against any Agent (or any Affiliate thereof) in any way relating to or arising out of this Agreement, any of the other Loan Documents or the transactions contemplated hereby or thereby or any action taken or omitted by any Agent (or any Affiliate thereof) under or in connection with any of the foregoing; **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent arising from (a) such Agent's gross negligence or willful misconduct or (b) claims made or legal proceedings commenced against such Agent by any security holder or creditor thereof arising out of and based upon rights afforded any such security holder or creditor solely in its capacity as such. The agreements in this Section 9.13 shall survive the payment of the Loans and all other amounts payable hereunder.

ARTICLE X. **MISCELLANEOUS**

Section 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clauses (a) through (j) which shall only require the consent of the Lenders expressly set forth therein and not Required Lenders (unless specified therein)) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrowers, the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of (or amendment to the terms of) any condition precedent set forth in Section 4.02, the waiver of any obligation of the Borrowers to pay interest at the Default Rate or the waiver of any Default, Event of Default, mandatory prepayment of the Loans or mandatory reduction of any Commitments shall not constitute such an extension or increase of any Commitment of any Lender);

(b) except as otherwise expressly provided for hereunder, including without limitation pursuant to an Extension Amendment, postpone any date scheduled for any payment of principal (including at final maturity), interest or fees under Section 2.07, 2.08 (other than pursuant to Section 2.08(b)) or 2.09, without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any obligation of the Borrowers to pay interest at the Default Rate, any Default or Event of Default, any condition precedent, mandatory prepayment of the Loans or mandatory reduction of Commitments shall not constitute such a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the second proviso to this Section 10.01) any fees payable hereunder or under any other Loan Document (or extend the timing of payments of such fees) without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definition of Historical Excess Availability, Historical Average Utilization or any other definition used to calculate the amount of any principal or interest payment or fee or other amount or in the component definitions thereof shall not constitute a reduction in any rate of interest; *provided* that, for the avoidance of doubt, only the consent of (A) the Required Lenders shall be necessary to amend the definition of "Default Rate" or waive any obligation of the Borrowers to pay interest at the Default Rate and (B) the Swing Line Lender shall be necessary to waive any obligation of the Borrowers to pay interest at the Default Rate payable in respect of the Swing Line Loans;

(d) change any provision of this Section 10.01 or the definition of “Required Lenders,” “Required Class Lenders,” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents to reduce the percentage set forth therein, without the written consent of each Lender directly and adversely affected thereby (it being understood that with the consent of the Required Lenders (if such consent is otherwise required) or the Administrative Agent (if the consent of the Required Lenders is not otherwise required), additional extension of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Revolving Credit Commitments;

(e) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender;

(g) [reserved];

(i) without the written consent of the Supermajority Required Lenders, increase advance rates or make other modifications to the Borrowing Base (or any constituent definitions to the extent used therein) that have the effect of increasing the amount available to be borrowed hereunder (including changes in eligibility criteria) without the written consent of the Supermajority Required Lenders, it being understood that increases or decreases in Reserves implemented by the Administrative Agent in its Permitted Discretion shall require only the consent of the Administrative Agent; or

(j) amend, waive or otherwise modify the definition of “Pro Rata Share” or any provision requiring pro rata sharing amongst Lenders without the consent of each Lender directly and adversely affected thereby; *provided* that modifications to Section 8.03 or the definition of “Pro Rata Share” to the extent necessary in connection with (y) any Incremental Amendment or (z) any Extension Amendment, in each case, shall only require approval (to the extent any such approval is otherwise required) of the Required Lenders;

provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, directly and adversely affect the rights or duties of an Issuing Bank under this Agreement or any LC Application relating to any Letter of Credit issued or to be issued by it; *provided, however*, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple Issuing Banks and increase the LC Sublimit, with only the written consent of the Administrative Agent, the applicable Issuing Bank and the Borrowers so long as the Revolving Credit Lenders, if any, who have not executed such amendment, and if applicable, the other Issuing Banks, if any, who have not executed such amendment, are not directly and adversely affected thereby; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, directly and adversely affect the rights or duties of the Swing Line Lender under this Agreement; *provided, however*, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lender (including to add another Lender, who upon execution of such amendment, will be an additional Swing Line Lender) and the Borrowers so long as the Revolving Credit Lenders and, if applicable, the other Swing Line Lenders, if any, who have not executed such amendment are not directly and adversely affected thereby, (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, directly and adversely affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) (x) no Lender consent is required to effect an Incremental Amendment or Extension Amendment (except as expressly provided in Sections 2.14 or 2.16 or in the following clause (y)) or to effect any amendment expressly contemplated by Section 6.19 and (y) in connection with an Extension Amendment, only the consent of the Lenders that will continue as a Lender in respect of the Extended Revolving Credit Commitments, as applicable, subject to such Extension Amendment shall be required for such Extension Amendment; and (v) the LC Sublimit may be increased with only the consent of the Required Lenders, each Issuing Bank and the Administrative Agent.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Required Lenders or Required Class Lenders)), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended, the rate of interest on any Loans of any Defaulting Lender may not be reduced and the principal amount of any of such Loans may not be forgiven, in each case without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each directly and adversely affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders (or, if there are no such affected Lenders (other than such affected Lenders which are Defaulting Lenders), Lenders of the same Class) shall require the consent of such Defaulting Lender.

Notwithstanding anything to the contrary herein, no Lender consent is required for the Administrative Agent to enter into or to effect any amendment, modification or supplement to the ABL Intercreditor Agreement, any subordination agreement or other intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral (i) that is for the purpose of adding the holders of such secured or subordinated Indebtedness permitted to be incurred under this Agreement (or, in each case, a Senior Representative with respect thereto), as parties thereto, as expressly contemplated by the terms of the ABL Intercreditor Agreement, such subordination agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect (taken as a whole), to the interests of the Lenders) or (ii) that is expressly contemplated by the ABL Intercreditor Agreement, any subordination agreement or other intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral; *provided, further*, that no such agreement shall directly and adversely amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding anything to the contrary contained in this Section 10.01, the Guaranty, the Collateral Documents and related documents executed by the Loan Parties or the Restricted Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Administrative Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure any ambiguities or defects or (iii) to cause such Guaranty, Collateral Document or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything to the contrary contained in Section 10.01, if the Administrative Agent and the Administrative Borrower shall have jointly identified an ambiguity, mistake, obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Administrative Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or the Issuing Banks pursuant to Article II if such Lender or any Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or a Loan Party may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement) and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii), if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(b) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to the Loan Parties, any Lender, the Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers’, any Loan Party’s or the Administrative Agent’s transmission of communications or notices through the Platform, any other electronic platform or electronic messaging services, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, material breach of the Loan Documents, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Loan Parties, any Lender, the Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Any Loan Party, the Administrative Agent, the Issuing Bank and the Swing Line Lender, may change its address, electronic mail address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, electronic mail address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent, the Issuing Bank and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain Material Non-Public Information.

(d) Reliance by Administrative Agent, Issuing Bank and Lenders. The Administrative Agent, the Issuing Bank and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, the Issuing Bank, each Lender and the Related Parties of each of them (other than any Excluded Affiliate) from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers in accordance with Section 10.05 hereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender, Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the Issuing Bank; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the Issuing Bank or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Attorney Costs and Expenses.

The Borrowers agree (a) if the Closing Date occurs, to pay or reimburse (x) the Commitment Parties for such out-of-pocket costs and expenses as shall have been separately agreed upon in writing and (y) the Administrative Agent, the Swing Line Lender, the Issuing Banks and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents, the reasonable fees and expenses of consultants and appraisal firms in connection with inventory appraisals and field examinations required hereunder and the Administrative Agent's standard charges for examination activities and appraisal reviews and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including, in each case, all Attorney Costs, which shall be limited to (i) one primary counsel to the Administrative Agent and its Affiliates (other than Excluded Affiliates), taken as a whole, or the Administrative Agent (and its Affiliates (other than Excluded Affiliates), as applicable) and one local counsel, if necessary, in any relevant jurisdiction material to the interests of the Lenders taken as a whole), in each case excluding allocated costs of in-house counsel and (ii) in the case of other consultants and advisors, the fees and expenses of such persons approved by the Borrowers and (b) after the Closing Date, to pay or reimburse the Administrative Agent, the Swing Line Lenders, the Issuing Banks and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or protection of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including (i) all respective Attorney Costs, which shall be limited to Attorney Costs of one primary counsel to the Administrative Agent and the Lenders taken as a whole, and one local counsel, if necessary, in any relevant jurisdiction material to the interests of the Lenders taken as a whole and, solely in the case of an actual conflict of interest, one additional counsel in each relevant material jurisdiction to the similarly situated Persons taken as a whole and (ii) in the case of other consultants or advisors, the fees and expenses of such persons approved by the Borrowers). The agreements in this Section 10.04 shall survive the termination of the Total Revolving Credit Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrowers at least three (3) Business Days prior to the Closing Date (or such later date as the Borrowers may agree in its sole discretion). If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion following five Business Days' prior written notice to the Parent Borrower. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05 Indemnification by the Borrowers.

The Borrowers shall indemnify and hold harmless each Agent, each Swing Line Lender, each Issuing Bank, each Lender, each Arranger and their respective Affiliates (other than Excluded Affiliates) and controlling Persons, and their respective directors, officers, employees, advisors, agents and other representatives of each of the foregoing and their respective successors and permitted assigns (but excluding any Excluded Affiliates) (collectively the “**Indemnitees**”) from and against any and all actual losses, claims, damages, liabilities and expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of an actual conflict of interest, one additional counsel in each relevant material jurisdiction to the affected Indemnitees similarly situated), in each case except allocated costs of in-house counsel, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, (c) any actual or alleged presence or Release of Hazardous Materials at, on, under or from any property or facility currently or formerly owned, leased or operated by the Loan Parties or any Subsidiary, or any Environmental Liability of or relating to the Loan Parties or any Subsidiary, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a “**Proceeding**”) and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Borrowers or any other person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities and expenses resulted from (w) the gross negligence, bad faith, fraud or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (x) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of the Borrowers or any of their Affiliates or (z) settlements effected without the Borrowers’ prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if settled with Borrowers’ written consent, or if there is a final judgment against an Indemnitee, the Borrowers shall indemnify and hold harmless such Indemnitee to the extent and the manner set forth above. In case any Proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Parent Borrower of the commencement of any such Proceeding; *provided, however*, that the failure so to notify the Parent Borrower will not relieve the Borrowers from any liability to such Indemnitee pursuant to this Section 10.05. Each applicable Indemnitee (by accepting the benefits hereof) agrees to refund and return any and all amounts paid by or on behalf of the Borrowers (or any other Loan Party) to such Indemnitee, in each case, pursuant to the terms of this paragraph to the extent such Indemnitee is not entitled to the payment thereof pursuant to the terms of this paragraph, as determined by a final non-appealable judgment of a court of competent jurisdiction. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith, fraud or willful misconduct of, or material breach of this Agreement or the other Loan Documents, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such obligations, liabilities, losses, damages, penalties, demands, actions, judgments, suits, costs, disbursements, claims or expenses incurred or paid or required to be paid by an Indemnitee to a third party (including another Indemnitee)). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request). The agreements in this Section 10.05 shall survive the resignation or removal of the Administrative Agent, the resignation of an Issuing Bank or Swing Line Lender, the replacement of any Lender, the termination of the Total Revolving Credit Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that the Borrowers for any reason fails to pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), the Issuing Bank, the Swing Line Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Issuing Bank, the Swing Line Lender or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Swing Line Lender or the Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Swing Line Lender or Issuing Bank in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(d).

