## **Item 1.01. Entry into a Material Definitive Agreement.**

### *Exchange Agreement*

On June 10, 2016, the Company entered into an Exchange Agreement (the “Series B Exchange Agreement”) with certain holders (the “PIPE Investors”) of the Company’s Series A Convertible Preferred Stock, par value \$0.0001 per share (the “Series A Preferred Stock”), pursuant to which the PIPE Investors agreed to exchange 614,177 shares of Series A Preferred Stock on a one for one basis for shares of the Company’s Series B Convertible Preferred Stock, par value \$0.0001 per share (the “Series B Preferred Stock”). The Series B Preferred Stock had the same terms as the Series A Preferred Stock, except that the terms of the Series B Preferred Stock included the authority of the holders of the Series B Preferred Stock to waive the requirement that the Company reserve a sufficient number of shares of common stock to allow for the conversion of the Series B Preferred Stock.

On June 14, 2016, the Company entered into another Exchange Agreement (the “Series C Exchange Agreement”) with the PIPE Investors, pursuant to which the PIPE Investors agreed to exchange their shares of Series B Preferred Stock issued pursuant to the Series B Exchange Agreement on a one for one basis for shares of a new series of preferred stock of the Company (the “Series C Preferred Stock” and, together with the Series A preferred Stock and the Series B Preferred Stock, the “Preferred Stock”), designated “Series C Convertible Preferred Stock,” having the terms set forth in the form of Certificate of Designations of Series C Convertible Preferred Stock, par value \$0.0001 per share, which is attached to this Report as Exhibit 3.1.

The PIPE Investors agreed under the terms of the Series C Exchange Agreement to exchange 614,177 shares of the Series B Preferred Stock for an identical number of shares of Series C Preferred Stock, which have the same terms as the Series B Preferred Stock, except that the terms of the Series C Preferred Stock provide that the 11.5% per annum rate of non-cash dividends payable on the shares of the Series C Preferred Stock will be reduced based on the achievement by the Company of specified earnings before interest, taxes, depreciation and amortization (referred to as “Consolidated EBITDA” in the Company’s Credit Agreement, dated as of July 31, 2013, as such Credit Agreement has been amended through the date of the Series C Exchange Agreement). In addition, pursuant to the Series C Exchange Agreement, the PIPE Investors agreed to waive the requirement under the Warrant Agreement governing the 1,800,000 Class A and 1,800,000 Class B Warrants held by the PIPE Investors (the “Warrants”) to reserve 3,600,000 shares of our common stock for the exercise of the Warrants.

In the Series C Exchange Agreement, we agreed that within four months of the date of the Series C Exchange Agreement, we will call a special meeting of our stockholders to seek approval to an amendment of our Certificate of Incorporation to increase the number of authorized shares of common stock so as to allow us to reserve sufficient shares for, among other things, the conversion of the Series C Preferred Stock and the exercise of the Warrants held by the PIPE Investors (the “Authorization Proposal”). If approval of the Authorization Proposal is not obtained at such meeting, we agreed to resubmit the Authorization Proposal at the annual or a special meeting of our stockholders on an annual basis beginning in 2017 until stockholder approval is obtained. Until stockholder approval is obtained, we agreed that we will not issue any additional shares of common stock or equity awards to employees without the consent of the investors holding a majority of the voting power of the Series C Preferred Stock, provided that we may grant awards with respect to the 1.93 million shares of common stock currently authorized for issuance under our 2008 Equity Incentive Plan. If stockholder approval of the Authorization Proposal is not obtained prior to the earlier of May 17, 2021 and the date all of the Company’s obligations under indenture governing the Company’s 8.875% Senior Notes due 2021 have been satisfied, then each holder of the Series C Preferred Stock may elect to require the Company to redeem for cash all shares of Series C Preferred Stock held by such holder for which there are not sufficient authorized shares of common stock reserved to allow conversion of such shares of Series C Preferred Stock. The redemption price would be calculated as the greater of the liquidation preference of each redeemed share of Series C Preferred Stock and the product of the volume-weighted average share price of our common stock on the NASDAQ for a ten trading day period ending two trading days prior to the date that the Company receives the redemption notice and the number of shares of common stock into which each share of Series C Preferred Stock is convertible.

The foregoing description of the Exchange Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Exchange Agreement, a copy of which is filed herewith as Exhibits 10.1 and is incorporated by reference herein.

### Rights and Preferences of the Series C Preferred Stock

The description below provides a summary of certain other material terms of the Series C Preferred Stock issued pursuant to the Exchange Agreement.

- *Dividends.* Dividends of the Series C Preferred Stock are noncumulative and accrue from the date of original issuance at a rate of 8.5% per annum on the liquidation preference (defined below) then in effect (a “Cash Dividend”). If the Company does not declare and pay a Cash Dividend, the liquidation preference on the Series C Preferred Stock will be increased to an amount equal to the liquidation preference in effect at the start of the applicable dividend period, plus an amount equal to such then applicable liquidation preference multiplied by 11.5% per annum (an “Accrued Dividend”). If the Company achieves on a trailing twelve month basis at the end of any fiscal quarter, (1) at least \$75 million in Consolidated EBITDA, but less than \$85 million in Consolidated EBITDA, the non-cash dividend rate for the quarter following such 12 month period will be 10.5% per annum; (2) at least \$85 million in Consolidated EBITDA, but less than \$95 million in Consolidated EBITDA, the non-cash dividend rate for the quarter following such 12 month period will be 9.5% per annum; and (3) at least \$95 million in Consolidated EBITDA, the non-cash dividend rate for the quarter following such 12 month period will be 8.5% per annum. Cash Dividends, if declared, are payable quarterly in arrears on January 1, April 1, July 1 and October 1 of each year, and, if declared, will begin to accrue on the first day of the applicable dividend period. If applicable, the Accrued Dividend will begin to accrue and be cumulative on the same schedule as set forth above for Cash Dividends and will also be compounded on each applicable subsequent dividend date.
  - *Liquidation Preference.* Upon any voluntary or involuntary liquidation, dissolution or winding up of the Company (each, a “Liquidation Event”), after satisfaction of all liabilities and obligations to creditors of the Company and distribution of any assets of the Company to the holders of any stock or debt that is senior to the Series C Preferred Stock, and before any distribution or payment is made to holders of any junior stock, each holder of Series C Preferred Stock will be entitled to either convert the Series C Preferred Stock into common stock and share in any distribution made to the holders of common stock or receive, out of the assets of the Company or proceeds thereof (whether capital or surplus) legally available therefor, an amount per share of Series C Preferred Stock equal to the liquidation preference. The initial liquidation preference is equal to \$115.48 per share, which may be adjusted from time to time in the amount of any Accrued Dividends. The holders of the Series C Preferred Stock are also entitled, at their election, to either convert their shares of Series C Preferred Stock into common stock and on a pro rata basis share in any distribution made to the common stock holders or be paid the liquidation preference upon the occurrence of events that are “Deemed Liquidation Events”, such as certain merger transactions where the Company is not the survivor or a sale of all or substantially all of the Company’s assets.
  - *Rank.* The Series C Preferred Stock will, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank senior to the Company’s common stock and each other class or series of shares that the Company may issue in the future that do not expressly provide that such class or series ranks equally with, or senior to, the Series C Preferred Stock, with respect to dividend rights and/or rights upon liquidation, winding up or dissolution. The Series C Preferred Stock will also rank junior to the Company’s existing and future indebtedness.
  - *Conversion Rate and Conversion Price.* The conversion rate in effect at any applicable time for conversion of each share of Series C Preferred Stock into common stock will be the quotient obtained by dividing the liquidation preference then in effect (which will include any cash dividends that the Company has notified holders that it intends to pay but has not yet declared and any cash dividends that have been declared but remain unpaid, calculated at the Accrued Dividend rate) by the conversion price then in effect, plus cash in lieu of fractional shares. The conversion price for the Series C Preferred Stock will initially be \$5.17 and is subject to adjustment from time to time upon the occurrence of certain events, including a stock split, a reverse stock split, or a dividend of common stock to the Company’s common stockholders.
-

