Each time the Selling Stockholder sells the Common Stock, we will provide a prospectus supplement and a pricing supplement containing specific information about the terms of the Common Stock being offered and the manner in which they may be offered. The prospectus supplement may include a discussion of any risk factors or other special considerations that apply to the Common Stock. The prospectus supplement and any pricing supplement may also add to, update or change the information in this prospectus. If there is any inconsistency between the information in this prospectus and in a prospectus supplement, you should rely on the information in that prospectus supplement. No one is authorized to provide you with information different from that which is contained, or deemed to be contained, in the prospectus, the related prospectus supplement and any pricing supplement. The Selling Stockholder is not making offers to sell Common Stock in any jurisdiction in which an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make an offer or solicitation. You should not assume that the information in this prospectus, any prospectus supplement or any document incorporated by reference is accurate as of any date other than the date of the document in which the information is contained or other date referred to in that document, regardless of the time of sale or issuance of the Common Stock.

Unless otherwise specified or unless the context requires otherwise, all references in this prospectus to “BioScrip,” the “Company,” “we,” “us,” “our” or similar references mean BioScrip, Inc. and its subsidiaries on a consolidated basis.

We partner with physicians, hospital systems, skilled nursing facilities, healthcare payors and pharmaceutical manufacturers to provide patients access to post-acute care services. We operate with a commitment to bring customer-focused pharmacy and related healthcare infusion therapy services into the home or alternate-site setting. We were incorporated in Delaware in 1996 as MIM Corporation, with our primary business and operations consisting of pharmacy benefit management services at the time. Over the years, we have expanded our service offerings to include the Infusion Services business, which is now the primary driver of our growth strategy. As of September 30, 2016, we had a total of 76 service locations in 28 states.

Our platform provides nationwide service capabilities and the ability to deliver clinical management services that offer patients a high-touch, community-based and home-based care environment. Our core services are provided in coordination with, and under the direction of, the patient's physician. Our multidisciplinary team of clinicians, including pharmacists, nurses, dietitians and respiratory therapists, work with the physician to develop a plan of care suited to our patient's specific needs. Whether in the home, physician office, ambulatory infusion center, skilled nursing facility or other alternate sites of care, we provide products, services and condition-specific clinical management programs tailored to improve the care of individuals with complex health conditions such as gastrointestinal abnormalities, infectious diseases, cancer, multiple sclerosis, organ and blood cell transplants, bleeding disorders, immune deficiencies and heart failure.

USE OF PROCEEDS

We will receive no proceeds from the sale of the Common Stock by the Selling Stockholder.

The Selling Stockholder will pay any underwriting discounts and commissions and any similar expenses it incurs in disposing of the Common Stock. We will bear all other costs, fees and expenses incurred in effecting the registration of the Common Stock covered by this prospectus, including all registration and filing fees, fees and expenses of compliance with securities or "blue sky" laws, listing application fees, printing expenses, transfer agent's and registrar's fees, costs of distributing prospectuses in preliminary and final form as well as any supplements thereto, and fees and disbursements of counsel for the Company and all independent certified public accountants and other persons retained by the Company.

DESCRIPTION OF COMMON STOCK

This section describes the general terms and provisions of our Common Stock. The prospectus supplement relating to any offering of Common Stock by the Selling Stockholder will describe more specific terms of the offering of Common Stock, including the number of shares offered, the initial offering price, and market price and dividend information.

The summary set forth below does not purport to be complete and is subject to and qualified in its entirety by reference to our amended and restated certificate of incorporation and amended and restated bylaws, each of which is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part. We encourage you to read our amended and restated certificate of incorporation and amended and restated bylaws for additional information before you purchase any shares of our Common Stock.

General

Our certificate of incorporation provides that we may issue up to 125,000,000 shares of Common Stock, par value \$0.0001 per share. As of September 30, 2016, 117,682,543 shares of Common Stock were outstanding.

Voting. Holders of our Common Stock, subject to the provisions of our bylaws and the General Corporation Law of the State of Delaware, or the DGCL, relating to the fixing of a record date, are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. The affirmative vote of a majority of the shares present in person or represented by proxy at a duly held meeting at which a quorum is present shall be the act of the stockholders. Our stockholders do not have cumulative voting rights in the election of directors. Holders of a plurality of the shares voting are able to elect all of the directors, except for the Series A Director who is designated by a majority of the voting power of the outstanding shares of Series A convertible preferred stock.