Section 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent, the Issuing Bank or any Lender, or the Administrative Agent, the Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the Issuing Bank severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Bank under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Parent Borrower may not (except as permitted by Section 7.04) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Assignee in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**"), (ii) by way of participation in accordance with the provisions of Section 10.07(e); *provided, however*, that notwithstanding the foregoing, no Lender may assign or, other than in the case of clause (iii) below, transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, (ii) a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person) or (iii) a Disqualified Institution (unless otherwise agreed by the Administrative Borrower in its sole discretion and, notwithstanding anything herein to the contrary, without giving effect to any provision providing for deemed consent by the Administrative Borrower). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate or branch of any Issuing Bank that issues any Letter of Credit), Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in LC Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed, except in connection with a proposed assignment to any Disqualified Institution, which consent by the Administrative Borrower may be withheld in its sole discretion) of:

(A) the Administrative Borrower; *provided* that no consent of the Administrative Borrower shall be required for (i) an assignment of all or a portion of the Loans or Commitments to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) other than with respect to any proposed assignment to a Disqualified Institution, if a Specified Event of Default has occurred and is continuing, to any Assignee; *provided* that, other than with respect to any proposed assignment to a Disqualified Institution, the Administrative Borrower shall be deemed to have consented to any such assignment of the Loans unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having acknowledged receipt of a written notice thereof; and

(B) the Administrative Agent;

(C) each Issuing Bank; and

(D) the Swing Line Lender;

provided, with respect to foregoing clauses (B), (C) and (D), no consent of the Administrative Agent, any Issuing Bank or the Swing Line Lender shall be required with respect to an assignment to any Person that is a Lender, any Affiliate or branch of a Lender or any Approved Fund.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Administrative Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$5,000,000, unless each of the Administrative Borrower and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) each assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, and no Lender shall be permitted to assign a single Class of Loans or Revolving Credit Commitments without assigning a proportionate part of such Lender's other Classes of Loans or Revolving Credit Commitments;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption either manually or via an electronic settlement system acceptable to the Administrative Agent, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion);

(D) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(E) the Assignee shall execute and deliver to the Administrative Agent and the Administrative Borrower the forms described in Sections 3.01(d) and 3.01(e) applicable to it; and

(F) no assignment shall be made to the Sponsor, Walgreens Co., the Parent Borrower or any of its Subsidiaries, or any affiliate of any of the foregoing.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution. The identity of Disqualified Institutions will not be posted or distributed to any Person by the Administrative Agent or Arranger, but may be communicated by the Administrative Agent to a Lender upon request therefor.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits and subject to the obligations of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrowers (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and LC Disbursements, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Agent and any Lender (solely with respect to the information as it relates to such Lender), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(e) Any Lender may at any time sell participations to any Person (other than the Sponsor, any of its Affiliates (other than Debt Fund Affiliates), Walgreens Co., a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person), a Defaulting Lender or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in LC Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Swing Line Lender, each Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (e), (f) and (j) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Borrowers agree that each Participant shall be entitled to the benefits and subject to the obligations of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections applying to each Participant as if it were a Lender and provided that any documentation required to be provided under Section 3.01(d) shall be provided solely to the participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant also shall be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of any Participant Register relating to any Participant or SPC requesting payment from the Borrowers or seeking to exercise its rights under Section 10.09 shall be available for inspection by the Borrowers or any other Person only to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. The portion of the Participant Register relating to any Participant requesting payment from any Borrower under the Loan Documents shall be made available to such Borrower upon reasonable request.

(f) A Participant shall not be entitled to receive any greater payment under Sections 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (i) such entitlement to a greater payment results from a Change in Law after the sale of the participation to such Participant takes place or (ii) the sale of the participation to such Participant is made with the Administrative Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless such Participant complies with Sections 3.01(a), (d), (e), (f) and (h) as though it were a Lender (it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the participating Lender and, at the time such participant has made a claim under Section 3.01, as necessary to substantiate a claim for additional amounts pursuant to Section 3.01).

(g) Any Lender may, without the consent of the Borrowers or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender to a Federal Reserve Bank or to any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 10.08 Confidentiality.

Each of the Agents, the Swing Line Lender, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' limited partners, lenders, investors, managed accounts, officers, directors, employees, legal counsel, independent auditors, professionals, service providers and other experts or agents, in each case other than Excluded Affiliates (collectively, "**Representatives**") who need to know such Information (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and agree to keep such Information confidential and the Agents and the Lenders shall be principally liable to the extent any confidentiality restrictions set forth herein are violated by one or more of its Representatives); (b) to the extent required or requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates), *provided* that the applicable Agent or such Lender, as applicable, agrees that it will promptly notify the Administrative Borrower prior to any such disclosure by such Person (other than at the request of a regulatory authority as part of a regulatory examination) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or order of any court or administrative agency or in any pending legal or administrative proceeding or similar legal process, *provided* that the applicable Agent or such Lender, as applicable, agrees that it will notify the Administrative Borrower in advance of any such disclosure by such Person (except with respect to any routine audit or examination conducted by bank accountants or regulatory authority exercising routine examination or regulatory authority) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Administrative Borrower), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee or potential Lender invited to be an Additional Lender (except, in each case, to the extent the Administrative Borrower has declined to consent to such assignment), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations; (f) with the written consent of the Administrative Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or other obligation of confidentiality owed to the Borrowers or the Sponsor or any of their respective Affiliates; (h) to any rating agency when required by it on a customary basis and after consultation with the Administrative Borrower (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender) or to the CUSIP Service Bureau or any similar organization; (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; (j) to the extent that such information is independently developed by the applicable Agent or its Affiliates (other than any Excluded Affiliates) or the applicable Lender or its Affiliates in each case so long as not based on information obtained in a manner that would otherwise violate this Section 10.08, (k) for purposes of establishing a "due diligence" defense; or (l) to market data collectors, similar services providers to the lending industry, and service providers to the Arrangers and the Lenders in connection with the administration and management of this Agreement; *provided* that, in each case, no disclosure shall be made to any Disqualified Institution. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; *provided* that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For purposes of this Section, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof, their respective businesses and their respective Affiliates and their Affiliates' directors, officers, employees, trustees, investments advisors or agents, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08.

Each of the Agents and the Lenders acknowledges that (a) the Information may include Material Non-Public Information, (b) it has developed compliance procedures regarding the use of Material Non-Public Information and (c) it will handle such Material Non-Public Information in accordance with applicable Law, including United States federal and state securities Laws. The provisions of this paragraph shall not affect any Borrowers' obligations under the last paragraph of Section 6.02.

Section 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrowers, any such notice being waived by the Borrowers (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, after obtaining the written consent of the Administrative Agent, to set off and apply any and all deposits (general or special, time or demand, provisional or final but excluding escrow, payroll, petty cash, trust and tax accounts) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank(s) and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Administrative Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law. Notwithstanding anything to the contrary in the foregoing, no Lender shall exercise any right of set off in respect of any Controlled Account other than the Administrative Agent acting in their capacity as such. Notwithstanding anything to the contrary contained herein or in any other Loan Document, each Secured Party expressly waives its right of setoff (and any similar right including bankers' liens) with respect to all lockboxes, deposit accounts and other cash management accounts maintained by any Loan Party and into which any collections of Governmental Entity Accounts are deposited.

Section 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile, .pdf or other electronic means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by facsimile, .pdf or other electronic means be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile, .pdf or other electronic means.

The words “execute,” “execution,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Assumptions, amendments or other modifications, Committed Loan Notices, Swing Line Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.12 Integration.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. Subject to Section 10.20 in the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than contingent indemnification obligations as to which no claim has been asserted) or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement acceptable to the applicable Issuing Bank).

Section 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions; *provided* that the Lenders shall charge no fee in connection with any such amendment. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the Issuing Bank or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT AND ANY CLAIM OR CONTROVERSY RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF, WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) (OR ANY APPELLATE COURT THEREOF) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (OR ANY APPELLATE COURT THEREOF), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN FACSIMILE OR ELECTRONIC MAIL) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. FURTHERMORE, NOTWITHSTANDING THE FOREGOING OR ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR OTHERWISE SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE COLLATERAL DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN THE COURTS OF OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.17 Binding Effect.

This Agreement shall become effective when (i) it shall have been executed and delivered by the Loan Parties and each other party hereto and (ii) the Administrative Agent shall have been notified by each Lender, Swing Line Lender and Issuing Bank that each such Lender, Swing Line Lender and Issuing Bank has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.18 USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act and the Beneficial Ownership Regulation. This notice is given in accordance with the requirements of the USA Patriot Act and the Beneficial Ownership Regulation and is effective as to the Lenders and the Administrative Agent. Each Loan Party shall, promptly following a request by the Administrative Agent, provide all documentation and other information that the Administrative Agent or any Lender reasonably requests which is required in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act and the Beneficial Ownership Regulation.

Section 10.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arranger are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the other Arranger and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Arranger and each Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Arranger, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arranger and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 Intercreditor Agreements.

Each Lender hereunder (a) acknowledges that it has received a copy of the Intercreditor Agreements, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (c) authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreements as Administrative Agent and on behalf of such Lender. The foregoing provisions are intended as an inducement to the lenders under the First Lien Financing Documents, Second Lien Financing Documents and any documentation governing other parity lien or junior lien Indebtedness permitted to be incurred hereunder to extend credit to the Loan Parties and such lenders are intended third party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of any Intercreditor Agreement and this Agreement, the provisions of such Intercreditor Agreement shall control. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, prior to the payment in full of the First Lien Obligations to the extent that any Loan Party is required to give physical possession over any Collateral (other than ABL Priority Collateral) to the Administrative Agent under this Agreement or the other Loan Documents, such requirement to give possession shall be satisfied if such Collateral is delivered to and held by the First Lien Agent pursuant to the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement entered into after the Closing Date.

Section 10.21 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (1) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (2) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (a) a reduction in full or in part or cancellation of any such liability;
 - (b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (c) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.22 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.22, the following terms have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

ARTICLE XI. **GUARANTEE**

Section 11.01 The Guarantee.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of (a) the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrowers (or, in the case of such guarantee by a Guarantor that is also a Borrower, on the Loans made by the Lenders to, and the Notes held by each Lender of, each other Borrower), and (b) all other Secured Obligations from time to time owing to the Secured Parties by the Loan Parties under any Loan Document or Secured Hedge Agreement (all such obligations described in clauses (a) and (b), including any future increases in the amounts thereof, being herein collectively called the “**Guaranteed Obligations**”); *provided, however*, that Guaranteed Obligations shall exclude all Excluded Swap Obligations. The Guarantors hereby jointly and severally agree that if the Borrowers or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrowers under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, to the extent permitted by applicable Law irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, to the extent permitted by applicable Law, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted (including incurring any increase or decrease in the principal amount of the Guaranteed Obligations or the rate of interest or the fees thereon);
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;
- (iv) any Lien or security interest granted to, or in favor of, any Lender, an Issuing Bank or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or
- (v) the release of any other Guarantor pursuant to Section 11.09.