- *Optional Conversion.* The Series C Preferred Stock may, at the option of the holder, be converted into Company common stock. The holders of the Series C Preferred Stock have agreed in the Exchange Agreement that the Company need not keep reserved for issuance shares of common stock in amounts sufficient to allow such conversion until the Authorization Proposal is obtained.
  - *Mandatory Conversion.* If, at any time following the third anniversary date of the issuance of the Series C Preferred Stock, the volume weighted average price of the Company's common stock equals or exceeds three (3) times the conversion price of the Series C Preferred Stock for a period of 30 consecutive trading days, the Company may, at its option, require that any or all of the then outstanding shares of Series C Preferred Stock be automatically converted into Company common stock at the conversion rate. The Company may not elect to exercise the foregoing option if at any time during the period commencing on the date that the Company has made a public announcement that it has entered into a definitive agreement with respect to a transaction constituting a "Deemed Liquidation Event" (as defined in the Certificate of Designations) and ending on the date that is the first to occur of (i) the consummation of the transaction and (ii) the date that the Company has made a public announcement that any such definitive agreement has been terminated.
  - *Optional Special Dividend and Conversion on Certain Change of Control.* Upon the occurrence of a change of control effected by a third party tender offer and that results in any person (other than the holders of Series C Preferred Stock or any of their respective affiliates, acting either individually or through a group) beneficially owning, directly or indirectly shares of the Company's capital stock entitling such person to exercise 50% or more of the total voting power of all classes of voting stock of the Company, at the written request of a majority of the voting power of the outstanding shares of Series C Preferred Stock: (i) the Board will, subject to applicable law, declare and the Company will pay a special cash dividend on each share of Series C Preferred Stock, out of any legally available funds in the amount of the liquidation preference per share then in effect with respect to the Series C Preferred Stock to the extent the legally available funds are sufficient to pay the special dividend in full; and (ii) as of the payment date of the special dividend, all outstanding shares of Series C Preferred Stock automatically will be converted (without further action) into a number of shares of common stock at the conversion rate then in effect.
  - *Voting.* Holders of shares of Series C Preferred Stock will be entitled to vote with the holders of shares of common stock (and any other class or series similarly entitled to vote with the holders of common stock) and not as a separate class, at any annual or special meeting of stockholders of the Company, and may act by written consent in the same manner as the holders of common stock, on an as-converted basis. In addition, a majority of the voting power of the Series C Preferred Stock must approve certain actions that adversely affect their rights, such as the creation or issuance of a series of stock with equal or greater rights than the Series C Preferred Stock and issuance of equity securities, or securities convertible into equity, at a price that is 25% below fair market value at the time of issuance, voluntary liquidation, dissolution or winding-up of the Company if the Series C Preferred Stock would not have the option to receive the then liquidation preference on the liquidation, dissolution, or winding-up of the Company, or subject to certain exceptions, a merger transaction that will effectively represent the sale of the Company to a successor, a sale of substantially all Company assets, and any recapitalization transaction, but only if the results of any such transaction is that holders of the Series C Preferred Stock would not have the option to receive the full liquidation preference as a result of that transaction.
  - *Redemption at the Option of the Holder.* From and after the tenth anniversary of the original issuance of the Series C Preferred Stock, each holder of shares of Series C Preferred Stock will have the right to request that the Company redeem, in full, out of funds legally available, by irrevocable written notice to the Company, all of such holder's shares of Series C Preferred Stock at a redemption price per share equal to the liquidation preference then in effect per share of Series C Preferred Stock. If the Company elects not to redeem a holder's shares of Series C Preferred Stock pursuant to such notice, the conversion price then in effect with respect to the shares of Series C Preferred Stock will be decreased to the lesser of (A) the conversion price then in effect and (B) 80% of the volume weighted average price of the Company's common stock for the 10 consecutive trading days prior to the date of the redemption request. In addition, upon a change of control event that is neither a liquidation event nor the result of a person (other than the holders of Series C Preferred Stock and their affiliates) acquiring 50% or more of the total voting power of all classes of voting stock of the Company as a result of a tender offer, subject to the Company's prior satisfaction of certain debt obligations, each holder of Preferred Stock that remains outstanding may require the Company to redeem shares of Series C Preferred Stock at a price equal to the liquidation preference then in effect.
-

- *Redemption at the Option of the Company.* From and after the tenth anniversary of the original issuance of the Series C Preferred Stock, the Company may redeem the outstanding Series C Preferred Stock, in whole or in part, at a price per share equal to the liquidation preference then in effect per share of Series C Preferred Stock.
- *Board Representation.* So long as shares of the Series C Preferred Stock represent at least five percent (5%) of the outstanding voting stock of the Company, a majority of the voting power of the Series C Preferred Stock shall have the right to designate one (1) member to the Company's board of directors who shall be appointed to a minimum of two (2) committees of the board.
- *Anti-dilution.* The conversion price of the Series C Preferred Stock is subject to anti-dilution protections if the Company effects a stock split, stock dividend, subdivision, reclassification or combination of its common stock.
- *Maturity Date.* The Series C Preferred Stock is perpetual, and therefore does not have a maturity date.

#### *Registration Rights Agreement*

The Company entered into a second amendment, dated June 14, 2016, to the Registration Rights Agreement, dated March 9, 2015, by and among the Company and the PIPE Investors ("Amendment No. 2 to the Registration Rights Agreement") that, among other things, and subject to certain exceptions, requires the Company, upon the request of the holders of the Series C Preferred Stock to register the shares of common stock of the Company issuable upon conversion of the Series C Preferred Stock. Pursuant to the terms of Amendment No. 2 to the Registration Rights Agreement, the costs incurred in connection with such registrations will be borne by the Company.

This summary of Amendment No. 2 to the Registration Rights Agreement is qualified in its entirety by reference to Amendment No. 2 to the Registration Rights Agreement, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

In connection with the Exchange Agreement, the Company filed with the Secretary of State of the State of Delaware the Certificate of Designations for the Series C Convertible Preferred Stock (the "Certificate of Designations") as an amendment to its Certificate of Incorporation. The Certificate of Designations sets forth the rights and preferences of the Series C Preferred Stock, certain material terms of which are discussed in Item 1.01 above (which Item 1.01 is incorporated into this Item 5.03 by reference). Pursuant to the Certificate of Designations, the Company is authorized to issue an aggregate of 625,000 shares of Series C Preferred Stock. The Certificate of Designations became effective on June 14, 2016.

This summary of the Certificate of Designations and the summary of the terms of the Series C Preferred Stock in Item 1.01 are qualified in their entirety by reference to the Certificate of Designations, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

**Pursuant to Section 151 of the  
General Corporation Law of the State of Delaware**

The undersigned DOES HEREBY CERTIFY that the following resolution was duly adopted by the Board of Directors (the “Board”) of BioScrip, Inc., a Delaware corporation (hereinafter called the “Corporation”), with the voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, having been fixed by the Board pursuant to authority granted to it under Article FIFTH of the Corporation’s Second Amended and Restated Certificate of Incorporation (as amended through the date hereof, the “Certificate of Incorporation”) and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware:

RESOLVED: That, pursuant to authority conferred upon the Board by the Certificate of Incorporation, the Board hereby authorizes 625,000 shares of Series C Convertible Preferred Stock, par value \$0.0001 per share, of the Corporation and hereby fixes the voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, of such shares, in addition to those set forth in the Certificate of Incorporation, as follows:

Defined terms used, but not separately defined herein, shall have the respective meanings ascribed thereto in Section 10 of this Certificate of Designations.

**Section 1. Number and Designation.** The shares of such series shall be designated “Series C Convertible Preferred Stock,” and the number of shares so designated shall be 625,000 (the “Series C Preferred Stock”). The number of shares of Series C Preferred Stock may be increased or decreased by resolution of the Board and the approval by the holders of the Series C Preferred Stock as provided in Section 5(b)(iii) hereof; provided, however, that no decrease shall reduce the number of shares of Series C Preferred Stock to a number less than the number of shares of such series then outstanding. Each share of Series C Preferred Stock shall have a par value of \$0.0001 per share.

**Section 2. Ranking.** The Series C Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank (a) equal to the outstanding shares of the Corporation’s “Series A Convertible Preferred Stock, par value \$0.0001 per share, (b) equal to the outstanding shares of the Corporation’s “Series B Convertible Preferred Stock, par value \$0.0001 per share, and (b) senior to the common stock of the Corporation, par value \$0.0001 per share (the “Common Stock”) and each other class or series of shares of the Corporation that the Corporation may issue in the future the terms of which do not expressly provide that such class or series ranks equally with, or senior to, the Series C Preferred Stock, with respect to dividend rights and/or rights upon liquidation, winding up or dissolution (such junior stock being referred to hereinafter collectively as “Junior Stock”).