Dividends. Holders of Common Stock are entitled to receive ratably dividends, in cash, securities, or property, as may from time to time be declared by our board of directors.

Conversion. The shares of Common Stock are not convertible into any other series or class of securities.

Rights Upon Liquidation. In the event of our liquidation, dissolution or winding up, the holders of our Common Stock will be entitled to share ratably in all of our assets that are available for distribution after payment in full of all of our liabilities.

Miscellaneous. The holders of our Common Stock have no preemptive or other subscription or conversion rights. In addition, there are no redemption or sinking fund provisions applicable to our Common Stock. All outstanding shares of our Common Stock are, and the shares of Common Stock to be issued upon conversion of our Series A convertible preferred stock will be, upon payment therefor, fully paid and non-assessable. The rights, preferences and privileges of holders of our Common Stock will be subject to those of the holders of any shares of our preferred stock outstanding at any time.

Anti-Takeover Provisions

Provisions of the DGCL and our amended and restated certificate of incorporation and amended and restated bylaws could make it more difficult to acquire us by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions are expected to discourage certain types of coercive takeover practices and takeover bids that our board of directors may consider inadequate and to encourage persons seeking to acquire control of us to first negotiate with our board of directors. We believe that the benefits of increased protection of our ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms. This summary below does not purport to be complete and is qualified in its entirety by reference to the DGCL and our amended and restated certificate of incorporation and amended and restated bylaws.

Interested Stockholder Transactions under Delaware Law.

We are subject to Section 203 of the DGCL. Section 203 generally prohibits a Delaware corporation from engaging in any “business combination” with any “interested stockholder” for a period of three years after the date that such stockholder became an interested stockholder, unless:

- before such date, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested holder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction began, excluding for purposes of determining the number of shares outstanding those shares owned by persons who are directors and also officers and by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or after such date, the business combination is approved by the board of directors and authorized at an annual or special meeting of the stockholders, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

Section 203 defines “business combination” to include:

- any merger or consolidation involving the corporation and the interested stockholder;
- any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder;
- subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- any transaction involving the corporation that has the effect of increasing the proportionate share of the stock or any class or series of the corporation beneficially owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loss, advances, guarantees, pledges or other financial benefits by or through the corporation.

In general, Section 203 defines “interested stockholder” as an entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation or any entity or person affiliated with or controlling or controlled by such entity or person.

Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws.

Provisions in our amended and restated certificate of incorporation, Series A certificate of designations, Series C certificate of designations and amended and restated bylaws may have the effect of discouraging or delaying certain transactions that may result in a change in control of our company or management, including transactions in which stockholders might otherwise receive a premium for their shares, or transactions that our stockholders might otherwise deem to be in their best interests. Therefore, these provisions could adversely affect the price of our Common Stock. Among other things, our amended and restated certificate of incorporation and amended and restated bylaws:

- provide that stockholders do not have cumulative voting rights.
- provide that stockholders do not have the power to call a special meeting.

- impose advance notice requirements and procedures with respect to stockholder proposals and the nomination of candidates for election as directors.
- provide that the Company indemnifies our officers and directors against losses incurred in investigations and legal proceedings resulting from their services to us, which may include service in connection with takeover defense measures.
- permit the Company to issue shares of Common Stock without any action by stockholders. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans.

Stockholders' Rights Plan

We have a stockholder rights plan (the "Plan"), which is intended to act as a deterrent to any person acquiring beneficial ownership of 4.9% or more of the Company's outstanding Common Stock without the approval of the Board. The Board may, in its sole discretion, also exempt any person from triggering the Plan. The following summarizes material terms of the Plan. This description is subject to the detailed provisions of, and is qualified by reference to, the Plan which has been filed as an exhibit to our Current Report on Form 8-K filed by the Company with the SEC on August 12, 2016.