The Guarantors hereby expressly waive (to the fullest extent permitted by Law) diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrowers under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrowers or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and permitted assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and permitted assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrowers or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and the expiration and termination of the Commitments of the Lenders under this Agreement it shall subordinate any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrowers or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Non-Loan Party permitted pursuant to 7.03(b) or (d) shall be subordinated to such Loan Party's Secured Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrowers) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07 Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Guarantor (other than the Borrowers) under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the liability under this Guaranty and the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) any Guarantor that is a Restricted Subsidiary of a Loan Party ceases to be a Restricted Subsidiary of a Loan Party in a transaction permitted hereunder, (ii) any Guarantor becomes an Excluded Subsidiary or (iii) subject to Section 10.01, if the release of such Guarantor is approved, authorized or ratified in writing by the Required Lenders (any such Guarantor referred to in clause (i), (ii) or (iii) a “**Released Guarantor**”), such Released Guarantor shall upon the consummation of the related transaction, change in status, request, approval, authorization or ratification be (in the case of clauses (i) and (iii)) automatically released and (in the case of clause (ii)) released by the Administrative Agent pursuant to appropriate documentation following a written request from the Administrative Borrower to the Administrative Agent requesting such release, in each case, from its obligations under this Agreement (including under Section 10.05 hereof) and the other Loan Documents, including its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of any of the Equity Interests of the Released Guarantor to a Person that is not a Loan Party, the pledge of such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrowers shall have provided the Administrative Agent such certifications or documents as any Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of this Agreement and the Collateral Documents; *provided*, that no such release shall occur, and no such Guarantor shall constitute a Released Guarantor, if (x) such Guarantor continues to be a guarantor in respect of any other Obligations, any First Lien Obligation or any Second Lien Obligations or any Junior Financing or (y) such Guarantor continues to constitute a Subsidiary of the Parent Borrower and becomes an Excluded Subsidiary under clause (a) of the definition thereof unless (i) no Event of Default shall have occurred and be continuing at the time such Guarantor becomes an Excluded Subsidiary under clause (a) of the definition thereof and (ii) after giving Pro Forma Effect to such release and the consummation of the transaction that causes such Person to become an Excluded Subsidiary under clause (a) of the definition thereof, the Borrowers and Restricted Subsidiaries shall be deemed to have made an Investment in, or a Restricted Payment in respect of, as applicable, such Person (as if such Person were then newly acquired or formed) and such Investment or Restricted Payment is permitted hereunder at such time.

When all Commitments hereunder have terminated, and all Loans or other Obligations hereunder (other than contingent indemnification obligations as to which no claim has been asserted) have been paid or satisfied in full, and no Letter of Credit remains outstanding (except any Letter of Credit the Outstanding Amount of which the Obligations related thereto has been Cash Collateralized or for which a backstop letter of credit reasonably satisfactory to the applicable Issuing Bank has been put in place or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank), this Agreement and the Guarantees made herein shall terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement.

Section 11.10 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor’s right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent, the Issuing Bank(s), the Swing Line Lender and the Lenders, and each Guarantor shall remain liable to the Administrative Agent, the Issuing Bank(s), the Swing Line Lender and the Lenders for the full amount guaranteed by such Guarantor hereunder.

Section 11.11 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any Swap Obligations (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.12 Independent Obligation.

The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other party or the Borrowers, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not action is brought against any other Guarantor, any other party or the Borrowers and whether or not any other Guarantor, any other party or the Borrowers be joined in any such action or actions.

Unless otherwise defined herein, all capitalized terms used herein and defined in the ABL Credit Agreement referred to below shall be used herein as therein defined.

RECITALS:

WHEREAS, Landlord is the record title holder and owner of certain real property located at [ADDRESS OF PROPERTY] (the "Real Property");

WHEREAS, [NAME OF TENANT], a [JURISDICTION OF INCORPORATION/FORMATION] ("Tenant"), has possession of and occupies all or a portion of the Real Property (the "Premises") in accordance with a lease agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Lease");

WHEREAS, reference is made to that certain ABL Credit Agreement, dated as of [], 2019 (as it may be amended, amended and restated, supplemented, extended, refinanced or otherwise modified from time to time, the "Credit Agreement") among HC Group Holdings II, LLC (formerly known as Beta Sub, LLC), a Delaware limited liability company (the "Initial Borrower"), BioScrip, Inc., a Delaware corporation (the "Parent Borrower"), the other borrowers party thereto from time to time, the guarantors party thereto from time to time, the several banks and other financial institutions from time to time parties thereto as lenders and as issuing banks, and Bank of America, N.A., as administrative agent and collateral agent, as swingline lender and as an issuing bank, pursuant to which Tenant has executed that certain ABL Guarantee and Collateral Agreement dated as of [], 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement") made by Holdings, the Parent Borrower (together with any other entity that may become a party thereto as provided therein, the "Grantors"), in favor of the Collateral Agent and other collateral documents in relation to the Credit Agreement;

WHEREAS, Tenant's repayment of (or guaranty of) the extensions of credit made by the Lenders under the Credit Agreement will be secured by substantially all of the assets of Tenant, including all of the following now or hereafter located on the Premises, (i) all inventory of Tenant, (ii) all equipment used in Tenant's business, and (iii) all furniture and all other personal property (the "Collateral"); and

WHEREAS, the Collateral Agent and the other Secured Parties have requested that Landlord execute this Agreement as a requirement under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord hereby represents and warrants to, and covenants and agrees with, the Collateral Agent as follows:

1. **Landlord Lien.** (a) Landlord hereby (i) waives and releases unto the Collateral Agent and its successors and assigns any and all security interests created by statute, contract (including the Lease) or by common law and any and all rights granted by or under any present or future laws to levy, execute or distraint for rent or any other charges which may be due to Landlord against the Collateral, and any and all other claims, liens and demands of every kind which it now has or may hereafter have against the Collateral (including, without limitation, any right to include the Collateral in any secured financing that Landlord may become a party to), and (ii) agrees that any rights, claims or demands it may have in or to the Collateral, no matter how arising (to the extent not effectively waived pursuant to clause (a)(i) of this paragraph 1), shall be subordinate to the rights of the Collateral Agent in respect thereof. Landlord acknowledges that the Collateral is and will remain personal property and not fixtures or part of the underlying real estate even though it may be affixed to or placed on the Premises.

(b) Landlord further agrees not to assert any claim to the Collateral while Tenant is indebted under (or in respect of) the Credit Agreement. Landlord acknowledges that the Collateral Agent shall have a first priority security interest in the Collateral and that the Collateral Agent shall have the right to file and record Uniform Commercial Code financing statements (or local law equivalent) against the Collateral.

2. **Collateral Agent's Access.** (a) Landlord agrees that while the Lease is in effect (including during any extension or renewal periods) it will not prevent the Collateral Agent or its designees from entering upon the Premises at all reasonable times to inspect, appraise or remove the Collateral.

(b) In the event that Landlord either deems itself entitled to redeem or take possession of the Premises during the term of the Lease or intends to terminate the Lease prior to the expiration of the term thereof due to a default of Tenant thereunder, Landlord will deliver notice (the "**Termination Notice**") to the Collateral Agent to that effect not less than twenty (20) days before taking such action. Landlord agrees that within the 90-day period after the Collateral Agent receives the Termination Notice (the "**Disposition Period**"), the Collateral Agent shall have the right, but not the obligation, to enter upon and into the Premises for the purpose of assembling, repossessing, appraising, displaying, removing, preparing for sale or lease, repairing, transferring, selling (at public or private sale) or otherwise dealing with the Collateral. Landlord further agrees that during the Disposition Period, Landlord will not interfere with the Collateral Agent's actions in removing the Collateral from the Premises or such other of the Collateral Agent's actions in otherwise enforcing its security interest in the Collateral. Notwithstanding anything to the contrary in this paragraph, Landlord acknowledges that the Collateral Agent shall at no time have any obligation to remove the Collateral from the Premises. The Collateral Agent shall not be liable for any diminution in value of the Premises caused by the absence of the Collateral actually removed or by the need to replace the Collateral after such removal. For the actual period of occupancy by the Collateral Agent during the Disposition Period, the Collateral Agent will pay to Landlord a fee equal to the basic rent required to be paid under the Lease by tenant as if the Lease were in full force and effect, pro rated on a per diem basis based on a thirty (30) day month (provided, that such rent shall exclude any rent adjustments, indemnity payments, or similar amounts payable under the Lease for default, holdover status or similar charges), to the extent that such amount is not paid by Tenant.

(c) In entering upon or into the Premises under either clause (a) or (b) set forth above of this paragraph 2, the Collateral Agent hereby agrees to indemnify, defend and hold Landlord harmless from and against any and all claims, judgments, liabilities, costs and expenses incurred by Landlord, not as a result of the Landlord's own gross negligence, willful misconduct or breach and caused solely by the Collateral Agent entering upon or into the Premises and taking any of the foregoing actions with respect to the Collateral. Such costs shall include any damage to the Premises made by the Collateral Agent in severing and/or removing the Collateral therefrom and taking any of the foregoing actions with respect to the Collateral. Additionally, the Collateral Agent shall repair, at its sole cost and expense, any physical damage to the Premises actually caused by the Collateral Agent's taking any of the foregoing actions with respect to the Collateral.

3. Default Notices. Landlord shall send to the Collateral Agent a copy of any notice of default under the Lease sent by Landlord to Tenant (the "Default Notice"). Any Default Notice shall state the nature of the default and shall specify the amounts of rent or other payments provided for that are claimed to be in default.

4. Default and Cure Rights. Notwithstanding anything to the contrary contained in the Lease, and without thereby assuming Tenant's obligations under the Lease, in the event of a default by Tenant under the Lease, the Collateral Agent shall have the right, but not the obligation, to cure any such default(s) within the later of (a) thirty (30) days following receipt of a Default Notice, and (b) the last day of the cure period available to Tenant under the terms of the Lease (except with respect to payment default(s), which cure must be made within the later of (i) fifteen (15) days following receipt of a Default Notice, and (ii) the last day of the cure period available to Tenant under the terms of the Lease with respect to payment default(s)); provided, however, that if a non-monetary default cannot reasonably be cured by the Collateral Agent within such thirty (30) day period, the Collateral Agent shall have such additional period of time as shall be reasonably necessary (at Landlord's commercially reasonable discretion) to cure such non-monetary default so long as the Collateral Agent commences such curative measures within such thirty (30) day period and thereafter proceeds diligently to complete such curative measures.

5. Delivery of Notices. All notices to the Collateral Agent under this Agreement shall be in writing and sent to the Collateral Agent by e-mail, by telefacsimile, by United States certified mail, return receipt requested, or by overnight delivery service at the address set forth on the signature page to this Agreement.

6. Expiration of Agreement. The provisions of this Agreement shall continue in effect until the earlier of (a) the date on which the Lease would otherwise terminate absent a Tenant default, and (b) the date upon which the Credit Agreement (including after giving effect to any refinancing thereof) terminates in accordance with its terms.

7. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the law of the jurisdiction in which the Premises are located.

8. Successors and Assigns. The terms and provisions of this Agreement shall inure to the benefit of and be binding upon the successor and assigns of Landlord (including any successor owner of the Real Property) and the Collateral Agent. Landlord will disclose the terms and conditions of this Agreement to any purchaser or successor to Landlord's interest in the Premises.

9. Amendments. This Agreement may not be changed or terminated except in a writing signed by the Collateral Agent and is binding upon, and inures to the benefit of, the parties hereto, the Lenders and each of their respective successors and assigns.

10. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but together the counterparts shall constitute one and the same document.