The Series C Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank equally with each other class or series of shares of the Corporation that the Corporation may issue in the future the terms of which expressly provide that such class or series shall rank equally with the Series C Preferred Stock with respect to dividend rights and rights upon liquidation, winding up or dissolution (“Parity Stock”).

The Series C Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank junior to each class or series of shares of the Corporation that the Corporation may issue in the future the terms of which expressly provide that such class or series shall rank senior to the Series C Preferred Stock with respect to dividend rights and rights upon liquidation, winding up or dissolution (“Senior Stock”). The Series C Preferred Stock shall also rank junior to the Corporation’s existing and future Indebtedness.

**Section 3. Dividends.**

**(a) Regular Dividends.**

(i) The Corporation may pay a noncumulative cash dividend on each share of Series C Preferred Stock, when, as and if declared by the Board and permitted by the DGCL, out of any funds that are legally available therefor, at the rate of eight and one-half percent (8.5%) per annum on the Liquidation Preference then in effect (as defined in Section 4(a) below) (a “Cash Dividend”) before any dividends shall be declared, set apart for or paid upon the Junior Stock. Following the Issue Date, on or before the third (3rd) Business Day immediately preceding each fiscal quarter of the Corporation, the Corporation shall determine its intention whether or not to pay a Cash Dividend with respect to such ensuing fiscal quarter and shall give notice of such intention to each holder of Series C Preferred Stock as soon as practicable thereafter.

(ii) In the event the Corporation determines not to declare and pay a Cash Dividend during any fiscal quarter pursuant to Section 3(a)(i), or in fact fails to pay the entire Cash Dividend set forth in Section 3(a)(i), the Liquidation Preference shall be increased as of the beginning of such fiscal quarter to an amount equal to the Liquidation Preference in effect at the start of the applicable Regular Dividend Period, plus an amount equal to such then applicable Liquidation Preference multiplied by eleven and one-half percent (11.5%) per annum, computed on the basis of a 365-day year and the actual number of days elapsed from the start of the applicable Regular Dividend Period to the applicable date of determination (the “Accrued Dividend”) and together with the Cash Dividend, the “Regular Dividends”).

(iii) Notwithstanding the foregoing, the Accrued Dividend shall be adjusted based on the Consolidated EBITDA of the Corporation as provided in this Section 3(a)(iii). Promptly (and no later than five (5) business days following) after the time the Corporation files its quarterly (or, in the case of the fourth fiscal quarter of any fiscal year, annual) financial statements with the Securities and Exchange Commission (the “SEC”), the Corporation’s Chief Executive Officer or Chief Financial Officer shall deliver to each holder of Series C Preferred Stock a certificate (each, an “EBITDA Certificate”) setting forth the calculation of the Consolidated EBITDA of the Corporation on a last twelve-month basis through the end of such fiscal quarter (the “Base Quarter”). If the Corporation’s Consolidated EBITDA for the twelve –month period ending as of the last day of the Base Quarter as evidenced in an EBITDA Certificate:

(A) equals or exceeds \$75,000,000, but is less than \$85,000,000, then the Accrued Dividend with respect to the fiscal quarter following the Base Quarter shall be calculated based on a per annum rate of ten and one-half percent (10.5%) of the Liquidation Preference in effect as of the end of the Base Quarter;

(B) equals or exceeds \$85,000,000, but is less than \$95,000,000, then the Accrued Dividend with respect to the fiscal quarter following the Base Quarter shall be calculated based on a per annum rate of nine and one-half percent (9.5%) of the Liquidation Preference then in effect as of the end of the Base Quarter; and

(C) equals or exceeds \$95,000,000, then the Accrued Dividend with respect to the fiscal quarter following the Base Quarter shall be calculated based on a per annum rate of eight and one-half percent (8.5%) of the Liquidation Preference then in effect as of the end of the Base Quarter.

(D) Notwithstanding the foregoing, (1) if the Corporation does not comply with the applicable filing deadlines for filings with the SEC for any quarterly or annual financial statement or does not provide each holder of Series C Preferred Stock an EBITDA Certificate within the period prescribed by Section 3(a)(iii), in each case with respect to any particular Base Quarter, the Accrued Dividend with respect to the fiscal quarter following such Base Quarter shall be as set forth in Section 3(a)(ii) and (2) in the event that the Consolidated EBITDA of the Corporation as reported in any EBITDA Certificate delivered hereunder is shown to be inaccurate, and such inaccuracy, if corrected, would have led to a higher or lower Accrued Dividend calculation as set forth in this Section 3(a)(iii), for any fiscal quarter, then the Corporation shall retroactively adjust the calculation of the Accrued Dividend for the quarter in question so as to make the holders of Series C Preferred Stock, or the Corporation, as the case may be, whole, and the Chief Executive Officer or Chief Financial Officer shall promptly provide written certification to each holder of Series C Preferred Stock of such correction and adjustment.

(b) **Participating Dividends.** In the event that the Corporation shall, at any time, pay a dividend or make a distribution, whether in cash, in kind or other property, on the outstanding shares of Common Stock (other than any dividend in the form of stock, warrants, options or other rights where the dividended stock or the stock issuable upon exercise of such warrants, options or other rights is Common Stock or stock that ranks equally with or junior to the Common Stock; in which case an adjustment shall be made to the Conversion Price in accordance with Section 8(a) or Section 8(b), as applicable), the Corporation shall, at the same time, pay to each holder of Series C Preferred Stock a dividend equal to the dividend that would have been payable to such holder if all (*i.e.*, without regard to any restrictions on conversion at such time) of the shares of Series C Preferred Stock Beneficially Owned by such holder had been converted into Common Stock pursuant to Section 6 immediately prior to the applicable record date for determining the stockholders eligible to receive such dividend or distribution (the "Participating Dividends" and, together with the Cash Dividends, the "Dividends").

(c) **Dividend Payment Dates.** If and to the extent declared by the Board, Cash Dividends shall be payable quarterly in arrears on January 1, April 1, July 1 and October 1 of each year (unless any such day is not a Business Day, in which event such dividends shall be payable on the next succeeding Business Day, without accrual to the actual payment date), commencing on June 14, 2016 (each such payment date being a "Regular Dividend Payment Date," and the period from the Issue Date to June 30, 2016 and each full quarterly period thereafter being a "Regular Dividend Period"). Participating Dividends shall be payable if, as and when paid to the holders of shares of Common Stock (each such date being a "Participating Dividend Payment Date," and, together with each Regular Dividend Payment Date, a "Dividend Payment Date"). For the avoidance of doubt, nothing herein shall require declaration or payment of any cash Dividends on the shares of Series C Preferred Stock.

(d) **Accrual of Dividends.** If declared, the Cash Dividend shall begin to accrue on the first day of the applicable Regular Dividend Period. Cash Dividends are noncumulative. If applicable, the Accrued Dividend (i) shall begin to accrue and be cumulative on the first day of each applicable Regular Dividend Period and shall remain accumulated dividends with respect to such Series C Preferred Stock until paid and (ii) shall compound at the applicable annual rate on each applicable subsequent Regular Dividend Payment Date. Accrued Dividends shall accrue whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends. Any Cash Dividends payable on the Series C Preferred Stock pursuant to Section 3(a) (i) for any period shall be computed on the basis of a 365-day year and the actual number of days elapsed.

(e) **Partial Payments of Dividends.** When Cash Dividends are not paid in full upon the shares of Series C Preferred Stock, all dividends declared on Series C Preferred Stock and any other Parity Stock shall be paid pro rata so that the amount of dividends so declared on the shares of Series C Preferred Stock and each such other class or series of Parity Stock shall in all cases bear to each other the same ratio as accumulated dividends on the shares of Series C Preferred Stock and such other class or series of Parity Stock bear to each other.