The Rights. One Right was issued for each outstanding share of Common Stock to stockholders of record as of the close of business on August 25, 2016. One Right will also be issued together with each share of Common Stock issued after August 25, 2016 but before the Distribution Date (as defined below) and, in certain circumstances, after the Distribution Date. Subject to the terms, provisions and conditions of the Plan, if the Rights become exercisable, each Right would initially represent the right to purchase from the Company one ten-thousandth of a share of the Company's Series D Junior Participating Preferred Stock, par value \$0.0001 per share (the "Series D Preferred Stock") for a purchase price of \$14.00 (the "Purchase Price"). If issued, each fractional share of Series D Preferred Stock would give the stockholder approximately the same dividend, voting and liquidation rights as does one share of Common Stock. However, prior to exercise, a Right does not give its holder any rights as a stockholder of the Company, including, without limitation, any dividend, voting or liquidation rights.

Initial Exercisability. The Rights will not be exercisable until the earlier of (i) ten business days after a public announcement that a person has become an "Acquiring Person" by acquiring beneficial ownership of 4.9% or more of the Company's outstanding Common Stock, or, in the case of a person that had beneficial ownership of 4.9% or more of the Company's outstanding Common Stock upon execution of the Plan, by obtaining beneficial ownership of additional shares of Common Stock or (ii) ten business days (or such later date as may be specified by the Board prior to such time as any person becomes an Acquiring Person) after the commencement of a tender or exchange offer by or on behalf of a person that, if completed, would result in such person becoming an Acquiring Person.

The date that the Rights become exercisable is referred to as the "Distribution Date." Until the Distribution Date, Common Stock certificates or the ownership statements issued with respect to uncertificated shares of Common Stock will evidence the Rights. Any transfer of shares of Common Stock prior to the Distribution Date will also constitute a transfer of the associated Rights. After the Distribution Date, separate rights certificates will be issued and the Rights may be transferred other than in connection with the transfer of the underlying shares of Common Stock unless and until the Board has determined to effect an exchange pursuant to the Plan (as described below).

Flip-In Event. In the event that a person becomes an Acquiring Person, each holder of a Right, other than Rights that are or, under certain circumstances, were beneficially owned by the Acquiring Person (which will thereupon become null and void), will thereafter have the right to receive upon exercise of a Right and payment of the Purchase Price, a number of shares of Common Stock having a market value of two times the Purchase Price.

Redemption. At any time until a person becomes an "Acquiring Person", the Board may redeem the Rights in whole, but not in part, at a price of \$0.00001 per Right (the "Redemption Price"). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Exchange. At any time after a person becomes an Acquiring Person, the Board may exchange the Rights (other than Rights that have become null and void), in whole or in part, at an exchange ratio of one share of Common Stock, or a fractional share of Series D Preferred Stock (or of a share of a similar class or series of the Company's preferred stock having similar rights, preferences and privileges) of equivalent value, per Right (subject to adjustment). Immediately upon an exchange of any Rights, the right to exercise such Rights will terminate and the only right of the holders of Rights will be to receive the number of shares of Common Stock (or fractional share of Series D Preferred Stock or of a share of a similar class or series of the Company's preferred stock having similar rights, preferences and privileges) equal to the number of such Rights held by such holder multiplied by the exchange ratio. The Board shall not be empowered to effect such exchange at any time after an Acquiring Person becomes the beneficial owner of 50% or more of the Company's outstanding Common Stock.

Expiration. The Rights and the Plan will expire on the earlier of (i) the Close of Business on the earlier of (a) August 11, 2019, or (b) August 11, 2017 if stockholder approval of the Plan has not been received by or on such date, (ii) the time at which the Rights are redeemed pursuant to the Plan, (iii) the time at which the Rights are exchanged in full pursuant to the Plan, (iv) the effective date of the repeal of both Section 382 and Section 383 of the Internal Revenue Code, or any successor provisions or replacement provisions, if the Board determines that the Plan is no longer necessary for the preservation of tax benefits or (v) the beginning of a taxable year of the Company for which the Board determines that the Company has or will have no tax benefits.