11. ABL Credit Agreement. Section 2.02. Delivery of the Pledged Securities.

(a) Subject to Section 3.01(e) and Section 6.17 of the Credit Agreement, each Grantor agrees to deliver or cause to be delivered to the Administrative Agent, for the benefit of the Secured Parties, on the Closing Date (or on the date on which such Grantor signs and delivers its first Security Agreement Supplement (in the case of any Grantor other than a Closing Date Grantor)), or if acquired after the Closing Date, within 60 days after receipt by such Grantor (or, in each case, such longer period as the Administrative Agent may agree in its reasonable discretion), any and all (i) Pledged Equity to the extent certificated and (ii) to the extent required to be delivered pursuant to paragraph (b) of this Section 2.02, Pledged Debt.

Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be deemed to supplement Schedule IV and made a part hereof; *provided* that failure to supplement Schedule IV shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

(d) The pledge and security interest granted in Section 2.01 are granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Pledged Collateral.

Section 2.03. Representations, Warranties and Covenants. Each Grantor represents, warrants and covenants to and with the Administrative Agent, for the benefit of the Secured Parties, that:

(e) [reserved];

(f) [reserved];

(h) the pledge effected hereby is effective to vest in the Administrative Agent, for the benefit of the Secured Parties, the rights of the Administrative Agent in the Pledged Collateral as set forth herein; and

(i) subject to the terms of this Agreement and to the extent permitted by applicable Law, each Grantor hereby agrees that upon the occurrence and during the continuance of an Event of Default and delivery of prior written notice as set forth in Section 2.06(a), it will comply with instructions of the Administrative Agent with respect to the Equity Interests in such Grantor that constitute Pledged Equity hereunder without further consent by the applicable owner or holder of such Equity Interests.

Notwithstanding anything to the contrary in this Agreement, to the extent any provision of this Agreement or the Credit Agreement excludes any assets from the scope of the Pledged Collateral, or from any requirement to take any action to perfect any security interest in favor of the Administrative Agent in the Pledged Collateral, the representations, warranties and covenants made by any relevant Grantor in this Agreement with respect to the creation, perfection or priority (as applicable) of the security interest granted in favor of the Administrative Agent (including, without limitation, this Section 2.03) shall be deemed not to apply to such excluded assets.

Section 2.04. Certification of Limited Liability Company and Limited Partnership Interests. No interest in any limited liability company or limited partnership controlled by any Grantor that constitutes Pledged Equity shall be represented by a certificate unless (i) the limited liability company agreement or partnership agreement expressly provides that such interests shall be a “security” within the meaning of Article 8 of the UCC of the applicable jurisdiction, (ii) such certificate bears a legend indicating such interest represented thereby is such a “security”, and (iii) such certificate shall be delivered to the Administrative Agent in accordance with Section 2.02. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled on or after the Closing Date by such Grantor and pledged hereunder that is not a “security” within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such election and such interest is thereafter represented by a certificate that is promptly delivered to the Administrative Agent pursuant to Sections 2.02(a) and (c).

Section 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given the Borrowers three (3) Business Days’ prior written notice of its intent to exercise such rights, (a) the Administrative Agent, on behalf of the Secured Parties, shall have the right to hold the Pledged Equity in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Administrative Agent and each Grantor will promptly give to the Administrative Agent copies of any written notices or other written communications received by it with respect to Pledged Equity registered in the name of such Grantor and (b) the Administrative Agent shall have the right to exchange the certificates representing Pledged Equity for certificates of smaller or larger denominations for any purpose consistent with this Agreement, to the extent permitted by the documentation governing such Pledged Securities.

Section 2.06. Voting Rights; Dividends and Interest.

(a) Unless and until an Event of Default shall have occurred and be continuing and the Administrative Agent shall have provided three (3) Business Days' prior written notice to the Borrowers that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof and each Grantor agrees that it shall not exercise such rights in violation of this Agreement, the Credit Agreement and the other Loan Documents.

(ii) The Administrative Agent shall promptly (after reasonable advance written notice) execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held for the benefit of the Administrative Agent and the other Secured Parties and shall be promptly (and in any event within fifteen (15) Business Days or such longer period as the Administrative Agent may agree in its reasonable discretion) delivered to the Administrative Agent in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). So long as no Event of Default has occurred and is continuing, the Administrative Agent shall promptly deliver to each Grantor any Pledged Securities in its possession if requested to be delivered to the issuer thereof in connection with any exchange or redemption of such Pledged Securities permitted by the Credit Agreement in accordance with this Section 2.06(a)(iii).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have given three (3) Business Days' prior written notice to the Borrowers of the suspension of the Grantors' rights under paragraph (a) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be promptly (and in any event within fifteen (15) Business Days or such longer period as the Administrative Agent may agree in its reasonable discretion) delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by the Administrative Agent in an account to be established by the Administrative Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02. After all Events of Default have been cured or waived, the Administrative Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account, and such Grantor's right to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities shall be automatically reinstated.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have provided the Borrowers with notice of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06 shall be reinstated.

(d) Any notice given by the Administrative Agent to the Borrowers suspending the rights of the Grantors under this Section 2.06, (i) shall be given in writing, (ii) may be given with respect to one or more Grantors at the same or different times and (iii) may suspend the rights of one or more Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Administrative Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Administrative Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

provided that, notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Assets.

(b) Subject to Section 3.01(e), each Grantor hereby irrevocably authorizes the Administrative Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any financing statements or continuation statements (including fixture filings) with respect to the Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as “all assets of the debtor, whether now existing or hereafter acquired” or “all personal property, whether now existing or hereafter acquired” of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the UCC or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including whether (A) such Grantor is an organization, the type of organization and, if required, any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Administrative Agent promptly upon any reasonable request.

(c) The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Administrative Agent is authorized to file with the USPTO or the USCO (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property of each Grantor in which a security interest has been granted by each Grantor, with or without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Administrative Agent as secured party.

(e) Notwithstanding anything to the contrary in the Loan Documents, none of the Grantors shall be required, nor is the Administrative Agent authorized, (i) to perfect the Security Interests granted by this Agreement (including Security Interests in Investment Property and Fixtures) by any means other than by (A) filings pursuant to the UCC in the office of the secretary of state (or similar central filing office) of the relevant State(s), and filings in the applicable real estate records with respect to any fixtures relating to real property to the extent required by the Collateral and Guarantee Requirement, (B) filings in the USPTO and USCO with respect to Intellectual Property of any Grantor as expressly required elsewhere herein, (C) delivery to the Administrative Agent to be held in its possession of all Collateral consisting of certificated Pledged Collateral as expressly required elsewhere herein or (D) other methods expressly provided herein, (ii) to enter into any deposit account control agreement, securities account control agreement or any other control agreement with respect to any deposit account, securities account or any other Collateral that requires perfection by "control", except as expressly required by Section 2.02 hereof or Sections 2.19 and 2.03 of the Credit Agreement, (iii) to take any action in any non-United States jurisdiction or required by the laws of any non- United States jurisdiction in order to create any security interests in assets located or titled outside of the United States or to perfect any security interest in such assets, including any Intellectual Property registered in any non-U.S. jurisdictions (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-United States jurisdiction or any requirement to make any filings in any foreign jurisdiction, including with respect to foreign Intellectual Property), (iv) to perfect in any assets subject to a certificate of title statute unless perfection can be achieved by filing a UCC financing statement, (v) to deliver any Pledged Collateral except as expressly provided in Section 2.02, or (vi) to register, apply for the registration of, or deposit into escrow any Intellectual Property (including source code).

(f) Notwithstanding anything to the contrary in this Agreement, to the extent any provision of this Agreement or the Credit Agreement excludes any assets from the scope of the Article 9 Collateral, or from any requirement to take any action to perfect any security interest in favor of the Administrative Agent in the Article 9 Collateral, the representations, warranties and covenants made by any relevant Grantor in this Agreement with respect to the creation, perfection or priority (as applicable) of the security interest granted in favor of the Administrative Agent (including, without limitation, Section 3.02) shall be deemed not to apply to such excluded assets.

Section 3.02. Representations and Warranties. Each Grantor represents and warrants, as to itself and the other Grantors, to the Administrative Agent and the Secured Parties that:

(a) Subject to Liens permitted by Section 7.01 of the Credit Agreement, each Grantor has good and valid rights in and title (except as otherwise permitted by the Loan Documents) to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder, except for (x) minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or as proposed to be conducted or to utilize such properties for their intended purposes, (y) where the failure to have such title or other interest could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and (z) Intellectual Property owned by a third party as to which such Grantor has been granted a License, and has full organizational power and authority to grant to the Administrative Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any Governmental Authority other than (i) any consent or approval that has been obtained or (ii) any consent or approval the failure of which to obtain could not reasonably be expected to cause a Material Adverse Effect.

(b) Subject to Section 3.01(e): the UCC financing statements or other appropriate filings, recordings or registrations prepared by the Administrative Agent based upon the information provided to the Administrative Agent in the schedules hereto for filing in the applicable filing office (or specified by notice from the Borrowers to the Administrative Agent after the Closing Date in the case of filings, recordings or registrations, in each case, as required by the Collateral and Guarantee Requirement and Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the UCC (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights).

(c) The Grantors represent and warrant that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral owned by a Grantor consisting of material United States issued Patents (and Patents for which United States issuances are pending), material United States registered Trademarks (and Trademarks for which United States registration applications are pending) and material United States registered Copyrights, respectively (other than, in each case, any Excluded Assets) (such subset of Article 9 Collateral, collectively, "**Material U.S. IP**"), have been delivered to the Administrative Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of registrations and applications for such Material U.S. IP and, except as would not reasonably be expected to have a Material Adverse Effect, such Material U.S. IP is valid, subsisting and enforceable. To the extent a security interest in such material U.S. IP may be perfected by filing, recording or registration in USPTO or USCO under the United States federal intellectual property laws, then no further or subsequent filing, re-filing, recording, rerecording, registration or re-registration is necessary to perfect the Security Interest in such Material U.S. IP (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Material U.S. IP (or registration or application for registration thereof) acquired or developed by any Grantor after the Closing Date and (ii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment in full when due and performance of the Secured Obligations and (ii) subject to the filings described in Section 3.02(b) and (c), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the UCC. Subject to Section 3.01(e) of this Agreement, the ABL Intercreditor Agreement and any other intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, the Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any statutory or similar Lien that has priority as a matter of Law and (ii) any Liens permitted pursuant to Section 7.01 of the Credit Agreement.

(e) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the UCC or any other applicable Laws covering any Article 9 Collateral that has not been terminated, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement that has not been terminated or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement that has not been terminated or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 7.01 of the Credit Agreement and assignments permitted by the Credit Agreement.

(ii) Attached hereto as Schedule III(b) is a schedule setting forth all of each Grantor's United States Copyrights, including the name of the registered owner and the registration number of each Copyright owned by each Grantor as of the Closing Date, in each case that constitutes Collateral.

(i) *Commercial Tort Claims.* As of the Closing Date, no Grantor has any Commercial Tort Claim where such Grantor's reasonable expectation of recovery is in excess of \$5,000,000, other than the Commercial Tort Claims listed on Schedule V.

(j) *Deposit Accounts.* Attached hereto as Schedule VI is a schedule setting forth all of each Grantor's Deposit Accounts required to be perfected pursuant to Section 2.19 of the Credit Agreement as of the Closing Date.

Section 3.03. Covenants.

(a) The Borrowers agree to notify the Administrative Agent in writing promptly, but in any event within 30 calendar days (or such longer period as the Administrative Agent may agree in its reasonable discretion), after any change in (i) the legal name of any Grantor, (ii) the identity or type of organization or corporate structure of any Grantor, (iii) the jurisdiction of organization of any Grantor, (iv) the organizational identification number of such Grantor, if any, but solely to the extent such organizational identification number is required to be set forth on financing statements under the applicable UCC or (v) the chief executive office of any Grantor.