(f) **Priority of Series C Preferred Stock Dividends.** The Corporation shall not declare or pay any dividends on shares of Common Stock unless the holders of the Series C Preferred Stock then outstanding shall simultaneously receive Participating Dividends. From and after the time, if any, that the Corporation shall have failed to pay on the date set for payment any Cash Dividend declared by the Board for any applicable Regular Dividend Period, no dividends shall be declared or paid or set apart for payment, or other distribution declared or made, upon any Junior Stock, nor shall any Junior Stock be redeemed, purchased or otherwise acquired for any consideration (nor shall any moneys be paid to or made available for a sinking fund for the redemption of any shares of any such Junior Stock) by the Corporation, directly or indirectly until all such Cash Dividends have been paid in full, without the approval of holders of the Series C Preferred Stock, as provided in Section 5(b)(iv) hereof; provided, however, that the foregoing limitation shall not apply to: (i) purchases, redemptions or other acquisitions of shares of Junior Stock that are approved by the Board and made in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors, managers or consultants of or to the Corporation or any of its Subsidiaries; (ii) an exchange, redemption, reclassification or conversion of any class or series of Junior Stock solely for any class or series of Junior Stock; or (iii) any dividend in the form of stock, warrants, options or other rights where the dividended stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks equal or junior to that stock.

(g) **Forfeiture of Certain Cash Dividends.** Shares of Series C Preferred Stock shall not be entitled to any Cash Dividends or any other cash dividend to the extent provided in Section 4(a).

#### **Section 4. Liquidation, Dissolution or Winding Up.**

(a) Upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation (each, a "Liquidation Event"), after satisfaction of all liabilities and obligations to creditors of the Corporation and distribution of any assets of the Corporation to the holders of Senior Stock, and before any distribution or payment shall be made to holders of any Junior Stock, each holder of Series C Preferred Stock, at their election, shall be entitled to receive, out of the assets of the Corporation or proceeds thereof (whether capital, surplus or earnings) legally available therefor, (xx) an amount in cash per share of Series C Preferred Stock equal to the Liquidation Preference or (yy) assuming notice of conversion has been given by the holder of the Series C Preferred Stock, such amount payable (in the same form of consideration payable upon shares of Common Stock) per share of Common Stock issuable upon conversion of the Series C Preferred Stock pursuant to Section 6 hereof immediately prior to such Liquidation Event (in either case, the "Liquidation Amount"). As used in this Certificate of Designations, the term "Liquidation Preference" shall mean \$115.48 (the "Issue Price"), as such amount may be adjusted from time to time pursuant to Section 3(a)(ii); provided, however, that if, at any applicable date of determination of the Liquidation Preference hereunder, (i) any Cash Dividend has been declared by the Board but is unpaid or (ii) the Corporation has given notice (or failed to give such notice) of its intention to pay a Cash Dividend pursuant to Section 3(a)(i) but such Cash Dividend has not yet been declared by the Board, then Cash Dividends described in the foregoing clause (i) and Cash Dividends described in the foregoing clause (ii) shall be deemed, for purposes of calculating the applicable Liquidation Preference, to be Accrued Dividends, determined and calculated as of the first day of any Regular Dividend Period in which the foregoing clauses (i) or (ii) shall apply. Upon (1) payment of the Liquidation Amount pursuant to this Section 4 or (2) the determination of the Liquidation Preference for purposes of a conversion or redemption of shares of Series C Preferred Stock pursuant to Section 6 or Section 7 hereof, as applicable, shares of Series C Preferred Stock that have received such payment of the Liquidation Amount or the Liquidation Preference, as the case may be, or that are being so converted or redeemed shall not be entitled to any Cash Dividends described in the foregoing clause (i), even if outstanding on the record date set for payment of such Cash Dividends, or Cash Dividends described in the foregoing clause (ii). If, in connection with any distribution described in the first sentence of this Section 4(a), the assets of the Corporation or proceeds thereof are not sufficient to pay in full the Liquidation Preference then in effect and the corresponding amounts payable on the Parity Stock, then such assets, or the proceeds thereof, shall be distributed to the holders of Series C Preferred Stock and the holders of the Parity Stock in proportion to the full amounts to which the holders of the Series C Preferred Stock and the holders of the Parity Stock would otherwise be entitled pursuant to this Section 4(a) and the certificate of designations (or other governing instrument) of the Parity Stock, respectively.

(b) After the payment of the full Liquidation Preference of the Series C Preferred Stock as set forth in Section 4(a), the assets of the Corporation legally available for distribution, if any, shall be distributed ratably to the holders of the Common Stock. For the avoidance of doubt, the Series C Preferred Stock shall not be convertible into Common Stock after the payment of the Liquidation Preference pursuant to Section 4(a) above, and the holders of Series C Preferred Stock shall not participate in any distribution made to the holders of Common Stock pursuant to this Section 4(b).

(c) The occurrence of a Change of Control (but solely to the extent contemplated by clause (ii) of the definition thereof) shall be deemed a Liquidation Event hereunder (a "Deemed Liquidation Event"), unless such treatment is waived in writing by holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock, and the holders of Series C Preferred Stock, in accordance with their election pursuant to Section 4(a) above, shall receive payment of the Liquidation Preference in cash upon such Deemed Liquidation Event.

#### **Section 5. Voting Rights.**

(a) **General Rights.** Except as otherwise provided herein or as required by law, holders of shares of Series C Preferred Stock shall be entitled to vote with the holders of shares of Common Stock (and any other class or series that may similarly be entitled to vote with the holders of Common Stock) and not as a separate class, at any annual or special meeting of stockholders of the Corporation, and may act by written consent in the same manner as the holders of Common Stock. In the event of any such vote or action by written consent, each holder of shares of Series C Preferred Stock shall be entitled to that number of votes equal to the whole number of shares of Common Stock into which such holder's aggregate number of shares of Series C Preferred Stock are convertible (pursuant to Section 6 hereof) as of the Close of Business on the record date fixed for such vote or such written consent. Subject to the foregoing, each holder of shares of the Series C Preferred Stock shall be entitled to the number of votes equal to the largest number of full shares of Common Stock into which all shares of Series C Preferred Stock held of record by such holder could then be converted (taking into account, for the avoidance of doubt, the Liquidation Preference then in effect for purposes of the Conversion Rate and any Conversion Price adjustments made pursuant to Section 8) at the record date for the determination of the stockholders entitled to vote on or consent to such matters. The holders of Series C Preferred Stock shall be entitled to notice of any meeting of stockholders in accordance with the bylaws of the Corporation (the "Bylaws").

(b) **Separate Vote of Preferred Stock.** In addition to any other vote or consent required herein or by applicable law, unless waived in writing by holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock, the vote or written consent of the holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock shall be necessary for effecting or validating the following actions (whether taken by amendment, merger, consolidation or otherwise):

(i) Any change, amendment, alteration or repeal (including as a result of a merger, consolidation, or other similar or extraordinary transaction) of any provisions of the Certificate of Incorporation or Bylaws that amends or modifies, in a manner adverse to, in any material respect, the rights, preferences, privileges or voting powers of the Series C Preferred Stock;

---

(ii) Any authorization, designation, recapitalization, whether by reclassification, by merger or otherwise, or issuance of any new class or series of stock or any other securities convertible into equity securities of the Corporation having rights, preferences or privileges senior to or on a parity with the Series C Preferred Stock (including additional shares of Series C Preferred Stock);

(iii) Any increase or decrease in the authorized number of shares of Series C Preferred Stock;

(iv) Any redemption, repurchase or other acquisition, or payment of dividends or other distributions, by the Corporation with respect to any securities of the Corporation that constitute Junior Stock, except as permitted by Section 3(f);

(v) The entry by the Corporation into any contract, agreement, arrangement, or understanding that would prohibit or otherwise restrict the Corporation from performing its obligations to the holders of Series C Preferred Stock under this Certificate of Designations, the Certificate of Incorporation or otherwise;

(vi) The entry by any Subsidiary into any contract, agreement, arrangement, or understanding that would prohibit or otherwise restrict the payment of dividends or the making of distributions to the Corporation, other than the Credit Facility or the Indenture;

(vii) The issuance by the Corporation of equity or securities convertible into equity of the Corporation at a price that is more than 25% below fair market value of such equity or securities at the time of issuance thereof;

(viii) Any voluntary initiation of any liquidation, dissolution or winding up of the Corporation but only if such liquidation, dissolution or winding up of the Corporation would result in each holder of the Series C Preferred Stock not having the option to receive a distribution equal to the full Liquidation Preference in accordance with Section 4(a) above; or

(ix) Any Deemed Liquidation Event, but only if as a result of the Deemed Liquidation Event each holder of the Series C Preferred Stock would not have the option to receive a distribution equal to the full Liquidation Preference in accordance with Section 4(a) above. Notwithstanding the foregoing, the voting rights of the Series C Preferred Stock shall not apply with respect to any Deemed Liquidation Event that is effected by the holders (or any administrative or collateral agent acting on their behalf) of the Indebtedness under either the Credit Facility or the Indenture in the exercise of their rights and remedies with respect to, or in connection with the satisfaction of all or a portion of the obligations under, the Credit Facility or the Indenture, including, without limitation, any consensual or non-consensual debt restructuring, recapitalization, reclassification, exchange, merger, consolidation, sale of assets, liquidation or similar transaction (a "Creditor Deemed Liquidation Event"), unless the Creditor Deemed Liquidation Event is required by applicable law to be approved by the holders of Common Stock in order to be effective.