Anti-Dilution Provisions. The Board may adjust the Purchase Price, the number of shares of Series D Preferred Stock or other securities or assets issuable and the number of outstanding Rights to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a stock split or a reclassification of the Series D Preferred Stock or Common Stock. With certain exceptions, no adjustments to the Purchase Price will be required until cumulative adjustments amount to at least 1% of the Purchase Price.

Amendments. For so long as the Rights are redeemable, the Board may supplement or amend any provision of the Plan in any respect without the approval of the holders of the Rights. From and after the time the Rights are no longer redeemable, the Board may supplement or amend the Plan only to cure an ambiguity, to alter time period provisions, to correct inconsistent provisions, or to make any additional changes to the Plan which the Company may deem necessary or desirable, but only to the extent that those changes do not impair or adversely affect any Rights holder (other than an Acquiring Person or any Affiliate or Associate of an Acquiring Person or certain of their transferees) and do not result in the Rights again becoming redeemable or the Plan again becoming amendable other than in accordance with this sentence.

Transfer Agent and Registrar

The transfer agent and registrar for our Common Stock is American Stock Transfer & Trust Co., New York, New York.

THE SELLING STOCKHOLDER

This prospectus relates to the resale by the Selling Stockholder named below, from time to time, of up to 3,750,000 shares of our Common Stock issued to the Selling Stockholder, as described below under the heading “Acquisition of Home Solutions.” KRG Capital Partners LLC, the controlling shareholder of the Home Solutions, may be deemed to have voting and dispositive power over the shares offered hereby.

We do not know when or in what amounts the Selling Stockholder may sell or otherwise dispose of the shares covered hereby. The Selling Stockholder might not sell any or all of the shares covered by this prospectus or may sell or dispose of some or all of the shares other than pursuant to this prospectus. Because the Selling Stockholder may not sell or otherwise dispose of some or all of the shares covered by this prospectus and because there are currently no agreements, arrangements or understandings with respect to the sale or other disposition of any of the shares, we cannot estimate the number of the shares that will be held by the Selling Stockholder after completion of the offering. For purposes of the table below, we have assumed that the Selling Stockholder will have sold all of the shares covered by this prospectus upon completion of the applicable offering.

The table below presents information regarding the Selling Stockholder and the shares of our Common Stock that it may sell or otherwise dispose of from time to time under this prospectus. The percentage of beneficial ownership is based upon 117,682,543 shares of Common Stock issued and outstanding as of September 30, 2016. Beneficial ownership is determined under Section 13(d) of the Exchange Act and generally includes voting or investment power with respect to securities and includes any securities that grant the Selling Stockholder the right to acquire Common Stock within 60 days of September 30, 2016. Information in the table below is based on information provided by or on behalf of the Selling Stockholder. Since the date on which it provided us with the information below, the Selling Stockholder may have sold, transferred or otherwise disposed of some or all of its shares in transactions exempt from the registration requirements of the Securities Act.

(1) As part of the transaction consideration for the acquisition of Home Solutions, the Selling Stockholder received contingent equity securities of the Company, in the form of restricted stock units (“RSUs”), issued in two tranches, Tranche A and Tranche B, with different vesting conditions. Depending on the achievement of certain earn-out conditions, the Selling Stockholder may become entitled to be issued shares of Common Stock underlying the Tranche A and Tranche B RSUs. The number of RSUs in Tranche A and Tranche B is approximately 3.1 million and 4.0 million, respectively.

(2) For purposes of this table, the Company assumes that all of the shares covered by this prospectus will be sold by the Selling Stockholder.

Each time the Selling Stockholder sells any shares of Common Stock offered by this prospectus, it is required to provide you with this prospectus and the related prospectus supplement, if any, containing specific information about the Selling Stockholder and the terms of the shares of Common Stock being offered in the manner required by the Securities Act. The beneficial ownership of the Selling Stockholder reported in this table excludes the shares of Common Stock underlying the RSUs.

No offer or sale may occur unless the registration statement that includes this prospectus has been declared effective by the SEC and remains effective at the time the Selling Stockholder offers or sells shares of Common Stock. We are required, under certain circumstances, to update, supplement or amend this prospectus to reflect material developments in our business, financial position and results of operations and may do so by an amendment to this prospectus, a prospectus supplement or a future filing with the SEC incorporated by reference in this prospectus.