(b) Subject to Section 3.01(e), each Grantor shall, at its own expense, upon the reasonable request of the Administrative Agent, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons, except with respect to Article 9 Collateral that such Grantor determines in its reasonable business judgment is no longer necessary or beneficial to the conduct of the business, and to defend the Security Interest of the Administrative Agent in the Article 9 Collateral and the priority thereof against any Lien not permitted pursuant to Section 7.01 of the Credit Agreement (except to the extent that the Parent Borrower reasonably determines in good faith in consultation with the Administrative Agent that the cost of such defense is excessive in relation to the benefit to the Secured Parties of such security interest and priority); *provided* that, nothing in this Agreement shall prevent any Grantor from discontinuing the operation or maintenance of any of its assets or properties if such discontinuance is (x) determined by such Grantor to be desirable in the conduct of its business and (y) permitted by the Credit Agreement.

(c) Subject to Section 3.01(e) and any other express limitations in this Agreement, each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including, subject to the terms of the ABL Intercreditor Agreement, the entry into control agreements in accordance with Sections 2.19 and 2.03 of the Credit Agreement and the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements or other documents in connection herewith or therewith.

(d) Subject to Section 3.01(e), upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, at its option, upon two (2) Business Days' prior written notice to the Borrowers, may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement, this Agreement or any other Loan Document and within a reasonable period of time after the Administrative Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Administrative Agent as to the extent required by the Credit Agreement; *provided, however*, the Grantors shall not be obligated to reimburse the Administrative Agent with respect to any Intellectual Property that any Grantor has failed to maintain or pursue, or otherwise abandoned or allowed to lapse, terminate or be put into the public domain in accordance with Section 3.03(f)(iv). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(e) Subject to Section 3.01(e) and to the ABL Intercreditor Agreement, if at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which is in excess of \$15,000,000 to secure payment and performance of an Account, such Grantor shall promptly grant a security interest to the Administrative Agent for the benefit of the Secured Parties to the extent not already granted pursuant to this Agreement; *provided* that, notwithstanding anything to the contrary in this Agreement, such grant shall not constitute a grant of a security interest in any Excluded Assets. Such grant need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(f) *Intellectual Property Covenants.*

(i) Subject to clause (iv) below, except to the extent failure to act would not reasonably be expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to pursue the registration and maintenance of each Patent, Trademark, or Copyright issuance, registration or application now or hereafter included in the Intellectual Property of such Grantor that are not Excluded Assets.

(ii) Subject to clause (iv) below, except as would not reasonably be expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property, excluding Excluded Assets, may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, become publicly known).

(iii) Subject to clause (iv) below, except where failure to do so would not reasonably be expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Intellectual Property, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the Closing Date, and taking reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to standards of quality.

(iv) Notwithstanding any other provision of this Agreement, nothing in this Agreement or any other Loan Document prevents or shall be deemed to prevent any Grantor from abandoning, disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or be put into the public domain, any of its Intellectual Property to the extent permitted by the Credit Agreement.

(v) Within the same delivery period as required for the delivery of the annual Compliance Certificate required to be delivered under Section 6.02(a) of the Credit Agreement the Borrowers shall provide a list of any additional Material U.S. IP of all Grantors not previously disclosed to the Administrative Agent including such information as is necessary for such Grantor to make appropriate filings in the USPTO and USCO.

(g) *Commercial Tort Claims.* Subject to Section 3.01(e), if the Grantors shall at any time hold or acquire a Commercial Tort Claim where the applicable Grantor has a reasonable expectation of recovery in excess of \$7,500,000 for which this clause has not been satisfied and for which a complaint in a court of competent jurisdiction has been filed, such Grantor shall, on the date on which a Compliance Certificate is delivered to the Administrative Agent pursuant to Section 6.02(a) of the Credit Agreement for the fiscal quarter in which such complaint was filed, notify the Administrative Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Administrative Agent, for the benefit of the Secured Parties, in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

ARTICLE IV.

Remedies

Section 4.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Administrative Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Collateral and the Secured Obligations, including the Guaranty and the Guaranteed Obligations, under this Agreement, the UCC or other applicable Law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Administrative Agent, promptly assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under Law, without obligation to such Grantor in respect of such occupation; *provided* that the Administrative Agent shall provide the applicable Grantor with written notice thereof prior to such occupancy; (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Administrative Agent shall provide the applicable Grantor with written notice thereof prior to such exercise; (iv) [reserved] and (v) subject to the mandatory requirements of applicable Law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any Law now existing or hereafter enacted. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Subject to the mandatory requirements of applicable Law and the notice requirements described below, the Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

The Administrative Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by Law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by Law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by Law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at Law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after three (3) Business Days' prior written notice to the Borrowers of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or to pay any premium in whole or in part relating thereto.

By accepting the benefits of this Agreement and each other Collateral Document, the Secured Parties expressly acknowledge and agree that their rights and remedies are subject to the second paragraph of Section 10.03 of the Credit Agreement. If the Administrative Agent shall determine to exercise its right to sell all or any of the Collateral of any Grantor pursuant to this Section 4.01, each Grantor agrees that, upon request of the Administrative Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Collateral or any part thereof valid and binding and in compliance with applicable law.

Section 4.02. Application of Proceeds. Subject to the ABL Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, the Administrative Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 8.03 of the Credit Agreement.

The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

The Administrative Agent shall have no liability to any of the Secured Parties for actions taken in reliance on information supplied to it as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations; *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error).

Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and, to the extent set forth herein and in the other Loan Documents, the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

Section 4.03. Grant of License to Use Intellectual Property. For the exclusive purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies at any time after and during the continuance of an Event of Default, subject to the terms of the licenses, each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a non-exclusive, royalty-free, limited license (until the termination or cure of the Event of Default) for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate to use (and to the extent permitted by the licenses, license or sublicense) any of the Intellectual Property included in the Article 9 Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided, however*, that all of the foregoing rights of the Administrative Agent shall expire immediately upon the termination or cure of all Events of Default and shall be exercised by the Administrative Agent solely during the continuance of an Event of Default and in connection with the Administrative Agent's exercise of remedies pursuant to Section 4.01 and upon 10 Business Days' prior written notice to the applicable Grantor, and nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of Law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent permitted by the Credit Agreement, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided, further*, that any such license and any such license granted by the Administrative Agent to a third party shall include reasonable and customary terms and conditions necessary to preserve the existence, validity and value of the affected Intellectual Property, including without limitation, provisions requiring the continuing confidential handling of trade secrets, requiring the use of appropriate notices and prohibiting the use of false notices, quality control and inurement and goodwill provisions with regard to Trademarks, patent designation provisions with regard to Patents, copyright notices and restrictions on decompilation and reverse engineering of copyrighted software (it being understood and agreed that, without limiting any other rights and remedies of the Administrative Agent under this Agreement, any other Loan Document or applicable Law, nothing in the foregoing license grant shall be construed as granting the Administrative Agent rights in and to such Intellectual Property above and beyond (x) the rights to such Intellectual Property that each Grantor has reserved for itself and (y) in the case of Intellectual Property that is licensed to any such Grantor by a third party, the extent to which such Grantor has the right to grant a sublicense to such Intellectual Property hereunder). For the avoidance of doubt, the use of such license by the Administrative Agent may be exercised, at the option of the Administrative Agent, only during the continuance of an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may also exercise the rights afforded under Section 4.01 of this Agreement with respect to Intellectual Property contained in the Article 9 Collateral.

ARTICLE V.

Subordination

Section 5.01. Subordination. Upon payment by any Grantor of any Secured Obligations, all rights of such Grantor against the Borrowers or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full of all the Secured Obligations (other than (i) contingent indemnity obligations for then unasserted claims; (ii) obligations and liabilities under Secured Hedge Agreements or Secured Cash Management Agreements as to which arrangements satisfactory to the applicable Qualified Counterparty shall have been made and (iii) Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the Administrative Agent and the applicable Issuing Bank or deemed reissued under another facility as to which other arrangements satisfactory to the Administrative Agent and the applicable Issuing Bank shall have been made) and the termination of all Commitments to any Loan Party under any Loan Document. If any amount shall erroneously be paid to the Borrowers or any other Grantor on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of the Borrowers or any other Grantor, such amount shall be held for the benefit of the Secured Parties and shall promptly be paid to the Administrative Agent to be credited against the payment of the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Credit Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Grantor (other than the Borrowers) shall, under this Agreement or the Credit Agreement as a joint and several obligor, repay any of the Secured Obligations (an "**Accommodation Payment**"), then the Grantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Grantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Grantor's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Grantors. As of any date of determination, the "**Allocable Amount**" of each Grantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Grantor hereunder and under the Credit Agreement without (a) rendering such Grantor "insolvent" within the meaning of Section 101 (32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraudulent Conveyance Act ("**UFCA**"), (b) leaving such Grantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Grantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

ARTICLE VI.

Miscellaneous

Section 6.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to the Borrowers or any other Grantor shall be given to it in care of the Borrowers as provided in Section 10.02 of the Credit Agreement.

Section 6.02. Waivers; Amendment.

(a) No failure or delay by any Secured Party in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Secured Parties herein provided, and provided under each other Loan Document, are cumulative and are not exclusive of any rights, remedies, powers and privileges provided by Law. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan, the issuance of a Letter of Credit or the provision of services under Secured Cash Management Agreements or Secured Hedge Agreements shall not be construed as a waiver of any Default, regardless of whether any Secured Party may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to the Collateral and Guarantee Requirement and any consent required in accordance with Section 10.01 of the Credit Agreement.

Section 6.03. Administrative Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its reasonable out-of-pocket expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement and the Administrative Agent and its Agent-Related Persons shall be entitled to indemnity for its actions in connection herewith as provided in Section 10.05 of the Credit Agreement.

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, any investigation made by or on behalf of the Administrative Agent or any other Secured Party, or any resignation by, or removal of, the Administrative Agent. All amounts due under this Section 6.03 shall be payable within 30 days of written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 6.03.

Section 6.04. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 6.05. Survival of Agreement. All representations and warranties made by the Grantors hereunder and in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Loan Documents, the making of any Loans and issuance of any Letters of Credit and the provision of services under Secured Cash Management Agreements or Secured Hedge Agreements, regardless of any investigation made by any Secured Party or on its behalf and notwithstanding that any Secured Party may have had notice or knowledge of any Default or Event of Default at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as this Agreement has not been terminated or released pursuant to Section 6.11 below.

Section 6.06. Counterparts; Effectiveness; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties and their respective permitted successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) without the prior written consent of the Administrative Agent, except to the extent permitted by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, restated, amended and restated, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

Section 6.07. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 6.08. Governing Law; Jurisdiction; Venue; Waiver of Jury Trial; Consent to Service of Process. The terms of Sections 10.15 and 10.16 of the Credit Agreement with respect to governing law, submission of jurisdiction, venue, consent to services of process and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

Section 6.09. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 6.10. Security Interest Absolute. To the extent permitted by Law, all rights of the Administrative Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense (other than defense of payment or performance) available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

Section 6.11. Termination or Release.