(c) **Board of Directors.** So long as shares of Series C Preferred Stock representing at least five percent (5%) of the outstanding Voting Stock of the Corporation (on an as converted basis) are outstanding, holders of shares of Series C Preferred Stock, by the vote or written consent of the holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock shall have the right to designate one (1) member to the Board of Directors of the Corporation, in addition to such members as are elected by holders of Common Stock of the Corporation. Subject to applicable law (including the listing standards of The Nasdaq Stock Market), the director designated to the Board of Directors of the Corporation pursuant to this Section 5(c) shall also be appointed to a minimum of two committees of the Board of Directors of the Corporation at such director's request.

## **Section 6. Conversion.**

(a) **Optional Conversion by Holders.** Subject to and in compliance with the provisions of this Section 6, any shares of Series C Preferred Stock may, at the option of the holder thereof, be converted at any time into fully paid and nonassessable shares of Common Stock. Upon conversion, a holder of Series C Preferred Stock shall be entitled to a number of shares of Common Stock equal to the product obtained by multiplying the Conversion Rate (as defined in and determined as provided for in Section 6(d)) then in effect, by the number of shares of Series C Preferred Stock being converted, plus cash in lieu of fractional shares, as set out in Section 8(i).

(b) **Optional Conversion by the Corporation.** If, at any time following the third anniversary date of the Issue Date, the VWAP of the Common Stock equals or exceeds three (3) times the Conversion Price for a period of 30 consecutive Trading Days (the Business Day immediately following such 30th Trading Day, the "Corporation Conversion Date"), and if the Corporation shall so elect, any or all shares of Series C Preferred Stock may be converted automatically (and without further action following any such election) into a number of shares of Common Stock equal to the product obtained by multiplying the Conversion Rate then in effect, by the number of shares of Series C Preferred Stock being converted, plus cash in lieu of fractional shares, as set out in Section 8(i) (the "Corporation Conversion"). Notwithstanding the foregoing, the Corporation may not elect a Corporation Conversion at any time during the period (the "Standstill Period") commencing on the earlier of (1) the date that the Corporation shall have made a public announcement and (2) the date that such information is otherwise made public, that the Corporation is in negotiations relating to, or has entered into, a definitive agreement with respect to a transaction constituting a Deemed Liquidation Event and ending on the date of the first to occur of (i) the consummation of such transaction and (ii) the date that the Corporation shall have made a public announcement that any such definitive agreement or the negotiations relating thereto has been terminated. For purposes of calculating the next available Corporation Conversion Date, the VWAP shall not be deemed to equal or exceed three (3) times the Conversion Price at any time during the Standstill Period.

(c) **Optional Special Dividend and Conversion on Certain Change of Control.** At the written election (including written notice to the Corporation) by holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock, upon the occurrence of a Change of Control pursuant to clause (i) of the definition thereof (but solely in connection with a transaction that is a third party tender offer that is publicly disclosed and approved (or recommended to stockholders of the Corporation) by the Board and does not otherwise contemplate any other transaction that would constitute a Change of Control apart from clause (i) of the definition of thereof):

(i) the Board shall, subject to applicable law, declare and the Corporation shall pay a special cash dividend (as such may be adjusted pursuant to this Section 6(c), the “Special Dividend”) on each share of Series C Preferred Stock, out of any funds that are legally available therefor (the “Legally Available Funds”), in the amount of the Liquidation Preference per share then in effect with respect to the Series C Preferred Stock; provided, however, that to the extent the Legally Available Funds are not sufficient to pay the Special Dividend in full (the amount of such shortfall being referred to as a “Funds Shortfall”), the aggregate Special Dividend in respect of all shares of Series C Preferred Stock and any special dividend applicable to Parity Stock shall be reduced to an aggregate amount equal to the Legally Available Funds and the Special Dividend (as so reduced) and any applicable special dividend with respect to Parity Stock shall be paid to the holders of Series C Preferred Stock and the holders of the Parity Stock in proportion to the full amounts to which the holders of the Series C Preferred Stock and the holders of the Parity Stock would otherwise be entitled pursuant to Section 3(e) and the certificate of designations (or other governing instrument) of the Parity Stock, respectively; and

(ii) as of the payment date of the Special Dividend, all outstanding shares of Series C Preferred Stock automatically shall be converted (without further action) into a number of shares of Common Stock equal to the product obtained by multiplying the Conversion Rate then in effect, by the number of shares of Series C Preferred Stock being converted, plus cash in lieu of fractional shares, as set out in Section 8(i); provided, however, that for purposes of determining the Conversion Rate as applicable to this Section 6(c)(ii), the aggregate Liquidation Preference on each share of Series C Preferred Stock and the liquidation preference on each share of any applicable Parity Stock as provided in the certificate of designations (or other governing instrument) of such Parity Stock shall be increased by the Funds Shortfall applicable to each such share.

**(d) Conversion Rate and Conversion Price.** The conversion rate in effect at any applicable time for conversion of each share of Series C Preferred Stock into Common Stock (the “Conversion Rate”) shall be the quotient obtained by dividing the Liquidation Preference then in effect by the Conversion Price (as defined below). The conversion price for the Series C Preferred Stock shall initially be \$5.17 (the “Conversion Price”). Such initial Conversion Price shall be adjusted from time to time in accordance with Section 8. All references to the Conversion Price herein shall mean the Conversion Price as so adjusted.

**(e) Conversion Procedures.** In order to exercise the conversion privilege set forth in Section 6(a) with respect to any shares of Series C Preferred Stock held in book-entry form with the Depository Trust Company or its successor (“DTC”), a holder must comply with DTC’s procedures for converting any shares of Series C Preferred Stock. In order to exercise the conversion privilege set forth in Section 6(a) with respect to any certificated shares of Series C Preferred Stock, a holder must do each of the following in order to convert its shares of Series C Preferred Stock:

(i) complete and manually sign the conversion notice provided by the conversion agent, and deliver such notice to the conversion agent;

(ii) deliver to the conversion agent the certificate or certificates representing the shares of Series C Preferred Stock to be converted (or, if such certificate or certificates have been lost, stolen or destroyed, a lost certificate affidavit and indemnity in form and substance reasonably acceptable to the Corporation);

(iii) if required, furnish appropriate endorsements and transfer documents in form and substance reasonably acceptable to the Corporation; and

(iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Corporation pursuant to Section 6(i).

**(f) Effect of Conversion.** Effective immediately prior to the Close of Business on the Conversion Date applicable to any shares of Series C Preferred Stock, dividends shall no longer accrue or be declared on any such shares of Series C Preferred Stock and such shares of Series C Preferred Stock shall cease to be outstanding.

**(g) Record Holder of Underlying Securities as of Conversion Date.** The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, payable in lieu of fractional shares, upon conversion of Series C Preferred Stock on any applicable Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash as of the Close of Business on such Conversion Date. As promptly as practicable on or after the applicable Conversion Date and, in the case of a conversion pursuant to Section 6(a), compliance by the applicable holder with the relevant conversion procedures contained in Section 6(e) (and in any event no later than three Trading Days thereafter), the Corporation shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares). Such delivery of shares of Common Stock shall be made, at the option of the applicable holder, in certificated form or by book-entry. Any such certificate or certificates shall be delivered by the Corporation to the appropriate holder on a book-entry basis or by mailing certificates evidencing the shares to the holders at their respective addresses as set forth in the conversion notice. If fewer than all of the shares of Series C Preferred Stock Beneficially Owned by any holder hereto are converted pursuant to this Section 6, then book-entry shares (or, if elected by the holder, a new certificate) representing the unconverted shares of Series C Preferred Stock shall be issued to such holder concurrently with the issuance of the certificates (or book-entry shares) representing the applicable shares of Common Stock. Any cash payable in lieu of fractional shares shall be delivered to the applicable holder at the address for such holder as set forth in the conversion notice. In the event that a holder shall not by written notice designate the name in which shares of Common Stock and, to the extent applicable, cash to be delivered upon conversion of shares of Series C Preferred Stock should be registered or paid, or the manner in which such shares and, if applicable, cash should be delivered, the Corporation shall be entitled to register and deliver such shares and, if applicable, cash in the name of the holder and in the manner shown on the records of the Corporation.