Acquisition of Home Solutions

On June 11, 2016, we entered into Asset Purchase Agreement dated as of June 11, 2016 (the “Initial Asset Purchase Agreement”), by and among Home Solutions, the Selling Stockholder, certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. Home Solutions is a privately held company that is a leading provider of home infusion and home nursing products and services to patients suffering from chronic and acute medical conditions. The Initial Purchase Agreement provided for the acquisition by the Company of substantially all of the assets of Home Solutions and its subsidiaries and the assumption of certain liabilities of Home Solutions and its subsidiaries (the “Transaction”).

The Initial Asset Purchase Agreement was amended on June 16, 2016, September 2, 2016 and September 9, 2016. The Transaction was consummated on September 9, 2016. Pursuant to the Asset Purchase Agreement, BioScrip acquired substantially all of the assets and assumed certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration (as defined below). Home Solutions received consideration (the “Transaction Consideration”) consisting of (i) \$67.5 million payable in cash, subject to certain adjustments, (ii) 3.75 million shares of the Company’s Common Stock and (iii) contingent equity securities of the Company, in the form of RSUs, issued in two tranches, Tranche A and Tranche B, with different vesting conditions. The \$67.5 million cash consideration and the 3.75 million shares of the Company’s Common Stock were paid at closing, subject to customary closing adjustments.

The issuance of the shares of Common Stock received by the Selling Stockholder in connection with the Transaction was not registered under the Securities Act. Pursuant to the Asset Purchase Agreement, we are required to (i) file one registration statement on Form S-3 within 30 days following the closing of the Transaction to register the resale of the Common Stock issued to the Selling Stockholder at closing, and (ii) a second registration statement on Form S-3 to register the resale of the Common Stock underlying the Tranche A and Tranche B RSUs within 30 days following stockholder approval of an amendment of the Company’s certificate of incorporation to increase the authorized capital stock of the Company in an amount at least sufficient to allow the Company to have available the shares underlying the Tranche A and Tranche B RSUs. We are registering for resale hereby 3,750,000 shares of Common Stock which represents the number of shares of Common Stock issued to the Selling Stockholder at the closing of the Transaction.

We have agreed to prepare and file any amendments and supplements to the registration statement as may be necessary to keep the registration statement effective until the date on which all the shares offered in this prospectus have been sold. We also have agreed to use our reasonable best efforts to keep the registration statement, of which this prospectus constitutes a part, effective until all of the shares of Common Stock covered by the registration statement have been sold.

The foregoing description of the Asset Purchase Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Asset Purchase Agreement, the terms of which are incorporated herein by reference.

This prospectus also covers any additional shares of Common Stock that become issuable in connection with the shares being registered by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration which results in an increase in the number of our outstanding shares of Common Stock.

PLAN OF DISTRIBUTION

The Selling Stockholder may sell the Common Stock being offered hereby from time to time in one or more of the following ways:

- through agents;
- to or through underwriters;
- to or through brokers or dealers;
- in “at the market offerings,” within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise;
- directly to purchasers, including through negotiated sales or a specific bidding, auction or other process; or
- through a combination of any of these methods of sale.

The Selling Stockholder may also sell the Common Stock being offered hereby in accordance with Rule 144 under the Securities Act, or any other available exemption, rather than by use of this prospectus.

We will set forth in a prospectus supplement the terms of the offering of the Common Stock, including:

- the name or names of any agents, underwriters or dealers;
- the purchase price of the Common Stock being offered and the proceeds to be received from the sale;
- any over-allotment options under which underwriters may purchase additional shares of the Common Stock;
- any agency fees or underwriting discounts or commissions and other items constituting agents’ or underwriters’ compensation;
- the public offering price; and
- any discounts or concessions allowed or reallocated or paid to dealers.

Underwriters, Agents and Dealers

The Selling Stockholder may designate agents who agree to use their reasonable efforts to solicit purchases for the period of their appointment or to sell our Common Stock for which they have been appointed an agent on a continuing basis.

If the Selling Stockholder uses underwriters for a sale of the Common Stock, the underwriters will acquire the Common Stock for their own account. The underwriters may resell the Common Stock from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale.