(a) This Agreement and each other Collateral Document (in each case, other than with respect to provisions hereof that expressly survive termination), the Security Interest and all other security interests granted hereby or thereby shall terminate with respect to all Secured Obligations and any Liens arising therefrom shall be automatically released upon termination of the Total Revolving Credit Commitments and payment in full of all Obligations (other than contingent indemnification obligations as to which no claim has been asserted and Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the Administrative Agent and the applicable Issuing Bank or deemed reissued under another facility as to which other arrangements satisfactory to the Administrative Agent and the applicable Issuing Bank shall have been made) .

(b) A Grantor that is a Guarantor shall automatically be released from its obligations hereunder and under any other Collateral Document to which it is a party and the Security Interest and all other Liens granted hereby or thereby to the Administrative Agent in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction or upon any designation, in each case, permitted by the Credit Agreement as a result of which such Grantor is released as a Guarantor pursuant to Section 11.09 of the Credit Agreement.

(c) Upon (i) any Disposition by any Grantor of any Collateral that is permitted under the Credit Agreement (other than a sale or transfer to another Loan Party), (ii) the effectiveness of any written consent to the release of the Security Interest or other Liens granted hereby or by any other Collateral Document in any Collateral pursuant to Section 10.01 of the Credit Agreement or (iii) any Collateral becoming an "Excluded Asset", the security interest in such Collateral shall be automatically released.

(d) The Security Interest and other Liens granted hereby or by any other applicable Collateral Document in any Collateral shall, with respect to such Collateral, be subordinated to another Lien permitted by Section 7.01 of the Credit Agreement, in accordance with the terms of Section 9.10(c) of the Credit Agreement, either (i) upon an election by the Administrative Agent to subordinate such security interest or (ii) in respect of Liens permitted by Section 7.01(b), (u), (w) and (aa) (solely with respect to clauses (b), (u) and (w)) of the Credit Agreement, upon the Parent Borrower's written notice to the Administrative Agent thereof (with the Administrative Agent's prompt acknowledgement, not to be unreasonably withheld, delayed or conditioned).

(e) In connection with any termination, subordination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 6.11, the Administrative Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination, subordination or release and shall perform such other actions reasonably requested by such Grantor to effect such termination, subordination or release, including delivery of certificates, securities and instruments. Any execution and delivery of documents pursuant to this Section 6.11 shall be without recourse to or representation or warranty of any kind (either express or implied) by the Administrative Agent.

Section 6.12. Additional Grantors. Pursuant to the Credit Agreement, certain additional Restricted Subsidiaries of the Loan Parties and Successor Parent Borrowers may be required to enter into this Agreement as Grantors. Upon execution and delivery by the Administrative Agent and a Restricted Subsidiary or Successor Parent Borrower of a Security Agreement Supplement, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

Section 6.13. Administrative Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Administrative Agent as the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof at any time after the occurrence and during the continuance of an Event of Default, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Administrative Agent shall have the right, after the occurrence and during the continuance of an Event of Default and notice by the Administrative Agent to the applicable Grantor of the Administrative Agent's intent to exercise such rights, with full power of substitution either in the Administrative Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) upon prior written notice to the Parent Borrower, to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at Law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) upon prior written notice to the Parent Borrower, to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Administrative Agent; (h) to obtain and adjust insurance required to be paid to the Administrative Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Administrative Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Administrative Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, bad faith, material breach or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact, in each case, as determined by a final non-appealable judgment of a court of competent jurisdiction.

Section 6.14. General Authority of the Administrative Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Administrative Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Administrative Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

Section 6.15. Reasonable Care. The Administrative Agent is required to use reasonable care in the custody and preservation of any of the Collateral in its possession; *provided* that the Administrative Agent shall be deemed to have used reasonable care in the custody and preservation of any of the Collateral, if such Collateral is accorded treatment substantially similar to that which the Administrative Agent accords its own property.

Section 6.16. Delegation; Limitation. The Administrative Agent may execute any of the powers granted under this Agreement and perform any duty hereunder either directly or by or through agents or attorneys-in-fact, and shall not be responsible to the Lenders for the gross negligence or willful misconduct of any agents or attorneys-in-fact selected by it with reasonable care and without gross negligence or willful misconduct.

Section 6.17. Reinstatement. The obligations of the Grantors under this Agreement shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrowers or other Loan Party in respect of the Secured Obligations is rescinded, avoided, or must be otherwise restored by any holder of any of the Secured Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 6.18. [Reserved].

Section 6.19. Intercreditor Agreements.

(a) Notwithstanding anything herein to the contrary, the Liens and Security Interest granted to the Administrative Agent or any other Secured Party pursuant to this Agreement, the exercise of any right or remedy by the Administrative Agent or any other Secured Party hereunder and all other terms and provisions of this Agreement, are subject to the terms and provisions of the ABL Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document. In the event of any conflict between the terms and conditions of the ABL Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document and the terms and conditions of this Agreement, the terms and conditions of the ABL Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document, as applicable, shall govern and control in all respects and supersede the terms of this Agreement with respect to such conflict. No right, power or remedy granted to the Administrative Agent or any other Secured Party hereunder shall be exercised by the Administrative Agent or such other Secured Party, and no direction shall be given by the Administrative Agent or any other Secured Party, in contravention of the ABL Intercreditor Agreement and any other subordination and intercreditor agreement entered into pursuant to the Credit Agreement or any other Loan Document.

(b) Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, to the extent the provisions of any Loan Document require the delivery of, or control over, Collateral to be granted to the Administrative Agent at any time prior to the discharge of the First Lien Obligations, then delivery of Term Loan Priority Collateral (as defined in the Credit Agreement) (or control with respect thereto) shall instead be made to the First Lien Agent, to be held in accordance with the First Lien Financing Documents and the ABL Intercreditor Agreement, each applicable Grantor's obligations hereunder or in any other Loan Document (including the representations and warranties made by it hereunder and in the other Loan Documents) with respect to such delivery shall be deemed satisfied by the delivery to the First Lien Agent, acting as a gratuitous bailee of the Administrative Agent pursuant to the ABL Intercreditor Agreement. Furthermore, at all times prior to the discharge of the First Lien Obligations, the Administrative Agent is authorized by the parties hereto to effect transfers of such Collateral at any time in its possession (and any "control" or similar agreements with respect to such Collateral) to the First Lien Agent.

(i) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Affected Payor or to its creditors, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Affected Payor, whether or not involving insolvency or bankruptcy, then (x) the holders of Senior Indebtedness shall be paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank) before any Affected Payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment or distribution on account of this Note and (y) until the holders of Senior Indebtedness are paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank), any payment or distribution to which such Affected Payee would otherwise be entitled (other than (A) equity securities or (B) debt securities of such Affected Payor that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as “**Restructured Debt Securities**”)) in respect of this Note shall be made to the holders of Senior Indebtedness;

(ii) (x) if any Event of Default under Sections 8.01(a) or 8.01(f) of the First Lien Credit Agreement or ABL Credit Agreement or under Sections 6.01(a) or 6.01(f) of the Second Lien Notes Indenture occurs and is continuing and (y) subject to the ABL Intercreditor Agreement, the First Lien Agent, the ABL Agent or the Second Lien Agent delivers notice to the Borrowers instructing the Borrowers that such Agent is thereby exercising its rights pursuant to this clause (ii) (provided that no such notice shall be required to be given in the case of any Event of Default arising under Section 8.01(f) of either Credit Agreement or Section 6.01(f) of the Second Lien Notes Indenture), then no payment or distribution of any kind or character shall be made by or on behalf of the Affected Payor or any other Person on its behalf with respect to this Note until the Senior Indebtedness has been paid in full (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank); and

(iii) if any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii), such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the ABL Agent or the First Lien Agent (or after the discharge of First Lien Obligations (as defined in the ABL Intercreditor Agreement), the Second Lien Agent), as applicable, in each case on behalf of the applicable Secured Parties, to the extent necessary to pay all Senior Indebtedness in full in cash (other than contingent indemnification obligations as to which no claim has been asserted) and no Letter of Credit shall remain outstanding (unless the Outstanding Amount of the LC Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank).

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Affected Payor or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Affected Payee and each Affected Payor hereby agree that the subordination of this Note (a) is, with respect to the holders of Senior Indebtedness, intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the United States Bankruptcy Code or any similar provision under any other bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect and (b) is for the benefit of (i) each Agent and each Secured Party are obligees under this Note to the same extent as if their names were written herein as such and any of each Agent may, on behalf of itself, and each Secured Party, as applicable, proceed to enforce the subordination provisions herein to the extent applicable subject to the ABL Intercreditor Agreement.

For the sake of clarity, the Indebtedness evidenced by this Note owed by any Payor that is a Non- Loan Party shall not be subordinated to, and shall rank *pari passu* in right of payment with, any other obligation of such Payor.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest, if any, on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness. For the avoidance of doubt, this Note as between each Payor and each Payee contains additional terms to any intercompany loan agreement between them and this Note does not in any way replace such intercompany loans between them nor does this Note in any way change the principal amount of any intercompany loans between them.

If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made is rescinded or avoided or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, in connection with the insolvency, bankruptcy or reorganization of the any Loan Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

Each Payor hereby waives presentment, demand, protest or notice of any kind in connection with this Note. Except to the extent of any taxes required by law to be withheld, all payments under this Note shall be made without offset, counterclaim or deduction of any kind.

This Note shall be binding upon each Payor and its successors and assigns, and the terms and provisions of this Note shall inure to the benefit of each Payee and its successors and assigns, including subsequent holders hereof.

From time to time after the date hereof, additional subsidiaries and affiliates of the Holdings Guarantors may become parties hereto (as Payor and/or Payee, as the case may be) by executing a counterpart signature page to this Note (each additional subsidiary, an “**Additional Party**”). Upon delivery of such counterpart signature page to the Payees, notice of which is hereby waived by the other Payors and Payees, each Additional Party shall be a Payor and/or a Payee, as the case may be, and shall be as fully a party hereto as if such Additional Party were an original signatory hereof. Each Payor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Payor or Payee hereunder. This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Payor or Payee hereunder.

Indebtedness governed by this Note shall be maintained in “registered form” within the meaning of Section 163(f) of the Internal Revenue Code of 1986, as amended. The Payor or its designee (which shall, at the either Agent’s request, be such Agent, acting solely for these purposes as agent of the Payor) shall record the transfer of the right to payments of principal and interest on the indebtedness governed by this Note to holders of the Senior Indebtedness in a register (the “**Register**”), and no such transfer shall be effective until entered in the Register.

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) None of the Issuers or their Affiliates or any Person acting on any of their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Issuers make no representation or warranty) directly or indirectly, has offered, sold or solicited any offer to buy and will not, directly or indirectly, offer, sell or solicit any offer to buy, any security of a type or in a manner which would be integrated with the sale of the Securities issued on the Closing Date and require the Securities issued on the Closing Date to be registered under the Securities Act. None of the Issuers or their Affiliates or any Person acting on any of their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Issuers make no representation or warranty) has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Rule 502(c) under the Securities Act) in connection with the offering of the Securities issued on the Closing Date. (i) It is either: (A) a Qualified Institutional Buyer, (B) an institutional accredited investor (as such term is defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) or (C) a non-U.S. Person (as such term is defined in Regulation S under the Securities Act) and will not acquire the Securities for the account or benefit of any U.S. Person;

(ii) It is acquiring the Securities for its own account, for investment purposes only and not with a view to any distribution thereof that would not otherwise comply with the Securities Act;

(iv) It understands that the exemption from registration afforded by Rule 144 (the provisions of which are known to such Initial Purchaser) promulgated under the Securities Act depends on the satisfaction of various conditions, and that, if applicable, Rule 144 may afford the basis for sales only in limited amounts;

(v) Except as disclosed, it did not employ any broker or finder in connection with the transactions contemplated in this Agreement and no fees or commissions are payable to the Initial Purchasers (it being understood and agreed that the Closing Payments do not constitute fees or commissions);

(vi) The source of funds to be used by such Initial Purchaser to pay the purchase price of the Securities does not include assets of any employee benefit plan (other than a plan exempt from the coverage of ERISA) or plan or any other entity the assets of which consist of “plan assets” of employee benefit plans or plans as defined in Department of Labor regulation Section 2510.3-101, as amended by Section 3(42) of ERISA (the “Plan Asset Regulation”). As used in this clause (vi), the term “employee benefit plan” shall have the meaning assigned to such term in Article 33 of ERISA, and the term “plan” shall have the meaning assigned thereto in Section 4975(e)(1) of the Code;

The term “venture capital operating company” shall have the meaning assigned to such term in the Plan Asset Regulation; and

(viii) The GS Purchasers will provide written notice (which notice may be given by email) to the Parent Issuer within 15 days of the occurrence of the GS Disposition Date, and the Ares Purchasers will provide written notice (which notice may be given by email) to the Parent Issuer within 15 days of the occurrence of the Ares Disposition Date.