**(h) Status of Converted or Acquired Shares.** Shares of Series C Preferred Stock duly converted in accordance with this Certificate of Designations, or otherwise acquired by the Corporation in any manner whatsoever, shall be retired promptly after the conversion or acquisition thereof. All such shares shall upon their retirement and any filing required by the DGCL become authorized but unissued shares of preferred stock of the Corporation, without designation as to series until such shares are once more designated as part of a particular Series Cy the Board pursuant to the provisions of the Certificate of Incorporation.

**(i) Taxes.**

(i) The Corporation and its paying agent shall be entitled to withhold taxes on all payments on the Series C Preferred Stock, Common Stock, or other securities issued upon conversion of the Series C Preferred Stock to the extent required by law. Prior to the date of any such payment, each holder of Series C Preferred Stock shall deliver to the Corporation or its paying agent a duly executed, valid, accurate and properly completed Internal Revenue Service Form W-9 or an appropriate Internal Revenue Service Form W-8, as applicable.

(ii) The Corporation shall pay any and all documentary, stamp and similar issue or transfer tax due on (A) the issue of the Series C Preferred Stock and (B) the issue of shares of Common Stock upon conversion of the Series C Preferred Stock. However, in the case of conversion of Series C Preferred Stock, the Corporation shall not be required to pay any tax or duty that may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock or Series C Preferred Stock in a name other than that of the holder of the shares to be converted, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of any such tax or duty, or has established to the satisfaction of the Corporation that such tax or duty has been paid.

**Section 7. Redemption.**

**(a) Redemption at the Option of the Holder Upon a Change of Control.**

(i) Upon the occurrence of a Change of Control (other than (A) a Change of Control constituting a Deemed Liquidation Event (unless such Deemed Liquidation Event is waived as provided in Section 4(c)) and (B) a Change of Control resulting in a conversion under Section 6(c)) and subject to applicable law and the prior indefeasible payment in full in cash of all outstanding Indebtedness and other obligations under the Credit Facility (and the termination of all commitments thereunder) and the Indenture (and the termination of all commitments thereunder), each holder of shares of Series C Preferred Stock that remain outstanding thereafter, if any, shall have the right to require the Corporation to redeem, in full, out of funds legally available therefor, by irrevocable written notice to the Corporation, all of such holder's shares of Series C Preferred Stock at a redemption price per share equal to the Liquidation Preference then in effect per share of the Series C Preferred Stock.

(ii) Within 30 days of the occurrence of a Change of Control, the Corporation shall send notice by first class mail, postage prepaid, addressed to the holders of record of the shares of Series C Preferred Stock at their respective last addresses appearing on the books of the Corporation stating (A) that a Change of Control has occurred, (B) subject to (x) the prior indefeasible payment in full of all outstanding Indebtedness and other obligations under the Credit Facility (and the termination of all commitments thereunder), if required by the terms thereof and (y) the consummation of a Change of Control Offer under the Indenture (as defined in the Indenture), if required by the terms thereof, that all shares of Series C Preferred Stock tendered prior to a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed shall be accepted for redemption and (C) the procedures that holders of the Series C Preferred Stock must follow in order for their shares of Series C Preferred Stock to be redeemed, including the place or places where certificates for such shares are to be surrendered (or an indemnification undertaking as reasonably determined by the Corporation with respect to such certificates in the event of their loss, theft or destruction) for payment of the redemption price. Any notice mailed as provided in this subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Series C Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Series C Preferred Stock.

**(b) Redemption at the Option of the Holder Other Than Upon a Change of Control.**

(i) Subject to applicable law, each holder of shares of Series C Preferred Stock, at any time from and after the tenth (10th) anniversary date of the Issue Date, shall have the right to request that the Corporation redeem, in full, out of funds legally available therefor, by irrevocable written notice to the Corporation, all of such holder's shares of Series C Preferred Stock at a redemption price per share equal to the Liquidation Preference then in effect per share of the Series C Preferred Stock. Such notice shall be given by first class mail, postage prepaid, addressed to the Corporation, and shall be conclusively presumed to have been duly given on the day the notice is mailed to the Corporation, whether or not the Corporation receives such notice. Each notice of redemption given to the Corporation shall state: (A) the redemption date and (B) the number of shares of the Series C Preferred Stock to be redeemed. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption in the notice.

(ii) If the Corporation elects to exercise its option to redeem a holder's shares of Series C Preferred Stock pursuant to the notice provided by such holder pursuant to Section 7(b)(i), then, upon receipt of such notice, the Corporation shall within three (3) Business Days notify such holder, by irrevocable written notice to such holder, of (A) its election to redeem such shares of Series C Preferred Stock pursuant to the notice and (B) the place or places where certificates for such shares are to be surrendered (or an indemnification undertaking as reasonably determined by the Corporation with respect to such certificates in the event of their loss, theft or destruction) for payment of the redemption price.

(iii) If the Corporation elects not to exercise its option to redeem a holder's shares of Series C Preferred Stock pursuant to the notice provided by such holder pursuant to Section 7(b)(i), then, upon receipt of such notice, the Corporation shall within three (3) Business Days notify such holder, by irrevocable written notice to such holder, of its election not to so redeem such shares of Series C Preferred Stock. In such an event, the Conversion Price then in effect with respect to the shares of Series C Preferred Stock subject to the notice provided by such holder pursuant to Section 7(b)(i) shall, as of the date the Corporation provides notice to such holder pursuant to this Section 7(b)(iii), be decreased to the lesser of (A) the Conversion Price then in effect and (B) 80% of the VWAP of the Common Stock for the 10 consecutive Trading Days prior to the date such holder duly gives notice to the Corporation pursuant to Section 7(b)(i).

---

(iv) If the Corporation does not provide notice to such holder pursuant to Section 7(b)(ii) or 7(b)(iii), then the Corporation will be deemed to have not elected to exercise its option to redeem a holder's shares of Series C Preferred Stock pursuant to the notice provided by such holder pursuant to Section 7(b)(i), and the Conversion Price then in effect with respect to the shares of Series C Preferred Stock subject to the notice provided by such holder pursuant to Section 7(b)(i) shall, as of the date the holder provided notice to the Corporation pursuant to Section 7(b)(i), be decreased to the lesser of (A) the Conversion Price then in effect and (B) 80% of the VWAP of the Common Stock for the 10 consecutive Trading Days prior to the date such holder duly gives notice to the Corporation pursuant to Section 7(b)(i).

(v) Any adjustment to the Conversion Price pursuant to Section 7(b)(iii) or 7(b)(iv) shall be in addition to any adjustments to the Conversion Price pursuant to Section 8 herein.

(c) **Redemption at the Option of the Corporation.** Subject to applicable law, the Series C Preferred Stock may be redeemed, in whole or in part, out of funds legally available therefor, at any time from and after the tenth (10th) anniversary date of the Issue Date, at the option of the Corporation, upon giving notice of redemption pursuant to Section 7(d), at a redemption price per share equal to the Liquidation Preference then in effect per share of the Series C Preferred Stock.

(d) **Notice of Redemption at the Option of the Corporation.** Notice of every redemption of shares of Series C Preferred Stock pursuant to Section 7(c) shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Corporation. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Section 7(d) shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Series C Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Series C Preferred Stock. Each notice of redemption given to a holder shall state: (i) the redemption date; (ii) the number of shares of the Series C Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (iii) the redemption price; and (iv) the place or places where certificates for such shares are to be surrendered (or an indemnification undertaking as reasonably determined by the Corporation with respect to such certificates in the event of their loss, theft or destruction) for payment of the redemption price.