Underwriters may offer the Common Stock to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. The obligations of the underwriters to purchase our Common Stock will be subject to the conditions set forth in the applicable underwriting agreement. The underwriters may change from time to time any initial public offering price and any discounts or concessions the underwriters allow or reallow or pay to dealers. The Selling Stockholder may use underwriters with whom the Selling Stockholder has a material relationship. We will describe in an applicable prospectus supplement the name of the underwriter and the nature of any such relationship.

If a dealer is utilized in the sale of the Common Stock in respect of which this prospectus is delivered, the Selling Stockholder will sell such Common Stock to the dealer as principal. The dealer may then resell such Common Stock to the public at varying prices to be determined by such dealer at the time of resale. Transactions through brokers or dealers may include block trades in which brokers or dealers will attempt to sell Common Stock as agent but may position and resell as principal to facilitate the transaction or in crosses, in which the same broker or dealer acts as agent on both sides of the trade. Any such dealer may be deemed to be an underwriter, as such term is defined in the Securities Act, of the Common Stock so offered and sold.

Underwriters, dealers and agents that participate in the distribution of our Common Stock may be underwriters as defined in the Securities Act, and any discounts or commissions they receive from us and any profit on their resale of the Common Stock may be treated as underwriting discounts and commissions under the Securities Act. Underwriters, dealers and agents may engage in transactions with or perform services for us or our subsidiaries in the ordinary course of their businesses.

Stabilization Activities

In connection with an offering through underwriters, an underwriter may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional securities from us in the offering, if any. If the underwriters have an over-allotment option to purchase additional securities from us, the underwriters may consider, among other things, the price of securities available for purchase in the open market as compared to the price at which they may purchase shares through the over-allotment option. "Naked" short sales are any sales in excess of such option or where the underwriters do not have an over-allotment option. The underwriters must close out any naked short position by purchasing securities in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the securities in the open market after pricing that could adversely affect investors who purchase in the offering.

Accordingly, to cover these short sales positions or to otherwise stabilize or maintain the price of the securities, the underwriters may bid for or purchase securities in the open market and may impose penalty bids. If penalty bids are imposed, selling concessions allowed to syndicate members or other broker-dealers participating in the offering are reclaimed if securities previously distributed in the offering are repurchased, whether in connection with stabilization transactions or otherwise. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may also affect the price of the securities to the extent that it discourages resale of the securities. The magnitude or effect of any stabilization or other transactions is uncertain.

Direct Sales

The Selling Stockholder may also sell Common Stock directly to one or more purchasers without using underwriters or agents. In this case, no agents, underwriters or dealers would be involved. The Selling Stockholder holder may also sell the Common Stock directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of the Common Stock.

The validity of the issuance of the Common Stock offered by this prospectus will be passed upon for us by Dechert LLP, New York, New York.

Item 15. Indemnification of Directors and Officers

The following summary is qualified in its entirety by reference to the complete text of the statutes referred to below and the amended and restated certificate of incorporation and amended and restated bylaws of BioScrip, Inc. ("BioScrip").

We are incorporated under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer, director, employee or agent of such corporation, or is or was serving at the request of such person as an officer, director, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was illegal. A Delaware corporation may indemnify any persons who are, or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses which such officer or director has actually and reasonably incurred.

Section 6.01 of our amended and restated bylaws makes mandatory that we will indemnify our directors and officers to the fullest extent permissible under the Delaware General Corporation Law. We are not required to indemnify any director or officer in connection with a proceeding brought by such director or officer unless (i) such indemnification is expressly required by law; or (ii) such indemnification is provided by the Company, in its sole discretion, pursuant to the powers vested in the Company under the Delaware General Corporation Law.

Article Eighth of our amended and restated certificate of incorporation provides that our directors shall have no personal liability to the Company or to its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that Section 102(b)(7) (or any successor or additional provision) of the Delaware General Corporation Law, as amended from time to time, expressly provides that the liability of a director may not be eliminated or limited.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duties as a director, except for liability for any:

- transaction from which the director derives an improper personal benefit;
- act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or redemption of shares; or
- breach of a director's duty of loyalty to the corporation or its stockholders.