(ii) promptly, such additional information regarding the business, legal, financial or corporate affairs of the Note Parties or any of their respective Restricted Subsidiaries, or compliance with the terms of the Notes Documents, as the Purchasers may from time to time reasonably request.

The Purchasers shall give the Issuers the opportunity to participate in any discussions with the Issuers' independent public accountants. The agreements in this Section 8.1 shall survive the termination of repayment, satisfaction or discharge of all other Secured Obligations. All amounts due under this Section 8.1 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 8.1 shall be paid on the Closing Date solely to the extent invoiced to the Issuers at least three (3) Business Days prior to the Closing Date (or such later date as the Issuers may agree in their sole discretion). For the avoidance of doubt, this Section 8.1 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 8.2 Indemnification by the Issuers. The Issuers shall indemnify and hold harmless each Purchaser and their respective Affiliates and controlling Persons, and their respective directors, officers, employees, advisors, agents and other representatives of each of the foregoing and their respective successors and permitted assigns (collectively, the “**Indemnitees**”) from and against any and all actual losses, claims, damages, liabilities and expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole) and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Purchasers, and solely in the case of an actual conflict of interest, one additional counsel in each relevant material jurisdiction to the affected Indemnitees similarly situated), in each case except allocated costs of in-house counsel, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Notes Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) the Notes or the use or proposed use of the proceeds therefrom, (c) any actual or alleged presence or Release of Hazardous Materials at, on, under or from any property or facility currently or formerly owned, leased or operated by the Note Parties or any Subsidiary, or any Environmental Liability of or relating to the Note Parties or any Subsidiary, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a “**Proceeding**”) and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Issuers or any other person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (w) the gross negligence, bad faith, fraud or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (x) a material breach of any obligations under any Notes Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) any dispute solely among Indemnitees other than any claims arising out of any act or omission of the Issuers or any of their Affiliates or (z) settlements effected without the Issuers’ prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if settled with Issuers’ written consent, or if there is a final judgment against an Indemnitee, the Issuers shall indemnify and hold harmless such Indemnitee to the extent and the manner set forth above. In case any Proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Parent Issuer of the commencement of any such Proceeding; *provided, however*, that the failure so to notify the Parent Issuer will not relieve the Issuers from any liability to such Indemnitee pursuant to this **Section 8.2**. Each applicable Indemnitee (by accepting the benefits hereof) agrees to refund and return any and all amounts paid by or on behalf of the Issuers (or any other Note Party) to such Indemnitee, in each case, pursuant to the terms of this paragraph to the extent such Indemnitee is not entitled to the payment thereof pursuant to the terms of this paragraph, as determined by a final non-appealable judgment of a court of competent jurisdiction. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith, fraud or willful misconduct, or material breach of this Agreement or the other Notes Documents, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Note Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Notes Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Note Party, in respect of any such obligations, liabilities, losses, damages, penalties, demands, actions, judgments, suits, costs, disbursements, claims or expenses incurred or paid or required to be paid by an Indemnitee to a third party (including another Indemnitee)). In the case of an investigation, litigation or other proceeding to which the indemnity in this **Section 8.2** applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Note Party, any Subsidiary of any Note Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Notes Documents are consummated. All amounts due under this **Section 8.2** shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request). The agreements in this **Section 8.2** shall survive the repayment, satisfaction or discharge of all the Secured Obligations. Section 8.3 Survival. The obligations of each of the parties under this Article 8 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of any Notes Document and the termination of this Agreement and the termination of any of the other Notes Documents.

Section 9.4 Benefit of Agreement and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Issuer may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Purchasers (and any attempted assignment or transfer by any Issuer without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person that is not a party hereto any legal or equitable right, remedy or claim under or by reason of this Agreement (other than Indemnitees and each of their respective successors and permitted assigns (collectively, "Third Party Beneficiaries")). (c) Notwithstanding anything to the contrary contained herein, any Ares Purchaser may (either together or separately) (I) assign or transfer its right to purchase all or any portion of the Notes (or beneficial interests therein) allocated to such Ares Purchaser pursuant to Schedule 1B, (II) assign or transfer any of its other rights or obligations under this Agreement and/or (III) assign or transfer its Notes (or beneficial interests therein) (1) to any existing Ares Purchaser or (2) to any Other Ares Entity, subject, in the case of clause 2, to such Person, if not already a party, becoming a party hereto, evidenced by delivering an executed counterpart hereof in substantially the form of Exhibit E, and, upon execution of such counterpart, each such Person shall be deemed to be a party hereto as a Ares Purchaser entitled to the full benefit and subject to the obligations of this Agreement as if such Person were initially a Ares Purchaser hereunder.

(d) (I) No Purchaser shall sell, pledge, assign or otherwise transfer (other than in the form of, participations, which are subject to the provisions of Section 9.4(e) and not this Section 9.4(d)) any Notes (x) to any natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person) or Disqualified Institution (unless otherwise agreed by the Parent Issuer in its sole discretion and, notwithstanding anything herein to the contrary, without giving effect to any provision providing for deemed consent by the Parent Issuer) or (y) without the consent of the Parent Issuer (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Parent Issuer shall be required if such sale, pledge, assignment or other transfer is (A) made by a GS Purchaser pursuant to Section 9.4(b), (B) made by an Ares Purchaser pursuant to Section 9.4(c), (C) made to a Person that is (1) a Beneficial Owner of Notes or (2) an Affiliate or Approved Fund of a Beneficial Owner of Notes, in each case that is not a Disqualified Institution, (D) a pledge or assignment made to secure obligations of such Purchaser to any trustee, agent or debtholder (other than a Disqualified Institution); provided that no such pledge or assignment shall release such Purchaser from any of its obligations hereunder or substitute any such pledgee or assignee for such Purchaser as a party hereto or (E) after the occurrence and during the continuance of an Event of Default under Section 6.01(a) or (f) (with respect to the Parent Issuer) of the Indenture; provided, further, that if not received within 10 Business Days of acknowledged receipt of a written request by a Beneficial Owner of Notes, the consent of the Parent Issuer shall be deemed to have been given and (II) no Purchaser shall sell, pledge, assign or otherwise transfer any Notes unless the proposed purchaser, pledgee, assignee or transferee of such Notes is subject to, or agrees to be subject to or bound by, the provisions of clause (I) of this Section 9.4(d) and Section 9.4(e) or substantially similar transfer restrictions.

(e) Any Purchaser may at any time sell participations to any Person (other than the Sponsor, any of its Affiliates (other than Debt Fund Affiliates), a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person), or a Disqualified Institution) in all or a portion of such Purchaser's rights and/or obligations under the Notes Documents and the Notes; provided that (i) such Purchaser's obligations under this Agreement shall remain unchanged, (ii) such Purchaser shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Issuers and the other Purchasers shall continue to deal solely and directly with such Purchaser in connection with such Purchaser's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Purchaser sells such a participation shall provide that such Purchaser shall retain the sole right to enforce this Agreement and the other Notes Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Notes Documents. Each Purchaser that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Issuers, maintain a register on which it enters the name and address of each participant and the principal amounts (and related interest amounts) of each participant's interest in the Notes or other obligations under the Notes Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Purchaser shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement, notwithstanding any notice to the contrary.

Section 9.5 Confidentiality.

(a) Each Purchaser agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' limited partners, lenders, investors, managed accounts, officers, directors, employees, legal counsel, independent auditors, professionals, service providers and other experts or agents (collectively, "Representatives") who need to know such Information (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and agree to keep such Information confidential and the Purchasers shall be principally liable to the extent any confidentiality restrictions set forth herein are violated by one or more of its Representatives); (b) to the extent required or requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Purchaser or its Affiliates), *provided* that the applicable Purchaser agrees that it will promptly notify the Parent Issuer prior to any such disclosure by such Person (other than at the request of a regulatory authority as part of a regulatory examination) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or order of any court or administrative agency or in any pending legal or administrative proceeding or similar legal process, *provided* that the applicable Purchaser agrees that it will notify the Parent Issuer in advance of any such disclosure by such Person (except with respect to any routine audit or examination conducted by bank accountants or regulatory authority exercising routine examination or regulatory authority) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 9.5 (or as may otherwise be reasonably acceptable to the Parent Issuer), to any assignee of or participant in, or any prospective assignee of or participant in, any of its rights or obligations under this Agreement, the Notes (or beneficial interests therein) or the other Notes Documents or any purchaser or potential purchaser of the Notes (or beneficial interests therein) (except, in each case, to the extent the Parent Issuer has declined to consent to such assignment); (f) with the written consent of the Parent Issuer; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.5 or other obligation of confidentiality owed to the Parent Issuer or the Sponsor or any of their respective Affiliates; (h) to any rating agency when required by it on a customary basis and after consultation with the Parent Issuer (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Note Parties and their Subsidiaries received by it from such Purchaser) or to the CUSIP Service Bureau or any similar organization; (i) in connection with the exercise of any remedies hereunder, under any other Notes Document or the enforcement of its rights hereunder or thereunder; (j) to the extent that such information is independently developed by the applicable Initial Purchaser or its Affiliates or the applicable Purchaser or its Affiliates in each case so long as not based on information obtained in a manner that would otherwise violate this Section 9.5; (k) for purposes of establishing a "due diligence" defense; or (l) to market data collectors, similar service providers to the lending industry, and service providers to the Purchasers in connection with the administration and management of the Notes; *provided* that, in each case, no disclosure shall be made to any Disqualified Institution. In addition, the Purchasers may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Purchasers in connection with the administration and management of the Notes and the other Notes Documents; *provided* that such Person is advised and agrees to be bound by the provisions of this Section 9.5. Notwithstanding anything to the contrary contained in this Agreement, nothing in this Section 9.5 shall prohibit any GS Purchaser or any Ares Purchaser from disclosing any information to any lender to, or managed account or limited partner of, such GS Purchaser or such Ares Purchaser to the extent such information is subject to customary confidentiality obligations binding on such lender, managed account or limited partner pursuant to customary investment advisory, fund or loan documentation.

For purposes of this Section, “Information” means all information received from any Note Party or any Subsidiary thereof relating to any Note Party or any Subsidiary thereof, their respective businesses and their respective Affiliates and their Affiliates’ directors, officers, employees, trustees, investments advisors or agents, other than any such information that is available to the Purchasers on a nonconfidential basis prior to disclosure by any Note Party or any Subsidiary thereof other than as a result of a breach of this Section 9.5.