(e) **Partial Redemption.** In case of any redemption of part of the shares of Series C Preferred Stock at the time outstanding pursuant to this Section 7, the shares to be redeemed shall be selected pro rata. Subject to the provisions hereof, the Corporation shall have the power and authority to prescribe reasonable and customary terms and conditions upon which shares of Series C Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, then book-entry shares (or, if elected by the holder, a new certificate) shall be issued representing the unredeemed shares without charge to the holder thereof.

(f) **Effectiveness of Redemption.** Notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall be retired as provided for in Section 6(h) and such shares will no longer be issued and outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption, without interest.

## **Section 8. Anti-Dilution Provisions.**

(a) **Adjustment Upon Common Stock Event.** Upon the (i) the issuance by the Corporation of additional shares of Common Stock as a dividend or other similar distribution on outstanding shares of Common Stock, (ii) a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock, or (iii) a combination of the outstanding shares of Common Stock into a smaller number of shares of Common Stock (other than such events wherein the holders of the Series C Preferred Stock participate therein pursuant to Section 3(b)) (each, a "**Common Stock Event**") after the Issue Date, the Conversion Price shall, simultaneously with the happening of such Common Stock Event, be adjusted by multiplying the Conversion Price in effect immediately prior to such Common Stock Event by a fraction, (A) the numerator of which shall be the number of shares of Common Stock issued and outstanding immediately prior to such Common Stock Event, and (B) the denominator of which shall be the number of shares of Common Stock issued and outstanding immediately after such Common Stock Event, and the product so obtained shall thereafter be the Conversion Price. The Conversion Price shall be readjusted in the same manner upon the happening of each subsequent Common Stock Event.

(b) **Adjustments for Other Dividends and Distributions.** If at any time or from time to time after the Issue Date, the Corporation pays a dividend or makes another distribution to the holders of the Common Stock payable in securities of the Corporation, other than an event constituting a Common Stock Event and other than such events wherein the holders of the Series C Preferred Stock participate therein pursuant to Section 3(b), then in each such event provision shall be made so that the holders of Series C Preferred Stock shall receive upon conversion thereof, in addition to the number of shares of Common Stock receivable upon conversion thereof, the amount of securities of the Corporation which they would have received had their Series C Preferred Stock been converted into Common Stock on the date of such event (or such record date, as applicable) and had they thereafter, during the period from the date of such event (or such record date, as applicable) to and including the applicable Conversion Date, retained such securities receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Section 8 with respect to the rights of the holders of Series C Preferred Stock or with respect to such other securities by their terms.

(c) **Adjustment for Reclassification, Exchange and Substitution.** If at any time or from time to time after the Issue Date, the Common Stock issuable upon the conversion of Series C Preferred Stock is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification or otherwise (other than by a Common Stock Event described in Section 8(a) or as described in Section 8(b)), then in any such event each holder of such Series C Preferred Stock shall have the right thereafter to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change by holders of the number of shares of Common Stock into which such shares of Series C Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

**(d) Reorganizations, Mergers and Consolidations.** If at any time or from time to time after the Issue Date, there is a reorganization of the Corporation (other than as described in Section 8(a), (b) or (c)) or a merger or consolidation of the Corporation with or into another corporation (except, for all purposes of this Section 8(d), a Deemed Liquidation Event that is not waived as provided in Section 4(c)), then, as a part of such reorganization, merger or consolidation, provision shall be made so that the holders of such Series C Preferred Stock shall then have the right to convert such stock into the kind and amount of stock and other securities and property receivable upon such reorganization, merger or consolidation by holders of the number of shares of Common Stock into which such shares of Series C Preferred Stock could have been converted immediately prior to such reorganization, merger or consolidation, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 8 with respect to the rights of the holders of such Series C Preferred Stock after the reorganization, merger or consolidation to the end that the provisions of this Section 8 (including adjustment of the Conversion Price then in effect and number of shares issuable upon conversion of the Series C Preferred Stock) shall be applicable after that event and be as nearly equivalent to the provisions hereof as may be practicable. This Section 8(d) shall similarly apply to successive reorganizations, mergers and consolidations. The Corporation shall not effect any such reorganization, merger or consolidation unless prior to the consummation thereof the successor entity (if other than the Corporation) resulting from such consolidation or merger shall assume by written instrument the obligations of the Corporation under this Certificate of Designations.

**(e) Successive Adjustments.** After an adjustment to the Conversion Price under this Section 8, any subsequent event requiring an adjustment under this Section 8 shall cause an adjustment to each such Conversion Price as so adjusted.

**(f) Multiple Adjustments.** For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Price pursuant to this Section 8 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder; provided, however, that if more than one subsection of this Section 8 is applicable to a single event, the subsection shall be applied that produces the largest adjustment.

**(g) Notice of Adjustments.** Whenever the Conversion Price is adjusted as provided under this Section 8, the Corporation shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Rate in accordance with this Section 8 and prepare and transmit to the conversion agent an officer's certificate setting forth the applicable Conversion Rate, the method of calculation thereof in reasonable detail, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the holders of the Series C Preferred Stock of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Rate was determined and setting forth the adjusted applicable Conversion Rate.

**(h) Conversion Agent.** The conversion agent, if other than the Corporation, shall not at any time be under any duty or responsibility to any holder of Series C Preferred Stock to determine whether any facts exist that may require any adjustment of the applicable Conversion Price or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The conversion agent, if other than the Corporation, shall be fully authorized and protected in relying on any officer's certificate delivered pursuant to Section 8(g) and any adjustment contained therein and the conversion agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The conversion agent, if other than the Corporation, shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series C Preferred Stock; and the conversion agent makes no representation with respect thereto. The conversion agent, if other than the Corporation, shall not be responsible for any failure of the Corporation to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series C Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Corporation contained in this Section 8.

**(i) Fractional Shares.** No fractional shares of Common Stock will be delivered to the holders of Series C Preferred Stock upon conversion of shares of Series C Preferred Stock into Common Stock as provided herein. In lieu of fractional shares otherwise issuable, holders of Series C Preferred Stock will be entitled to receive an amount in cash equal to the fraction of a share of Common Stock, multiplied by the Closing Price of the Common Stock on the Trading Day immediately preceding the applicable Conversion Date. In order to determine whether the number of shares of Common Stock to be delivered to a holder of Series C Preferred Stock upon the conversion of such holder's shares of Series C Preferred Stock will include a fractional share (in lieu of which cash would be paid hereunder), such determination shall be based on the aggregate number of shares of Series C Preferred Stock of such holder that are being converted on any single Conversion Date.

**Section 9. Reservation of Shares Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series C Preferred Stock and payment of dividends on the Series C Preferred Stock, each as herein provided, free from preemptive rights, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments and restrictions of Section 8) upon the conversion of all outstanding shares of Series C Preferred Stock and payment of dividends hereunder (and all dividends payable in the next twelve (12) months, assuming all such dividends will be Accrued Dividends); provided, however, that the holders of a majority in voting power of the outstanding shares of the Series C Preferred Stock may waive the Corporation's reservation obligation under this Section 9 on such terms and conditions as such majority holders and the Corporation may agree (the terms and conditions of any such waiver being herein referred to as the "Waiver Terms"). The Corporation shall comply with all securities laws regulating the offer and delivery of shares of Common Stock upon conversion of the Series C Preferred Stock. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all the then-outstanding shares of the Series C Preferred Stock and payment of dividends hereunder (and all dividends payable in the next twelve (12) months, assuming all such dividends will be Accrued Dividends), the Corporation shall take, subject to any applicable Waiver Terms, such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose. All shares of Common Stock which may be issued in connection with the conversion provisions set forth herein will, upon issuance by the Corporation, be validly issued, fully paid and nonassessable.

The Company agrees that within four (4) months following the date hereof, the Board shall submit for approval of the Company's stockholders at a special meeting of stockholders a proposal (the "Authorization Proposal") to increase the authorized capital stock of the Company in an amount at least sufficient enough to allow the Company to comply with its obligations under Section 9 of the Certificate of Designation and Section 3.1 of the Warrant Agreement as if the Waiver had not been granted (such approval, the "Stockholder Approval"). An Election Notice shall include the date on which the redemption should take place, which shall be the 10th day following the date of the Election Notice. Each holder electing to have its Series C Preferred Stock redeemed shall be entitled to have the Company redeem up to (X) that number of shares of Series C Preferred Stock owned by such holder multiplied by (Y) the Pro Rata Proportion (as defined below).