In addition, the Delaware General Corporation Law and our amended and restated bylaws authorize us to purchase insurance for our directors and officers insuring them against certain risks as to which we may be unable lawfully to indemnify them. We have purchased insurance coverage for our directors and officers as well as insurance coverage to reimburse us for potential costs of corporate indemnification of our directors and officers, including liabilities arising under the Securities Act.

Item 16. Exhibits

The exhibits to this registration statement are listed in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

to include any prospectus required by Section 10(a)(3) of the Securities Act;

to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of the Common Stock offered (if the total dollar value of the Common Stock offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the Common Stock offered therein, and the offering of such Common Stock at that time shall be deemed to be the initial bona fide offering thereof.

To remove from registration by means of a post-effective amendment any of the Common Stock being registered which remain unsold at the termination of the offering.

That, for the purpose of determining liability under the Securities Act, to any purchaser:

each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of Common Stock in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the Common Stock in the registration statement to which the prospectus relates, and the offering of such Common Stock at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the Common Stock, the undersigned registrant undertakes that in a primary offering of Common Stock of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the Common Stock to the purchaser, if the Common Stock are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell the Common Stock to such purchaser:

any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its Common Stock provided by or on behalf of the undersigned registrant; and

any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the Common Stock offered therein, and the offering of the Common Stock at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the Common Stock being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

Re: BioScrip, Inc.

Dear Ladies and Gentlemen:

We have acted as counsel to BioScrip, Inc., a Delaware corporation (the "Company"), in connection with the preparation and filing by the Company of a Registration Statement on Form S-3 (the "Registration Statement"), including the prospectus constituting a part thereof (the "Prospectus"), with the U.S. Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), on or about the date hereof, with respect to the resale from time to time by the selling stockholder set forth in the Registration Statement (the "Selling Stockholder"), of up to 3,750,000 shares of the Company's common stock, par value \$0.0001 per share ("Common Stock"). The Registration Statement provides that the Common Stock may be offered in amounts, at prices and on terms to be set forth in one or more supplements to the Prospectus (each, a "Prospectus Supplement"). This opinion letter is being furnished to the Company in accordance with the requirements of Item 601(b)(5) under Regulation S-K of the Securities Act, and we express no opinion herein as to any matter other than as to the legality of the Common Stock.

In rendering the opinion expressed below, we have examined and relied on originals or copies, certified or otherwise identified to our satisfaction, of such agreements, corporate records and other instruments and such documents, certificates and receipts of public officials, certificates of officers and other representatives of the Company and others, and such other documents as we have deemed necessary or appropriate as a basis for rendering the opinion set forth below, including the following documents:

As to the facts upon which this opinion is based, we have relied upon certificates of public officials and certificates and written statements of officers, directors, employees and representatives of, and accountants for, the Company and we have assumed in this regard the truthfulness of such certifications and statements. We have not independently established the facts so relied on.

We have further assumed that there has been no oral modification of, or amendment or supplement (including any express or implied waiver, however arising) to, any of the agreements, documents or instruments used by us to form the basis of the opinion expressed below.

On the basis of the foregoing and such examination of law as we have deemed necessary, and subject to the assumptions and qualifications set forth in this letter, we are of the opinion that the shares of Common Stock are validly issued, fully paid and non-assessable.

The opinion set forth in this letter relates only to the Federal laws of the United States of America, the laws of the State of New York, and, to the extent relevant, the General Corporation Law of the State of Delaware (the "DGCL"). We express no opinion concerning the laws of any other jurisdiction, and we express no opinion concerning any state securities or "blue sky" laws, rules or regulations, or any federal, state, local or foreign laws, rules or regulations relating to the offer and/or sale of the Common Stock.

The opinion expressed herein is based upon the law as in effect and the documentation and facts known to us on the date hereof. We have not undertaken to advise you of any subsequent changes in the law or of any facts that hereafter may come to our attention.

This opinion letter has been prepared for your use solely in connection with the Registration Statement. We assume no obligation to advise you of any changes in the foregoing subsequent to the effectiveness of the Registration Statement.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm under the caption "Legal Matters" in the prospectus that forms a part of the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.