(b) Without limiting the obligations of the Issuers to provide information to the Purchasers under this Agreement and the other Notes Documents, each Purchaser understands that it may receive material non-public information relating to the Issuers and their Affiliates pursuant to this Agreement, or upon exercise of its rights hereunder (including pursuant to Section 6.1 or 7.2) and acknowledges that none of the Issuers or any other Note Party shall have any duty to disclose any information publicly or privately to any other Person in connection with any actual or proposed transfer of the Notes or any beneficial interest therein, in each case except as otherwise required under this Agreement or the other Notes Documents.

(c) Each of the Note Parties agrees that any reference to any GS Purchaser or Ares Purchaser or any respective affiliate thereof and/or the use of any logo of, or information relating to, any GS Purchaser or Ares Purchaser (or any respective affiliate thereof) made in connection with the transactions contemplated hereby are subject to the prior written approval of such GS Purchaser or Ares Purchaser, as applicable, which approval shall not be unreasonably withheld.

Section 9.6 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Notes Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile, .pdf or other electronic means of an executed counterpart of a signature page to this Agreement and each other Notes Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Notes Document. The Purchasers may also require that any such documents and signatures delivered by facsimile, .pdf or other electronic means be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile, .pdf or other electronic means.

The words “execute,” “execution,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, amendments or other modifications, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Purchasers, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Purchasers are under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Purchasers pursuant to procedures approved by them.

Section 9.7 Reproduction. This Agreement, the Notes Documents and all documents relating hereto and thereto, including: (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by the Purchasers on the Closing Date (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished in connection herewith, may be reproduced by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and any original document so reproduced may be destroyed. Each party hereto agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 9.7 shall not prohibit any party hereto or any holder of the Notes from contesting any such reproduction to the same extent that it could contest the original or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

Section 9.8 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.9 Integration. This Agreement, together with the other Notes Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Notes Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Purchasers in any other Notes Document shall not be deemed a conflict with this Agreement. Each Notes Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 9.10 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Notes Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Purchasers, regardless of any investigation made by the Purchasers or on their behalf and notwithstanding that the Purchasers may have had notice or knowledge of any Default at the time of any issuance, sale and purchase of Notes, and shall continue in full force and effect as long as any Note or any other Secured Obligation hereunder shall remain unpaid or unsatisfied (other than contingent indemnification obligations as to which no claim has been asserted).

Section 9.11 Survival of Covenants and Indemnities. All covenants and indemnities set forth herein shall survive the execution and delivery of this Agreement and the other Notes Documents, the issuance of the Initial Notes and any other Notes and the enforcement, amendment and/or waiver of any provision of any Notes Document and, except as otherwise expressly provided herein with respect to certain covenants, the payment, repayment and/or transfer of any Note or obligation relating thereto and the discharge, defeasance and/or termination of the Notes and/or any other Notes Document.

Section 9.12 Severability. If any provision of this Agreement or the other Notes Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Notes Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions; *provided* that the Purchasers shall charge no fee in connection with any such amendment. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.13 Construction. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person, whether or not expressly specified in such provision.

Section 9.14 Incorporation. All Schedules and Exhibits attached hereto are incorporated as part of this Agreement as if fully set forth herein.

Section 9.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER NOTES DOCUMENT AND ANY CLAIM OR CONTROVERSY RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF, WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY NOTES DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY NOTES DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) (OR ANY APPELLATE COURT THEREOF) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (OR ANY APPELLATE COURT THEREOF), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH NOTE PARTY AND EACH PURCHASER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH NOTE PARTY AND EACH PURCHASER IRREVOCABLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY NOTES DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN FACSIMILE OR ELECTRONIC MAIL) IN SECTION 9.2. NOTHING IN THIS AGREEMENT OR ANY OTHER NOTES DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. FURTHERMORE, NOTWITHSTANDING THE FOREGOING OR ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR ANY OTHER NOTES DOCUMENT, NOTHING IN THIS AGREEMENT OR ANY OTHER NOTES DOCUMENT OR OTHERWISE SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE COLLATERAL DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY NOTE PARTY IN THE COURTS OF OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED.

Section 9.16 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTES DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTES DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.17 No Personal Obligations. Notwithstanding anything to the contrary contained herein or in any Notes Document, it is expressly understood and the Purchasers expressly agree that nothing contained herein or in any other Notes Document or in any other document contemplated hereby or thereby (whether from a covenant, representation, warranty or other provision herein or therein) shall create, or be construed as creating, any personal liability of any stockholder, director, officer or employee of the Issuers and their Subsidiaries in such Person's capacity as such, with respect to (a) any payment obligation of the Issuers or any of their Subsidiaries, (b) any obligation of the Issuers or any of their Subsidiaries to perform any covenant, undertaking, indemnification or agreement, either express or implied, contained herein or in any other Notes Document, (c) any representation or warranty contained herein or any other Notes Document, (d) any other claim or liability to the Purchasers under or arising under this Agreement or any other Notes Document or in any other document contemplated hereby or thereby, or (e) any credit extended or loan made; *provided* that nothing herein shall be deemed to be a waiver of claims arising from fraud.

Section 9.18 Currency. Unless otherwise specified, all dollar amounts referred to in this Agreement are in Dollars.

Section 9.19 Qualified Intermediary. The Purchasers shall take all actions necessary to cause all payments of principal and interest made to the Purchasers to be made on their behalf to either (a) a financial institution described in Treasury Regulation section 1.1441-1(b)(2)(ii) or (b) a "qualified intermediary" (as defined in Treasury Regulation section 1.1441-1(e)(5)(ii)) that satisfies the requirements of Treasury Regulation section 1.1441-1(e)(5) (the Person described in clause (a) or (b) of this Section 9.19, the "Purchaser Agent"). The Purchasers shall, or shall cause the Purchaser Agent, to satisfy any withholding obligations pursuant to chapter 3 of the Code in respect of payments of, on or with respect to the Notes owned by the Purchasers. Failure of the Purchasers to comply with this Section 9.19 shall not be a defense to any of the Issuer's obligations under the Indenture or this Agreement, but shall entitle the Parent Issuer or its agent to withhold any amounts required by the Code from payments on the Notes, unless the Parent Issuer or its agent is satisfied in its sole discretion that no such withholding is required.

Section 9.20 Binding Effect. This Agreement shall become effective when it shall have been executed and delivered by the Note Parties and each other party hereto and thereafter shall be binding upon and inure to the benefit of the Note Parties and each Purchaser and their respective successors and assigns, in each case in accordance with Section 9.4 (if applicable) and except that no Note Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Purchasers.

Section 9.21 USA Patriot Act. Each Purchaser that is subject to the USA Patriot Act hereby notifies the Parent Issuer that pursuant to the requirements of the USA Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Note Party, which information includes the name, address and tax identification number of such Note Party and other information regarding such Note Party that will allow such Purchaser to identify such Note Party in accordance with the USA Patriot Act and the Beneficial Ownership Regulation. This notice is given in accordance with the requirements of the USA Patriot Act and the Beneficial Ownership Regulation and is effective as to the Purchasers. Each Note Party shall, promptly following a request by the Purchaser, provide all documentation and other information that any Purchaser reasonably requests which is required in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA Patriot Act and the Beneficial Ownership Regulation.

Section 9.22 Further Assurances. Each of the parties hereto shall, upon reasonable request of any other party hereto, do, make and execute all such documents, act, matters and things as may be reasonably required in order to give effect to the transactions contemplated hereby.

Section 9.23 Logo Use. The Parent Issuer grants each GS Purchaser and each Ares Purchaser permission to use Parent Issuer’s and its Subsidiaries’ names and logos in such GS Purchaser’s and such Ares Purchaser’s or their respective Affiliates’ marketing materials, provided that any such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage Parent Issuer or any of its subsidiaries or the reputation or goodwill of any of them.

Section 9.24 No Fiduciary Duties. Each of the Note Parties acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm’s-length commercial transaction among the Note Parties, on the one hand, and the Purchasers, on the other, (ii) in connection therewith and with the process leading to such transaction each Purchaser is acting solely as principal and not the agent or fiduciary of any of the Note Parties, (iii) no fiduciary, advisory or agency relationship between the Note Parties and the Purchasers is intended to be or has been created in respect of any of the transactions contemplated hereby, irrespective of whether any of the Purchasers has advised or is advising the Note Parties on other matters and (iv) each of the Note Parties has consulted its own legal and financial advisors to the extent it deemed appropriate. Each of the Note Parties agrees that it will not claim that any Purchaser has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Note Party, in connection with the Transactions or the process leading thereto.

[To be provided]

Exhibit A-1

[FORM OF] SOLVENCY CERTIFICATE

August 6, 2019

This Solvency Certificate is being executed and delivered pursuant to Section 3.1(a)(vii) of that certain Note Purchase Agreement, dated as of the date hereof, by and among HC Group Holdings II, LLC (formerly known as Beta Sub, LLC), a Delaware limited liability company ("**Merger Sub 2**" through the consummation of the Merger, and immediately after the consummation of the Merger and the effectiveness of the Note Purchase Agreement (as defined below) until the consummation of the Debt Assumption, the "**Initial Issuer**"), BioScrip, Inc., a Delaware corporation (the "**Company**" and, upon the consummation of the Debt Assumption, the "**Parent Issuer**"), the other Issuers party thereto from time to time, the Guarantors party thereto from time to time, each of the GS Purchasers party thereto and each of the Ares Purchasers party thereto (the "**Note Purchase Agreement**"); the terms defined therein being used herein as therein defined or in the indenture, dated as of the date hereof, among the Initial Issuer, Parent Issuer, the Subsidiary Issuers and Guarantors party thereto from time to time and Ankura Trust Company, LLC, as trustee and as collateral agent (the "**Indenture**").

I, Michael Shapiro, the chief financial officer of the Parent Issuer, solely in such capacity and not in an individual capacity, hereby certify that I am the chief financial officer of the Parent Issuer and that I am generally familiar with the business and assets of the Parent Issuer and its Subsidiaries (taken as a whole), I have made such other investigations and inquiries as I have deemed appropriate and I am duly authorized to execute this Solvency Certificate on behalf of the Parent Issuer pursuant to the Note Purchase Agreement.

I further certify, solely in my capacity as chief financial officer of the Parent Issuer, and not in my individual capacity, as of the date hereof and after giving effect to the Transactions and the incurrence of the indebtedness and obligations being incurred in connection therewith, that on the date hereof (a) the sum of the debt (including contingent liabilities) of the Parent Issuer and its Subsidiaries, taken as a whole, does not exceed the present fair saleable value (on a going concern basis) of the assets of the Parent Issuer and its Subsidiaries, taken as a whole; (b) the capital of the Parent Issuer and its Subsidiaries, taken as a whole, is not unreasonably small in relation to the business of the Parent Issuer and its Subsidiaries, taken as a whole, contemplated as of the date hereof; and (c) the Parent Issuer and its Subsidiaries, taken as a whole, do not intend to incur, or believe that they will incur, debts including current obligations beyond their ability to pay such debts as they mature in the ordinary course of business. For the purposes hereof, the amount of any contingent liability at any time shall be computed as the amount that, in light of all of the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability (irrespective of whether such contingent liabilities meet the criteria for accrual under Statement of Financial Accounting Standard No. 5).

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned has executed this Solvency Certificate in such undersigned's capacity as chief financial officer of the Parent Issuer, on behalf of the Parent Issuer, and not individually, as of the date first stated above.