(ii) If the Company does not redeem some or all of the Shares of Series C Preferred Stock for which holders were entitled to, and requested, redemption pursuant to Section 4(d)(1), then from the date set forth in the Redemption Notice for redemption until the date on which the Company pays the Redemption Price with respect to such shares of Series C Preferred Stock, interest at the rate of the WSJ Prime Rate plus 3% per annum shall accrue on such aggregate Redemption Price and the Company shall be in breach of its contractual obligations under this Agreement. In addition, in such event, the Company shall be required to pay any dividends required to be paid in respect of such Impaired Shares under the Certificate of Designations as a “Cash Divided” (as defined in the Certificate of Designations) pursuant to Section 3(a)(i) of the Certificate of Designations and shall not be entitled to elect to accrue such dividends under Section 3(a)(ii) of the Certificate of Designations.

(v) “Pro Rata Proportion” means as of any date (A) the sum of (1) the aggregate number of shares of Impaired Shares on an as converted basis, plus (2) the aggregate number of Uncovered Warrants (as defined below) divided by (B) the sum of (1) the aggregate number of shares of Series C Preferred Stock outstanding on an as converted basis, plus (2) the aggregate number of Warrants outstanding.

If the Company does not pay the Warrant Settlement Amount with respect to any particular Exercise Notice, then from the Warrant Deadline with respect to such Exercise Notice until the date on which the Company pays the Warrant Settlement Amount with respect to the Uncovered Warrants for which an Exercise Notice was provided, interest at the rate of the WSJ Prime Rate plus 3% per annum shall accrue on such Warrant Settlement Amount and the Company shall be in breach of its contractual obligations under this Agreement.

For purposes of this Agreement, “Covered Securities” means the shares of Series C Preferred Stock that are Beneficially Owned by the Stockholders, together with any other Common Stock, Series A Preferred Stock or other voting securities of the Company and any securities convertible into or exercisable or exchangeable for Common Stock or other voting securities of the Company, in each case that a Stockholder acquires Beneficial Ownership of in accordance with this Agreement. “Beneficial Ownership” by a person of any securities includes ownership by any person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has or shares (i) voting power which includes the power to vote, or to direct the voting of, such security and/or (ii) investment power which includes the power to dispose, or to direct the disposition, of such security; and shall otherwise be interpreted in accordance with the term “beneficial ownership” as defined in Rule 13d-3 adopted under the Exchange Act. The terms “Beneficially Own,” “Beneficially Owned” and “Beneficial Owner” shall have a correlative meaning.

(ii) Each Stockholder hereby represents, covenants and agrees that, except for this Agreement, such Stockholder (A) has not entered into, and shall not enter into, any voting agreement, voting trust or similar agreement or understanding, with respect to any of the Covered Securities, (B) has not granted, and shall not grant at any time while this Agreement remains in effect, a proxy, consent or power of attorney with respect to any of the Covered Securities, (C) has not given, and shall not give, any voting instructions in any manner inconsistent with this [Section 4\(f\)](#), with respect to any of the Covered Securities and (D) has not taken and shall not knowingly take any action that would constitute a breach hereof, make any representation or warranty of such Stockholder contained herein untrue or incorrect or have the effect of preventing or disabling the Stockholder from performing any of its obligations under this Agreement.

(a) The Company shall indemnify, defend and hold the Stockholders and each officer, director, member, partner, affiliate, employee, agent and representative of the Stockholders (collectively, "[Stockholder Indemnitees](#)") harmless against all liability, loss, and damage (including taxes thereon) together with all reasonable and properly documented costs and expenses related thereto (including reasonable and properly documented legal fees and expenses), relating to or arising from: (i) any breach of any of the representations, warranties, covenants or agreements of the Company contained in this Agreement, and (ii) the execution or delivery of any Transaction Document, the performance by the parties to the Transaction Documents of their respective obligations thereunder or the consummation of the Exchange and any transaction facilitated thereby, except to the extent that any such losses, claims, damages, expenses and liabilities are attributable to the gross negligence, willful misconduct or fraud of such Stockholder Indemnitee. In the event that any Stockholder Indemnitee claims any such right of indemnification, such Stockholder Indemnitee shall provide to the Company prompt written notice thereof, together with reasonable detail regarding such claims and in the event that such claim involves third party claims, allow the Company at its expense to defend such claim(s) on the Stockholder Indemnitee's behalf. The Company shall promptly reimburse each Stockholder Indemnitee for any reasonable and properly documented legal and any other necessary expenses incurred by such Stockholder Indemnitee in connection with investigating and defending any such expense, loss, judgment, claim, damage, liability or action, but only to the extent incurred prior to the assumption by the Company of the defense thereof. Any reimbursement by the Company under this [Section 5\(a\)](#) shall be within sixty (60) days of the Stockholder Indemnitee providing reasonable and documented evidence of such expenses, provided that any individual expense in excess of \$10,000 shall require the Company's prior approval. Notwithstanding the foregoing, the Company reserves the right to withhold approval where in the good faith judgment of the Company, the expenses are not reasonable or properly documented. The Company agrees that it will not, without the Stockholder Indemnitee's prior written consent, settle or compromise any claim or consent to entry of any judgment in respect thereof in any pending or threatened action, suit, claim or proceeding in respect of which indemnification has been sought hereunder unless such settlement or compromise includes an unconditional release of such Stockholder Indemnitee from all liability arising out of such action, suit, claim or proceeding. The obligations of the Company under this [Section 5](#) shall survive the consummation of the transactions contemplated by this Agreement and the transfer, conversion, exchange or redemption of any Series C Preferred Stock. Notwithstanding anything contained in this Agreement to the contrary, the Company shall not be liable to any Stockholder Indemnitee for any consequential, incidental, indirect, special, exemplary or punitive damages of such Stockholder Indemnitee relating to any matters for which indemnification is provided for under this [Section 5](#), other than any such damages arising from a claim of a third party. (c) Each Stockholder shall, severally, not jointly, indemnify, defend and hold the Company and each officer, director, member, partner, employee, agent and representative of the Company (collectively, “Company Indemnitees”) harmless against all liability, loss, and damage (including taxes thereon) together with all reasonable and properly documented costs and expenses related thereto (including reasonable and properly documented legal fees and expenses), relating to or arising from any breach of any of the representations, warranties, covenants or agreements of the Stockholders contained in this Agreement. In the event that any Company Indemnitee claims any such right of indemnification, such Company Indemnitee shall provide to such Stockholder written notice thereof, together with reasonable detail regarding such claims and in the event that such claim involves third party claims, allow such Stockholder at its expense to defend such claim(s) on the Company Indemnitee’s behalf. Such Stockholder shall promptly reimburse the Company Indemnitee for any reasonable and properly documented legal and any other necessary expenses incurred by the Company Indemnitee in connection with investigating and defending any such expense, loss, judgment, claim, damage, liability or action, but only to the extent incurred prior to the assumption by such Stockholder of the defense thereof. Any reimbursement by the Stockholder under this Section 5(c) shall be within sixty (60) days of the Company Indemnitee providing reasonable and documented evidence of such expenses, provided that any individual expense in excess of \$10,000 shall require such Stockholder’s prior approval. Notwithstanding the foregoing, such Stockholder reserves the right to withhold approval where in the good faith judgment of such Stockholder, the expenses are not reasonable or properly documented. The Company agrees that it will not, without the Company Indemnitee’s prior written consent, settle or compromise any claim or consent to entry of any judgment in respect thereof in any pending or threatened action, suit, claim or proceeding in respect of which indemnification has been sought hereunder unless such settlement or compromise includes an unconditional release of such Company Indemnitee from all liability arising out of such action, suit, claim or proceeding. The obligations of such Stockholder under this Section 5 shall survive the consummation of the transactions contemplated by this Agreement and the transfer, conversion, exchange or redemption of any Series C Preferred Stock. Notwithstanding anything contained in this Agreement to the contrary, such Stockholder shall not be liable to any Company Indemnitee for any consequential, incidental, indirect, special, exemplary or punitive damages of such Company Indemnitee relating to any matters for which indemnification is provided for under this Section 5, other than any such damages arising from a claim of a third party. Except for fraud, the provisions of this Section 5 are intended to and shall provide for the exclusive monetary remedy for any and all Company Indemnitees for the matters for which a Company Indemnitee may be indemnified under this Section 5 following the consummation of the transactions contemplated by this Agreement.
