

**MIM and Chronimed Modify Merger Agreement,
Extend Termination Date
*Merger Expected to Be Completed No Later Than April 30, 2005***

Elmsford, NY and Minneapolis, MN - January 4, 2005 - MIM Corporation (Nasdaq: MIMS) and Chronimed Inc. (Nasdaq: CHMD) today announced that the parties agreed to an amendment to the original merger agreement dated August 9, 2004. The combined company, which will be named BioScrip Inc., will be one of the largest specialty pharmacies in the country.

Amendment to Merger Agreement

The amendment to the merger agreement extends the termination date to April 30, 2005, increases the share exchange ratio from 1.025 to 1.12, adds a board member selected from the MIM board, and names key executives. In addition, the amendment designates Minneapolis, Minnesota as BioScrip's business headquarters while keeping Elmsford, New York as its corporate headquarters.

The companies agreed to a new share exchange ratio, which upon consummation of the merger, will result in each Chronimed shareholder receiving 1.12 MIM shares for each Chronimed share then held. Immediately following the merger, Chronimed shareholders will own approximately 40% of BioScrip and MIM shareholders will own approximately 60%. The transaction continues to be structured as a tax-free reorganization for both companies and their respective shareholders. As previously disclosed, upon completion of the merger, BioScrip's shares will be traded on the Nasdaq National Market[®] under the ticker symbol BIOS.

The companies also named Charlotte W. Collins, a current MIM board member, as BioScrip's tenth board member. The companies have now designated all ten directors, as follows: Richard H. Friedman, Henry F. Blissenbach, Richard A. Cirillo, Ms. Collins, Louis T. DiFazio, Myron Z. Holubiak, David R. Hubers, Michael Kooper, Richard L. Robbins and Stuart A. Samuels.

The companies named Gregory H. Keane, Chronimed's current Chief Financial Officer, as Chief Financial Officer of BioScrip, Barry A. Posner as Executive Vice President, Secretary and General Counsel of BioScrip, and each of Alfred Carfora, Brian J. Reagan and Anthony J. Zappa, as Executive Vice President of BioScrip.

The amendment to the merger agreement is being filed today with the SEC. The companies will file an amendment to the joint proxy statement/prospectus on Form S-4 in the near future.

Synergies and Financial Guidance

MIM and Chronimed expect to achieve approximately \$10 million annually in combined cost saving synergies, before merger-related costs. The companies expect to achieve this annual rate of synergies within the first twelve months after the closing. The companies also expect that the first twelve months of BioScrip operations will generate approximately \$1.2 billion in revenue and \$35 million in EBITDA, before merger-related charges. The companies do not expect BioScrip to achieve this same level of EBITDA in calendar 2005 due to the anticipated timing of the merger.

Mr. Friedman and Mr. Blissenbach commented: "Our strategy remains sound and both management teams continue to be excited by the prospects for the combined company. We will leverage the increased scale of BioScrip to deliver on growth opportunities in today's competitive marketplace."
